Vuzel

The Minister of Energy of Bulgaria has executed the Exploration Agreement ("Agreement") for Ridge Consultants, the applicant and vendor of the Vuzel project, who has counter executed the Agreement, bringing the project closer to exploration activity. At this time, the project is officially granted to Ridge Consultants, providing Raiden with a path to 100% ownership of the project. The Company will aim to complete administrative tasks, which are required prior to commencement of drilling, following which the Company will aim to commence with drilling activities as soon as possible.

For further information refer to the Company's announcement dated 7th September 2020.

Exploration Activities in Serbia

No exploration activity was carried out on the Serbian projects during the quarter.

Potential Acquisitions

In line with the Company's corporate strategy on exploring and evaluating new projects, the Company has focused on identifying Tier 1 gold or copper acquisition opportunities internationally and in Australia. The Company has been actively evaluating and was in discussions regarding a range of opportunities, with discussions undertaken during the quarter being preliminary in nature.

About Raiden Resources

Raiden Resources Limited (ASX: RDN) is an ASX/DAX listed copper—gold focused exploration Company focused on the emerging prolific Tethyan metallogenic belt in Eastern Europe and has established a significant exploration footprint in Serbia and Bulgaria.

Over the last 2½ years, the Company has secured one of the largest project portfolios, considered prospective for porphyry and epithermal mineralisation in Eastern Europe. The Company has defined over 20 porphyry, epithermal and polymetallic prospects over the course of 2019, a number of which will be drill tested during the remainder of 2020 and during 2021.

The Company has also recently signed an option agreement to secure a large gold and Ni-Cu-PGE portfolio of projects in the Pilbara region of Western Australia.

The Directors believe that the Company is well positioned to unlock value from this exploration portfolio and deliver a significant mineral discovery.
