Sales and Marketing Performance

The Company achieved net sales of \$2.28m (78% growth YOY) during the quarter with the standout performer being larkdistilling.com with over 400% growth YOY. Underpinning this online growth has been the launch of the limited release programme including Sherry Sherry (online exclusive, 250 bottles in 24 hours), Wolf Release (circa. 900 bottles sold to date) and Rum Cask (online exclusive, 330 bottles in 36 hours).

The overall positive sales result was offset by a decline in hospitality revenues of approximately \$300k or 73% YOY due to the restricted trading conditions associated with COVID-19. At the time of writing the Tasmanian government had announced a reopening of the borders to interstate travel from the 28th of October which will enable the reopening of the Lark experience at the Brooke Street Pier (closed since April '20) and the launch of the Forty Spotted Gin Bar (on hold since March '20). During the quarter the Company received \$363k in Job Keeper subsidy and is no longer eligible for Job Keeper moving forward.

The sales and marketing focus in the quarter was the launch of Lark Symphony No1 and the securing of additional product facings and doors into Dan Murphy's, Vintage Cellars and BWS. During the quarter the Company successfully recruited a seasoned mainland alcohol sales representative to drive sales and improve our service of the independent liquor trade who commences in the role in December 2020.

The relaunch of Forty Spotted Gin remains on scheduled for October 2020.

Nominated for Worldwide Whiskey Producer of the Year

We are immensely proud of the quality of product we produce here in Tasmania and are honoured to be recognised by the global industry and the International Whiskey and Spirits Competition in 2020."

Adds Lark Distilling Co. founder and global ambassador Bill Lark: "What an amazing and humbling honour to be nominated as one of the top four whisky distilleries in the world."

\$8.85 million Capital Raise via Placement

Cashflow Highlights

Net operating activity cash outflows for the quarter of \$1.83m were the result of a build-up of costs which had been deferred as part of COVID-19 government support measures. These included an outflow of \$356k relating to PAYG deferrals and \$788k for excise tax which had been held back since April. Cash inflows received from customers increased due to an uplift in product demand and sales volumes.

Net investing activity cash inflows for the quarter of \$7k related to the to the completion of the Cambridge Column Still. The still will be used for production of the new whisky product line, the base alcohol for Forty Spotted Gin and Lark Sanitiser. This was offset by inflows received for disposal of non-current assets.

Net financing activity cash inflows of \$8.29m were the result of the capital raise undertaken during the September quarter. The total funds received net of transactions costs was \$8.4m. Other minor costs of \$100k were incurred relating to truck and barrel finance repayments.

The related party payments of \$394k reported in 6.1 of the Appendix 4C relate to the payment of non-executive Director fees and Executive Director Remuneration of \$258k for the September quarter, as well as \$136k to Seppeltsfield Wines, a company associated with Mr Warren Randall for casks used in the production process.
