Magnis Energy Technologies Ltd (ASX:MNS) ("Magnis" or the "Company") is pleased to present its Quarterly Activities Report and overview of operations for the period ended 31 March 2021 ("Quarter").

OPERATIONAL UPDATES

Magnis partner, Charge CCCV, LLC., to supply battery for US Government funded project

In January 2021, the Company announced that its partner, Charge CCCV, LLC. ("C4V"), had been selected to participate in a United States Government project for the Department of Energy focused on grid stabilisation.

IM3NY acquires machinery from lithium-ion cell manufacturer

IM3NY purchased machinery from lithium-ion cell manufacturer A123 Systems to reduce overall capex requirements whilst accelerating production. Magnis has a direct and indirect holding of approximately 58% of IM3NY.

Battery experts hired to lead production at NY Battery Plant

Magnis announced in March 2021 that IM3NY had appointed experts to lead production at the New York Battery Plant in Endicott, New York. The new team boasts experience in manufacturing, development, sales, and marketing along with day-to-day operations in the lithium-ion battery industry.

Magnis undertakes various activities to advance the Nachu project to development

While there were no substantive mining exploration or mine development activities Magnis executed several actions related to advancing the Nachu project towards development including:

- Finalising drilling and development of new water bores within the Nachu Special Mining Lease (SML) area;
- Progressing the establishment of the resettlement village including the approval of Town Planning and Cadastral Survey Drawings, receipt of Building Permit from Ruangwa District Council for the development of 59 houses, and commencement of land clearing; and
- The Local Content Plan and Corporate Social Responsibility Agreement have been approved by the Mining Commission and Local District Council (respectively).

Approximately US\$40,000 was spent on the above activities during the Quarter.

During the Quarter, Magnis charitably donated construction materials to the village of Mihewe for the building of a medical clinic project.

Tenements

Magnis' licences in Tanzania include the following:

- SML 550/2015 - This is the Special Mining Licence of 29.77 km² that covers the Nachu Graphite Project; and
- PL10929/2106 - is the prospecting licence that surrounds the SML and is the licence that contains the various other graphite mineralized areas that were discovered and reported during 2012 to 2015.

CORPORATE UPDATES**Magnis completes oversubscribed A\$34 million placement**

In February 2021, the Company raised \$34 million via a placement of 121,428,572 ordinary shares at 28 cents per share to institutional, professional and sophisticated investors. Each share will have a free attaching unlisted option, with a strike price at 50 cents and a 2-year expiry date.

New directors appointed to the Magnis Board

On 29 March 2021, Magnis announced the appointment of four new non-executive directors to the Board. Mona E. Dajani is a global expert in renewable energy, lawyer and advisor to the Biden Administration and the US Department of Energy; Richard Petty is an adviser on significant projects and investments in Asia and a former B20 member; Zarmeen Pavri is a highly experienced ESG and impact fund specialist and Mugunthan Siva is an experienced fund manager.

At the next Annual General Meeting, shareholders will be recommended to consider approving a grant of 2,000,000 unlisted options (having an exercise price of \$A0.70c, and expiration date of three (3) years from the date of issue), for each of the four (4) recently appointed non-executive directors. The purpose of the resolutions is part of the Company's ongoing commitment to seek to align the interests of its shareholders with those of the Board and management.

Related party payments

Payments to related parties (or their associates) of the Company are disclosed in section 6 of the Appendix 5B for the Quarter. The payments for the Quarter comprise directors' fees, consulting fees, and payments made for services provided by an associate of a related party.

Changes in securities on issue

During the Quarter, Magnis advised that 250,000 unlisted options exercisable at \$0.70 with an original expiry date of 18 June 2021 had expired.

Magnis also issued 108,309,719 fully paid ordinary shares during the Quarter.

This announcement has been authorised for release by the Board of Magnis Energy Technologies Ltd.
