ASX RELEASE

16 April 2021

Settlement of claim

Engineering company Monadelphous Group Limited (ASX:MND) ("Monadelphous") refers to its announcement dated 3 August 2020 in which it notified the market that Rio Tinto had filed a Writ of Summons against one of Monadelphous' wholly owned subsidiaries in respect of a fire incident which occurred at Rio Tinto's iron ore processing facility at Cape Lambert, Western Australia, in January 2019.

Monadelphous is pleased to announce that a confidential out-of-court settlement has now been reached in this matter, with the settlement being covered by the proceeds of insurance. The parties consider the matter has now been concluded.

Monadelphous highly values its long-term business relationship with Rio Tinto, is pleased that this matter has been resolved amicably, and is looking forward to continuing to work closely with this very important customer into the future.
