Covid-19 temporary store closures

Following the Victorian Government's announcement of stage 4 restrictions in metropolitan Melbourne, 46 JB HI-FI stores and 21 The Good Guys stores were temporarily closed to customers from 6th of August for a minimum period of 6 weeks

Following the New Zealand Government's re-introduction of alert level 3 restrictions in Auckland, 7 JB HI-FI New Zealand stores were temporarily closed to customers from midday 12th of August for a minimum period of 2 weeks

In metropolitan Melbourne and Auckland, our online and commercial operations continue to trade with fulfillment via contactless click and collect and home delivery from our store network and warehouses

August 2020 sales update and outlook

The Group has seen a significant acceleration in online sales in Victoria in the first 11 days following the stage 4 temporary store closures. This, combined with continuing sales momentum across the rest of Australia, has resulted in the Group achieving strong sales growth in August to date

While we are pleased with our start to FY21 and current trading, in view of the uncertainty arising from Covid-19, we do not currently consider it appropriate to provide FY21 sales guidance
