Quarterly Activities Report

Monday 2 November 2020: Wattle Health Australia Limited (“**Wattle Health**” or “**The Company**”) is pleased to release the quarterly activities and cashflow statement for the quarter ending 30 September 2020.

During this quarter, Wattle Health has continued to conservatively manage its costs while at the same time focussed activities on growing its brand awareness and sales for both Uganic and Little Innoscents, primarily through its partnership with retailer Chemist Warehouse.

Cash receipts for the quarter of circa \$150,000 were impacted by the opening orders for Uganic being made in the previous quarter and re-orders being received post 30th September 2020 i.e, no cash receipts for Uganic in this quarter. Cash outflows for the quarter across the whole business have been reduced with net cash loss of \$897,000 representing a reduction of 63% on the prior corresponding period (**PCP**) of circa \$2.48 million.

Net Cash Loss for the quarter was impacted by a one-off expense of \$335,000 for the cost of the appointment of the Administrator to Corio Bay Dairy Group (**CBDG**) and circa \$100,000 for other costs associated with CBDG.

Wattle Health, as announced on 21 October 2020, launched adult milk products under the Uganic brand, with the successful rollout of these products across the Chemist Warehouse retail network. Uganic Whole Milk and Skim Milk Powder range are manufactured from certified Australian organic fresh milk.

Corio Bay Dairy Group

Wattle Health, as announced on 31 August 2020, issued a default notice to CBDG under its secured loan agreements. The directors of CBDG subsequently appointed David Mutton of RSM Australia as administrator of CBDG (**Administrator**).

Wattle Health as first ranking secured creditor continues to be engaged with the Administrator in the CBDG sale process to maximise the return to the Company under its secured loan agreements.

Loan Note Funding

Wattle Health, post the completion of the quarter, signed a secured convertible loan note of \$3 million (**Secured Note, as announced on 21 October**). The Secured Note has a term of 12 months with a coupon rate of 12% and a conversion price of \$0.15 per share (subject to shareholder approval).

As part of the secured note Wattle has agreed to issue 10,000,000 options with an exercise price of \$0.175 per share, expiring 3 years from issue (**SN Options**) (subject to shareholder approval). Reach Corporate (**Reach**) as lead manager for the Secured Note has been appointed as Corporate Advisor and the Company has agreed to issue 10,000,000 options on the same terms as the SN Options (subject to shareholder approval).

All other material terms and conditions of the secured note are disclosed on the ASX announcement released to the market on 21 October 2020.

Status of Annual Report & AGM

Due to the current voluntary administration process undertaken with CBDG, there has been a delay in lodging the audited financial accounts for FY20. The Company currently expects to lodge its audited full year accounts before end of November, with details of the Annual General Meeting to be advised following the release of the accounts.

All payments made under item 6.1 of the Appendix 4C were for Dr Tony McKenna, for his remuneration as CEO and Managing Director of the Company.

The release of this announcement was authorised by the Board.
