

## Quarterly business update and Appendix 4C

**Melbourne, Australia, 30 October 2020:** AD1 Holdings Limited (ASX: AD1) (AD1 or the Company) is pleased to release its business update and the Appendix 4C for the September 2020 quarter.

### Key Highlights & Business Update

- The Company delivered its second cashflow positive quarter adding \$153k to the Company's cash balance
- Cash receipts for the quarter were approximately \$864k representing an increase of ▲37% compared to the prior year (normalised cash receipts of approximately \$1.1 million up ▲45% on prior year reflecting delayed receipts of \$245k carried as receivables at 30 September 2020)
- Operating expenses for the quarter were \$1.1 million, a decrease of approximately ▼42% compared to the prior year. The Company also received an R&D credit of approximately \$0.4 million in the quarter
- During the quarter, the Company extended its Managed Services Agreement with the Victorian Government for up to three (3) years and signed new multi-year contracts with Powerclub and 3P Energy
- Powerclub has been implemented and has commenced generating subscription revenue for the Company effective October 2020. The subscription revenue for the Company's utilities platform, which is based on meters under management, is also expected to increase progressively over the term of the contract as Powerclub adds more customers to its portfolio
- On 30 September 2020, the Company announced its acquisition of SaaS business, Art of Mentoring (AoM). The acquisition was completed on 26 October 2020
- Placement to fund the acquisition was completed on 13 October 2020 raising \$2.5 million (before costs). The funds will be used for the purpose of the acquisition, related integration costs and as a reserve for future M&A activity

AD1's CEO, Prashant Chandra, said: "During the first quarter of FY21, the Company signed important contracts with Powerclub and 3P Energy. They add materially to the Company's revenue once implementation commences and also have the potential of significant growth over the term of the contract as the number of meters managed via our platform continues to increase."

"Powerclub has been implemented and is revenue generating with 3P Energy expected to commence implementation later this quarter."

"The acquisition of Art of Mentoring is another exciting milestone for the business. A compelling strategic fit for AD1, it adds a diversified revenue stream to the business and has great synergy with AD1 in both customer opportunities and technology. The integration of AoM is underway."

“The Company raised \$2.5 million in an oversubscribed placement in October 2020 to fund the acquisition. It was important to our acquisition strategy that the placement was right-sized for the acquisition. We thank our many investors for the strong endorsement and interest in the placement.”
