ASX Announcement

Clime Capital Limited (ASX: CAM)

Profit update as at 28 February 2021

Clime Capital Limited is pleased to announce that on the back of a strong first half result which was released to the ASX on 16th February 2021 showing profit before tax of \$12.1million, this trend has continued and the unaudited profit before tax for the eight months to 28th February 2021 was estimated to be \$16million.

The next quarterly dividend to be payable in April has been declared at 1.2cents per share fully franked.

A reminder to shareholders that the Share Purchase Plan (SPP) is scheduled to close on 11th March at a price of 87cents and that the participants in the SPP will be eligible for this dividend.

Based on this current quarterly upcoming dividend CAM is trading on a fully franked dividend yield of 5.5% p.a.

This announcement has been authorised for release to ASX by the Board.

Yours faithfully,

John Abernethy
Director
