1.	Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
	Answer: The Company will increase the current levels of cash used in operating activities with exploration programs planned across its projects.	
2.	Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
	<p>Answer: On 13 October 2020 the Company announced that it had received firm commitments from professional and sophisticated investors to subscribe for 100,000,000 new fully paid ordinary shares in the Company at an issue price of \$0.01 per share to raise \$1 million (before costs), subject to shareholder approval at the upcoming AGM to be held on 25 November 2020.</p> <p>On 19 November 2020 the Company offered eligible shareholders the opportunity to participate in a share purchase plan (SPP) to raise a further \$1 million (before costs). The SPP is expected to close on Monday 2 November 2020 (subject to change).</p>	
3.	Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?	

Answer: Yes, for the reasons provided in 1 & 2 above. The Company is continuing with essential exploration expenditure and is assessing its opportunities to maximise the value of the Company's existing assets and opportunities.

### Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
