Portfolio Overview

Scentre Group owns and operates 42 **Westfield** Living Centres across Australia and New Zealand which are important to our customers and essential to the community.

Our customer focused strategy delivers extraordinary experiences, every day, delivering the first choice platform for retail and brand partners to connect and interact with customers.

Our portfolio is strategically located close to where customers live. Approximately 20 million people live within close proximity to a Westfield Living Centre.

Our Plan – to create the places more people choose to come, more often, for longer – is based on the principle that we compete for the time and attention of our customers.

We aspire for our Westfield Living Centres to be regarded as an integral part of our customers' and communities' lives – a 'third place' after their home and workplace. Our plan is to create places where our customers feel welcome, inspired and compelled to visit often because what we offer meets their needs and wants.

Demand for space within Westfield Living Centres is strong with the portfolio 98.5% leased as at 31 December 2020. The Group completed 2,625 lease deals during the year, including 848 new merchants. Importantly, the structure of leases has not changed and remains based on the mutual agreement to pay a fixed base rent.

Our ability to understand what our customer wants drives demand and high visitation and creates more opportunities for our retail partners to connect and interact with customers.

During 2020, we had more than 450 million customer visits, spending \$22 billion with our retail partners. On average, customers spent approximately one and a half hours of their time each visit.

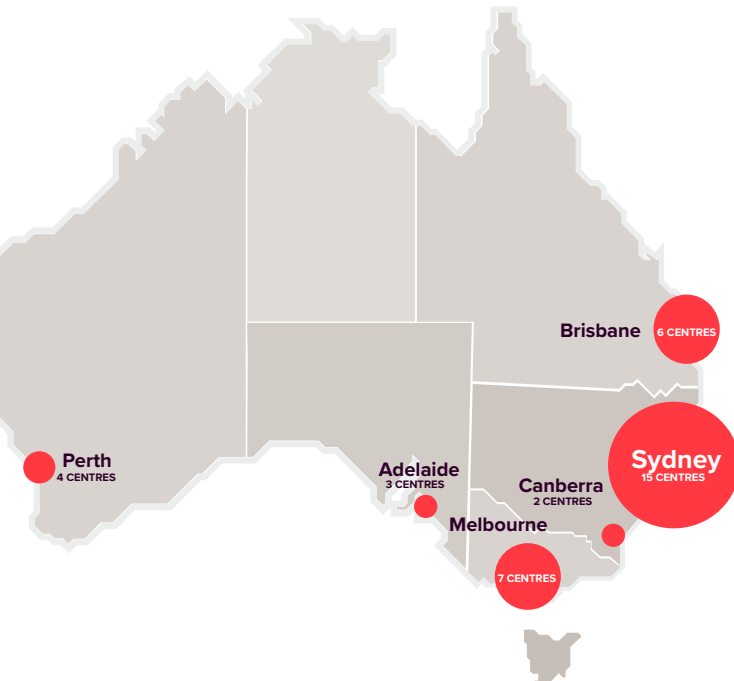

We continue to implement initiatives that support our strategy to operate as a responsible, sustainable business. During the year, we announced our target to achieve Net Zero Carbon Emissions across our wholly owned portfolio by 2030 and publicly committed to the Task Force for Climate-Related Financial Disclosures (TCFD).

Scentre Group owns 7 of the top 10 centres in Australia, and 4 of the top 5 centres in New Zealand.
