

ASX RELEASE (ASX: AQC)

# Australian Pacific Coal

## Quarterly Activities Report for the period ended 30 September 2020

### Dartbrook Mine

#### **Modification 7 Appeal**

As previously disclosed, the Board of Australian Pacific Coal Limited (ASX: AQC) resolved to lodge an appeal against the determination made on 9 August, 2019, by the NSW Independent Planning Commission (IPC), acting as the delegate for the Minister of Planning, Infrastructure and Environment (MPIE), with respect to AQC's Modification 7 Submission.

AQC's appeal against the determination of Modification 7 to the development consent for the Dartbrook Underground Coal Mine remains on foot. As part of that appeal process negotiations between AQC and the Independent Planning Commission (who is conducting the appeal on behalf of the Minister for Planning, Infrastructure and Environment) are ongoing and have included a number of conciliation conferences held under s34 of the *Land and Environment Court 1979* and which are ongoing.

AQC's principal focus of the appeal is obtaining an extension of mining under the existing Dartbrook development consent for an additional 5 years from 5 December 2022 until 5 December 2027. The Board also continues to consider whether, in addition to appealing against the Modification 7 determination, a further modification application (Modification 8) should be lodged to seek further flexibility in the manner in which the Dartbrook Underground Coal Mine can be restarted and operated.

### Corporate and Funding

During the quarter the Board announced the appointment of Mr Mark Jagla as a Non-Executive Director and the resignation of Ms Ainslie Maclean as a Non-Executive Director.

At quarter end the Company held \$0.56 million in cash reserves. Funds during the quarter were primarily used to progress the modification appeal (\$0.21 million), care & maintenance holding costs (\$0.93 million) and corporate administration (\$0.38 million). The Board continues to evaluate the short-term cash flow requirements of the Company.

The Company's accompanying Appendix 5B (Quarterly Cashflow Report) includes an amount in item 6.1 of \$144k which constitutes executive and non-executive directors' fees paid during the quarter.

This announcement has been authorised for release by the Board.

8.8 If Item 8.7 is less than 2 quarters, please provide answers to the following questions:

- Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer:

The Company continues to assess its expenditure with the objective of reducing its operating costs where practical. Whilst this is expected to reduce the ongoing level of operating cash outflows as compared to that reported in this quarterly report, the Company expects that it will continue to have net operating cash flows not significantly different to as reported.

- Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer:

As outlined at item 7, the Company's cornerstone investor and funder Trepang has continued to provide ongoing working capital by way of unsecured loans so that the Company can meet its net operating cash flows. The Company continues to have the ongoing support of Trepang and intends to seek additional unsecured loan funding from Trepang.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer:

The Company expects that it will be able to continue its operations and to meet its business objectives based on the Company's intention to seek additional funding and or reduce its expenditure as outlined in item 2 above.
