8.6 If Item 8.5 is less than 2 quarters, please provide answers to the following questions:

- Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer: No. While SportsHero has taken proactive steps to reduce normalised operating costs, we expect net cash used in operating activities to increase to around \$390 in Q2FY21. This amount includes approximately \$175 of cash costs that are either one off in nature, or are annual expenses that fall due for payment in Q2.

In addition, following the resumption of international football, SportsHero expects revenue generation to commence in Q2FY2020/21.

- Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: Yes. On 10 September 2020, SportsHero announced the execution of a definitive Standby Placement Agreement with Mint Capital Advisors to provide up to \$5 million in equity funding over a 3 year term (Facility). In accordance with the terms and conditions of the Facility, the Company (at its sole discretion) can elect to make a drawdown under the Facility. The maximum drawdown amount being \$140,000 per month. On 20 October 2020, the Company completed a \$68,933 drawdown at an issue price of \$0.02223 per share.

Subject to market conditions, the Company is open to considering other equity capital raising opportunities.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes: Following the recommencement of football matches and fixtures, SportsHero expects to continue its operations and to meet its business objectives for the following reasons:

- a full and functioning range of products are now launched, with Olahbola generating in excess of 1 million new unique users since its launch in July 2020;
- exclusive partnerships are in place with two of the world's largest sporting leagues; and
- the SportsHero products have been expanded to enhance the experience of fans across multiple sporting events and media platforms.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
