Financing facility with Bridge Bank

On 27 August 2019, the Company closed a US\$10.0 million business financing agreement with Bridge Bank, a division of Western Alliance Bank (NYSE: WAL). The \$10.0 million facility is comprised of:

- working capital revolving credit line of up to US\$7 million with the amount available to be drawn varying depending on the performance of the business ("Revolving Credit Line"); and
- US\$3.0 million term loan line of credit ("Term Loan").

The amount of liquidity available under the US\$7.0 million Revolving Credit Line is based upon the Company's balances and composition of eligible customer receivables and inventory, as well as other factors. Amounts borrowed under the Revolving Credit Line, mature and become due and payable in 24 months, unless extended by the parties. The Revolving Credit Line bears interest at a rate equal to 1% above the Prime Rate. As of June 30, 2020, there are currently no amounts drawn under the Revolving Credit Line and the maximum amount that could be borrowed under this facility is US\$2.86 million as reported in item 7.3. However, this amount may reduce (or not be available) in subsequent quarters if Pivotal's business is adversely affected by COVID-19 (or otherwise).

The US\$3.0 million Term Loan, reported in item 7.1, bears interest at a rate equal to 1.5% above the Prime Rate and provided funds for capital expenditures and other corporate purposes and is payable in 36 monthly instalments commencing on October 2019. This Term Loan was fully drawn and as of September 30, 2020, the owed balance is US\$2.00 million.

The facility is secured over all the assets of the Company.

COVID-19 Payroll Protection Program Loan entered into April 21, 2020.

In response to the potential adverse impact on the Company of the COVID-19 pandemic, on 21 April, 2020, the Company signed loan documents with Western Alliance Bank and received funding of US\$0.9 million from the United States Government Small Business Administration, "SBA", Payroll Protection Program which is part of a national fiscal relief program created by the Coronavirus Aid, Relief, and Economic Security Act, "CARES Act", which provides relief from the COVID-19 pandemic.

This loan bears interest at a fixed rate equal to 1.0% per annum and is payable every month beginning December 2020. This loan, guaranteed by the SBA, will mature in 2 years. SBA may forgive this loan if all employees are kept on the payroll for eight weeks and the money is used for payroll, rent, mortgage interest, or utilities. The company expects to qualify for forgiveness of the loan.

RBI Preferred Stock financing

On 20 February 2020, the Company received US\$10 million funding from the issue of RBI Preferred Stock to Anzu Industrial RBI USA LLC as previously announced to the market. The Company has the ability to raise a further US\$3 million under the RBI Preferred Stock facility, conditional upon repayment of the Bridge Bank facility, on the Company meeting certain trailing revenue requirements and Company obtaining shareholder approval under the ASX Listing Rules.
