#### Significant changes in the state of affairs

On 28 September 2020, the Company announced a proposal to restructure ALF via a scheme of arrangement (Scheme) under which listed ALF shares would be exchanged (on a one-for-one basis) with a new class of unlisted units (New Units) in Watermark Absolute Return Fund (WARF), an unlisted unit trust managed by Watermark Funds Management Pty Limited and following the same investment strategy as the Company. Implementation of the Scheme is subject to a number of conditions, including shareholder approval. An implementation deed was signed by the Company, the Manager and WARF on 22 December 2020 outlining the proposed restructure. Some of the key points of the restructure, include:

- A termination fee of \$2.5 million will be paid to the Manager (in consideration for the Manager agreeing to terminate the Investment Management Agreement (IMA) before the end of its fixed term). Termination of the IMA and payment of this fee is subject to shareholder approval and the Scheme becoming effective;
- Costs associated with the restructure will be borne by the Company.
- No management fees will be payable on the new units in the first year after issuance;
- New Units will be able to be redeemed monthly at a price referable to their net asset value. Any New Unit redeemed in the first year will incur a redemption fee equal to the lower of 2 cents and 2% of the NAV of that New Unit. This redemption fee will be in addition to other normal transaction costs (such as the buy-sell spread) and will be rebated to the Manager.
- The performance fee applicable for the new units will be the same as the current units in the Fund.
- After implementation of the Scheme, ALF will be a wholly owned subsidiary of the Manager, ALF's only
  assets will be the cash required to fund wind up costs and outstanding transaction costs associated with
  the Scheme and ALF will apply to be removed from the official list of ASX.

The Company's board has elected to fully impair the Deferred Tax Asset (DTA) on the statement of financial position. If the Scheme is approved by shareholders and is implemented, the Company will no longer have access to the DTA. In the event the Scheme does not proceed, the tax losses are still available to be utilised.

There were no other significant changes in the state of affairs of the Company during the half-year ended 31 December 2020.

#### Matters subsequent to the end of the half-year

On 2 February 2021, the Federal Court of Australia made orders directing ALF to convene a meeting of ALF shareholders to consider and vote on the Scheme at a virtual meeting on Monday, 8 March 2021. A booklet containing information in relation to the Scheme, including an independent expert's report and notices of meeting was subsequently registered with ASIC and dispatched to shareholders.

On 26 February 2021, the Board determined to pay a fully franked dividend of 3.1 cents per share subject to the Scheme becoming effective and legally binding.

If shareholders approve the Scheme at the meeting on 8 March 2021, the Company will seek final approvals for the Scheme from the Federal Court of Australia (a hearing for this purpose is currently scheduled for 9:30am on 16 March 2021). Assuming the requisite orders are made, it is expected that those orders will be lodged with ASIC on 17 March 2021, at which time the Scheme will become legally effective.

If this occurs, ALF shares will be suspended effective from close of trading on ASX on 17 March 2021 and on 26 March 2021, the Scheme's implementation date, ALF shareholders will receive a fully franked dividend of 3.1 cents and 1 new unit in the Watermark Fund for each ALF share held as at 7pm (Sydney time) 22 March 2021.

No other matter or circumstance has arisen since 31 December 2020 that has significantly affected, or may significantly affect:

- (a) the Company's operations in future financial periods, or
- (b) the results of those operations in future financial periods, or
- (c) the Company's state of affairs in future financial periods.

#### Rounding of amounts to nearest dollars

In accordance with ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, the amounts in the Directors' Report and in the Financial Report have been rounded to the nearest dollar, unless otherwise specified.

#### Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* in relation to the review for the half-year is set out on page 4.

# 1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these interim financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated. The interim financial statements are for the entity Australian Leaders Fund Limited.

#### (a) Basis of preparation of half-year report

These interim financial statements for the half-year reporting period ended 31 December 2020 have been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 by a for profit entity ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

The Company is a for profit entity for financial reporting purposes under Australian Accounting Standards.

These interim financial statements do not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2020 and any public announcements made by Australian Leaders Fund Limited during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The principal accounting policies adopted are consistent with those of the previous financial year end and corresponding interim reporting period.

The interim financial statements have been prepared on an accrual basis, and are based on historical costs modified by the revaluation of selected financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The interim financial statements were authorised for issue by the Board of Directors on 26 February 2021.

#### 2 Fair value measurements

The Company measures and recognises the following assets and liabilities at fair value on a recurring basis:

- Financial assets and financial liabilities at fair value through profit or loss (FVTPL)
- Derivative financial instruments

The Company has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

#### (a) Fair value hierarchy

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- (a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1),
- (b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2), and
- (c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

#### 2 Fair value measurements (continued)

#### (a) Fair value hierarchy (continued)

#### (i) Recognised fair value measurements

#### 8 Events occurring after the reporting period

On 2 February 2021, the Federal Court of Australia made orders directing ALF to convene a meeting of ALF shareholders to consider and vote on the Scheme at a virtual meeting on Monday, 8 March 2021. A booklet containing information in relation to the Scheme, including an independent expert's report and notices of meeting was subsequently registered with ASIC and dispatched to shareholders.

On 26 February 2021, the Board determined to pay a fully franked dividend of 3.1 cents per share subject to the Scheme becoming effective and legally binding.

If shareholders approve the Scheme at the meeting on 8 March 2021, the Company will seek final approvals for the Scheme from the Federal Court of Australia (a hearing for this purpose is currently scheduled for 9:30am on 16 March 2021). Assuming the requisite orders are made, it is expected that those orders will be lodged with ASIC on 17 March 2021, at which time the Scheme will become legally effective.

If this occurs, ALF shares will be suspended effective from close of trading on ASX on 17 March 2021 and on 26 March 2021, the Scheme's implementation date, ALF shareholders will receive a fully franked dividend of 3.1 cents and 1 new unit in the Watermark Fund for each ALF share held as at 7pm (Sydney time) 22 March 2021.

# Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2020 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
