APPOINTMENT OF DAVID HOSKING TO THE ROLE OF CEO PSC AUSTRALIA AND NEW ZEALAND

PSC is pleased to announce the appointment of David Hosking to the new role of CEO PSC Australia and New Zealand.

David joins after a successful career at Allianz and prior to that time, at IAG. David brings a long history and deep understanding of the insurance industry and particularly the insurance broking and intermediary markets.

David's responsibilities will include the Australian Speciality and Agency businesses which remain under Adam Burgess, the Network Insurance (Connect and Reliance) businesses which remain under Tony Walker and the Australian Broking business which remain under Pat Miller.

David's responsibilities will also include other important parts of the business including IT, Workers Compensation and Life Broking.

We believe the addition of David to the PSC team continues our efforts to be constantly growing our capabilities and will help us as we strive to double the size of the business again over the next 4 years.

David Hosking

David was most recently Chief General Manager for the Broker and Agency Division of Allianz Australia and prior to that he was Chief Financial Officer for Allianz Australia.

David Hosking is well known to a large number of people in the insurance industry and also in PSC having worked with the business for over a decade in his previous roles with Allianz.

We are delighted that David has joined the Group.
