Request for trading halt: The a2 Milk Company Limited ("a2MC") (ASX Code: A2M, NZX Code: ATM)

We request a trading halt to be applied to our securities (ASX: A2M) under ASX Listing Rule 17.1 and set out below details of the request as per the rules of ASX. Given the urgency, and time zone differences, a separate earlier application has been made to NZX.

We would like the trading halt to commence immediately.

Reasons for trading halt: We have become aware of information which may require us to release an announcement to revise our previously issued guidance to the market. We are requesting a trading halt to provide us with additional time to properly consider the current information and to consider new information as it becomes available, and inform the market.

How long we want the trading halt to last: We request that the trading halt remain in place until the earlier of:

- (a) an announcement to each of ASX and NZX regarding the information; and
- (b) the commencement of normal trading on ASX on Monday, 21 December 2020.

The event we expect to happen that will end the trading halt: The release of an announcement by us to each of ASX and NZX or the commencement of normal trading on ASX on Monday, 21 December 2020 (whichever is earlier).

Information to include in any market memorandum relating to the halt: The trading halt has been requested pending the release of an announcement by a2MC.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely
