# 2021 is a year of opportunity for Redbubble Group

RB Group is positioned to build on a decade of momentum and aggressively pursue the global opportunity presented by the shift to online activity and increasing adoption of ecommerce platforms.

Work in 2021 will be across:

- **Artist activation and retention at Group level**
- User acquisition and transaction optimisation
- Customer understanding, loyalty and brand building
- Further physical product and fulfilment network expansion

### **Glossary**

- Marketplace Revenue: Total Revenue less Artist Revenue (i.e. margin)
- **GPAPA:** Gross Profit after Paid Acquisition Costs
- Gross Transaction Value (GTV): Gross Transaction Value less Taxes and Artist Revenue is equal to Marketplace Revenue.

**Constant currency:** reflects the underlying growth before translation to Australian dollars for reporting purposes. Redbubble sources about 93% of its Marketplace Revenue in currencies other than Australian dollars. TeePublic sources about 92% of its Marketplace Revenue in US dollars.

**Operating Cash Flow:** net cash flows provided by and used in revenue generating activities. Changes in the accounting treatment of rent expenses on property leases in FY20 (as per AASB 16) have reclassified payments for such leases as financing cash flows.
