About Wagners:

Wagners is a diversified Australian construction materials and services provider and an innovative producer of New Generation Building Materials. Established in 1989 in Toowoomba, Queensland, Wagners is now an ASX-listed business operating in domestic and international markets. Wagners are a producer of cement, concrete, aggregates, new generation composite products and are world leaders in development of new technology to reduce the impact of heavy construction materials on the environment. Wagners are also providers of transport services, precast concrete and reinforcing steel.
