

# ASX Announcement

30 October 2020

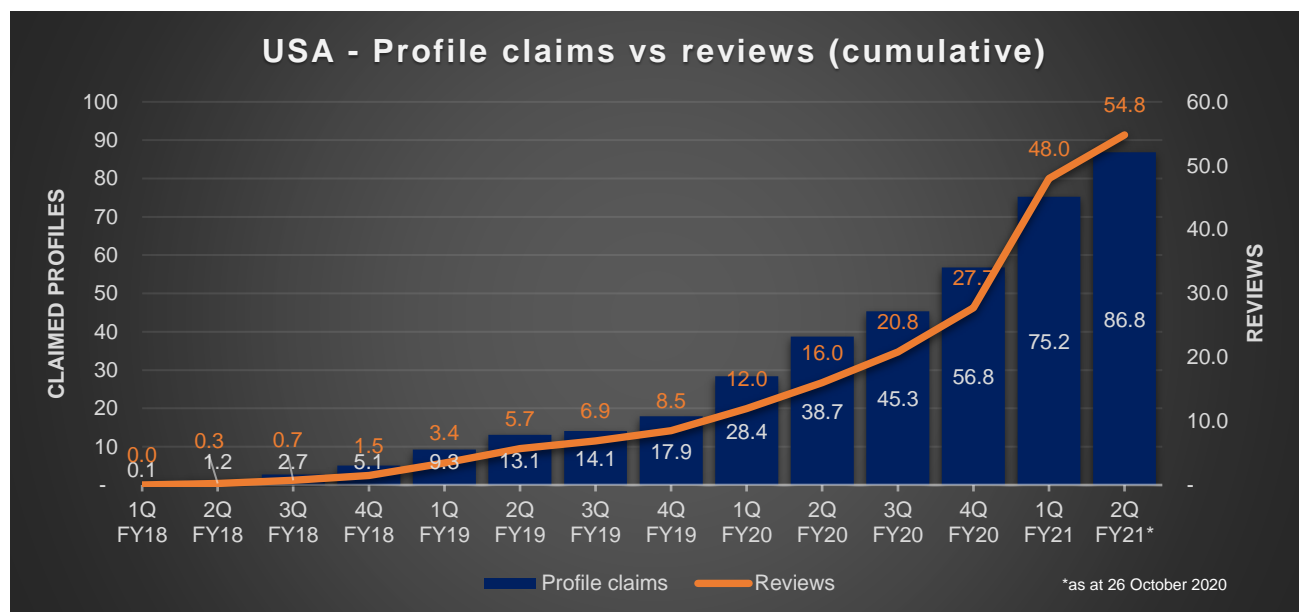

## Quarterly business update and Appendix 4C

- **Headline revenues:** Q1 revenue of \$2.4m, up 24% QoQ and 40% YoY.
- **Cashflow:** Net operating cash outflow of \$1.37m, reflecting improvement of 20% QoQ and 52% YoY.
- **US:** pipeline metrics continue to grow with 86,800 agents on the platform and 54,800 reviews.
- **Australian revenues:** growth in all existing product streams, with new products gaining traction off a low base.

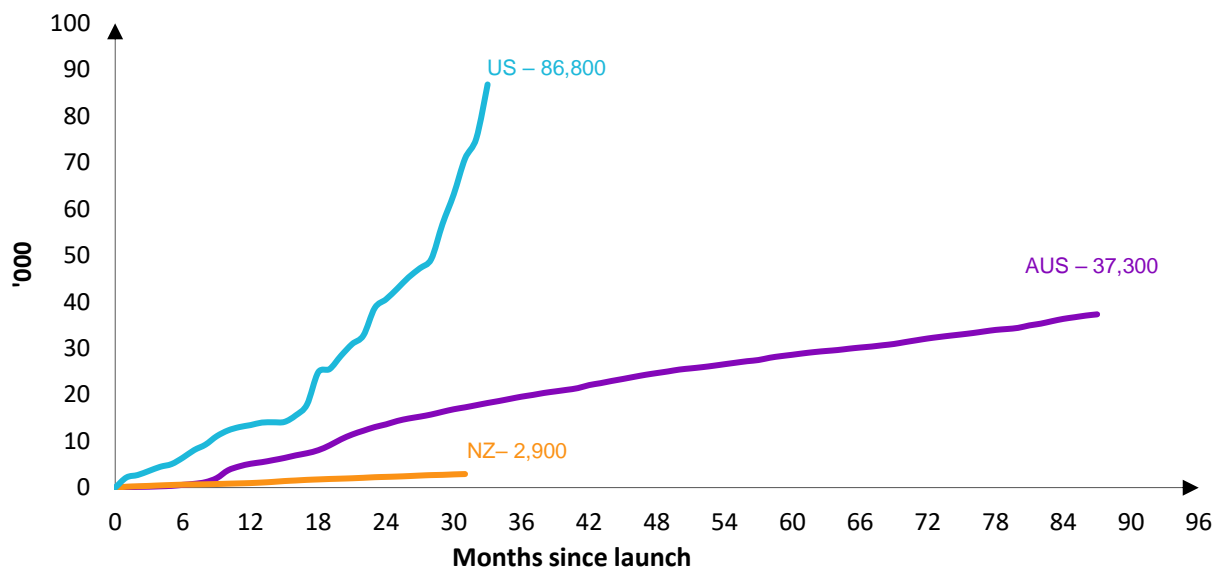

Chief Executive Officer, Mr. Michael Davey said, "Our key focus is on monetizing our already heavy penetration of the Australian market and significantly increasing our US agent penetration. In both cases 1Q FY21 puts us on track."

### USA

Our focus in the US is to drive agent profile claims and reviews. The trends reflected in our last release in September continue and there are now over 86,800 agents on the US platform who have collected a total of 54,800 reviews. This represents an increase in profile claims and reviews of 53% and 97% respectively since 4Q FY20.

## Agent claimed profiles on the RMA platform

Chairman of RMA Global, Mr David Williams said, “The number of US agents joining the site has us on a trajectory to have 100,000 agents on the site at circa year end.”

### Australia and New Zealand

In Australia new claimed profiles increased c.23% and as at 26 October just over 37,300 agents have claimed their profiles and collected 861,000 reviews. In New Zealand 2,900 agents have claimed their profiles and collected 16,000 reviews.

Australian revenues were impacted in the last quarter by COVID, but the subscription model protected the revenue base which started to increase towards the end of 4Q FY20, driven by the Company’s growth initiatives. This trend continued into 1Q FY21 with subscriptions increasing 10% QoQ. Annual subscriptions, prepaid in advance, proved a more popular choice for new subscribers and also helped to improve operating cash flow. Approximately 46% of active agents with a claimed profile are now under a paid subscription.

Australian Promoter revenues increased c.20% quarter-on-quarter, reflecting a c.89% YoY increase driven by an improved product offering, increased underlying subscriptions and a higher focus by real estate agents on building their online profile. Promoter revenues include marginal revenues from Promoter for listings, being launched in 2Q FY21.

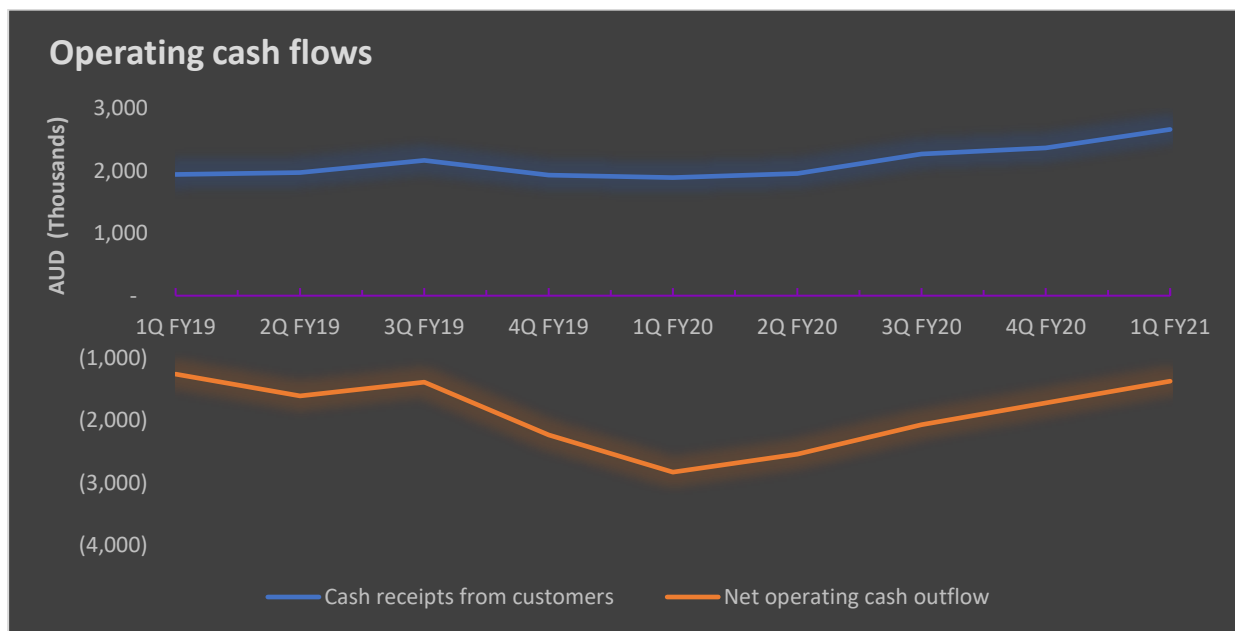

Mortgage broking was launched in late FY2020 and since then almost 400 mortgage brokers have taken out a basic RMA subscription. Additional mortgage broking products are being launched in 2Q FY21.

## Cash flow and net cash position

- **Operating cash outflows** improved 20% quarter-on-quarter and 52% year-on-year, primarily due to increased cash receipts from:
  - increased subscriptions, mostly in Australia, with a significant portion of new subscriptions being prepaid annual subs;
  - increased Promoter revenues; and
  - increased Mortgage broking subscriptions

Net operating cash outflow was \$1.37m, an improvement of \$350k on the previous quarter and year-on-year improvement of \$1.46m.

- **Cash position:** Cash balance of \$12.12m as of 30 September 2020. This subsequently boosted in October by an additional \$3.5m received from the completion of the share purchase plan.

Authorised for release by the Company Secretary, Scott Farndell

## Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
