ASX ANNOUNCEMENT SPECIAL DIVIDEND

Pental Limited advises the market of a one-off special dividend of 0.7c per share, to be paid on 7 August 2020 with a record date of 31 July 2020.

The dividend is a sign of strong performance of the Company's portfolio of iconic brands.

Financial Year 2020 has seen sales growth in all of Pental's Australian sales channels with the White King branded products ranged for the first time in Aldi supermarkets and Bunnings Warehouse stores.

The export markets including New Zealand and China also experienced solid growth.

The June quarter, in the peak of COVID-19 saw increased demand for the Company's White King range of products that kill 99.9% of household germs.

The rejuvenation and range extension of the Company's Country Life brand, saw 37% growth over the previous year, supporting the Company's long-term strategy of investing in its trusted brands. The Company's Australian Made and Australian Owned positioning ensured it was able to meet consumer needs during the peak of the COVID 19 demand.

Increased marketing funds behind these Australian owned and made brands resulted in additional distribution and consumer demand.

The Company's proven strategy is seeing strong growth, allowing it to provide a generous additional dividend to shareholders at a time when much of the market is under pressure.

Pental Limited will release its 2020 financial year results in late August 2020 and confirm its full year final dividend.
