Dear Shareholder,

### Invitation to Participate in Share Purchase Plan

On 5 September 2019, ClearVue Technologies Limited (ACN 071 397 487) (**ClearVue** or the **Company**) announced its intention to offer shareholders the chance to participate in a share purchase plan to subscribe for additional fully paid shares (**Shares**) in the Company (**SPP** or the **Plan** or the **Offer**).

The Board of Directors is now pleased to make that offer to eligible shareholders on the terms and conditions enclosed in this letter (**Terms and Conditions**).

### Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 5:00pm (WST) on Wednesday, 4 September 2019 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

### Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$30,000 worth of Shares at a 20% discount to the volume weighted average price (**VWAP**) of Shares traded on the ASX during the 5 trading days on which sales were recorded immediately before the issue date of the new Shares under the Plan, rounded up to the nearest 0.1 cent (**Issue Price**).

The Plan is underwritten and lead managed by Patersons Securities Limited (**Patersons** or **Underwriter**). The SPP is underwritten to the lesser of \$2,000,000 and the amount which is equal to the maximum number of Shares available under the current placement capacity of the Company pursuant to ASX Listing Rules 7.1 and 7.1A multiplied by the Issue Price. The Company reserves the right to accept oversubscriptions under the Plan at its absolute discretion. Any Shares not subscribed for by Eligible Shareholders (**Shortfall**) will be taken up by the Underwriter or its nominees under the terms of the underwriting agreement in place between the Company and the Underwriter subject to the maximum underwritten amount noted above.

An application form for the Plan (**Application Form**) is included in this package.

### Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX, or the Company's website at [www.clearvuepv.com](http://www.clearvuepv.com).

The funds raised under the Plan and the Placement (defined below) will be primarily be used to service and advance the Company's global sales and marketing efforts, its research and

## ClearVue Technologies Limited

development programs, intellectual property portfolio protection, operating expenses and working capital needs.

### How much can you invest?

Eligible Shareholders may each apply for up to a maximum of \$30,000 worth of Shares and a minimum of \$1,000 worth of Shares under the Plan.

### How to accept this Offer

To apply for Shares under the Plan, please follow the instructions on the enclosed personalised Application Form.

Eligible Shareholders may participate by selecting only one of the following offers to purchase Shares under the Plan:

Offer	Total amount payable
Offer A	\$30,000
Offer B	\$20,000
Offer C	\$15,000
Offer D	\$10,000
Offer E	\$5,000
Offer F	\$2,000
Offer G	\$1,000

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the Issue Price, rounded down.

Once an application has been made it cannot be revoked. All Application Forms must be received by the **Closing Date of 27 September 2019**. If the exact amount of money is not tendered with your application, the Company reserves the right to either:

- (a) return your Application Form and/or payment and not allot any Shares to you; or
- (b) allot to you the number of Shares that would have been allotted had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

### Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application price paid for the Shares the subject of the application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

### Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000

worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

### **Relationship of Issue Price with Market Price**

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.20 per Share. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your application under this Offer.

By making an application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

### **Additional Information and Important Dates**

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act (2001) (Cth) (**Corporations Act**).

The Offer cannot be transferred and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any application. Shares allotted under the Plan will be issued no later than 10 business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount currently proposed to be raised under the Offer is \$2,000,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.

The Shares under the Placement will be issued utilising the Company's available capacity under ASX Listing Rules 7.1 and 7.1A.

### Underwriting

The SPP is underwritten to the lesser of \$2,000,000 and the amount which is equal to the maximum number of Shares available under the current placement capacity of the Company pursuant to ASX Listing Rules 7.1 and 7.1A multiplied by the Issue Price (**Underwritten Amount**). The Company reserves the right to accept oversubscriptions under the SPP at its absolute discretion. The underwriting agreement between the Company and Patersons contains customary conditions, warranties and undertakings and is subject to various termination events exercisable by Patersons.

In the event that Eligible Shareholders subscribe for an amount less than the Underwritten Amount (**Subscription Amount**), Shares to the value of the difference between the Subscription Amount and the Underwritten Amount will be placed to nominees or sub-underwriters of Patersons (**Shortfall Shares**). The placement of any Shortfall Shares to nominees of Patersons is subject to the Company having the capacity to do so under the ASX Listing Rules and, at the date of the Offer, such capacity being available to the Company.

The Company will pay the Underwriter a 6% fee on the total amount raised under the Plan and Placement (if any) as well as a lead manager fee of \$40,000 (plus GST).

The Company will be utilising available capacity under ASX Listing Rule 7.1 to issue Shares pursuant to the underwriting agreement and to conduct the Placement. If available capacity under ASX Listing Rule 7.1 is insufficient then it will utilise capacity under ASX Listing Rule 7.1A.

**Share Purchase Plan - Terms and Conditions**

**Purpose**

The purpose of the Share Purchase Plan (**SPP** or **the Plan**), which will be conducted in conjunction with the top-up placement (**Placement**), is to offer shareholders of ClearVue Technologies Ltd (**ClearVue** or the **Company**) the opportunity to acquire additional fully paid ordinary shares in the Company (**Shares**) up to a maximum of \$30,000 (when combined with any Shares issued under any share purchase plan in the 12 months preceding the date of the Plan) and a minimum of \$1,000 worth of Shares.

The Shares under the Plan will be issued at a 20% discount to the volume weighted average price (**VWAP**) of Shares traded on the ASX during the 5 trading days on which sales were recorded immediately before the issue date of the Shares under the Plan, rounded up to the nearest 0.1 cent (**Issue Price**).

The Company seeks to raise a maximum of \$2,000,000 under the Plan. The Shares will also be issued without the need to pay brokerage costs and without the need for the Company to issue a prospectus. The Plan is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit.

**No Financial Advice**

This document does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You should consider the appropriateness of participating in the Plan having regard to your investment objectives, financial situation or particular needs. Shareholders should seek independent financial and taxation advice before making any investment decision in relation to these matters.

**Shareholders Eligible to Participate**

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds Shares on behalf of another person who resides outside Australia or New Zealand. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Shares offered under the Plan). Eligible Shareholders who wish to take up Shares issued under the Plan agree to be bound by the Company's constitution in respect of Shares issued under the Plan.

An offer may, at the discretion of the directors of the Company (**Directors**), be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12-month period is \$30,000. The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the offer is available to Eligible Shareholders.

**Custodians, trustees and nominees**

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to \$30,000 worth of new Shares for each beneficiary for whom you act as

custodian provided you complete and submit, together with an Application Form, a certificate (**Custodian Certificate**) with the following information:

- (a) that you held Shares on behalf of:
- (i) one or more other persons that are not custodians; and/or
  - (ii) another custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one or more other persons who are resident in Australia or New Zealand, to which those beneficial interests relate,
- (each **a Participating Beneficiary**) at the Record Date who have subsequently instructed you, and/or the Downstream Custodian, to apply for Shares under the Plan on their behalf;
- (b) the number of Participating Beneficiaries and their names and addresses;
- (c) the number of Shares that you hold on behalf of each Participating Beneficiary;
- (d) the dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- (e) that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act in addition to the application price for any other Shares issued to you as custodian (as a result of instruction given to you as Custodian or a Downstream Custodian) for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$30,000;
- (f) that a copy of the written offer document was given to each Participating Beneficiary; and
- (g) where you hold Shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

For the purposes of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 you are a '**Custodian**' if you provide a custodial or depository service in relation to shares of a body or interests in a registered scheme and who:

- (a) holds an Australian financial services licence covering the provision of a custodial or depository service;
- (b) is exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- (c) holds an Australian financial services licence covering the operation an IDPS or is a responsible entity of an IDPS-like scheme;
- (d) is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (e) is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact the Company's Share Registry at any time from 8.30am to 5.00pm (WST time) Monday to Friday during the Offer period.

The Company reserves the right to reject any application for Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

### **Price of Shares**

The price of Shares to be issued under the Plan is a 20% discount to the volume weighted average price (**VWAP**) of Shares traded on the ASX during the 5 trading days on which sales were recorded immediately before the issue date of the Shares under the Plan, rounded up to the nearest 0.1 cent.

### **Applications and Notices**

At the discretion of the Directors, the Company will send Eligible Shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the Plan, and accompanied by these Terms and Conditions of the Plan and an Application Form. Applications will not be accepted after the closing date of the Offer. Over subscriptions to an offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

### **Top Up Placement**

Additionally, the Company has agreed to grant Patersons the right to facilitate an offer of Shares to raise up to an additional \$2,000,000 through a placement (**Placement**). The issue price for Shares under the Placement will be the same as under the SPP. The Shares under the Placement will be issued utilising the Company's available capacity under ASX Listing Rules 7.1 and 7.1A.

### **Underwriting**

The SPP is underwritten to the lesser of \$2,000,000 and the amount which is equal to the maximum number of Shares available under the current placement capacity of the Company pursuant to ASX Listing Rules 7.1 and 7.1A multiplied by the Issue Price (**Underwritten Amount**). The Company reserves the right to accept oversubscriptions under the SPP at its absolute discretion. The underwriting agreement between the Company and Patersons contains customary conditions, warranties and undertakings and is subject to various termination events exercisable by Patersons.

In the event that Eligible Shareholders subscribe for an amount less than the Underwritten Amount (**Subscription Amount**), Shares to the value of the difference between the Subscription Amount and the Underwritten Amount will be placed to nominees or sub-underwriters of Patersons (**Shortfall Shares**). The placement of any Shortfall Shares to nominees of Patersons is subject to the Company having the capacity to do so under the ASX Listing Rules and, at the date of the Offer, such capacity being available to the Company.

The Company will pay the Underwriter a 6% fee on the total amount raised under the Plan and Placement (if any) as well as a lead manager fee of \$40,000 (plus GST).

The Company will be utilising available capacity under ASX Listing Rule 7.1 to issue Shares pursuant to the Underwriting Agreement and to conduct the Placement. If available capacity under ASX Listing Rule 7.1 is insufficient then it will utilise capacity under ASX Listing Rule 7.1A.

### **Issue of Shares**

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the closing date specified by the Directors of the Company in the relevant offer.

Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the capital of the company from the date of issue.

Shareholding statements or CHESS notification will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make application for those Shares to be listed for quotation on the official list of ASX.

### **Modification and Termination of the Plan**

The Company may modify or terminate the Plan at any time. The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any person fewer Shares than the person applied for under the Plan if the issue of Shares applied for would contravene any applicable law or the Listing Rules of ASX.

### **Raising Amount and Scale back**

The Company seeks to raise a maximum of \$2,000,000. However, the maximum number of Shares that can be issued under the Plan in accordance with the ASX Listing Rules is 29,319,090. The Company reserves absolute discretion regarding the final amount raised under the Plan.

In the event of an oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back all applications on an equitable basis. If the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.

### **Dispute Resolution**

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of the Company under these conditions may be exercised by the directors of the Company or any delegate of the directors of the Company.
