Product development

Key features developed over the quarter were:

- **Ongoing refinements to our recently released online application form functionality.** The new functionality allows issuers to set up multiple online application forms to assist in raising capital. The forms can be configured by issuers to receive payments by BPAY and/or EFT. For fund managers, the new application forms also facilitate KYC/AML checks using an integration with GreenID. For further information and a short video on the new online application form functionality, click [here](#); and
- **New meeting and voting functionality to assist firms to run virtual meetings.** With the COVID-19 pandemic restricting share and unit holders from attending meetings, many firms are using video conferencing facilities over the internet to host virtual share and unit holder meetings. Our new functionality is easy to use, extremely cost effective and compliant with the law. For further information and a short video on the new meeting and voting functionality, click [here](#).

Expenditure

The table below provides a breakdown of the operating expenses of Registry Direct over the quarter ended 30 September 2020 and the previous three quarters.

Operating Expenses	Sep-20	Jun-20	Mar-20	Dec-19
Administration costs	\$116,842.37	\$116,068.63	\$88,873.09	\$115,623.39
Employee costs	\$316,950.85	\$344,594.54	\$307,521.96	\$343,564.25
Extraordinary Items	\$0.00	\$2,301.76	\$0.00	\$0.00
Occupancy costs	\$1,922.53	\$3,855.75	\$30,208.91	\$30,575.22
Other Expenses	\$62.98	-\$152.46	\$83.48	\$862.85
Total Operating Expenses	\$435,778.73	\$466,668.22	\$426,687.44	\$490,625.71

Following the re-setting of our costs due to the COVID-19 pandemic, our costs are generally stabilising. With staff expected to be able to re-commence working in an office environment next year, we will re-examine how we will house staff. It is anticipated staff will continue to work two to three days per week at home which will reduce the need for office space relative to our pre-COVID requirements.

Included within the total operating expenses were \$90,000 of related party expenses in the quarter ended 30 June 2020 as detailed in the attached Appendix 4C. All of the related party expenses were for director remuneration, interest and salaries for parties associated with the directors. There were no other related party expenses.

Capital Management

During the quarter, borrowings decreased by \$180,000 as follows:

- \$180,000 was repaid to R&Dium Capital Limited. The loan had been secured against Registry Direct's R&D grant which was received during the quarter.

COVID-19 Pandemic

While the COVID-19 pandemic presents logistical, sales and capital management challenges, we continue to be able to service our customers with our customary professional service.

All our staff can work from home because our firm has all inhouse and external systems cloud based and available over the internet.

To reduce our costs over this period, most staff have accepted temporary salary reductions while continuing to work on a full-time basis.

The board of Registry Direct thank each staff member for the positive way they have faced the logistical challenges of working from home, maintained productivity, and for accepting a temporary reduction in salary.

This announcement was authorised for release to the market by the board of Registry Direct Limited.
