The Board of QV Equities Limited (the Company) announced on 8 July its intention to pay dividends of ***4.4 cents per share for the financial year ended 30 June 2021****, which is in line with dividends paid for the prior financial year.

The Board last week further announced that moving forward this dividend will be paid by means of quarterly instalments in a move designed to give shareholders a more regular income stream from their investment.

Interim Dividend for September Quarter 2020

The Board has now resolved to declare an ***interim quarterly dividend of 1.1 cents per share fully franked*** for the September quarter 2020.

Relevant dates for the interim dividend are listed below:

- Ex-Dividend Date: 16 November 2020
- Dividend Record Date: 17 November 2020
- Dividend Payment Date: 4 December 2020

QVE's Chairman Peter McKillop stated "In an environment where interest rates are at record lows and where many investors are in need of more regular income, the Board acknowledges that it is in the best interests of shareholders to distribute the Company's dividends on a quarterly basis moving forward."
