With the ongoing COVID-19 impact to the communities served by Harvey Norman®, the Board of Harvey Norman Holdings Limited (ASX:HVN) commends the continued efforts of franchisees, franchisee staff, local management and team members across 8 countries, as they maintain their commitment to prioritising the wellbeing and safety of customers, their teams, and members of the community.

HVN announced today that net profit after tax and non-controlling interests for the half year ended 31 December 2020 was \$462.03 million, up \$248.44 million, from \$213.59 million in the previous half year, representing a 116.3% increase.

Profit before tax was \$643.91 million, an increase of 113.8% from \$301.15 million in the previous half year. Excluding the impact of AASB 16 *Leases* and net property revaluation adjustments, profit before tax would have been \$610.22 million for the half year ended 31 December 2020, compared to \$285.87 million for the prior half year, an increase of \$324.36 million or 113.5%.

Harvey Norman® Chairman, Gerry Harvey said “The solid results delivered this half is a testament to the strength and resilience of the integrated retail, franchise, property and digital strategy and its ability to adapt and transform to the changing retail landscape and continue to navigate the uncertainties presented by COVID-19”.

“Pleasingly, customers continued to engage strongly with our brands and importantly, as we are in the lifestyle / home retail space, the customer was appreciative of the shopping experience, spaciousness and easy parking at the physical franchised complexes and stores, whilst embracing the ease of connection to our brands digitally and the important convenience of home delivery and contactless click and collect. The results achieved in 1H21 confirm the strength of our model”.

Harvey Norman’s® balance sheet continues to prove its strength, anchored by real property assets and a strong working capital position. The value of net assets increased 13.9% to \$3.74 billion as at 31 December 2020 from \$3.28 billion as at 31 December 2019.

Harvey Norman® was in a net cash position of \$21.75 million at 31 December 2020, compared to a net debt position of \$553.23 million at 31 December 2019. The net debt to equity ratio at 31 December 2020 was NIL, compared to a net debt to equity ratio of 16.57% at 31 December 2019.

Harvey Norman® Chairman, Gerry Harvey said “The robust cash flows generated from operating activities of over \$391 million dollars this half year has enabled us to invest in our businesses and paydown external debt. At 31 December 2020, the consolidated entity had \$499 million of unused, available financing facilities, and is well-placed to respond to challenges and capitalise on opportunities as they arise.”

Positive momentum has continued from 1 January 2021 to 23 February 2021 with aggregated sales revenue increasing 21% compared to the period 1 January 2020 to 23 February 2020. Refer to the Aggregated Sales release disclosed on the ASX platform today.

The Board has recommended the payment of a fully-franked interim dividend of 20.0 cents per share, to be paid on 3 May 2021 to shareholders registered on 1 April 2021.
