(A) In August 2020, eighteen (18) Harvey Norman® and Domayne® franchised complexes in greater Melbourne, Victoria were closed to the public from 6<sup>th</sup> August 2020 to date as a direct result of the Stage 4 Restrictions mandated by the State Government of Victoria. Our franchisees quickly moved to service their customers via Click & Collect and contactless deliveries. The sales turnover of our affected franchisees in greater Melbourne have been adversely affected by these mandated closures. It is presently estimated that the easing of Stage 4 Restrictions in Victoria will commence from 26<sup>th</sup> October 2020. Sales for the comparable period in the previous corresponding period were not restated for the effect of this mandated temporary closure.

(B) On 11<sup>th</sup> August 2020, the New Zealand Government announced Alert Level 3 restrictions for the Auckland region, and Alert Level 2 restrictions for the remainder of the country, resulting in the closure of eleven (11) Harvey Norman® company-operated stores in Auckland to the public from midday 12<sup>th</sup> August 2020 to Sunday 30<sup>th</sup> August 2020 inclusive. All 11 stores re-opened to the public from Monday 31<sup>st</sup> August 2020. Sales for the comparable period in the previous corresponding period were not restated for the effect of this mandated temporary closure.
