**Update on Acquisition of Minority Interest in Bagoé and Liberty**

Exore Resources Ltd ('**Exore**' or the '**Company**' | **ASX: ERX**) is pleased to announce that further to the ASX announcement on 3 June 2020 and under the Joint Venture Agreement with Apollo Consolidated Ltd ('**Apollo**'), Exore has made a payment of US\$4.5 million to Apollo to acquire the remaining 20% joint venture interest in the Bagoé and Liberty Projects in northern Côte d'Ivoire. Exore exercised its Pre-Emptive Right over Apollo's minority interest to acquire 100% of both projects.

As announced on 3 June 2020, under a proposed Scheme of Arrangement ('**Scheme**'), Perseus Mining Limited ('**Perseus**') is to acquire 100% of Exore in an all-share transaction under which, if implemented, Exore shareholders will receive 1 Perseus share for every 12.79 Exore shares held. The Scheme is conditional upon (among other conditions precedent) the 20% interest in the Bagoé and Liberty Projects referred to above being transferred to or becoming held for Exore.

Following this acquisition payment, Exore's current cash position is approximately A\$4.9 million.
