LETTER FROM THE CHAIRMAN

18 December 2020

Dear Securityholder,

On 10 December 2020, APN Industria REIT (**Industria**) announced a placement of new stapled securities (**Placement Securities**) to certain institutional investors, which raised approximately \$35 million (**Placement**) and announced the security purchase plan (**SPP**).

The proceeds from the Placement will be used to partially fund the acquisition of properties as outlined in the investor presentation lodged with ASX on 10 December 2020.

The proceeds from the SPP will be used to reduce the pro forma gearing.

Further details of the Placement, including a summary of some of the key risks associated with holding an investment in Industria, are set out in the announcement and investor presentation released to the ASX by Industria on 10 December 2020 (together, the **Investor Presentation**) and also available at www.apngroup.com.au.

The offer

The SPP is offered exclusively to all eligible securityholders¹.

The SPP allows Eligible Securityholders to purchase up to \$30,000 worth of new stapled securities² (**New Securities**), without incurring brokerage or transaction costs.

The SPP is not underwritten and aims to raise up to \$5 million. Industria may (in its absolute discretion) in a situation where total demand exceeds \$5 million, decide to increase the amount to be raised under the SPP to reduce or eliminate the need for scale back.

The issue price under the SPP will be \$2.817 per New Security. The issue date of the New Securities issued under the SPP will be 29 January 2021 and these New Securities will not be eligible to participate in Industria's distribution for the quarter ending 31 December 2020. Accordingly, the Issue Price under the SPP has been calculated as the issue price of the Placement less 4.3 cents per security being the declared distribution for the quarter ending 31 December 2020 as announced to the ASX on 15 December 2020.

Participation in the SPP is optional. Eligible Securityholders who are Custodians holding Securities on behalf of Participating Beneficiaries are also invited to participate in the SPP on the terms and conditions set out in this Booklet.

How to apply

The SPP opens at 9.00 am on Friday, 18 December 2020 and closes at 5.00 pm on Friday, 22 January 2021.

You may apply for New Securities under the SPP by either:

- completing and returning the enclosed Application Form, together with payment via cheque, bank draft or money order, by no later than the Closing Date; or
- making payment directly by BPAY, with payment received by no later than the Closing Date (you do not need to return an Application Form under this option). Please note that your financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment.

This Booklet contains further information including the terms and conditions of the SPP. I encourage you to read this Booklet and the Investor Presentation and seek your own financial and tax advice in relation to the offer before deciding whether to participate.

¹ Eligible securityholders are holders of existing Industria securities as at 7.00 pm (Melbourne time) on Wednesday, 9 December 2020, with a registered address in Australia and New Zealand and who are not in the United States and are not acting for the account or benefit of a person in the United States (**Eligible Securityholders**).

² New stapled securities comprising shares in Industria Company No. 1 Limited (ACN 010 794 957) and units in each of Industria Trust No. 1 (ARSN 125 862 875), Industria Trust No. 2 (ARSN 125 862 491), Industria Trust No. 3 (ARSN 166 150 938) and Industria Trust No. 4 (ARSN 166 163 186).

On behalf of the Boards of Industria, I invite you to consider participation in the SPP and thank you for your continued support of Industria.

Yours faithfully,

SPP TERMS AND CONDITIONS

Important notice

This Booklet has been prepared by APN Industria REIT which is a stapled entity comprising shares in Industria Company No. 1 Limited (ACN 010 794 957) and units in each of Industria Trust No. 1 (ARSN 125 862 875), Industria Trust No. 2 (ARSN 125 862 491), Industria Trust No. 3 (ARSN 166 150 938) and Industria Trust No. 4 (ARSN 166 163 186) (**Trusts**). APN Funds Management Limited (ACN 080 674 479) is the responsible entity of the Trusts.

If you apply to participate in the SPP, you should be aware, and accept the risk, that the market price of Securities may change between the date of the SPP Offer and the date when New Securities are issued to you under the SPP. As such, it is possible that, up to or after the date you receive New Securities under the SPP, you may be able to buy Securities on the ASX at a lower price than the Issue Price under the SPP. You should seek advice from your financial, taxation or other professional adviser before participating in the SPP.

By participating in the SPP, you will be deemed to have accepted, and will be bound by, these terms and conditions.

Nothing in this Booklet or Application Form or any other document accompanying this Booklet constitutes investment, financial product, taxation, accounting or legal advice and is not a recommendation to acquire New Securities under the SPP or otherwise. This Booklet has been prepared without taking into account your particular objectives, financial situation or needs. If you are in any doubt about whether to participate in the SPP, you should seek advice from your financial, taxation or other professional adviser before participating.

This Booklet does not purport to include or summarise all information that an investor should consider when making an investment decision, nor does it contain all information which would be required in a prospectus, product disclosure statement or other disclosure document prepared in accordance with the Corporations Act. This Booklet should be read in conjunction with Industria's periodic and continuous disclosure announcements lodged with the ASX which are available at www.asx.com.au.

Unless the context requires otherwise, capitalised terms used in these terms and conditions will have the meaning given to them elsewhere in this Booklet.

1 Offer

- 1.1 Industria offers each Eligible Securityholder the opportunity to purchase up to \$30,000 worth of New Securities free of brokerage and transaction costs under the SPP subject to and in accordance with the terms and conditions set out below (such offer, the **SPP Offer**). You cannot apply for more than \$30,000 worth of New Securities, even if you receive more than one Application Form.
- 1.2 The SPP Offer opens at 9.00 am on Friday, 18 December 2020 (**Opening Date**) and closes at 5.00 pm on Friday, 22 January 2021 (or such other date as Industria determines in its absolute discretion) (**Closing Date**).
- 1.3 Participation in the SPP is optional. The SPP Offer is non-renounceable and non-transferable and, therefore, Eligible Securityholders cannot transfer their right to purchase New Securities to any third party.
- 1.4 The SPP Offer to each Eligible Securityholder (whether as a Custodian or on its own account) is made on the same terms and conditions.
- 1.5 All references to \$ or dollars in this Booklet are references to Australian dollars unless otherwise indicated.

2 Eligible Securityholders

- 2.1 The SPP Offer is made to Eligible Securityholders only. You are an **Eligible Securityholder** who is eligible to participate in the SPP if you:
 - (a) were registered on Industria's security register (**Register**) as a holder of one or more stapled securities in Industria (**Securities**) at 7.00 pm (Melbourne time) on Wednesday, 9 December 2020 (**Record Date**);
 - (b) have a registered address in either Australia or New Zealand; and
 - (c) are not in the United States and are not acting for the account or benefit of a person in the United States.
- 2.2 Eligible Securityholders who are "custodians" (as defined in section 4 of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**Custodians**)) may participate in the SPP Offer in accordance with clause 4.4.
- 2.3 Industria has determined that, in its reasonable opinion, it is not practical for

Industria securityholders (**Securityholders**) with a registered address outside of Australia and New Zealand to participate in the SPP. Securityholders who hold Securities on behalf of persons who reside outside Australia or New Zealand including Securityholders who are in the United States or who act for the account or benefit of a person in the United States are not entitled to participate in the SPP with respect to those Securities.

3 Joint holders

- 3.1 If two or more persons are registered on the Register as jointly holding Securities, they are taken to be a single registered holder of Securities for the purposes of determining whether they are an Eligible Securityholder and a certification given by any joint holder is taken to be a certification given by all of them.

4 Applications for New Securities

- 4.1 Eligible Securityholders must apply for New Securities in \$1,000 increments. Applications must be for a minimum of \$1,000 and a maximum of \$30,000 worth of New Securities. If you do not wish to participate in the SPP, you may disregard this Booklet.
- 4.2 Eligible Securityholders who wish to apply for New Securities must do so in accordance with either paragraph (a) or (b) below (as applicable):
 - (a) **Payment by cheque, bank draft or money order:** if you are paying for New Securities by cheque, bank draft or money order, you must complete and return the enclosed Application Form with payment so that it is received at the following address by no later than the Closing Date:

Mailing address:
APN Industria REIT
C/- Link Market Services Limited
GPO Box 3560
Sydney NSW 2001

Cheques must be made payable in Australian dollars to "APN Industria REIT" and crossed "Not Negotiable". The cheque must be drawn from an Australian branch of a financial institution. Cash is not accepted. Payment will be processed on the day of receipt and as such, sufficient cleared funds must be held in your account. Cheques may

not be re-presented which may result in your Application Form being rejected.

You must allow adequate time for Application Forms and cheques, bank drafts or money orders forwarded by post to be received by the Registry.

- (b) **Payment by BPAY:** if you are paying for New Securities by BPAY, refer to the instructions on the enclosed Application Form. Do not return the Application Form if you are paying by BPAY. Payment must be received by no later than the Closing Date.

You should be aware that your financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment. It is your responsibility to ensure that funds submitted through BPAY are received by the Closing Date.

- 4.3 Eligible Securityholders who receive more than one offer under the SPP (for example, because they hold Securities in more than one capacity or in different registered holdings) may apply on different Application Forms for New Securities but may not apply for New Securities with an aggregate value of more than \$30,000. For each holding of Securities, the Customer Reference Number specific to that holding should be used (as set out on the relevant Application Form). Do not use the same Customer Reference Number for more than one holding of Securities.

- 4.4 If you are a Custodian and wish to subscribe for New Securities for one or more beneficial owners, you may apply for up to \$30,000 of New Securities for each such beneficial owner subject to you completing and submitting a certificate that complies with section 8(3) of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and that confirms the following:

- (a) either:
- (i) you hold Securities on behalf of one or more other persons (each a **Participating Beneficiary**) that are not Custodians; or
 - (ii) another Custodian (**Downstream Custodian**) holds beneficial interests in Securities on behalf of one or more other persons (each a **Participating Beneficiary**), and you hold the Securities to which those beneficial interests relate on behalf of the

Downstream Custodian or another Custodian,

on the Record Date, and such Participating Beneficiary is not in the United States and is not acting for the account or benefit of a person in the United States;

- (b) each Participating Beneficiary has subsequently instructed you (where sub-paragraph (a)(i) applies) or the Downstream Custodian (where sub-paragraph (a)(ii) applies) to apply for Securities on their behalf under the SPP;
- (c) the number of Participating Beneficiaries;
- (d) the name and address of each Participating Beneficiary;
- (e) in respect of each Participating Beneficiary:
 - (i) where sub-paragraph (a)(i) applies, the number of Securities you hold on their behalf; and
 - (ii) where sub-paragraph (a)(ii) applies, the number of Securities to which the beneficial interests relate;
- (f) in respect of each Participating Beneficiary:
 - (i) where sub-paragraph (a)(i) applies, the number or dollar amount of New Securities they instructed you to apply for on their behalf; and
 - (ii) where sub-paragraph (a)(ii) applies, the number or dollar amount of New Securities they instructed the Downstream Custodian to apply for on their behalf;
- (g) there are no Participating Beneficiaries in respect of which the total of the application price for the following exceeds \$30,000:
 - (i) the New Securities applied for by you under the SPP in accordance with the instructions referred to in paragraph (f); and
 - (ii) any other Securities issued to you in the 12 months before the application as a result of an instruction given by them to you or the Downstream Custodian to apply for New Securities on their behalf under an arrangement similar to the SPP;
- (h) a copy of these terms and conditions was given to each Participating Beneficiary; and
- (i) where sub-paragraph (a)(ii) applies, the name and address of each Custodian who holds beneficial interests in Securities held by you in relation to each Participating Beneficiary,

(such certificate, a **Custodian Certificate**).

4.5 Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected. Custodians must also certify that each Participating Beneficiary has a registered address in Australia or New Zealand. Please email capitalmarkets@linkmarketservices.com.au for further information about the custodian application process and for a copy of the Custodian Certificate which is required to be attached to the Application Form and lodged with the Registry with applicable payment. Each Custodian must not participate in the SPP on behalf of, and must not distribute this Booklet or any other document relating to the SPP to, any person in the United States. Failure to comply with these restrictions may result in violations of applicable securities laws.

4.6 If you hold Securities as a trustee or nominee for another person, but are not a Custodian, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings apply (see section 4.3) and you may only contribute a maximum of \$30,000 in applying for New Securities. You are not eligible to participate on behalf of a person who resides outside Australia or New Zealand.

4.7 Industria and its officers and agents may accept or reject your application for New Securities in whole or in part at their discretion including, without limitation, if:

- (a) your application does not comply with these terms and conditions;
- (b) it appears you are not an Eligible Securityholder (subject to compliance with any applicable ASIC or ASX requirements);
- (c) your Application Form and payment or BPAY payment is not received by the Registry by the Closing Date or is otherwise incomplete or invalid;
- (d) if paying by cheque, bank draft or money order, your Application Form is incomplete, incorrectly completed, does not comply with the terms and conditions set out in this Booklet or is otherwise determined by Industria to be invalid;
- (e) your cheque is dishonoured or has been incorrectly completed;
- (f) Industria believes that you are applying to purchase more than \$30,000 worth of New Securities in aggregate (including as a result

of Securities you hold directly, jointly or through a trust, custodian or nominee arrangement) or your application is not for an amount in a \$1,000 increment;

- (g) Industria believes that you and one or more other registered holders of the same or similar name or address are applying to buy more than an aggregate of \$30,000 of New Securities;
 - (h) your name is not recorded in the register of members on the Record Date. For example, applications by people claiming an interest in Securities through a registered holder of Securities will not be accepted;
 - (i) payment of the application monies is not submitted in Australian currency or, if payment is made by cheque, the cheque is not drawn on an Australian financial institution; or
 - (j) the amount of your cheque, bank draft or money order or your BPAY payment is not equal to the amount of your application, in which event Industria will:
 - (i) refund in full your application monies, without interest, and not allot any New Securities to you; or
 - (ii) allot to you the number of New Securities that would have been allotted had you applied for the highest designated amount that is less than the amount of your payment and refund to you, without interest, the excess of your application monies (unless the amount is less than \$2.00, in which case it will be donated to a charity or charities nominated by Industria).
- 4.8 If you are entitled to a refund of all or any of your application monies, the refund will be paid to you, without interest, as soon as practicable:
- (a) by direct credit to your nominated account (as recorded with the Registry) or by cheque; or
 - (b) by returning your Application Form and cheque, if not processed, to your registered address (as recorded with the Registry).

5 Issue Price

- 5.1 The issue price per New Security (**Issue Price**) will be \$2.817 per New Security. The issue date of the New Securities issued under the SPP will be 29 January 2021 and these New Securities will not be eligible to participate in Industria's distribution for the

quarter ending 31 December 2020. Accordingly, the Issue Price under the SPP has been calculated as the issue price of the Placement less 4.3 cents per security being the declared distribution for the quarter ending 31 December 2020 as announced to the ASX on 15 December 2020.

- 5.2 The current Security price can be obtained from the ASX and is listed in the financial and business section of major daily newspapers circulating in Australia.
- 5.3 You agree to pay the Issue Price per New Security for the number of New Securities calculated under clause 6.1 or, if there is a scale back, the number of New Securities calculated under clause 8.

6 Calculation and issue of New Securities

- 6.1 If you apply for New Securities under the SPP, you will apply for a certain value, rather than a certain number, of New Securities (in accordance with clause 4.1). If your application is accepted, Industria will divide the value of your application monies by the Issue Price in order to determine the number of New Securities which, subject to scale back, will be issued to you.
- 6.2 If the calculation in clause 6.1 produces a fractional number, the number of New Securities issued to you will be rounded up to the nearest whole New Security.
- 6.3 New Securities will be issued on Friday, 29 January 2021 (**Issue Date**).
- 6.4 New Securities issued under the SPP will rank equally in all respects with existing Securities as at the Issue Date.
- 6.5 Industria will apply to the ASX for quotation of New Securities.
- 6.6 The Registry will send holding statements in respect of the New Securities issued under the SPP on or around Monday, 1 February 2021.

7 Effect of applying to participate

- 7.1 By completing and returning an Application Form with payment or making a payment via BPAY, you (on your own behalf and on behalf of each person for whose account or on whose behalf you are acting, if applicable):

- (b) warrant that all details and statements in your application are true and complete and not misleading (including by omission);
- (c) agree that your application will be irrevocable and unconditional (that is, it cannot be withdrawn);

- (e) acknowledge that no interest will be paid on any application monies held pending the issue of New Securities or subsequently refunded to you for any reason;

- (t) acknowledge that Industria may at any time and in its absolute discretion determine that your application is valid, in accordance with the terms and conditions of the SPP, even if the Application Form is incomplete, contains errors or is otherwise defective;
- (u) Industria at its absolute discretion can make reductions in issuance of New Securities under a scale back;
- (v) declare that you are at least 18 years of age and have full legal capacity and power to perform all your rights and obligations in respect of the SPP Offer; and
- (w) authorise Industria and its officers and agents to correct minor or easily rectified errors in, or omissions from, your Application Form and to complete the Application Form by the insertion of any missing minor detail.

8 Scale back

- 8.1 Subject to clause 8.1, Industria has determined that the amount raised through the SPP is capped at \$5 million and accordingly if demand exceeds such cap, Industria will have the discretion to scale back applications to the extent and in the manner it sees fit (including by taking into account, among other factors, the size of your securityholding as at the Record Date).
- 8.2 Industria may (in its absolute discretion) in a situation where total demand exceeds \$5 million, decide to increase the amount to be raised under the SPP to reduce scale back.
- 8.3 If there is a scale back, you may receive less than the parcel of New Securities for which you have applied.
- 8.4 If a scale back produces a fractional number of New Securities when applied to your parcel, the number of New Securities you will be allotted will be rounded up to the nearest whole number of New Securities.
- 8.5 If there is a scale back, the difference between the application monies received from you, and the number of New Securities

allocated to you multiplied by the Issue Price, will be refunded to you without interest (unless the amount is less than \$2.00, in which case it will be donated to a charity or charities nominated by Industria).

- 8.6 When deciding on the amount to apply for, please consider the impact of the potential scale back as it may impact the number of New Securities you receive. Your allocation may be scaled back and you will receive a refund for the balance of your application without interest (unless the amount is less than \$2.00, in which case it will be donated to a charity or charities nominated by Industria).

9 Dispute resolution

- 9.1 Industria may settle, in any manner it deems appropriate, any difficulties, anomalies or disputes which may arise in connection with, or by reason of, the operation of the SPP whether generally or in relation to any participant or any application for New Securities, and its decision shall be conclusive and binding on all participants and other persons to whom the determination relates.
- 9.2 The powers of Industria under these terms and conditions may be exercised by the directors of Industria or any delegate or representative of them.

10 Variation and termination

- 10.1 Industria reserves the right at any time to:
 - (a) amend or vary these terms and conditions;
 - (b) waive strict compliance with any provision of these terms and conditions;
 - (c) withdraw the SPP Offer or suspend or terminate the SPP;
 - (d) vary the timetable for the SPP, including the Closing Date; and
 - (e) not accept an application, not issue New Securities, or issue New Securities to a value less than that applied for under the SPP by an Eligible Securityholder (including a Custodian applying on behalf of one or more beneficial holders).
- 10.2 Any such amendment, variation, waiver, suspension, withdrawal, non-acceptance or termination will be binding on all Eligible Securityholders even where Industria does not notify you of that event.
- 10.3 In the event that the SPP is withdrawn or terminated, all application monies will be

refunded without interest (unless the amount is less than \$2.00, in which case it will be donated to a charity or charities nominated by Industria).

15 Governing law
