DIRECTOR/COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

A Proxy Form is enclosed.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include the receipt and consideration of the Annual Report of the Company for the financial year ended 31 December 2020 together with the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so. A copy of the Company's Annual Report can be obtained at www.caperange.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The Chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 - RE-ELECTION OF DIRECTOR - MR WAYNE JOHNSON

3.1 General

Clause 14.2 of the Constitution provides that at each annual general meeting one third of the directors shall retire from office (or if their number is not a multiple of 3, then the number nearest one-third rounded upwards in case of doubt), provided always that no director except a managing director shall hold office for a period in excess of 3 years, or until the third annual general meeting following his/her appointment. A retiring director is eligible for re-election.

Pursuant to Resolution 2, Mr Wayne Johnson retires in accordance with the Constitution and being eligible for re-election, offers himself for re-election at the Meeting.

3.2 Qualifications and other material directorships

Mr Johnson has over 30 years business and financial transaction experience gained in Australia, New Zealand, Asia and North America. He has extensive experience in managing businesses, corporate advisory, governance and compliance as a result of building, managing and directing public and private companies from start up to established public corporations.

Mr Johnson's hands on experience in business management and operations, often in markets undergoing significant change, is a rare attribute not held by many directors. The knowledge and skills accumulated through being at the helm of a range of successful enterprises has been at the core of his ability to drive many merger and acquisition transactions, restructures and recapitalisations. Mr Johnson's expertise spans a variety of industries, including telecommunications, electronic payments, financial services and the resources sector.

Mr Johnson is the principal of Noblemen Ventures Pty Ltd, a Sydney based corporate and investment advisory firm providing services to select public and private entities, primarily in the middle market. He also provides services as a professional director to public companies. On 15 May 2019, Mr Johnson was appointed a director of EOR Group Limited (ASX code: EOR), which was delisted from the ASX on 4 May 2020.

3.3 Independence

If re-elected the Board considers that Mr Wayne Johnson will be an independent Director.

3.4 Board recommendation

The Board has reviewed Mr Johnson's performance and considers that Mr Johnson's skills and experience will continue to enhance the Board's ability to perform its role. The Board supports the re-election of Mr Johnson and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 - RE-ELECTION OF DIRECTOR - MR RAJA AHMAD RAJA JALLALUDIN

4.1 General

Clause 14.2 of the Constitution provides that at each annual general meeting one third of the directors shall retire from office (or if their number is not a multiple of 3, then the number nearest one-third rounded upwards in case of doubt), provided always that no director except a managing director shall hold office for a period

in excess of 3 years, or until the third annual general meeting following his/her appointment. A retiring director is eligible for re-election.

Pursuant to Resolution 3, Mr Raja Ahmad Raja Jallaludin retires in accordance with the Constitution and being eligible for re-election, offers himself for re-election at the Meeting.

4.2 Qualifications and other material directorships

Mr Jallaludin is a fellow of the Association of Chartered Certified Accountants, United Kingdom and a fellow of CPA Australia. Mr Jallaludin is also a graduate of the Institute of Chartered Secretaries and Administrators, United Kingdom.

After completing his accounting and chartered secretaries' examinations within two years and six months in June 1974, Mr Jallaludin joined Ernst Young (then known as Turquand and Youngs) in Malaysia. In July 1983, he was admitted as a Partner of Ernst Young where he remained until he took early retirement in June 1999. As an Audit Partner, Mr Jallaludin had extensive experience in the audits of many large listed companies in various industries. Mr Jallaludin's areas of specialisation included the insurance, extractive (mining) and plantation industries. Mr Jallaludin is chair of the Company's audit committee.

4.3 Independence

If re-elected the Board considers that Mr Raja Ahmad Raja Jallaludin will be an independent Director.

4.4 Board recommendation

The Board has reviewed Mr Jallaludin's performance and considers that Mr Jallaludin's skills and experience will continue to enhance the Board's ability to perform its role. The Board supports the re-election of Mr Jallaludin and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of the 12 month period.

Under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$18.98m (based on the number of Shares on issue and the closing price of Shares on the ASX on 20 April 2021 and excluding any restricted securities that may be on issue).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised

The Company may seek to raise cash from the issue of Equity Securities under the 7.1A Mandate for the following purposes:

- (i) expanding the Company's current business and further strengthening its overall competitiveness;
- (ii) to provide further working capital; and.
- (iii) the possible acquisition of assets.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A

Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 20 April 2021.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.10	\$0.20	\$0.30
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	94,908,301 Shares	9,490,830 Shares	\$949,083	\$1,898,166	\$2,847,249
50% increase	142,362,451 Shares	14,236,245 Shares	\$1,423,624	\$2,847,249	\$4,270,873
100% increase	189,816,602 Shares	18,981,660 Shares	\$1,898,166	\$3,796,332	\$5,694,498

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 94,908,301 Shares on issue comprising:
 - 94,908,301 existing Shares as at the date of this Notice of Meeting; and
 - nil Shares which are to be issued pursuant to any prior approved issue of Shares in relation to which additional Shares will be issued after the date of the Notice.
- The issue price set out above is the closing market price of the Shares on the ASX on 20 April 2021.
- The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 30 July 2020 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 31 May 2020, the Company has not issued any Shares pursuant to the Previous Approval.

5.3 **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not required in this Notice.

Instructions for completing Proxy Form

1. **Appointing a proxy**

A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.

2. **Direction to vote**

A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.

3. **Compliance with Listing Rule 14.11**

In accordance to Listing Rule 14.11, if you hold Shares on behalf of another person(s) or entity/entities or you are a trustee, nominee, custodian or other fiduciary holder of the Shares, you are required to ensure that the person(s) or entity/entities for which you hold the Shares are not excluded from voting on resolutions where there is a voting exclusion. Listing Rule 14.11 requires you to receive written confirmation from the person or entity providing the voting instruction to you and you must vote in accordance with the instruction provided.

By lodging your proxy votes, you confirm to the Company that you are in compliance with Listing Rule 14.11.

4. **Signing instructions:**

- **Individual:** Where the holding is in one name, the Shareholder must sign.
- **Joint holding:** Where the holding is in more than one name, all of the Shareholders should sign.
- **Power of attorney:** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
- **Companies:** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.

5. **Attending the Meeting**

Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.

6. **Lodgement of Proxy Form**
