**Quarterly Activity Report for the Period 1 July 2020 to 30 September 2020**

**Operations**

Delecta Limited's operating activities during the period continued to be predominately related to its wholesale businesses, Calvista Australia and Calvista New Zealand ("Calvista").

Calvista's sales and profitability remained strong throughout the period. However, the replenishment of inventories, depleted as a result of increased demand and delayed deliveries in the previous quarter, resulted in a deficit in operating cashflows for the period.

The acquisition of the 60% interest in Sunrise Minerals Inc. was completed in the September quarter.

Following shareholder approval at the General Meeting held on 2 September 2020, the strategic placement was completed, and the outstanding net proceeds were paid to the Company.

**Investments**

The Company continues to identify and review other resource investment opportunities particularly gold projects in Western Australia, Queensland, Nevada, and Arizona. It is noted that the resources sector is robust and outperforming many others. We expect the buoyant conditions in this sector to remain, particularly as Governments around the world stimulate their economies, much of it through infrastructure and business incentives. The Company is in good shape financially and is well positioned to assess and exploit opportunities in this sector.

**Quarterly Cash flow**

The group utilised \$209,000 in operating activities for the period due to the replenishment of previously depleted inventories.

Investing activities including the payment of \$150,000 to Sunrise Minerals Inc. for a 60% interest in the company.

Following the approval of shareholders, the balance of funds from the placement of \$367,000 was paid to the Company.

The cash balance at the end of the quarter was \$1,587,000.

#### **Related Party Payments**

Related party payments of \$101,000 for the period are comprised of directors' fees and salaries.

#### **Authorisation**

This announcement is authorised by the Board of Directors.

### Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
