QUARTERLY ACTIVITIES REPORT
FOR THE QUARTER ENDED 30 SEPTEMBER 2020
(ASX code - SXX)

Southern Cross Exploration N.L. ("the Company" or "Southern Cross" or "SXX") is pleased to present its Activities Report for the Quarter ended 30 September 2020.

DATELINE RESOURCES LIMITED (ASX: DTR)– 31.88%

As previously disclosed, the company has made loans to DTR and is DTR's largest shareholder.

In excess of 50,000,000 ounces of gold have been produced within a 100-mile radius of Dateline's Gold Links project.

The assets acquired by DTR include ~1700+ acres of freehold land, an operating and fully commissioned mill. The assets have been independently valued at USD14.4 million.

SXX is committed to its investment in Dateline Resources Limited and believes there is considerable value to be unlocked from DTR's future development of the Gold Links project in Colorado.

GENERAL

Examination regarding possible participation in a number of new projects and closing out some of our projects were the Company's existing principal activities during the quarter.

SXX has been reviewing several potential investments in the minerals sector. SXX will update shareholders on any material developments when they occur.

Activity during the quarter has been significantly curtailed due to the COVID 19 pandemic.
