7. Issue of Shares

- 7.1 The Company is prohibited from issuing any New Shares to any Eligible Shareholder unless the Eligible Shareholder has provided the certification set out in section 5, and if a Custodian, has provided a Custodian Certificate, at the time of applying for the Shares.
- 7.2 The Directors of the Company reserve the right to issue to Eligible Shareholders such number of Shares under the SPP as is permitted under the Listing Rules without shareholder approval. In the event that the SPP is oversubscribed, the Board reserves the right to allocate fewer, or no, New Shares than an Eligible Shareholder applies for under the SPP at its sole discretion.
- 7.3 The Company intends to issue the New Shares under the SPP on or about the Issue Date. The Company reserves the right to vary the Issue Date without further notice in the event that the Closing Date is varied pursuant to clauses 3.2 and/or 11.1.
- 7.4 In respect of application monies received from an Eligible Shareholder, the Company will, prior to the Issue Date, determine the maximum number of New Shares rounded up to the nearest whole number.
- 7.5 The allocation of New Shares will be determined by the Board at its sole discretion.
- 7.6 The Directors reserve the right to accept oversubscriptions as they deem appropriate but not exceeding the threshold of \$30,000 per holder under the Legislative Instrument and not exceeding the threshold of 30% of the Shares on issue imposed under Listing Rule 7.2 Exception 15.
- 7.7 In the event that the Offer under the SPP is not fully subscribed (**Shortfall Amount**), the Directors have agreed to grant Taylor Collison the right to place out any shortfall arising from the SPP. If this does not occur, then the Board reserves its right to issue Shares up the Shortfall Amount, to any person (whether or not such person is an Eligible Shareholder) so long as the Additional Issue:
- (a) satisfies section 708 of the Corporations Act;
 - (b) complies with the ASX Listing Rules; and
 - (c) any approval of Shareholders to issue the Shortfall Amount which is required under the Listing Rules or the Corporations Act is obtained.
- 7.8 The Company will apply to ASX for quotation of the New Shares issued under the SPP and the Additional Issue (if any) within the period prescribed in the Listing Rules.

8. Subscription Price

 - (b) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued under the Offer.
 - (c) By making an application under the Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at discount to the closing price specified above, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make the Offer and the date of issue of New Shares under the Offer and that the value of the New Shares received under the Offer may rise or fall accordingly.
 - (d) The Subscription Price is less than the market price of Shares during a 'specified period' in the 30 days before the date of the offer (such specified period being 5 days in which trading in Shares occurred before the date of the announcement of the Offer).
- 8.3 Compared with the Market Price over the last 30 days on which trading in The Company's shares were recorded prior to the announcement of the SPP (on 16 October 2019), the Subscription Price represents a discount of 18.4% discount to the average closing Market Price over that period.
- 8.2 The New Shares are a speculative investment and the Market Price of the Shares may change between the Opening Date and the Issue Date. This means that the Subscription Price you pay for the New Shares may exceed the Market Price of the Shares at the Issue Date. The Company does not make any assurance as to the Market Price of Shares and there can be no certainty that Shares the Company will trade at or above the Subscription Price following the Issue Date. Shareholders should seek their own financial advice in relation to this Offer and participation in the SPP.
- 8.3 No brokerage, commissions, stamp duty or other transaction costs will be payable by Eligible Shareholders in respect of an application for, and an issue of, Shares under the SPP.
- 8.4 The Company may pay brokerage and other commissions in respect of any subscriptions procured in respect of any Additional Issue, as determined by the Board in its discretion.

9. Non-residents

- 9.1 The right to participate in this offer under the SPP is available exclusively to persons who were registered as holders of fully paid ordinary shares in the Company at 7.00pm (Sydney time) on the Record Date and whose registered address was in Australia and New Zealand, or in another jurisdiction where, in the opinion of the Board, it is lawful and reasonably practical to extend the Offer according to the laws of that jurisdiction.
- 9.2 Eligible Shareholders who are not residents of Australia should consult their professional advisers as to whether any formalities need to be observed (either by them or the Company) to enable them to apply for Shares. It is the responsibility of such Eligible Shareholders to obtain all necessary approvals so they may legally apply for New Shares. The return of a completed Application Form and accompanying Application Amount, or the forwarding of payment of the Application Amount using BPAY from a non-resident Eligible Shareholder will be taken by the Company to constitute a representation and warranty by that Eligible

Shareholder that all relevant approvals have been obtained and that the Company may legally offer the New Shares to that Eligible Shareholder.

10. Rights attaching to New Shares

- 10.1 All New Shares issued under the SPP will be issued on the same terms as other Shares quoted on ASX and once issued, will rank equally in all respects with existing Shares. The Company will apply for the New Shares to be quoted on ASX. It is anticipated that New Shares issued under the SPP will be quoted on ASX on, or shortly after, the Issue Date. Holding statements for the New Shares issued under the SPP will be sent to Eligible Shareholders who have participated in the SPP. If you trade any New Shares before you receive your holding statement, then you do so at your own risk.

11. General

- 11.1 The Board may change or terminate the SPP at any time prior to the Issue Date. In the event that the Board does so, it will advise the ASX. Any omission to give notice of changes to, or termination of, the SPP, or the non-receipt of any such notice, will not invalidate the change or termination.
- 11.2 If the SPP is withdrawn, all Application Amounts received by the Company will be refunded. No interest will be paid on any refunded Application Amounts.
- 11.3 In addition to any rights of the Board to reject applications as set out in these Terms and Conditions, the Board also reserves the right to allocate fewer, or no, New Shares than an Eligible Shareholder applies for under the SPP if the Board believes that the allotment of those Shares would contravene any of the Listing Rules or the requirements of the Class Order. In any such case, excess Application Amounts will be returned to the relevant applicant(s). No interest will be paid on Application Amounts so returned.
- 11.4 The Company may settle in any manner it deems appropriate, any disputes or anomalies which may arise in connection with or by reason of the operation of the SPP, whether generally or in relation to any applicant or application of New Shares. The decision of The Company will be conclusive and binding on all persons to whom the determination relates.
- 11.5 The Company reserves the right to waive compliance with any provision of the SPP Terms and Conditions.
- 11.6 The Offer of Shares under the SPP is in accordance with the Class Order which grants relief from the requirement to prepare a disclosure document for this Offer.
- 11.7 In New Zealand, the Offer of New Shares under the SPP is in accordance with the *Financial Markets Conduct Act 2013* (NZ), the *Financial Markets Conduct Regulations 2014* (NZ) and the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2016* (NZ). This document has not been registered, filed with or approved by any New Zealand regulatory authority.
