ASX RELEASE

Tuesday, 7 April 2020

Completion of Institutional Component of Entitlement Offer and Placement

Southern Cross Media Group Limited (ASX: SXL) (**SCA** or the **Company**) is pleased to announce the successful completion of the fully underwritten¹ placement to institutional and sophisticated investors (**Placement**) and the institutional component of its 1.75 for 1 accelerated pro-rata non-renounceable entitlement offer (**Entitlement Offer**) of fully paid ordinary shares in the Company (**New Shares**), details of which were announced to the ASX on Monday, 6 April 2020.

The fully underwritten¹ Placement and the Entitlement Offer (together, the **Offer**) is expected to raise approximately \$169 million (before costs).

Approximately \$149 million (before costs) was raised across the Placement and institutional component of the Entitlement Offer (**Institutional Entitlement Offer**)². The Offer price was A\$0.09 per New Share.

SCA directors and senior leadership team members who are shareholders have confirmed their intention to participate in the retail component of the Entitlement Offer by taking up their pro rata entitlement for New Shares.

Placement and Institutional Entitlement Offer

The Placement received strong demand and the Institutional Entitlement Offer had a take up rate by eligible institutional shareholders of approximately 92%. New Shares in respect of institutional entitlements not taken up under the Institutional Entitlement Offer and New Shares that would have represented the entitlements of ineligible institutional shareholders were offered and placed to institutional and sophisticated investors.

Approximately 1,655 million New Shares subscribed for under the Placement and Institutional Entitlement Offer are expected to be settled on Friday, 17 April 2020 and to be issued and commence trading on the ASX on Monday 20 April 2020². New Shares issued under the Offer will rank equally with existing SCA shares as at their date of issue; however, New Shares issued under the Placement will not be entitled to participate in the Entitlement Offer.

In conducting the Placement, SCA has relied on the class waiver decision "Temporary Extra Placement Capacity" issued by ASX on 31 March 2020 which lifts the limit on the number of New Shares that SCA can issue without obtaining prior shareholder approval pursuant to Listing Rule 7.1 from 15% to 25%. The class waiver also permits the Company to include in its calculation for the purposes of Listing Rule 7.1 the number of New Shares that may be issued under the fully underwritten¹ Entitlement Offer.

¹ Please refer to note 1 on Page 1 of the Company's investor presentation released to ASX on 6 April 2020.

² The issue (and associated settlement) of ~43 million shares under the Institutional Entitlement Offer has been deferred until 4 May 2020 for regulatory reasons, being the same day as the issue date for New Shares to be issued under the retail component of the Entitlement Offer.

NOT FOR DISTRIBUTION OR RELEASE IN THE UNITED STATES

SCA expects ASX to lift the voluntary suspension and for the Company's ordinary shares to resume trading on the ASX from market open today (Tuesday, 7 April 2020).

Retail Entitlement Offer

The retail component of the Entitlement Offer, which is fully underwritten¹ is expected to raise a further \$19.5 million (before costs) (**Retail Entitlement Offer**). The Retail Entitlement Offer is expected to open on Wednesday, 15 April 2020 and close on Monday, 27 April 2020.

Eligible retail shareholders with a registered address in Australia or New Zealand on the Record Date of 7.00pm (Sydney time), Wednesday, 8 April 2020, will have the opportunity to invest in New Shares at the offer price of A\$0.09 per New Share under the Retail Entitlement Offer. Further details as to eligibility will be set out in the retail offer booklet to be sent to eligible retail shareholders on Wednesday, 15 April 2020.

In conducting the Entitlement Offer, SCA has relied on the class waiver decision "Non-renounceable Offers" issued by ASX on 31 March 2020 which permits the ratio of New Shares to be offered under the Entitlement Offer to be greater than one New Share offered for each Share held.
