## ANNOUNCEMENT TO THE ASX –29<sup>th</sup> October 2020

### Inventis Limited [ASX: IVT] Quarterly Activity Report

#### General Operational Review

During the quarter ending 30<sup>th</sup> September 2020 the Group's business and organisation structure remained unchanged from the previous quarter when we announced the inclusion of Bassett Furniture Pty Ltd { [www.Basettfurniture.com.au](http://www.Basettfurniture.com.au) } and the Bevisco Brand { [www.bevisco.com.au](http://www.bevisco.com.au) } acquisition.

The group continues to seek operational cost reductions, with a number of further initiatives, creating a minimum \$0.3 Million of annual savings, commencing 1 November 2020.

Covid-19 procedures continue to be at the forefront of operational guidelines issued by the Company. Where required certain staff remain on a 4 -day a week roster, with senior management (including the MD) and all agreeable staff voluntarily continuing to take a 20% cut in salary or fees. This is being reviewed periodically, whilst the group continues to manage cash expenditure to bring it in line with COVID-19 induced reduction in revenue and added assistance of Jobkeeper.

The Bassett Furniture factory move from its premises at 55a Moxon Road Punchbowl, to our premises at Eastern Creek is now complete. All staff have been retained during this process and the moving expenses were taken up in the September 2020 quarter.

The factory move improves overall operational efficiency, reduce costs and enables additional capacity in support of our "Australian Made" programme.

During this period, Gregory Commercial Furniture also launched a most exiting innovation, our new G-smart™ Chair technology, which enables your Gregory Chair to talk to your Phone. The Apple and Android Apps have been deployed onto the various app stores, and the Technology is now available to users and clients of Gregory who purchase the new G-Smart chair technology.

The Managing Director Anthony Mankarios said, "This revolutionises the way we do things as it allows for better Ergonomic, WH&S management and asset tracking of your office furniture". The Patent seat technology and G-Smart technology brings together a culmination of hard work from both Divisions within Inventis; Furniture and Technology to produce an extraordinary Australian made and developed product with wide reaching overseas potential.

Our mission is to be at the forefront of innovation in support of our "Australian-Made - Australian-Designed" quest.

Inventis Limited is also pleased to announce that:

- Opentec Solutions Pty Ltd has been awarded a registered supplier status under the NSW Government ICT Services Scheme. (SCM0020). Discussions continue to firm up supply of technology product to overseas opportunities.
- Gregory Commercial Furniture Pty Ltd has had their existing NSW Government approved supplier contract extended for a further 6 months and has lodged a submission for a new approved supplier contract for 2 years, plus 2 one year option extensions.
