Commenting on the result, FDV’s Founder and CEO, Shaun Di Gregorio said:

“We are very grateful for the ongoing support shown by institutional shareholders and the strong interest from new investors. This capital raising has further strengthened our share register through the addition of 15+ high quality domestic and international funds who we believe are highly aligned with our long-term value creation strategy.

We are excited about the strategic acquisitions of Fincaraíz, Avito and Tayara, which strengthen FDV's position as a leading operator of online classified businesses in emerging markets. These Acquisitions are highly complementary to FDV's existing portfolio and provide us with market leadership positions in existing and new adjacent geographies.”

shareholders were placed with institutional investors. 74,097,588 New Shares were subscribed for under the Institutional Offer, with settlement expected to occur on Thursday, 15 October 2020, and New Shares issued and commencing trading on the ASX on Friday, 16 October 2020. New Shares issued under the Institutional Offer will rank equally with existing FDV shares as at their date of issue.

There is no guarantee that any additional New Shares will be available.

The directors of FDV reserve the right to issue any New Shares not issued in the Retail Entitlement Offer (Shortfall Shares) to existing shareholders or new investors within 3 months of the close of the Retail Entitlement Offer at a price no less than the Offer Price. The allocation of Shortfall Shares will be within the complete discretion of FDV, having regard to factors such as FDV's desire for an informed and active trading market, its desire to establish a wide spread of shareholders, the size and type of funds under management of particular investors, the likelihood that particular investors will be long-term shareholders, and any other factors FDV considers appropriate.
