APPENDIX 4C COMMENTARY

Quarter ended 30 September 2020

PERTH AUSTRALIA, 30 October 2020: PARKD Ltd (“PARKD” or the “Company”) (ASX:PKD) lodges the attached Appendix 4C Quarterly Cashflow Report for the 3 months period ended 30 September 2020 and provides the following update on its activities.

This quarter saw the PARKD complete the funding phase technical advisory works to Penrith City Council for the development of commuter car parks under the Federal National Commuter Parking Projects programme. These technical works supported the administrative process for funding between the Commonwealth and Penrith City Council which resulted in the Council receiving approval for the planned funding of \$20M and a further 13.7M from the 2021 Federal Budget for infrastructure programs. Further funding announcements are expected for other Commuter Car Parks in this region of Sydney.

Payment for these works was received in October 2020 with continued revenue expected as these projects progress towards construction.

PARKD remains well positioned to engage in ‘shovel ready’ Government projects and is poised to deliver its innovative solutions through exclusive or non-exclusive commercial arrangements currently agreed with several contractors throughout Australia.

During the quarter the company completed the restructure of its executive team and cost down analysis. COO Peter McUtchen replaced Leonard Troncone as CEO, Kevin Hart and Endeavour Corporate were engaged to fill the roles of Company Secretary and provide support to the accounting and administrative roles resulting in cost reductions of approx. \$400,000 per annum.

Net operating cash outflows for the quarter totalled \$162,000 and the Company’s cash reserves at 30 September 2020 were \$942,000. During the quarter the Company received \$39,000 in cash sales for technical consulting and \$97,000 of Government grants and allowances under the current COVID-19 relief initiatives. Expenditure for the quarter consisted of general administrative and compliance costs that were consistent with the Company’s stated business objectives and incorporated costs saving initiatives that were implemented in the June 2020 quarter.

With regards to item 6.1 of the Appendix 4C totalling \$65,000, the Company advises that it consisted of salary and superannuation payments to directors with the exception of the Chairman who forgave his remuneration during the quarter.

This announcement has been approved for release by the board of directors of PARKD Limited.

ABOUT PARKD LTD

PARKD has intellectual property rights to aspects of an innovative lightweight concrete “modular” car parking system. The modular aspect of the system and the minimising of structural weight provides the ability to relocate the car park or adapt it to parking demands by adding or subtracting to the structural levels of the car park. The PARKD Car Park System is currently designed for single or multi rise arrangements of up to 6 levels including ground level. The PARKD Car Park System is prefabricated offsite with the potential to reduce construction time, cost and site disruption when compared to traditional construction methods.
