September 2020 Quarterly Activities Report and Appendix 4C

Quarterly Activities and Cash Flow

Consolidated Financial Holdings Limited (CWL or the Group) is pleased to announce its September 2020 Quarterly Activities Report:

- The cash balance for the Group at the end of the quarter was approximately \$1.0m compared to the cash balance of approximately \$16.0m at the end of 30 June 2020. The reduction in cash is attributed to the return of capital payment of \$13.8m and costs relating to the sale of the Chant West and Enzumo businesses paid in the September 2020 quarter.
- In accordance with Listing Rule 4.7C.3 the Company advises that the payments to related parties and their associates reported at Section 6 of the September 2020 Appendix 4C relates to executive and non-executive directors' remuneration.

The Group received a tax refund of \$0.4m in October from the R&D tax. This is in line with the estimate provided in the Notice of Extraordinary General Meeting and Explanatory (EGM) Statement released 30 July 2020 (NOM).

Further to the suspension of Consolidated Financial Holdings Limited (CWL) on 16 October 2020 CWL provides the following update about the current status of its activities.

Answer: No. There were significant payments in the September 2020 quarter relating to the sales of the Chant West and Enzumo businesses that occurred in the quarter ended 30 June 2020. The net cash used in operating activities is expected to reduce significantly as a result of the sale of businesses.

- Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: No

- Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes. As previously advised, the Company is currently in the early stages of evaluating a reverse takeover opportunity and will provide an update if the opportunity becomes a binding proposal. The company is expecting to incur costs relating to the due diligence process for the opportunity.
