The financial report is still the subject of independent review by the Company's auditors.

10. Matter relating to a qualified independent review statement (item 10)

The financial report is still the subject of independent review by the Company's auditors. The Company notes that two assets, being a US Private Equity investment of \$561,815 and a \$5 million investment, are at risk of receiving a qualified review statement by the auditors. The directors are working through issues in an attempt to address the need for such qualification.

REVIEW OF OPERATIONS

The loss of the Consolidated Entity for the half-year after providing for income tax was \$2,047,971 (2018: loss \$1,290,020). Total revenue amounted to \$187,684 (2018: \$467,830). The operating result was impacted by:

- The CRPN liability being restated to reflect face value (equating to an additional liability of \$400,000 being recognised);
- The Company's investment in Molopo Energy Limited (Molopo) has been further written down from 1.28 cents per share (as at 30 June 2019) to 0.54 cents per share to reflect the reduced net asset backing position of Molopo (resulting in a further impairment of \$367,660 during the half-year period);
- The increased CRPNs on issue resulted in a higher interest expense being incurred (with \$121,356 of additional interest being incurred compared to the half-year period ended 31 December 2018);
- On 11 July 2019, the Company terminated the consultancy arrangement with Queste Communications Limited (ASX:QUE) for the provision of financial accounting services. Notwithstanding this termination, Queste continued to charge the Company \$16,041.66 per month (including GST) for the 6 months ended 31 December 2019. As at 31 December 2019, the Company has not recognised a liability of \$96,249.96 in these half year financial statements for the claims made by Queste, however a contingent liability has been recorded in note 7;
- Legal fees incurred in relation to the Federal Court action brought against the Company by Bentley Capital Limited and Mr William Johnson, resulted in \$240,000 being paid to external legal advisors in relation to the Company's and Mr Patton's legal expenses (pursuant to Mr Patton's directors indemnity deed). In addition, Mr William Johnson has made a claim against the Company for a further \$240,000 to cover the costs of his legal expenses in bringing the unsuccessful legal action against the Company. The Company is still considering Mr Johnson's claim, however no decision has been made as yet. As at 31 December 2019, the Company has not recognised a liability in these half year financial statements for Mr William Johnson's claim, however a contingent liability has been recorded in note 7;
- The Company holds a US domiciled private equity investment that has been previously written down to US\$393,608 (equating to A\$561,815 as at 31 December 2019). Whilst the directors are comfortable with the carrying value of this investment, it may need to be further impaired; and
- The revaluation of foreign currency assets resulted in a loss of \$211,597 during the half-year period (compared with a gain of \$269,464 for the corresponding half-year period).

DIRECTORS' REPORT

In addition to the above, the following notable activities occurred during the half-year period:

- On 28 May 2019, the Company terminated the consultancy arrangement with Mr Farooq Khan, resulting in the Company saving \$18,333.33 (including GST) per month. On 10 July 2019, Mr Khan sought to change the Chairman of the Company to Mr William Johnson, with Mr Johnson authorising the release of an ASX Announcement on 11 July 2019 (without the approval of the Board). In total, the Company received requests for the early redemption of 6,750,208 CPRN's. On 23 October 2019, the Company advised that it had processed 397,944 CRPN redemption requests that were satisfied by cash payment. NOTE 1: BASIS OF PREPARATION

Keybridge Capital Limited (ASX:KBC) (**KBC** or **Company**) is a company incorporated and domiciled in Australia and listed on the Australian Securities Exchange (**ASX**). The Consolidated Financial Statements as at and for the financial half year ended 31 December 2019 comprise the Company and its subsidiaries (**Keybridge** or **Consolidated Entity** or **Group**) and its interest in Associate entities. Keybridge is a 'forprofit' investment and financial services group with a diversified portfolio of listed and unlisted investments/loan assets. The condensed consolidated financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets.

The financial statements are presented in Australian dollars, which is the Consolidated Entity's functional and presentation currency.

The accounting policies and methods of computation adopted in the preparation of the half year financial statements are consistent with those adopted and disclosed in the Company's financial statements for the financial year ended 30 June 2019. The Keybridge 2019 Annual Report is available upon request and may be downloaded from the Company's website: www.keybridge.com.au or the ASX website (www.asx.com.au).

Statement of Compliance

The half year financial statements are a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. These half year financial statements do not include notes of the type normally included in the annual financial statements and should be read in conjunction with the most recent annual financial statements and the Company's ASX announcements released from 1 July 2019 to the date of this report.

Uses of estimates and judgements

In preparing these half-year financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgements made by management in applying the Consolidated Entity's accounting policies and key sources of estimation uncertainty were the same as those applied to the Consolidated Financial Statements as at and for the year ended 30 June 2019.

NOTE 2: SUBSEQUENT EVENTS

On 8 January 2020, Aurora Funds Management Limited (Aurora), in its capacity as the responsible entity for the Aurora Dividend Income Trust (ADIT), announced its intention to make a takeover bid for the Company at 6.6 cents per share.

On 17 January 2020, Mr Cato ceased to be a director of the Company as a direct consequence of his actions in failing to attend any meetings of directors for 3 consecutive months, since 16 October 2019, without requesting any leave of absence during this time. Accordingly, pursuant to clause 8.2(d) of the Company's constitution, Mr Cato automatically vacated office.

Whilst Mr Cato initially accepted the position that he had vacated office due to his absence, thereby relinquishing his role as director, the Company has subsequently received a letter from Mr Cato's lawyers indicating that this position is being challenged. Since that time, Mr Cato voluntarily repaid \$5,000 of his board fees to the Company.

On 21 January 2020, the Company announced that it had received a request from HSBC on behalf of WAM group of shareholders that it wished to withdraw its early redemption request pertaining to 1,835,111 CPRN. On 22 January 2020, the Company announced that it had determined to redeem 2,000,000 of the outstanding early redemption CRPN requests for cash plus accrued interest to date, which reduced the outstanding early redemption CRPN requests to 2,517,153 notes.

On 21 January 2020, the Company resumed its Annual General Meeting (AGM) that had previously been adjourned on 29 November 2019. At the resumed AGM, more than 25% of shareholders voted against remuneration report so the Company received a "second strike" (with the "first strike" being received at the 2018 AGM). As such, the Company will convene a "spill" meeting in due course.

On 17 February 2020, pursuant to a waiver granted by the ASX under Listing Rule 7.9, the Company placed 22,000,000 shares to sophisticated investors at an issue price of 6.9 cents per share, raising \$1.518 million. As previously announced, the Company intends to apply these funds towards the repayment of the outstanding CRPN early redemption request, of which, approximately \$2.5 million currently remains outstanding.

On 18 February 2020, Keybridge received a notice by mail from WAM Active requesting the Company call a meeting under s249D to consider the removal of Mr Bolton as a director of the Company.

On 18 February 2020, WAM Active made an application to the Takeovers Panel seeking orders, amongst other things that include:

- Cancelling the placement referred to above;
- Causing Keybridge to hold the meeting referred to above and the Board "Spill" meeting required under s250V be held as soon as possible rather than under the timeframe required under the Act;
- Causing ADIT to withdraw its 6.6c takeover for Keybridge unless it validates its funding source; and
- Allow WAM Active to not be required to accept withdrawal of acceptances.

On 24 February 2020, WAM Active advised it had increased its takeover bid consideration from 6.5 cents to 6.9 cents per share, with all conditions being dropped, other than the prescribed occurrences as defined in clause 10.7(c) of the WAM Active Bidder's Statement released on 3 January 2020.

NOTE 4: ISSUANCES OF EQUITY

There were no issuances of equity during the half-year periods ended 31 December 2019 and 31 December 2018. On 17 February 2020, pursuant to a waiver granted by the ASX under Listing Rule 7.9, the Company placed 22,000,000 shares to sophisticated investors at an issue price of 6.9 cents per share, raising \$1.518 million.

NOTE 5: DIVIDENDS ON ORDINARY SHARES

There have been no dividends paid or declared during the half-year periods ended 31 December 2019 and 31 December 2018.

NOTE 6: RELATED PARTY TRANSACTIONS

(a) Transactions with Directors

- (i) During the half-year, the Company received invoices totalling \$96,249.96 (including GST) (2018: \$96,249.96) from Queste Communications Limited (ASX:QUE) (Queste) for the provision of accounting services, despite the Company having terminated this contract on 11 July 2019. The Company's former Alternate Director, Mr Farooq Khan (who ceased as an alternate director for Mr Simon Cato on 18 July 2019), and its former Company Secretary, Mr Victor Ho (who ceased to be Company Secretary on 13 October 2019), are both directors of Queste. The Company has not recognised a liability for the amounts claimed by Queste in these half-year financial statements, however has recorded a contingent liability of \$96,249.96 in note 7.
- (ii) On 26 September 2019, the Company announced that Bentley Capital Limited and Mr William Johnson had commenced proceedings against Company and certain directors, including Mr John Patton and Mr Jeremy Kriewaldt, seeking a declaration that Mr William Johnson was properly appointed to the role as Chairman on 10 July 2019. On 11 October 2019, the Federal Court in Western Australia determined that Mr William Johnson had <u>not</u> been validly appointed as Chairman of Keybridge. In relation to this matter, the Company paid \$240,000 to the external lawyers and counsel retained by Mr Patton under his Director's Deed.
- (iii) In relation to the Federal Court of Western Australia matter referred to in the previous paragraph, Mr William Johnson has also made a claim against the Company for a further \$240,000 to cover the costs of his legal expenses in bringing the unsuccessful legal action against the Company. The Company has sought, but not yet received, further information on this claim from Mr William Johnson, and as such no decision on the merits of this claim has been made as yet. As at 31 December 2019, the Company

has not recognised a liability in these half-year financial statements for Mr William Johnson's claim, however a contingent liability has been recorded in note 7.

- (iv) During the half-year, the Company's Non-Executive Director, Jeremy Kriewaldt received \$8,800 (2018: Nil) from the Company pursuant to legal services rendered by Jeremy Kriewaldt Lawyers. Mr Kriewaldt's engagement was approved by the Board (excluding Mr Kriewaldt) and were on usual terms consistent with those offered to other clients.
- (v) As previously advised, the Company agreed to advance \$440,000 as loan funds in respect of Nicholas Bolton's legal costs incurred in circumstances where Mr Bolton's Director's Deed with the Company provides a procedure for the advancement of monies in this regard. Mr Bolton previously served as a Director between 30 December 2011 and 9 October 2012, between 2 January 2013 and 17 December 2015 (as Executive Director from 22 February 2013 and as Managing Director from March 2014) and from 13 October 2019. As at 31 December 2019, \$440,000 (2018: \$440,000) has been advanced via payments made to Mr Bolton's lawyers.

The Board agreed to advance these funds in accordance with the relevant provision of Mr Bolton's Director's Deed and subject also to various terms and conditions agreed with Mr Bolton, including a monetary cap (initially \$400,000 and increased to \$440,000 in March 2018), that advances would be provided only as payment of bills rendered by Mr Bolton's lawyers in relation to the relevant proceedings, that the Company needed to be satisfied that the amount of each legal bill was reasonable, that the Company would have access to Mr Bolton's lawyers to ensure that it was promptly informed of any material developments in relation to the proceedings and otherwise to enable the Company to assess the likely outcome of those proceedings, that Mr Bolton would be obliged to repay any amounts advanced in various circumstances specified in his Director's Deed including in any situation in which Mr Bolton is not entitled to be indemnified or advanced those costs, and a provision for review of the position once the outcome of the relevant proceeding is known, including the repayment of all or a portion of the advance (as appropriate). The relevant proceeding had not yet been decided as at 31 December 2019.

The \$440,000 advance is accounted as a loan receivable asset, however, as previously advised, a provision (ie. Impairment expense) has been recognised in respect of the full amount of \$440,000 (based on the Directors' judgement). This provision/impairment does not prejudice the Company's rights (including recovery) under the terms of the advance to Mr Bolton. If the Company receives a repayment (or recovery payment) in respect of this advance, the provision (impairment expense) will be reversed to the extent of such receipt.

(vi) On 28 November 2014, shareholders approved the Company's Executive Share Plan (ESP). On 19 December 2014, the Company issued 9 million ESP shares to Nicholas Bolton (who was the Managing Director at the time) with the initial cost (\$1,678,500) funded by an ESP loan granted to Mr Bolton (ESP Loan).

As at 30 June 2018 balance date, the Company determined to make a full provision in respect of recognising the interest component as a receivable asset (based on the Directors' judgement); an amount of \$336,164 was reduced from Loans and Receivables (Other) with a corresponding decrease in the Share based payments reserve in equity (there was no impact on the Statement of Profit or Loss). This provision does not prejudice the Company's rights (including recovery) under the terms of the ESP Loan. If the Company receives a payment in respect of this interest component, the Company will recognise a corresponding increase in the Share based payments reserve in equity to the extent of such receipt.

Without prejudice to each party's rights under the terms of the ESP Loan, pursuant to an amendment (dated 27 May 2019) to Mr Bolton's employment agreement, Mr Bolton agreed to pay \$42,020.51 to the Company each quarter (commencing on 30 September 2019 and ending on 30 June 2021) towards reducing the \$336,164 interest component of Mr Bolton's ESP Loan. The parties have also agreed that Mr Bolton is entitled to assert his rights in relation to the matter and if the matter is resolved in favour of Mr Bolton (subject to compliance with the Corporations Act and ASX Listing Rules) and Mr Bolton has paid quarterly amounts in excess of what the Company was entitled to receive, the Company will repay Mr Bolton with interest calculated at 6.45% pa.

(b) Other Matters
