## **Item 1.01. Entry into a Material Definitive Agreement.**

### *Issuance of Notes*

On May 12, 2021 (the “Closing Date”), Coronado Global Resources Inc., a Delaware corporation (the “Company”), entered into an indenture (the “Indenture”) among Coronado Finance Pty Ltd (ACN 628 668 235), an Australian proprietary company and a wholly-owned subsidiary of the Company (the “Issuer” or “Australian Borrower”), the Company, the other guarantors party thereto (collectively with the Company, the “Guarantors”) and Wilmington Trust, National Association, as trustee (the “Trustee”), and as priority lien collateral trustee, relating to the issuance by the Issuer of US\$350 million aggregate principal amount of 10.750% Senior Secured Notes due 2026 (the “Notes”). The Notes were sold on the Closing Date in a private transaction exempt from the registration requirements of the Securities Act of 1933 (the “Securities Act”). The Notes have not been, and will not be, registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act.

The Notes bear interest at a rate of 10.750% per annum. Interest on the Notes is payable semi-annually in arrears on May 15 and November 15 of each year, commencing on November 15, 2021, to record holders of the Notes on the immediately preceding May 1 and November 1, as applicable. The Notes mature on May 15, 2026 and are senior secured obligations of the Issuer.

The Notes are guaranteed on a senior secured basis by the Company and its wholly owned subsidiaries (other than the Issuer) (subject to certain exceptions and permitted liens) and secured by (i) a first-priority lien on substantially all of the Company’s assets and the assets of the guarantors (other than accounts receivable and other rights to payment, inventory, intercompany indebtedness, certain general intangibles and commercial tort claims, commodities accounts, deposit accounts, securities accounts and other related assets and proceeds and products of each of the foregoing (collectively, the “ABL Collateral”)) (the “Notes Collateral”), and (ii) a second-priority lien on the ABL Collateral, which is junior to a first-priority lien, for the benefit of the lenders under the Company’s senior secured asset-based revolving credit agreement in an initial aggregate principal amount of US\$100 million (the “ABL Facility”).

The Company intends to use the proceeds from the offering of the Notes, along with the proceeds of its previously announced offering of shares of its common stock in the form of CHESS Depositary Interests, that is expected to close following the offering of the Notes (the “Equity Offering”), to (i) repay all outstanding obligations under the Company’s existing secured multi-currency revolving syndicated facility agreement, dated September 15, 2018 and as amended on September 11, 2019 (the “Syndicated Facility Agreement”), and to terminate such agreement; (ii) cash collateralize a US\$70 million credit support facility which will be used to replace and/or provide back-to-back support for bank guarantees which have been issued under the Syndicated Facility Agreement or to temporarily cash collateralize some or all such bank guarantees to allow for their orderly replacement under a credit support facility (the transactions in clauses (i) and (ii), the “Refinancing”); (iii) pay discounts, fees and expenses related to the offering of the Notes, the ABL Facility, the Equity Offering and the Refinancing; and (iv) fund working capital and other general corporate needs.

The offering of the Notes closed prior to the consummation of the Equity Offering. Therefore, the gross proceeds from the sale of the Notes, less initial purchasers’ discounts and commissions, were deposited into a separate escrow account for the benefit of the Trustee and the holders of the Notes. The release of the escrow proceeds was subject to certain conditions, including the consummation of the Equity Offering, provided that the escrow proceeds, together with the proceeds of the Equity Offering, are used for the Refinancing.

Subsequently, on May 14, 2021, the gross proceeds from the sale of the Notes were released from escrow and, along with the proceeds from the Equity Offering, were used for the Refinancing.

The terms of the Notes are governed by the Indenture. The Indenture contains customary covenants for high yield bonds, including, but not limited to, limitations on investments, liens, indebtedness, asset sales, transactions with affiliates and restricted payments, including payment of dividends on capital stock.

Upon the occurrence of a “Change of Control,” as defined in the Indenture, the Issuer is required to offer to repurchase the Notes at 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date. The Issuer also has the right to redeem the Notes at 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date, following the occurrence of a Change of Control, provided that the Issuer redeems at least 90% of the Notes outstanding prior to such Change of Control. Upon the occurrence of certain changes in tax law (as described in the Indenture), the Issuer may redeem any of the Notes at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

---

The Issuer may redeem any of the Notes beginning on May 15, 2023. The initial redemption price is 108.063% of their principal amount, plus accrued and unpaid interest, if any, to, but excluding, the redemption date. The redemption price will decline each year after May 15, 2023, and will be 100% of their principal amount, plus accrued and unpaid interest, beginning on May 15, 2025. The Issuer may also redeem some or all of the Notes at any time and from time to time prior to May 15, 2023 at a price equal to 100% of the principal amount thereof plus a “make-whole” premium, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

During any twelve-month period ending prior to May 15, 2023, the Issuer may redeem the Notes (including additional Notes, if any) in an aggregate principal amount not to exceed 10% of the aggregate principal amount of the Notes (including additional Notes, if any) originally issued at a redemption price (expressed as a percentage of principal amount) of 103.000%, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

At any time and from time to time on or prior to May 15, 2023, the Issuer may redeem in the aggregate up to 40% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of additional Notes) with the net cash proceeds of certain equity offerings, at a redemption price of 110.750%, plus accrued and unpaid interest, if any, to, but excluding, the redemption date, so long as at least 60% of the original aggregate principal amount of the Notes (calculated after giving effect to any issuance of additional Notes) issued under the Indenture remains outstanding after each such redemption and each such redemption occurs within 120 days after the date of the closing of such equity offering.

The Indenture contains customary events of default, including failure to make required payments, failure to comply with certain agreements or covenants, failure to pay or acceleration of certain other indebtedness, certain events of bankruptcy and insolvency, and failure to pay certain judgments. An event of default under the Indenture will allow either the Trustee or the holders of at least 25% in aggregate principal amount of the then-outstanding Notes to accelerate, or in certain cases, will automatically cause the acceleration of, the amounts due under the Notes.

#### *ABL Facility Agreement*

On the Closing Date, the Company, Coronado Coal Corporation, a Delaware corporation (“U.S. Borrower” and, together with the Australian Borrower, the “Borrowers”), the Australian Borrower, and Guarantors (together with Borrowers, the “Loan Parties”), entered into the ABL Facility with Citibank, N.A. (“Citibank”), as administrative agent (in such capacity, “Administrative Agent”) and a lender, and various other financial institutions as lenders (the “Lenders”). The ABL Facility replaces the Syndicated Facility Agreement.

The ABL Facility will mature upon the earlier of May 12, 2024 or 91 days prior to the maturity of any indebtedness in excess of US\$20 million other than the one or more credit support facility agreements dated on or about the Closing Date by and between a Loan Party and a financial institution that issues bank guarantees or letters of credit for the account of a Loan Party (and any refinancing indebtedness incurred in respect thereof). The ABL Facility provides for up to US\$100 million in borrowings, including a US\$30 million sublimit for the issuance of letters of credit and a US\$5 million sublimit for swingline loans. Availability under the ABL Facility is limited to an eligible borrowing base, determined by applying customary advance rates to eligible accounts receivable and inventory.

The ABL Facility and certain bank products and hedge obligations are guaranteed by the Guarantors. Amounts outstanding under the ABL Facility and certain bank products and hedge obligations are secured by (i) a first-priority lien in the ABL Collateral, (ii) a second-priority lien in the Notes Collateral, and (iii) solely in the case of the obligations of the Australian Borrower, a featherweight floating security interest over certain assets of the Australian Borrower, in each case, subject to certain customary exceptions.

Borrowings under the ABL Facility bear interest, at the Borrowers’ option, at a base rate, a BBSY rate, or a Eurocurrency rate. The base rate is equal to the greater of the federal funds rate plus ½ of 1%, the Eurocurrency rate based on a one-month interest period plus 1% and the floating rate announced by Citibank as its “prime rate.” The BBSY rate is equal to the BBSY screen rate, and if unavailable, then the BBSY interpolated rate, and if unavailable, then the Australian reference bank rate. The Eurocurrency rate is a variable rate based on the LIBOR rate for the applicable currency with respect to the applicable interest period and amount of the Eurocurrency rate loan that is requested. The ABL Facility also includes provisions to address the cessation of LIBOR rate reporting.

---

The ABL Facility contains customary representations and warranties and affirmative and negative covenants including, among others, a covenant regarding the maintenance of a fixed charge coverage ratio if certain conditions are triggered, covenants relating to financial reporting, covenants relating to the payment of dividends on, or purchase or redemption of, the Loan Parties' capital stock, covenants relating to the incurrence or prepayment of certain debt, and covenants relating to the incurrence of liens or encumbrances, compliance with laws, transactions with affiliates, mergers and sales of all or substantially all of the Loan Parties' assets and limitations on changes in the nature of the Loan Parties' business.

The ABL Facility provides for customary events of default, including, among other things, the event of nonpayment of principal, interest, fees, or other amounts, a representation or warranty proving to have been materially incorrect when made, failure to perform or observe certain covenants within a specified period of time, a cross-default to certain material indebtedness, the bankruptcy or insolvency of the Company and certain of its subsidiaries, monetary judgment defaults of a specified amount, invalidity of any loan documentation, a change of control, and ERISA defaults resulting in liability of a material amount. In the event of a default by the Borrowers (beyond any applicable grace or cure period, if any), the Administrative Agent may and, at the direction of the requisite number of Lenders, shall declare all amounts owing under the ABL Facility immediately due and payable, terminate such Lenders' commitments to make loans under the ABL Facility and/or exercise any and all remedies and other rights under the ABL Facility. For certain defaults related to insolvency and receivership, the commitments of the Lenders will be automatically terminated and all outstanding loans and other amounts will become immediately due and payable.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

## ARTICLE II

### THE NOTES

SECTION 2.01 Amount of Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture on the Issue Date is \$350,000,000.

The Issuer may from time to time after the Issue Date issue Additional Notes under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Notes is at such time permitted by Section 4.03 and (ii) such Additional Notes are issued in compliance with the other applicable provisions of this Indenture. With respect to any Additional Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.07, 2.08, 2.09, 3.11, 4.06(e), 4.08(c) or Appendix A), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Issuer and (b) (i) set forth or determined in the manner provided in an Officer's Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Notes:

- (1) the aggregate principal amount of such Additional Notes which may be authenticated and delivered under this Indenture;
- (2) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes shall accrue; and
- (3) if applicable, that such Additional Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositories for such Global Notes, the form of any legend or legends which shall be borne by such Global Notes in addition to or in lieu of those set forth in Exhibit A hereto and any circumstances in addition to or in lieu of those set forth in Section 2.2 of Appendix A in which any such Global Note may be exchanged in whole or in part for Additional Notes registered, or any transfer of such Global Note in whole or in part may be registered, in the name or names of Persons other than the depository for such Global Note or a nominee thereof.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Officer's Certificate or an indenture supplemental hereto setting forth the terms of the Additional Notes.

The Initial Notes and any Additional Notes may, at the Issuer's option, be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that if the Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP, ISIN or other identifying number, if applicable.

SECTION 2.02 Form and Dating. Provisions relating to the Initial Notes are set forth in Appendix A, which is hereby incorporated in and expressly made a part of this Indenture. The (i) Initial Notes and the Trustee's certificate of authentication and (ii) any Additional Notes and the Trustee's certificate of authentication shall each be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuer, the Parent Guarantor or any Subsidiary Guarantor is subject, if any, or usage (*provided* that any such notation, legend or endorsement is in a form acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form, without interest coupons, in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, *provided* that Notes may be issued in denominations of less than \$2,000 solely to accommodate book-entry positions that have been created by participants of the Depository in denominations of less than \$2,000.

SECTION 2.03 Execution and Authentication. The Trustee shall authenticate and make available for delivery upon a written order of the Issuer signed by one Officer of the Issuer (a) Initial Notes for original issue on the date hereof in an aggregate principal amount of \$350,000,000 and (b) subject to the terms of this Indenture, Additional Notes in an aggregate principal amount to be determined at the time of issuance and specified therein. Such order shall specify the amount of separate Note certificates to be authenticated, the principal amount of each of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, whether the Notes are to be Initial Notes or Additional Notes, the registered Holder of each of the Notes and delivery instructions. Notwithstanding anything to the contrary in this Indenture or Appendix A, any issuance of Additional Notes after the Issue Date shall be in a principal amount of at least \$2,000 and integral multiples of \$1,000 in excess thereof.

One Officer shall sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

#### SECTION 2.04 Registrar and Paying Agent.

(a) The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and (ii) an office or agency where Notes may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrars. The term “Paying Agent” includes the Paying Agent and any additional paying agents. The Issuer initially appoints the Trustee as Registrar, Paying Agent and the Notes Custodian with respect to the Global Notes.

(b) The Issuer may enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Issuer or any of its domestically organized Subsidiaries may act as Paying Agent or Registrar.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor Registrar or Paying Agent, as the case may be, as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with Section 2.04(c)(i). The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee; *provided, however*, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05 Paying Agent to Hold Money in Trust. Prior to each due date of the principal of and interest on any Note, the Issuer shall deposit with each Paying Agent (or if the Issuer or a Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders, the Trustee or the Priority Lien Collateral Trustee all money held by a Paying Agent for the payment of principal of and interest on the Notes, and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it in trust for the benefit of the Persons entitled thereto. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07 Transfer and Exchange. The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Appendix A. When a Note is presented to the Registrar with a request to register a transfer, the Registrar shall register the transfer as requested if its requirements therefor are met. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Notes at the Registrar's request. The Issuer may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.07. The Issuer shall not be required to make, and the Registrar need not register, transfers or exchanges of Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or of any Notes for a period of 15 days before a selection of Notes to be redeemed or between a Record Date and the relevant Interest Payment Date.

Prior to the due presentation for registration of transfer of any Note, the Issuer, the Subsidiary Guarantors, the Trustee, the Paying Agent and the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuer, the Subsidiary Guarantors, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (a) the Holder of such Global Note (or its agent) or (b) any Holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

None of the Trustee, Registrar or Paying Agent shall have any responsibility for any actions taken or not taken by the Depository.

SECTION 2.08 Replacement Notes. If a mutilated Note is surrendered to the Registrar or if a Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall (if the requirements of Section 8-405 of the UCC are met) issue and the Trustee shall, upon receipt of a written order, authenticate a replacement Note, such that the Holder (a) satisfies the Issuer and the Trustee of such loss, destruction or wrongful taking within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the UCC (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Issuer and the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee, with respect to the Trustee, and the Issuer, with respect to the Issuer, to protect the Issuer, the Trustee, the Paying Agent and the Registrar, as applicable, from any loss or liability that any of them may suffer if a Note is replaced and subsequently presented or claimed for payment. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note (including without limitation, attorneys' fees and disbursements in replacing such Note). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is an additional obligation of the Issuer.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.09 as not outstanding. Subject to Section 14.06, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and no Paying Agent is prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and each Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of canceled Notes in accordance with its customary procedures. The Issuer may not issue new Notes to replace Notes they have redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Notes in place of canceled Notes other than pursuant to the terms of this Indenture.

SECTION 2.11 Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, the Issuer shall pay the defaulted interest then borne by the Notes (*plus* interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date, and shall promptly mail or cause to be mailed to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12 CUSIP Numbers, ISINs, Etc. The Issuer in issuing the Notes may use CUSIP numbers, ISINs and “Common Code” numbers (if then generally in use), and the Trustee shall use any such CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice of a redemption that reliance may be placed only on the other identification numbers printed on the Notes, or in any such notice, and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall advise the Trustee of any change in any such CUSIP numbers, ISINs and “Common Code” numbers.

SECTION 2.13 Calculation of Principal Amount of Notes. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented, by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 14.06 of this Indenture. Any calculation of the Applicable Premium made pursuant to this Indenture or the Notes shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

SECTION 2.14 Additional Amounts.

(a) All payments made by the Issuer or the Note Guarantors under or with respect to the Notes or with respect to any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future taxes imposed or levied by or on behalf of (i) any jurisdiction in which the Issuer (including any surviving corporation) is then incorporated, organized or resident for tax purposes or any political subdivision thereof or therein, (ii) any jurisdiction in which the Parent Guarantor is then incorporated, organized or resident for tax purposes or any political subdivision thereof or therein, (iii) any jurisdiction in which any Subsidiary Guarantor is then incorporated, organized or resident for tax purposes or any political subdivision thereof or therein or (iv) any jurisdiction of any Paying Agent or any political subdivision thereof or therein (each of (i), (ii), (iii) and (iv), a "Tax Jurisdiction"), unless the withholding or deduction of such taxes is then required by law or by the interpretation or administration thereof. If any deduction or withholding for, or on account of, any taxes imposed or levied by or on behalf of any Tax Jurisdiction shall at any time be required to be made from any payments made under or with respect to the Notes or with respect to any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Note Guarantor, as applicable, shall pay such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received in respect of such payments by each Holder (including Additional Amounts) after such withholding, deduction or imposition shall equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(i) any taxes that would not have been imposed but for the Holder of a Note or the beneficial owner of a Note having a present or former connection with the Tax Jurisdictions in which such taxes are imposed (including, without limitation, being a citizen or resident or national of, being incorporated in or carrying on a business or maintaining a permanent establishment or physical presence in such Tax Jurisdiction) other than the mere acquisition, holding, enforcement or receipt of payment in respect of such Note or any Note Guarantee;

(ii) any U.S. federal withholding taxes;

(iii) any taxes that are imposed or withheld as a result of the failure of the Holder of a Note or beneficial owner of a Note to comply with any certification, identification or other reporting requirement concerning nationality, residence, identity or connection with the Tax Jurisdiction of such Holder or beneficial owner if compliance is required by law, regulation, administrative practice or by an applicable income tax treaty to which the Tax Jurisdiction of such Holder or beneficial owner is a party, as a precondition to exemption for, or reduction in the rate of deduction or withholding of, those taxes;

(iv) any taxes that are imposed or withheld as a result of the failure of the Holder of a Note or beneficial owner of a Note to comply with any timely reasonable written request, made to that Holder or beneficial owner, by the Issuer or any of the Note Guarantors to provide timely and accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or an appropriate tax file number, Australian Business Number, or other number or exemption details or to make any valid and timely declaration or similar claim or satisfy any certification, information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the Tax Jurisdiction as a precondition to any exemption from or reduction in all or part of such taxes to which such Holder is entitled;

(v) any Note presented for payment (where Notes are in the form of definitive registered Notes and presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder;

(vi) any payment of principal or interest on a Note made to any Holder who is a fiduciary or partnership or any person other than the sole beneficial owner of such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner of such payment would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the actual Holder of such Note;

(vii) any estate, inheritance, gift, use, sales, excise, transfer, value added, personal property or similar taxes, assessments or other governmental charges;

(viii) any Note presented for payment by or on behalf of a Holder of Notes who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent;

(ix) any taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee;

(x) any taxes imposed or withheld by reason of such Holder being an “associate” (as defined in Section 128F(9) of the Income Tax Assessment Act 1936 of Australia (the “Australian Tax Act”)) of the Issuer or any of the Note Guarantors not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia;

(xi) any taxes imposed or withheld by reason of the Australian Commissioner of Taxation giving a notice under section 255 of the Australian Tax Act or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of Australia;

(xii) any applicable tax required to be withheld or deducted under Sections 1471 to 1474 of the Code (or any amended or successor versions of such Sections) (“FATCA”), any regulations or other official guidance thereunder, any intergovernmental agreement or agreement pursuant to Section 1471(b)(1) of the Code entered into in connection with FATCA, or any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA or an intergovernmental agreement; or

(xiii) any combination of items (i) through (xii) above.

(b) In addition to the foregoing, the Issuer and the Note Guarantors shall also pay and indemnify, the Trustee, the Paying Agents and the Holder for any present or future stamp, issue, registration, court or documentary taxes, or any other excise or property taxes, charges or similar taxes which are levied by any Tax Jurisdiction on the execution, delivery, registration or enforcement of any of the Notes, this Indenture, any Note Guarantee, or any other document or instrument referred to therein.

(c) If the Issuer or any Note Guarantor, as the case may be, becomes aware that it shall be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Note Guarantor, as the case may be, shall deliver to the Trustee on a date that is at least 10 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 10th day prior to that payment date, in which case the Issuer or the relevant Note Guarantor shall notify the Trustee promptly thereafter) an Officer’s Certificate stating the fact that Additional Amounts shall be payable and the amount estimated to be so payable. The Officer’s Certificate must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Trustee shall be entitled to rely solely on such Officer’s Certificate as conclusive proof that such payments are necessary and the amount of such payment. The Issuer or the relevant Note Guarantor shall provide the Trustee with documentation satisfactory to the Trustee evidencing the payment of Additional Amounts.

(d) The Issuer or the relevant Note Guarantor shall make all withholdings and deductions required by law and shall remit the full amount deducted or withheld to the taxing authority in accordance with applicable law. Upon request, the Issuer or the relevant Note Guarantor shall provide to the Trustee an official receipt or, if official receipts are not obtainable, other documentation satisfactory to the Trustee evidencing the payment of any taxes so deducted or withheld. Upon request, copies of those receipts or other documentation, as the case may be, shall be made available by the Issuer or relevant Note Guarantor to the Holders.

(e) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or Note Guarantee (as the case may be), such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(f) The above obligations shall survive termination, defeasance or discharge of this Indenture and any transfer by a Holder or beneficial owner of its Notes and shall apply mutatis mutandis to any jurisdiction in which any successor person to the Issuer or any Note Guarantor is incorporated, organized or resident for tax purposes or any jurisdiction from or through which such person makes any payment on the Notes (or any Note Guarantee) and any political subdivision thereof or therein.

### ARTICLE III

#### REDEMPTION

SECTION 3.01 Optional Redemption. The Notes may be redeemed, in whole or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the Note set forth in Exhibit A hereto, which is hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

SECTION 3.02 Mandatory Redemption. Except as set forth in Section 3.03, the Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.03 Special Mandatory Redemption. If the event that (a) the Escrow Release Conditions (including the consummation of the 2021 Equity Offering) are not satisfied on or prior to the Redemption Deadline or (b) at any time prior to the Redemption Deadline, the Escrow Release Conditions are deemed, in the good faith judgment of the Issuer or the Parent Guarantor, to be incapable of being satisfied on or prior to the Redemption Deadline (any such event being a “Special Mandatory Redemption Event”), the Issuer will redeem the Notes (the “Special Mandatory Redemption”) no later than three Business Days following the Special Mandatory Redemption Event (or otherwise in accordance with the applicable procedures of DTC) (the “Special Mandatory Redemption Date”) at a price equal to 100% of the initial issue price of the Notes, plus accrued and unpaid interest on the Notes, if any, from the Issue Date to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

Upon the occurrence of a Special Mandatory Redemption Event, the Issuer shall promptly (but in no event later than two Business Days following such Special Mandatory Redemption Event) notify the Holders, the Escrow Agent, and the Trustee in writing (such date of notification to the Holders, the “Redemption Notice Date”) that the Notes shall be redeemed on the Special Mandatory Redemption Date, in each case in accordance with the applicable provisions of this Indenture and the applicable procedures of DTC. The Issuer shall notify each Holder in accordance with the applicable provisions of this Indenture that all of the outstanding Notes will be redeemed at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders. The Issuer may request that the Trustee provide such notice of Special Mandatory Redemption on the Issuer’s behalf and (no later than one Business Day prior to when notice is sent to Holders) shall notify the Trustee in an Officer’s Certificate of (i) the Section of this Indenture pursuant to which the Special Mandatory Redemption shall occur, (ii) the Special Mandatory Redemption Date, (iii) the principal amount of Notes to be redeemed, (iv) the redemption price and (v) attach a form of notice to holders of such Special Mandatory Redemption.

Upon notice by the Issuer that a Special Mandatory Redemption Event has occurred, the Escrow Agent shall promptly liquidate the Escrowed Property and, on or prior to the Special Mandatory Redemption Date, release the Escrowed Property to the Trustee and the Issuer shall pay the difference between the aggregate Special Mandatory Redemption Price and the Escrowed Property to the Trustee on or prior to the Special Mandatory Redemption Date.

In connection with the Special Mandatory Redemption, and in accordance with the Escrow Agreement, the Issuer shall provide the Trustee with an Officer's Certificate and Opinion of Counsel each stating that: (a) the Escrow Release and Special Mandatory Redemption is authorized or permitted by the terms of this Indenture, Notes and Escrow Agreement, and (b) all conditions precedent for such Escrow Release and Special Mandatory Redemption in this Indenture, Notes and Escrow Agreement have been satisfied.

No provisions of the Escrow Agreement may be waived or modified in any manner materially adverse to the Holders without the written consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. By its acceptance of a Note, each Holder shall be deemed to have authorized and directed the Trustee and the Escrow Agent to enter into and perform its obligations, if any, under the Escrow Agreement.

The Issuer, the Parent Guarantor and the Notes Secured Parties (by their acceptance of the Notes), hereby authorize and direct the Trustee to enter into, execute and deliver the Escrow Agreement and to appoint Global Loan Agency Services Australia Specialist Activities Pty Limited as the escrow agent thereunder. It is agreed to by the Parties and the Notes Secured Parties (by their acceptance of the Notes) that: (i) the Trustee shall not have a security interest in the Escrowed Property, (ii) the Trustee shall not have any liability or responsibility to any party for the conditions of release (as set forth in Section 7.2 of the Escrow Agreement) of the Escrowed Property by the Issuer; and (iii) the Trustee shall not be liable for, nor have any responsibility to take any enforcement action, under, or as a result of, the Escrow Agreement, unless the Holders of a majority in aggregate principal amount of the outstanding Notes authorizes and directs the Trustee to take any such enforcement action in writing, and the Trustee has been offered indemnity satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such request.

**SECTION 3.04 Redemption for Changes in Tax.** The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior notice (which notice will be irrevocable and given in accordance with the procedures described in this Article III), at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest, if any, to, but not including, the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuer or any Note Guarantor is or would be required to pay Additional Amounts, and the Issuer or any Note Guarantor cannot avoid any such payment obligation by taking commercially reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent but not including the substitution of the obligor of the Notes or the incurrence of material out-of-pocket expenses by the Issuer or any Note Guarantor), and the requirement arises as a result of:

- (a) any change in, or amendment to, the laws (or any regulations, or rulings promulgated thereunder) of the applicable Tax Jurisdiction affecting taxation which change or amendment becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or
- (b) any change in, or amendment to, the existing official position or the introduction or pronouncement of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to make such payment or withholding if a payment in respect of the Notes were then due, and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the publication or, where relevant, mailing, or delivering electronically if the Notes are held by DTC, of any notice of redemption of the Notes pursuant to the foregoing, the Issuer will deliver the Trustee an opinion of an independent tax expert, such tax expert being a law or accounting firm of recognized standing, to the effect that it has determined that there has been such change or amendment which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer publishes or mails, or delivers electronically if the Notes are held by DTC, notice of redemption of the Notes as described above, it will deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer taking commercially reasonable measures available to it.

The Trustee shall accept such Officer's Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders.

SECTION 3.05 Applicability of Article. Redemption of Notes at the election of the Issuer or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article III.

SECTION 3.06 Notices to Trustee. If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Paragraph 5 of the Note, the Issuer shall notify the Trustee in an Officer's Certificate of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed, (iv) the redemption price, and (v) any conditions precedent to such redemption or notice. The Issuer shall give notice to the Trustee provided for in this Section 3.06 at least five Business Days prior to when notice is due to Holders (or such shorter period as the Trustee shall agree) if the redemption is a redemption pursuant to Paragraph 5 of the Note, except that notice may be given to the Trustee more than 60 days prior to the redemption date if the notice is given in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article VIII. The Issuer may also include a request in such Officer's Certificate that the Trustee give the notice of redemption in the Issuer's name and at its expense and setting forth the information to be stated in such notice as provided in Section 3.08. Any such notice may be canceled if written notice from the Issuer of such cancellation is actually received by the Trustee on the Business Day immediately prior to notice of such redemption being mailed to any Holder or otherwise delivered in accordance with the applicable procedures of the Depository and shall thereby be void and of no effect. In the case of certificated notes, the Issuer shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Notes to be redeemed pursuant to Section 3.07.

SECTION 3.07 Selection of Notes to Be Redeemed. In the case of any partial redemption, selection of Notes for redemption shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed (and the Issuer shall notify the Trustee of any such listing), or if the Notes are not so listed, on a pro rata basis to the extent practicable or by lot (and, in such manner that complies with the requirements of the Depository, if applicable); *provided* that no Notes of a minimum denomination of \$2,000 or less shall be redeemed in part. The Trustee shall make the selection from outstanding Notes not previously called for redemption. The Trustee may select for redemption portions of the principal of Notes that have denominations larger than \$2,000. Notes and portions of Notes the Trustee selects shall be in amounts of \$2,000 or integral multiples of \$1,000 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.08 Notice of Optional Redemption.

(a) At least 10 but not more than 60 days before a redemption date pursuant to Paragraph 5 of the Note, the Issuer shall mail or cause to be mailed by first-class mail at its registered address, or otherwise deliver in accordance with the procedures of the Depository, a notice of redemption to each Holder whose Notes are to be redeemed (with a copy to the Trustee), except that redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Article VIII.

Any such notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price and the amount of accrued interest to the redemption date;
- (iii) the name and address of the Paying Agent;
- (iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, *plus* accrued and unpaid interest, if any;
- (v) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;
- (vi) that, unless the Issuer defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
- (vii) the CUSIP number, ISIN and/or “Common Code” number, if any, printed on the Notes being redeemed;
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN and/or “Common Code” number, if any, listed in such notice or printed on the Notes;
- (ix) if the redemption is subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Issuer’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), and/or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date as so delayed, and/or that such notice may be rescinded at any time by the Issuer if the Issuer determines in its sole discretion that any or all of such conditions shall not be satisfied (or waived); and
- (x) at the Issuer’s option, that the payment of the redemption price and performance of the Issuer’s obligations with respect to such redemption may be performed by another Person.

Notice of any redemption upon any corporate transaction or other event (including any Equity Offering, Incurrence of Indebtedness, Change of Control or other transaction) may, at the Issuer’s discretion, be given prior to the completion thereof. In addition, any redemption or notice thereof may, at the Issuer’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. For the avoidance of doubt, if any redemption date shall be delayed as contemplated by this Section 3.08 and the terms of the applicable notice of redemption, such redemption date as so delayed may occur at any time after the original redemption date set forth in the applicable notice of redemption and after the satisfaction (or waiver) of any applicable conditions precedent, including, without limitation, on a date that is more than 60 days after the date of the applicable notice of redemption. To the extent that the redemption date shall occur on a date other than the original redemption date set forth in the applicable notice of redemption, the Issuer shall notify the Holders and the Trustee of the final redemption date, which redemption date shall accommodate any timing requirements of the Depository then in effect, prior to such date; *provided* that the failure to give such notice, or any defect therein, shall not impair or affect the validity of any redemption under this Article III.

(b) At the Issuer’s written request, the Trustee shall deliver the notice of redemption in the Issuer’s name and at the Issuer’s expense. In such event, the Issuer shall notify the Trustee of such request at least five Business Days (or such shorter period as is acceptable to the Trustee) prior to the date such notice is to be provided to Holders.

SECTION 3.09 Effect of Notice of Redemption. Once notice of redemption is mailed or otherwise delivered in accordance with Section 3.08, Notes called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, except as provided in the final paragraph of Paragraph 5 of the Note or Section 3.08(a). Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price stated in the notice, *plus*, in the case of an optional redemption in accordance with Section 3.01, accrued and unpaid interest, if any, to, but excluding, the redemption date; *provided, however*, that if the redemption date is after a regular Record Date and on or prior to the next Interest Payment Date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant Record Date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.10 Deposit of Redemption Price. With respect to any Notes, prior to 11:00 a.m., New York City time, on a date that is at least one Business Day prior to the redemption date, the Issuer shall deposit, or cause to be deposited, with the Paying Agent (or, if the Issuer or a Subsidiary of the Issuer is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of, *plus* accrued and unpaid interest, if any, on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, *plus*, accrued and unpaid interest, if any, on, the Notes or portions thereof to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.11 Notes Redeemed in Part. If any Note is to be redeemed in part only, the notice of redemption relating to such Note shall state the portion of the principal amount thereof to be redeemed. Upon surrender and cancellation of a Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered and cancelled (or if the Note is a Global Note, an adjustment shall be made to the "Schedule of Increases or Decreases in Global Note" attached thereto in accordance with the applicable procedures of the Depository).

## ARTICLE IV

### COVENANTS

SECTION 4.01 Payment of Notes. The Issuer shall promptly pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. An installment of principal of or interest shall be considered paid on the date due if on such date, that is at least one Business Day prior to the payment date, the Trustee or the Paying Agent holds as of 11:00 a.m. New York City time money sufficient to pay all principal and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate borne by the Notes to the extent lawful.

#### SECTION 4.02 Reports.

(a) For so long as the Notes are outstanding, the Parent Guarantor shall provide to the Trustee and each Holder, without cost to such Holder or to the Trustee:

(i) within 120 days after the close of each fiscal year, annual reports in English, including audited financial statements (containing a consolidated balance sheet as of the end of such fiscal year and immediately preceding fiscal year and consolidated statements of income, retained earnings and cash flows for such fiscal year and the immediately preceding fiscal year) with a report thereon by an internationally recognized independent firm of chartered accountants and a management's discussion and analysis of results of operations and financial condition,

(ii) within 90 days after the close of each of the first three fiscal quarters of each fiscal year, quarterly reports including interim financial statements (containing a consolidated balance sheet as of the end of such fiscal quarter and immediately preceding fiscal year and consolidated statements of income, retained earnings and cash flows for each interim period covered thereby and for the comparable period of the immediately preceding fiscal year) with a management's discussion and analysis of results of operations and financial condition and

(iii) within 15 days after the time period specified in the SEC's rules and regulations for filing current reports on Form 8-K, current reports of the Parent Guarantor containing substantially all of the information that would be required to be filed in a current report on Form 8-K under the Exchange Act on the Issue Date pursuant to (a) Item 1.01, (b) Item 1.02, (c) Item 1.03, (d) Item 2.01, (e) Item 2.03, (f) Item 2.04, (g) Item 4.01, (h) Item 4.02, (i) Item 5.01, (j) Item 5.02(a), (k), Item 5.02(b), (l), Item 5.02(c), (m), Item 9.01(a) and (b) (only to the extent relating to any of the foregoing) of Form 8-K if the Parent Guarantor had been a reporting company under the Exchange Act;

*provided, however*, that no such current reports (or Items thereof or all or a portion of the financial statements that would have otherwise been required thereby) shall be required to be delivered (or included) if the Parent Guarantor determines in its good faith judgment that such event (or information) is not material to Holders or the business, assets, operations, financial position or prospects of the Parent Guarantor and its Restricted Subsidiaries, taken as a whole.

The Parent Guarantor need not provide annual, quarterly or current reports to the Trustee or any Holder if and to the extent that the Parent Guarantor files or furnishes such reports with the SEC and such reports are available on the SEC website within the time periods referred to in Section 4.02(a)(i), (ii) and (iii). All financial statements contained in the annual and quarterly reports shall be prepared in accordance with GAAP. To the extent that the annual and quarterly reports are not available on the SEC website, the Parent Guarantor shall deliver such reports to the Trustee and shall post such annual and quarterly reports on a website (which may be password protected and may be maintained by the Parent Guarantor or a third party) to which access will be given to Holders and prospective purchasers of Notes (which prospective purchasers may be limited to "qualified institutional buyers" as defined in Rule 144A under the Securities Act), non-U.S. persons (as defined in Regulation S under the Securities Act), market makers affiliated with Credit Suisse Securities (USA) LLC, Citigroup Global Markets Inc., or BMO Capital Markets Corp. and securities analysts that certify their status as such to the reasonable satisfaction of the Parent Guarantor and who acknowledge the confidentiality of the information.

The annual and quarterly reports shall not be required to: (i) comply with any of Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Item 9A of Form 10-K and Items 307 and 308 of Regulation S-K promulgated by the SEC, Item 302 of Regulation S-K, Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein), Item 601 of Regulation S-K (with respect to exhibits), Rule 3-09, 3-10 or 3-16 of Regulation S-X, Section 13(p) (including on Form SD under Rule 13p-1), Section 13(q) or Section 13(r) of the Exchange Act, in each case, or any successor provision thereto, or (ii) include separate financial statements or financial information of the Issuer or the Subsidiary Guarantors.

(b) The Parent Guarantor shall also:

(xi) Indebtedness Incurred by the Parent Guarantor or any Restricted Subsidiary to finance all or any part of the purchase price or cost of installation or improvement of mining equipment to be used in the Related Business at the Curragh Mine, *provided, however*, that immediately after giving effect to any such Incurrence, the aggregate principal amount of all Indebtedness Incurred under this Section 4.03(b)(xi), together with refinancings thereof, and then outstanding does not exceed \$40.0 million (or the U.S. Dollar Equivalent thereof);

(xx) Indebtedness in respect of payments, including deferred payments and any related interest payments, of stamp duty, issue, registration, court or documentary taxes, or any other excise or property taxes, charges or similar taxes by the Parent Guarantor or any of its Restricted Subsidiaries in connection with the acquisition of the Curragh Mine in 2018, in an aggregate principal amount at any time outstanding which does not exceed \$35.0 million (or the U.S. Dollar Equivalent thereof); and

(xxi) Indebtedness of the Parent Guarantor or any of its Restricted Subsidiaries in an aggregate principal amount at any time outstanding which, when taken together with all other Indebtedness outstanding under this Section 4.03(b)(xxi), does not exceed the greater of (x) \$50.0 million (or the U.S. Dollar Equivalent thereof) and (y) 2.5% of Consolidated Tangible Assets.

(c) For purposes of determining compliance with this Section 4.03:

(i) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the types of Indebtedness described above, the Parent Guarantor, in its sole discretion, shall be permitted to classify such item of Indebtedness (or any portion thereof) at the time of Incurrence (and in the case of a reclassification, only to the extent the reclassified item could be Incurred pursuant to the criteria at the time of such reclassification) in any manner that complies with this Section 4.03 and shall only be required to include the amount and type of such Indebtedness in one of the above clauses; *provided*, that all ABL Debt shall be deemed to have been Incurred in reliance on the exception provided by Section 4.03(b)(i) above, and may not be reclassified;

(ii) the Parent Guarantor shall be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described above.

(d) For purposes of determining compliance with any U.S. dollar restriction on the Incurrence of Indebtedness where the Indebtedness Incurred is denominated in a different currency, the amount of such Indebtedness shall be the U.S. Dollar Equivalent, determined on the date of the Incurrence of such Indebtedness; *provided, however*, that if any such Indebtedness denominated in a different currency is subject to a Currency Agreement with respect to U.S. dollars, covering all principal, premium, if any, and interest payable on such Indebtedness, the amount of such Indebtedness expressed in U.S. dollars shall be as provided in such Currency Agreement. The principal amount of any Refinancing Indebtedness Incurred in the same currency as the Indebtedness being Refinanced shall be the U.S. Dollar Equivalent of the Indebtedness Refinanced, except to the extent that (1) such U.S. Dollar Equivalent was determined based on a Currency Agreement, in which case the Refinancing Indebtedness shall be determined in accordance with the preceding sentence, and (2) the principal amount of the Refinancing Indebtedness exceeds the principal amount of the Indebtedness being Refinanced, in which case the U.S. Dollar Equivalent of such excess shall be determined on the date such Refinancing Indebtedness is Incurred.

(e) Neither the Issuer nor any Note Guarantor shall incur any Indebtedness (including Permitted Indebtedness) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Note Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes or the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness shall be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Note Guarantor solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

(f) Notwithstanding any other provision of this Section 4.03, the maximum amount of Indebtedness that the Parent Guarantor or any Restricted Subsidiary may incur pursuant to this Section 4.03 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

#### SECTION 4.04 Limitation on Restricted Payments.

(a) The Parent Guarantor shall not, and shall not permit any of its Restricted Subsidiaries, directly or indirectly, to make a Restricted Payment unless at the time the Parent Guarantor or such Restricted Subsidiary makes such Restricted Payment:

(i) no Default or Event of Default shall have occurred and be continuing (or would result therefrom); and

(ii) immediately after giving effect to such Restricted Payment on a *pro forma* basis, the Parent Guarantor could Incur \$1.00 of additional Indebtedness under Section 4.03(a); and

(iii) the aggregate amount of Restricted Payments (including such proposed Restricted Payment) made after the Issue Date (including Restricted Payments permitted by Section 4.04(b)(iii), but excluding all other Restricted Payments permitted by Section 4.04(b)) shall not exceed the sum of (without duplication):

(1) 50% of the cumulative Consolidated Net Income (or, if cumulative Consolidated Net Income shall be a loss, minus 100% of such loss) of the Parent Guarantor and its Restricted Subsidiaries earned during the period beginning on the first day of the fiscal quarter commencing on January 1, 2021 and through the end of the most recent fiscal quarter for which financial statements are available prior to the date such Restricted Payment occurs (treating such period as a single accounting period); plus

(3) 100% of the aggregate amount of contributions to the capital of the Parent Guarantor received in cash and the Fair Market Value (as determined in good faith by the Parent Guarantor) of property other than cash after the Issue Date, plus

(4) 100% of the principal amount of any Indebtedness of the Parent Guarantor or any Restricted Subsidiary issued after the Issue Date (other than Indebtedness issued to a Restricted Subsidiary) which has been converted into or exchanged for Equity Interests in the Parent Guarantor (other than Disqualified Stock), plus

(5) 100% of the aggregate amount received by the Parent Guarantor or any Restricted Subsidiary in cash and the Fair Market Value (as determined in good faith by the Parent Guarantor) of property other than cash received by the Issuer or any Restricted Subsidiary from:

(A) the sale or other disposition (other than to the Parent Guarantor or a Restricted Subsidiary) of, or other returns on Investments from, Restricted Investments made by the Parent Guarantor and the Restricted Subsidiaries and from repurchases and redemptions of such Restricted Investments from the Issuer and the Restricted Subsidiaries by any Person (other than the Parent Guarantor or any Restricted Subsidiary) and from repayments of loans or advances, and releases of guarantees, which constituted Restricted Investments (other than in each case to the extent that the Restricted Investment was made in a joint venture or an Unrestricted Subsidiary pursuant to Section 4.04(b)(vi)),

(B) the sale (other than to the Parent Guarantor or a Restricted Subsidiary) of the Capital Stock of an Unrestricted Subsidiary, or

(C) a distribution or dividend from an Unrestricted Subsidiary, plus

(6) in the event any Unrestricted Subsidiary has been redesignated as a Restricted Subsidiary or has been merged, consolidated or amalgamated with or into, or transfers or conveys its assets to, or is liquidated into, the Parent Guarantor or a Restricted Subsidiary, the Fair Market Value (as determined in good faith by the Parent Guarantor) of the Investment of the Issuer or the Restricted Subsidiaries in such Unrestricted Subsidiary at the time of such redesignation, combination or transfer (or of the assets transferred or conveyed, as applicable) (other than in each case to the extent that the designation of such Subsidiary as an Unrestricted Subsidiary was made pursuant to Section 4.04(b)(vi) or constituted a Permitted Investment).

(b) The provisions of the preceding Section 4.04(a) shall not prohibit:

(i) any Restricted Payment made out of the Net Cash Proceeds of the substantially concurrent sale of, or made in exchange for, Equity Interests of the Parent Guarantor (other than Disqualified Stock and other than Equity Interests issued or sold to a Subsidiary of the Parent Guarantor or an employee stock ownership plan or to a trust established by the Parent Guarantor or any of its Subsidiaries for the benefit of their employees) or a substantially concurrent contribution to the common equity capital of the Parent Guarantor;

(ii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Subordinated Obligations of the Issuer or a Note Guarantor made by exchange for, or out of the proceeds of the substantially concurrent Incurrence of, Refinancing Indebtedness which is permitted to be Incurred pursuant to Section 4.03;

(iii) the payment of any dividend or distribution or consummation of any irrevocable redemption within 60 days after the date of declaration thereof or the call for a redemption thereof, if at such date of declaration or call for redemption such payment would have complied with Section 4.04(a);

(iv) so long as no Default has occurred and is continuing (or would result therefrom), (A) the purchase, redemption or other acquisition of Equity Interests of the Parent Guarantor from employees, former employees, directors or former directors of the Parent Guarantor or any of its Subsidiaries (or permitted transferees of such employees, former employees, directors or former directors), pursuant to the terms of any employment agreement, equity subscription agreement, stock option agreement or similar agreement or stock option plan and (B) the purchase of Equity Interests of the Parent Guarantor in connection with the award of restricted stock grants to employees or directors of the Parent Guarantor or any of its Subsidiaries pursuant to the terms of any employment agreement or employee benefit plan to cover restricted shares granted pursuant to such contract or plan; *provided, however*, that the amount of such Restricted Payments under clauses (A) and (B), in the aggregate, shall not exceed \$7.5 million (or the U.S. Dollar Equivalent thereof) in any calendar year, although such amount may be increased by an amount not to exceed the cash proceeds of key man life insurance policies received by the Parent Guarantor or any Restricted Subsidiary after the Issue Date;

(v) the declaration and payments of dividends or distributions on Preferred Stock of a Restricted Subsidiary or Disqualified Stock issued pursuant to Section 4.03; *provided, however*, that, at the time of payment of such dividend or distribution, no Default has occurred and is continuing (or would result therefrom);

(vi) Investments in joint ventures or Unrestricted Subsidiaries having an aggregate Fair Market Value (as determined in good faith by the Parent Guarantor), taken together with all other Investments made pursuant to this Section 4.04(b)(vi) that are at that time outstanding, not to exceed \$10.0 million (or the U.S. Dollar Equivalent thereof); *provided, however*, that if any Investment pursuant to this Section 4.04(b)(vi) is made in any Person that is not a Restricted Subsidiary at the date of the making of such Investment and such Person becomes a Restricted Subsidiary after such date, such Investment shall thereafter be deemed to have been made pursuant to clause (1) of the definition of Permitted Investments and shall cease to have been made pursuant to this Section 4.04(b)(vi) for so long as such Person continues to be the Issuer or a Restricted Subsidiary;

(vii) the declaration and payment of dividends on account of, or repurchases of, Equity Interests of the Parent Guarantor; *provided* that the total amount of dividends declared and paid pursuant to this Section 4.04(b)(vii) in any calendar year shall not exceed the greater of (x) 1.25% of Market Capitalization and (y) \$12.5 million (or the U.S. Dollar Equivalent thereof);

(viii) repurchases of Equity Interests deemed to occur upon exercise of stock options, warrants or other securities convertible into or exchangeable for Equity Interests of the Parent Guarantor to the extent such repurchased Equity Interests represent a portion of the exercise price thereof or applicable withholding taxes, if any;

(ix) cash payments in lieu of the issuance of fractional shares in connection with the exercise of stock options, warrants or other securities convertible into or exchangeable for Equity Interests of the Parent Guarantor; *provided, however*, that any such cash payment shall not be for the purpose of evading the limitation of this Section 4.04;

(x) the payment of any dividend or distribution by a Restricted Subsidiary that it not a Wholly Owned Subsidiary on a *pro rata* basis;

(xi) the repayment, redemption, repurchase, defeasance or other acquisition or retirement for value of any Subordinated Obligations or Disqualified Stock of the Issuer or any Note Guarantor at a purchase price not greater than 101% of the principal amount thereof or liquidation preference, as the case may be, in the event of a Change of Control pursuant to a provision no more favorable to the Holders thereof than Section 4.08; *provided* that, prior to the making of any such Restricted Payment pursuant to this Section 4.04(b)(xi), the Parent Guarantor or the Issuer shall have made a Change of Control Offer and repurchased all Notes issued under this Indenture that were validly tendered for payment in connection with the offer to purchase;

(xii) any consideration, payment, dividend, distribution or other transfer in connection with a Permitted Securitization Financing;

(xiii) so long as no Default has occurred and is continuing (or would result therefrom), other Restricted Payments so long as, immediately after giving effect to such Restricted Payment, the Net Leverage Ratio for the Four Quarter Period immediately preceding such Restricted Payment is not greater than 1.50 to 1.00 on a *pro forma* basis; or

(xiv) so long as no Default has occurred and is continuing (or would result therefrom), other Restricted Payments in an aggregate amount not to exceed \$30.0 million (or the U.S. Dollar Equivalent thereof).

(c) Notwithstanding Section 4.04(a) or (b), no Restricted Payment shall be permitted to be made unless, immediately after giving effect to such Restricted Payment on a *pro forma* basis (including the payment of any dividend declared or redemption for which notice has been provided), the Pro Forma Liquidity is equal to or greater than \$125.0 million; *provided, however*, that such Pro Forma Liquidity condition shall not apply to Restricted Payments made in reliance on Section 4.04(b)(iii), (v), (viii), (ix), (x) and (xii).

(d) In addition, prior to declaring or making any Restricted Payment in reliance on Section 4.04(a) or on Section 4.04(b)(xiii), the Issuer shall commence an offer to repurchase (a “Restricted Payment Offer”) an aggregate principal amount of the Notes equal to the amount of the proposed Restricted Payment to be made in reliance on Section 4.04(a) or on Section 4.04(b)(xiii). Each Restricted Payment Offer shall be made at a price (expressed as a percentage of principal amount thereof) equal to 104% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date). Each Holder shall have the right to decline its *pro rata* portion of any Restricted Payment Offer (the aggregate principal amount of Notes that decline, the “Declined Amounts”). Any Declined Amounts may be retained by the Parent Guarantor and used for any purpose not otherwise prohibited by this Indenture, including the making of Restricted Payments, at any time or from time to time, in reliance on Section 4.04(a) or on Section 4.04(b)(xiii) to the extent permitted thereunder. For the avoidance of doubt, no Restricted Payment Offer shall be required to be made with any Declined Amounts that are used, at any time or from time to time, to make any Restricted Payment in reliance on Section 4.04(a) or Section 4.04(b)(xiii).

*Example:* If the Parent Guarantor proposes to declare or make a Restricted Payment equal to \$10.0 million under Section 4.04(b)(xiii), prior to declaring or making such Restricted Payment the Issuer shall commence a Restricted Payment Offer to all Holders on a *pro rata* basis to repurchase an aggregate principal amount of Notes of \$10.0 million at a price (expressed as a percentage of principal amount thereof) equal to 104%, plus accrued and unpaid interest, if any, to, but excluding the date of purchase and, (x) to the extent \$10.0 million (or more) of Notes are tendered and repurchased in such offer, upon commencement of such Restricted Payment Offer, the Parent Guarantor shall be permitted to make Restricted Payments up to \$10.0 million, and (y) to the extent \$5.0 million of Notes are tendered and repurchased (and \$5.0 million become Declined Amounts), upon commencement of such Restricted Payment Offer, the Parent Guarantor shall be permitted to make Restricted Payments up to \$10.0 million and upon such repurchase, the Parent Guarantor shall be permitted to make an additional \$5.0 million of Restricted Payments from such Declined Amounts (subject to compliance with the requirements of Section 4.04(b)(xiii) and no Restricted Payment Offer shall be required to be made with respect to Restricted Payments made from Declined Amounts).

(e) Notwithstanding anything to the contrary, neither the Parent Guarantor nor any Restricted Subsidiary shall be permitted to make an Investment in an Unrestricted Subsidiary consisting of any Material Leased Real Property, Material Owned Real Property or any material machinery, equipment or intellectual property.

(f) The amount of any Restricted Payments (other than cash) shall be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Parent Guarantor or the Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The value of any security, property or other assets that are required to be valued by this Section 4.04 shall be the Fair Market Value. The amount of all Restricted Payments in cash shall be its face amount. For purposes of determining compliance with any U.S. dollar restriction on Restricted Payments, the U.S. dollar-equivalent of a Restricted Payment denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date the Parent Guarantor or the Restricted Subsidiary, as the case may be, actually makes such Restricted Payment.

(g) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Restricted Payment Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(h) If more Notes are tendered pursuant to a Restricted Payment Offer than the Issuer is required to purchase, selection of such Notes for purchase will be made by the Issuer in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (and the Issuer shall notify the Trustee of any such listing), or if such Notes are not so listed, on a pro rata basis to the extent practicable, by lot or by such other method as the Issuer deems appropriate (and in such manner as complies with the requirements of the Depository, if applicable); provided that no Notes of a minimum of \$2,000 or less shall be purchased in part.

Notices of a Restricted Payment Offer shall be mailed by the Issuer by first class mail, postage prepaid, or delivered electronically if held at the Depository, at least 10 but not more than 60 days before the purchase date to each Holder at such Holder's registered address, with a copy to the Trustee (which notice shall include, among other things set forth in this Indenture, the amount of the Restricted Payment Offer).

If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

In connection with any Restricted Payment Offer, the Issuer shall mail to each Holder's registered address, or deliver electronically if held by the Depository, with a copy to the Trustee a notice stating:

(i) that a Restricted Payment Offer is being made and the aggregate amount of Notes subject to such Restricted Payment Offer and that such Holder has the right to require the Issuer to repurchase a pro rata amount of such Holder's Notes at a repurchase price in cash equal to 104% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of Holders of record on the relevant Record Date to receive interest on the relevant Interest Payment Date);

(ii) the circumstances and relevant facts about the proposed Restricted Payment necessitating the Issuer to commence such Restricted Payment Offer;

(iii) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed or delivered electronically); and

(iv) the instructions determined by the Issuer, that a Holder must follow in order to have its Notes purchased.

Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election in accordance with the applicable procedures of DTC, or if the notes are in definitive form, if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

On the purchase date, all Notes purchased by the Issuer under this Section 4.04 shall be or caused to be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

Notes repurchased by the Issuer pursuant to a Restricted Payment Offer will have the status of Notes issued but not outstanding or will be retired and canceled at the option of the Issuer.

At the time the Issuer delivers or causes to be delivered Notes to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officer's Certificate stating that such Notes are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.04. A Note shall be deemed to have been accepted for purchase at the time the Issuer, directly or through an agent (which may be the Trustee), mails or delivers payment therefor to the surrendering Holder.

Prior to any Restricted Payment Offer, the Issuer shall deliver to the Trustee an Officer's Certificate stating that all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

For purposes of determining compliance with this Section 4.04, (a) in the event that a proposed Restricted Payment or any Restricted Investment (or any portion thereof) meets the criteria of more than one of the categories of Restricted Payments described in Section 4.04(b)(i) through (xiv) or is entitled to be made Section 4.04(a), or (b) in the event that any Permitted Investment meets the criteria of more than one of the clauses of such term, then the Parent Guarantor may, in its sole discretion, classify, or later divide, classify or reclassify (as if made at such later time), such Restricted Payment or any Investment (or any portion thereof) in any manner that complies with this Section 4.04 or the definition of "Permitted Investments."

- (i) pay dividends or make any other distributions to the Parent Guarantor or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Capital Stock shall not be deemed to be a restriction on the ability to make distributions on Capital Stock);

(b) The provisions of Section 4.05(a) shall not apply to any encumbrances or restrictions:

- (i) with respect to existing agreements in effect on the Issue Date, or in the Notes, the Note Guarantees, this Indenture, the Security Documents, the Intercreditor Agreements and any extensions, refinancings, renewals, supplements, amendments or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal, supplement, amendment or replacement are not materially more restrictive, taken as a whole, than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed, supplemented, amended or replaced;

(iv) that (A) restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease or license, (B) exist by virtue of any Lien on, or agreement to transfer, option or similar right with respect to, any property or assets of the Parent Guarantor or any Restricted Subsidiary not otherwise prohibited by this Indenture or (C) do not relate to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Parent Guarantor or any Restricted Subsidiary in any manner material to the Parent Guarantor or any Restricted Subsidiary;

(v) with respect to a Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, such Restricted Subsidiary that is permitted by Section 4.03 and Section 4.06;

(vi) existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person or the property or assets of any Person other than such Subsidiary or its subsidiaries or the property or assets of such Subsidiary or its subsidiaries, and any extensions, refinancings, renewals, supplements or amendments or replacements thereof; *provided* that the encumbrances and restrictions in any such extension, refinancing, renewal, supplement, amendment or replacement, taken as a whole, are no more restrictive in any material respect than those encumbrances or restrictions that are then in effect and that are being extended, refinanced, renewed, supplemented, amended or replaced;

(vii) imposed pursuant to any Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Refinancing Indebtedness are no more restrictive in any material respect, taken as a whole, than those contained in the agreements governing the Indebtedness being Refinanced;

(viii) restrictions on cash, cash equivalents, marketable securities, investment grade securities or other deposits or net worth imposed by insurers, sureties, bonding companies, customers or suppliers under contracts entered into in the ordinary course of business;

(ix) arising from provisions in joint venture agreements and other similar agreements if, as determined by the Board of Directors in good faith, the encumbrances or restrictions are (i) customary for such types of agreements and (ii) would not, at the time agreed to, be expected to materially and adversely affect the ability of the Issuer to make required payments on the Notes;

(x) with respect to any Restricted Subsidiary and imposed pursuant to an agreement that has been entered into for the Incurrence of Indebtedness permitted under Section 4.03 if, as determined by the Board of Directors, the encumbrances or restrictions (A) are customary for such type of agreement and (B) would not, at the time agreed to, be expected to materially and adversely affect the ability to make required payments on the Notes; or

(xi) any encumbrances or restrictions contained in any Permitted Securitization Document with respect to any Special Purpose Securitization Subsidiary.

SECTION 4.06 Sales of Assets and Subsidiary Stock.

(a) The Parent Guarantor shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, consummate any Asset Disposition unless:

(x) the Parent Guarantor or such Restricted Subsidiary receives consideration at the time of such Asset Disposition at least equal to the Fair Market Value (as determined in good faith by the Parent Guarantor at the time of contractually agreeing to such Asset Disposition) (including the value of all non-cash consideration) of the shares and assets subject to such Asset Disposition; and

(y) at least 75% of the consideration thereof received by the Parent Guarantor or such Restricted Subsidiary is in the form of cash, Temporary Cash Investments or Replacement Assets.

The following shall in each case be deemed to be Temporary Cash Investments for the purposes of this Section 4.06(a):

(i) The assumption or discharge of Indebtedness of the Parent Guarantor (other than obligations in respect of Disqualified Stock of the Parent Guarantor) or any Restricted Subsidiary (other than obligations in respect of Disqualified Stock or Preferred Stock of a Subsidiary Guarantor) or other obligations or liabilities as shown on the Parent Guarantor or such Restricted Subsidiary's balance sheet or the notes thereto;

(ii) securities, notes or other similar obligations received by the Parent Guarantor or any Restricted Subsidiary from the transferee that are converted by the Parent Guarantor or such Restricted Subsidiary into cash or Temporary Cash Investments within 180 days of their receipt to the extent of the cash or Temporary Cash Investments received in that conversion; and

(iii) any Designated Non-Cash Consideration received by the Parent Guarantor or any of its Restricted Subsidiaries in such Asset Disposition having an aggregate Fair Market Value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.06(a)(ii)(3) that is at that time outstanding, not to exceed the greater of (x) \$25.0 million (or the U.S. Dollar Equivalent thereof) and (y) 2.5% of Consolidated Tangible Assets at the time of the receipt of such Designated Non-Cash Consideration (with the Fair Market Value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value),

(b) Within 365 days of the receipt of any Net Available Cash from such Asset Disposition, the Parent Guarantor (or such Restricted Subsidiary, as the case may be) may apply an amount equal to such Net Available Cash, at its option:

(i) to the extent such Net Available Cash is from an Asset Disposition of Collateral, to:

(1) if the assets subject to such Asset Disposition constitute ABL Priority Collateral, to reduce the outstanding principal amount of ABL Lien Obligations;

(2) if the assets subject to such Asset Disposition constitute Notes Priority Collateral, to reduce the outstanding principal amount of Priority Lien Debt; *provided, however*, that in the case of this Section 4.06(b)(i)(2), the Parent Guarantor shall, equally and ratably with the reduction of any other Priority Lien Debt, reduce the principal amount of Notes outstanding, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof or, in the event that the Notes were issued with original issue discount, 100% of the accreted value thereof) or through redemption, or shall offer (in accordance with the procedures set forth below in Section 4.06(c)(i)) to all Holders to purchase their Notes at 100% of the principal amount thereof (or, in the event that the Notes were issued with original issue discount, 100% of the accreted value thereof), plus accrued but unpaid interest, if any, to, but excluding, the date of redemption or purchase and thereon up to a principal amount which, if the offer were accepted, would result in such reduction (it being understood that any portion of such Net Available Cash used to make an offer to purchase Notes shall be deemed to have permanently reduced the principal amount of Notes outstanding that were the subject of the offer whether or not such offer is accepted);

(3) to acquire Replacement Assets that are or that become Collateral; *provided* that a binding commitment to invest in Replacement Assets shall be treated as a permitted application of the Net Available Cash from the date of such commitment so long as the Parent Guarantor or a Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Available Cash shall be applied to satisfy such commitment within 270 days of such commitment (an “Acceptable Commitment”) and such Net Available Cash is actually applied in such manner within the later of 365 days from the consummation of the Asset Disposition and 270 days from the date of the Acceptable Commitment, and in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Available Cash is applied in connection therewith, the Parent Guarantor or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 270 days of such cancellation or termination and such Net Available Cash is actually applied in such manner within 270 days from the date of the Second Commitment, it being understood that if a Second Commitment is later cancelled or terminated for any reason before such Net Available Cash is applied, then such Net Available Cash shall constitute Excess Proceeds; and/or

(4) to make a Collateral Proceeds Offer (as defined below);

(ii) to the extent such Net Available Cash is from an Asset Disposition of assets not constituting Collateral, to:

(1) to reduce the outstanding principal amount of Permitted Indebtedness Incurred pursuant Section 4.03(b)(i);

(2) to reduce the outstanding principal amount of any other Indebtedness of the Parent Guarantor, the Issuer or any Subsidiary Guarantor that is *pari passu* in right of payment with the Notes or a Note Guarantee; *provided, however*, that in the case of this Section 4.06(b)(ii)(2), the Parent Guarantor shall equally and ratably reduce the principal amount of Notes outstanding, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof or, in the event that the Notes were issued with original issue discount, 100% of the accreted value thereof) or through redemption, or shall offer (in accordance with the procedures set forth below in Section 4.06(c)(ii)) to all Holders to purchase their Notes at 100% of the principal amount thereof (or, in the event that the Notes were issued with original issue discount, 100% of the accreted value thereof), plus accrued but unpaid interest, if any, to, but excluding, the date of redemption or purchase and thereon up to a principal amount which, if the offer were accepted, would result in such reduction (it being understood that any portion of such Net Available Cash used to make an offer to purchase Notes shall be deemed to have permanently reduced the principal amount of Notes outstanding that were the subject of the offer whether or not such offer is accepted;

(3) to reduce the outstanding principal amount of Indebtedness of a Restricted Subsidiary that is not the Issuer or a Subsidiary Guarantor (other than Indebtedness owed to the Parent Guarantor or an Affiliate of the Parent Guarantor);

(4) to acquire Replacement Assets; *provided* that a binding commitment to invest in Replacement Assets shall be treated as a permitted application of the Net Available Cash from the date of an Acceptable Commitment and such Net Available Cash is actually applied in such manner within the later of 365 days from the consummation of the Asset Disposition and 270 days from the date of the Acceptable Commitment, and in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Available Cash is applied in connection therewith, the Parent Guarantor or such Restricted Subsidiary enters into a Second Commitment within 270 days of such cancellation or termination and such Net Available Cash is actually applied in such manner within 270 days from the date of the Second Commitment, it being understood that if a Second Commitment is later cancelled or terminated for any reason before such Net Available Cash is applied, then such Net Available Cash shall constitute Excess Proceeds; and/or

(5) to make a Proceeds Offer (as defined below);

*provided, however*, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to Section 4.06(b)(i)(1), (ii)(1) or (ii)(3), the Parent Guarantor or such Restricted Subsidiary shall permanently retire such Indebtedness and shall cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased.

Pending application of Net Available Cash pursuant to this Section 4.06, such Net Available Cash may be applied to temporarily reduce revolving credit indebtedness or otherwise invested in any manner not prohibited by this Indenture.

(c) (i) Any Net Available Cash from Asset Dispositions of Collateral that is not applied in accordance with Section 4.06(b)(i) shall constitute “Collateral Excess Proceeds.” When the aggregate amount of Collateral Excess Proceeds exceeds \$15.0 million (or the U.S. Dollar Equivalent thereof), within 30 days thereof, the Parent Guarantor shall make an offer (a “Collateral Proceeds Offer”) to the Holders (and, to the extent required or permitted by the terms of any Priority Lien Debt, to all holders of such other Priority Lien Debt outstanding with similar provisions requiring the Parent Guarantor, the Issuer or such Subsidiary Guarantor to make an offer to purchase or redeem such other Priority Lien Debt with the proceeds from any Asset Disposition) to purchase the maximum principal amount of Notes (and such Priority Lien Debt) that may be purchased with such Collateral Excess Proceeds pursuant to and subject to the conditions contained in this Indenture. The Parent Guarantor shall purchase Notes tendered pursuant to an offer by the Parent Guarantor for the Notes (and such Priority Lien Debt) at a purchase price of 100% of their principal amount (or, in the event such Priority Lien Debt was issued with original issue discount, 100% of the accreted value thereof), without premium, plus accrued but unpaid interest to, but excluding, the date of purchase (or, in respect of such Priority Lien Debt, such lesser price, if any, as may be provided for by the terms of such Priority Lien Debt) in accordance with the procedures (including prorating in the event of over subscription) set forth in this Indenture. If the aggregate purchase price of the securities tendered exceeds the Net Available Cash allotted to their purchase, the Parent Guarantor shall select the securities to be purchased on a *pro rata* basis or in accordance with DTC procedures but in round denominations, which in the case of the Notes shall be minimum denominations of \$2,000 principal amount or any greater integral multiple of \$1,000. Upon completion of such Collateral Proceeds Offer, the amount of Collateral Excess Proceeds shall be reset at zero.

(ii) Any Net Available Cash from Asset Dispositions of assets not constituting Collateral that is not applied in accordance with Section 4.06(b)(ii) shall constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds \$15.0 million (or the U.S. Dollar Equivalent thereof), within 30 days thereof, the Parent Guarantor shall make an offer (a “Proceeds Offer”) to the Holders (and, to the extent required by the terms of other Indebtedness of the Parent Guarantor, the Issuer or a Subsidiary Guarantor that is *pari passu* with the Notes or a Note Guarantee, to all holders of such other *pari passu* Indebtedness outstanding with similar provisions requiring the Parent Guarantor, the Issuer or such Subsidiary Guarantor to make an offer to purchase or redeem such *pari passu* Indebtedness with the proceeds from any Asset Disposition) to purchase the maximum principal amount of Notes (and such *pari passu* Indebtedness) that may be purchased with such Excess Proceeds pursuant to and subject to the conditions contained in this Indenture. The Parent Guarantor shall purchase Notes tendered pursuant to an offer by the Parent Guarantor for the Notes (and such *pari passu* Indebtedness) at a purchase price of 100% of their principal amount (or, in the event such *pari passu* Indebtedness was issued with original issue discount, 100% of the accreted value thereof), without premium, plus accrued but unpaid interest to, but excluding, the date of redemption or purchase (or, in respect of such *pari passu* Indebtedness, such lesser price, if any, as may be provided for by the terms of such *pari passu* Indebtedness) in accordance with the procedures (including prorating in the event of over subscription) set forth in this Indenture. If the aggregate purchase price of the securities tendered exceeds the Net Available Cash allotted to their purchase, the Parent Guarantor shall select the securities to be purchased on a *pro rata* basis or in accordance with DTC procedures but in round denominations, which in the case of the Notes shall be minimum denominations of \$2,000 principal amount or any greater integral multiple of \$1,000. Upon completion of such Proceeds Offer, the amount of Excess Proceeds shall be reset at zero.

(d) The Parent Guarantor shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of the Notes as a result of an Asset Disposition. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Section described hereunder, the Parent Guarantor shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Section described hereunder by virtue of its compliance with such securities laws or regulations.

(e) In connection with a Collateral Proceeds Offer or Proceeds Offer, as applicable, the Issuer shall deliver to the Trustee an Officer's Certificate as to (i) the amount of the Excess Proceeds, (ii) the allocation of the Net Available Cash from the Asset Disposition pursuant to which such Collateral Proceeds Offer or Proceeds Offer, as applicable, is being made and (iii) the compliance of such allocation with the provisions of Section 4.06(b). On the Collateral Proceeds Offer or Proceeds Offer purchase date, as applicable, the Issuer shall irrevocably deposit with the Trustee or with the applicable Paying Agent (or, if the Issuer, the Parent Guarantor or a Subsidiary of the Parent Guarantor is acting as the Paying Agent, segregate and hold in trust) an amount equal to the Collateral Proceeds Offer or Proceeds Offer purchase price, as applicable, to be paid in accordance with the provisions of this Section 4.06. Upon the expiration of the period for which the Collateral Proceeds Offer or Proceeds Offer, as applicable, remains open (the "Offer Period"), the Issuer shall deliver or cause to be delivered to the Trustee for cancellation the Notes or portions thereof that have been properly tendered to and are to be accepted by the Issuer. The Trustee (or the Paying Agent, if not the Trustee) shall, on the date of purchase, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the Collateral Proceeds Offer or Proceeds Offer purchase price, as applicable, delivered by the Issuer to the Trustee or the applicable tender agent are greater than the purchase price of the Notes tendered, the Trustee or the applicable tender agent shall deliver the excess to the Issuer immediately after the expiration of the Offer Period for application in accordance with this Section 4.06.

(f) Holders electing to have a Note purchased shall be required to surrender such Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Note purchased. If at the end of the Offer Period more Priority Lien Obligations are tendered pursuant to a Collateral Proceeds Offer or Proceeds Offer, as applicable, than the Issuer is required to purchase, selection of such Priority Lien Obligations for purchase shall be made by the Issuer in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed (and the Issuer shall notify the Trustee of any such listing), or if such Notes are not so listed, on a pro rata basis to the extent practicable, by lot or by such other method as the Issuer deems appropriate (and in such manner as complies with the requirements of the Depository, if applicable); *provided* that no Notes of a minimum of \$2,000 or less shall be purchased in part. Selection of such other Priority Lien Obligations (other than the Notes) shall be made pursuant to the terms of such other Priority Lien Obligations.

(g) Notices of a Collateral Proceeds Offer or Proceeds Offer, as applicable, shall be mailed by the Issuer by first class mail, postage prepaid, or delivered electronically if held by the Depository, at least 10 but not more than 60 days before the purchase date to each Holder of Notes at such Holder's registered address, with a copy to the Trustee. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

#### SECTION 4.07 Transactions with Affiliates.

(a) The Parent Guarantor shall not, and shall not permit any of its Restricted Subsidiaries to, enter into or permit to exist any transaction (including the purchase, sale, lease or exchange of any property, employee compensation arrangements or the rendering of any service) with, or for the benefit of, any Affiliate of the Parent Guarantor involving aggregate payments or consideration in excess of \$10.0 million (or the U.S. Dollar Equivalent thereof) (an "Affiliate Transaction") unless:

(i) the terms of the Affiliate Transaction are no less favorable to the Parent Guarantor or such Restricted Subsidiary than those that could be obtained at the time of the Affiliate Transaction in arm's-length dealings with a Person who is not an Affiliate; and

(ii) if such Affiliate Transaction involves an amount in excess of \$25.0 million (or the U.S. Dollar Equivalent thereof), the terms of the Affiliate Transaction are set forth in writing and a majority of the non-employee directors of the Parent Guarantor disinterested with respect to such Affiliate Transaction have determined in good faith that the criteria set forth in Section 4.07(a)(i) are satisfied and have approved the relevant Affiliate Transaction as evidenced by a resolution of the Board of Directors of the Parent Guarantor.

(b) The provisions of Section 4.07(a) shall not prohibit:

(i) transactions between or among the Parent Guarantor and/or its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction);

(ii) any Permitted Investment and any Restricted Payment permitted to be made pursuant to Section 4.04;

(iii) any indemnification agreement, consulting, service or termination agreement or similar arrangement, or any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans, or other employee or compensation benefit plan, in each case approved by the Board of Directors of the Parent Guarantor;

(iv) transactions in which the Board of Directors of the Parent Guarantor shall have received a written opinion from an Independent Qualified Party to the effect that such Affiliate Transaction is fair, from a financial standpoint, to the Parent Guarantor and its Restricted Subsidiaries or meets the requirements of Section 4.07(a)(i);

(v) payments or loans (or cancellation of loans) to officers, directors, employees or consultants which are approved by a majority of the Board of Directors of the Parent Guarantor in good faith;

(vi) (A) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business or consistent with past practice or industry norm and otherwise in compliance with the terms of this Indenture, which are fair to the Parent Guarantor and the Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Parent Guarantor, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (B) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business or consistent with past practice or industry norm;

(vii) the payment of reasonable fees to directors or managers, as applicable, of the Parent Guarantor and its Restricted Subsidiaries who are not employees of the Parent Guarantor or its Restricted Subsidiaries and the payment of customary indemnification to directors, managers, officers and employees of the Parent Guarantor and its Restricted Subsidiaries;

(viii) any transaction with a Person (other than an Unrestricted Subsidiary of the Parent Guarantor) which would constitute an Affiliate Transaction solely because the Parent Guarantor or a Restricted Subsidiary owns an equity interest in or otherwise controls such Person or solely because the Parent Guarantor or a Restricted Subsidiary has the right to designate one or more members of the Board of Directors or similar governing body of such Person;

(ix) the issuance or sale of any Equity Interests (other than Disqualified Stock) of the Parent Guarantor;

(x) pledges of Equity Interests of Unrestricted Subsidiaries;

(xi) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(xii) any employment agreements entered into by the Parent Guarantor or any Restricted Subsidiary in the ordinary course of business;

(xiii) any contributions to the common equity capital of the Parent Guarantor;

(xiv) payments by the Parent Guarantor or any of its Restricted Subsidiaries to the Permitted Holders made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments are approved by a majority of the Board of Directors of the Parent Guarantor in good faith;

(xv) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Parent Guarantor in an Officer's Certificate) for the purpose of improving the consolidated tax efficiency of the Parent Guarantor and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture or the Priority Lien Security Documents;

(xvi) investments by the Permitted Holders in securities of the Parent Guarantor or any Restricted Subsidiary (and payment of reasonable out-of-pocket expenses incurred by the Sponsors in connection therewith) so long as (i) the investment is being generally offered to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5% of the proposed or outstanding issue amount of such class of securities;

(xvii) sales of coal to Xcoal Energy & Resources, LLC, or its Affiliates, in the ordinary course of business;

(xviii) transactions pursuant to agreements in effect on the Issue Date and described in the Offering Memorandum, or any amendment or modification or replacement thereof, so long as such amendment, modification or replacement is not materially more disadvantageous to the Parent Guarantor and its Restricted Subsidiaries than the original agreement in effect on the Issue Date; and

(xix) any transaction pursuant to any Permitted Securitization Financing.

(c) Notwithstanding Section 4.07(a), (i) any portfolio company that is an Affiliate of the Permitted Holders (regardless of whether such Permitted Holder is itself an Affiliate) shall not be considered an Affiliate of the Parent Guarantor or its Restricted Subsidiaries with respect to any transaction, so long as such transaction is in the ordinary course of business and (ii) no Permitted Holder shall be considered an Affiliate of the Parent Guarantor or its Restricted Subsidiaries with respect to any transaction unless such Permitted Holder meets the definition of Affiliate.

#### SECTION 4.08 Change of Control.

(a) Upon the occurrence of a Change of Control, each Holder shall have the right to require that the Issuer repurchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), in accordance with the terms contemplated in this Section 4.08, except to the extent the Issuer has previously or concurrently elected to redeem such Notes in accordance with Article III of this Indenture.

(b) Within 30 days following any Change of Control, except to the extent that the Issuer has exercised its right to redeem the Notes by delivery of a notice of redemption in accordance with Article III of this Indenture, the Issuer shall mail to each Holder's registered address, or deliver electronically if the Notes are held by DTC, a notice to each Holder with a copy to the Trustee (the "Change of Control Offer") stating:

(i) that a Change of Control has occurred and that such Holder has the right to require the Issuer to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on the relevant Record Date to receive interest on the relevant Interest Payment Date);

(ii) the transaction or transactions constituting such Change of Control;

(iii) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed, or delivered electronically if the Notes are held by DTC); and

(iv) the instructions, as determined by the Issuer, consistent with the Section described hereunder, that a Holder must follow in order to have its Notes purchased.

(c) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Issuer at the address specified in the notice at least three Business Days prior to the purchase date. The Holders shall be entitled to withdraw their election in accordance with the applicable procedures of DTC, or in the case of definitive notes, if the Trustee or the Issuer receives not later than one Business Day prior to the purchase date a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Note purchased. Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) On the purchase date, all Notes purchased by the Issuer under this Section 4.08 shall be delivered to the Trustee for cancellation, and the Issuer shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

(e) Notwithstanding the provisions of this Section 4.08, the Issuer shall not be required to make a Change of Control Offer following a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not validly withdrawn under such Change of Control Offer or (ii) notice of redemption has been given pursuant to this Indenture for all outstanding Notes as described in Article III, unless there is a default in payment of the applicable redemption price or the redemption is not consummated due to a failure of a condition precedent contained in the applicable redemption notice to be satisfied. A Change of Control Offer may be made in advance of a Change of Control, and conditioned upon such Change of Control.

(f) Notes repurchased by the Issuer pursuant to a Change of Control Offer shall have the status of Notes issued but not outstanding or shall be retired and canceled at the option of the Issuer. Notes purchased by a third party pursuant to this Section 4.08 shall have the status of Notes issued and outstanding.

(g) At the time the Issuer delivers Notes to the Trustee which are to be accepted for purchase, the Issuer shall also deliver an Officer's Certificate stating that such Notes are to be accepted by the Issuer pursuant to and in accordance with the terms of this Section 4.08. A Note shall be deemed to have been accepted for purchase at the time the Issuer, directly or through an agent (which may be the Trustee), mails or delivers payment therefor to the surrendering Holder.

(h) Prior to any Change of Control Offer, the Issuer shall deliver to the Trustee an Officer's Certificate stating that (i) such offer is authorized or permitted by the terms of this Indenture and the Notes and (ii) all conditions precedent contained herein to the right of the Issuer to make such offer have been complied with.

(i) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Section described hereunder, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Section described hereunder by virtue of its compliance with such securities laws or regulations.

(j) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any third party making a Change of Control Offer in lieu of the Issuer as described above, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior written notice to the Holders (with a copy to the Trustee), given not more than 10 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of redemption. Any such redemption shall be effected pursuant to Article III.

SECTION 4.09 Compliance Certificate. The Issuer shall deliver to the Trustee within 120 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ending December 31, 2021, an Officer's Certificate stating that a review has been conducted of the activities of the Parent Guarantor and the Restricted Subsidiaries and the Parent Guarantor's and the Restricted Subsidiaries' performance under this Indenture and that the Parent Guarantor and each Restricted Subsidiary have fulfilled all of their respective obligations hereunder, or, if there has been a default in the fulfillment of any such obligation, specifying each such default and the nature and status thereof.

SECTION 4.10 Further Instruments and Acts. Upon request of the Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture, the Security Agreement and any other Priority Lien Security Document.

SECTION 4.11 Future Subsidiary Guarantors.

(a) The Parent Guarantor shall cause (i) each Restricted Subsidiary (other than the Issuer) that guarantees or becomes a borrower or issuer under any ABL Debt, any other Priority Lien Obligations, any Future Priority Lien Indebtedness or any Junior Lien Obligations and (ii) each Restricted Subsidiary (other than the Issuer and an Exempted Subsidiary) that guarantees any other Indebtedness for borrowed money of the Parent Guarantor, the Issuer or any of the Subsidiary Guarantors, to execute and deliver to the Trustee a Guarantee Agreement (and with such documentation relating thereto as required under the Security Agreement or any other Priority Lien Security Document or as the Trustee may reasonably require, including an Officer's Certificate and Opinions of Counsel as to the enforceability of such Guarantee Agreement), pursuant to which such Restricted Subsidiary shall become a Subsidiary Guarantor and a Grantor.

(b) In the event that after the Issue Date, the Parent Guarantor is required to cause a Restricted Subsidiary to execute and deliver to the Trustee a Guarantee Agreement pursuant to Section 4.11(a) (such Restricted Subsidiary, a "New Subsidiary Guarantor"), the Parent Guarantor shall, and shall cause the New Subsidiary Guarantor and each other Subsidiary Guarantor to, take all such actions and execute and deliver, or cause to be executed and delivered, all such documents, instruments, agreements, amendments to the Priority Lien Security Documents, certificates, mortgages, deeds of trust, financing statements and opinions (including joinders to the Intercreditor Agreements, the Collateral Trust Agreement and the Priority Lien Security Documents as are contemplated by the terms thereof) as are required by the terms of the Priority Lien Security Documents (including, without limitation, under Section 4.11 of the Security Agreement) to vest in the Priority Lien Collateral Trustee a perfected security interest in the Collateral owned by such New Subsidiary Guarantor, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to the Collateral of such New Subsidiary Guarantor to the same extent and with the same force and effect.

(c) In addition, upon the acquisition by the Parent Guarantor, the Issuer or any Subsidiary Guarantor of any After-Acquired Property or upon any change, event or other happening pursuant to or as a result of which, any Excluded Asset no longer constitutes an Excluded Asset, the Parent Guarantor, the Issuer or such Subsidiary Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel (of scope and substance substantially similar to the Issue Date opinions, or as otherwise agreed) as shall be reasonably necessary to vest in the Priority Lien Collateral Trustee a perfected security interest in such After-Acquired Property and to have such After-Acquired Property added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect.

SECTION 4.12 Limitation on Liens.

(a) The Parent Guarantor shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, incur or permit to exist any Lien on any Collateral of any nature whatsoever on any of its properties or assets, whether owned at the Issue Date or thereafter acquired, other than Permitted Liens.

(b) The Parent Guarantor shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, Incur or permit to exist any Lien (other than Permitted Liens) of any nature whatsoever on any of its property or assets (including Equity Interests of a Restricted Subsidiary) that is not Collateral, whether now owned or hereafter acquired (an “Initial Lien”), without effectively providing that the Notes, or in the case of an Initial Lien on any property or assets of any Note Guarantor, the Note Guarantee of such Note Guarantor, shall (together with, if the Parent Guarantor shall so determine, any other Indebtedness of the Parent Guarantor or any of its Restricted Subsidiaries) be secured equally and ratably with (or prior to) the obligations so secured by a Lien on the same assets for so long as such obligations are so secured.

(c) Any such Lien on assets or property not constituting Collateral created in favor of the Notes or any such Note Guarantee pursuant to Section 4.12(b) shall be automatically and unconditionally released and discharged upon (i) the release and discharge of each Initial Lien to which it relates, (ii) the repayment in full of the Notes, (iii) in the case of any such Lien in favor of any such Note Guarantee, upon the release, or termination and discharge, of such Note Guarantee in accordance with the terms of this Indenture, (iv) the Issuer’s exercise of its Legal Defeasance option or Covenant Defeasance option as described under Section 8.01(b) or the satisfaction and discharge of the Issuer’s obligations under this Indenture, (v) any sale, exchange or transfer to any Person not an Affiliate of the Parent Guarantor of the property or assets secured by such Initial Lien, (vi) such Person not required to be a Guarantor or Grantor hereunder or under the Priority Lien Security Documents, or (vii) such assets constituting Excluded Assets.

SECTION 4.13 Limitation on Lines of Business. The Parent Guarantor shall not, and shall not permit any of its Restricted Subsidiaries, to engage in any business other than a Related Business.

SECTION 4.14 Payments for Consent. The Parent Guarantor shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Notwithstanding the foregoing, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes, the Parent Guarantor, the Issuer and any Restricted Subsidiary may exclude (a) in connection with an exchange offer, Holders or beneficial owners of the Notes that are not qualified institutional buyers and (b) in connection with any consent, waiver or amendment, Holders or beneficial owners of the Notes in any jurisdiction where the inclusion of such Holders or beneficial owners would require the Parent Guarantor, the Issuer and any Restricted Subsidiary to (i) file a registration statement, prospectus or similar document or subject the Parent Guarantor, the Issuer and any Restricted Subsidiary to ongoing periodic reporting or similar requirements under any securities laws (including but not limited to, the United States federal securities laws and the laws of the European Union or its member states, or Australia), (ii) qualify as a foreign corporation or other entity as a dealer in securities in such jurisdiction if it is not otherwise required to so qualify, (iii) generally consent to service of process in any such jurisdiction or (iv) subject the Parent Guarantor, the Issuer and any Restricted Subsidiary to taxation in any such jurisdiction if it is not otherwise so subject, or the solicitation of such consent, waiver or amendment from, or the granting of such consent or waiver, or the approval of such amendment by, Holders or beneficial owners in such jurisdiction would be unlawful, in each case as determined by the Parent Guarantor in its sole discretion.

SECTION 4.15 Maintenance of Office or Agency.

(a) The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee or Registrar) where Notes may be surrendered for registration of transfer or for exchange. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made at the Corporate Trust Office of the Trustee as set forth in Section 14.02.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee or its agent as such office or agency of the Issuer in accordance with Section 2.04.

**SECTION 4.16 Covenant Suspension.** If on any date following the Issue Date (a) the Notes are rated Investment Grade by both of the Rating Agencies and (b) no Default or Event of Default shall have occurred and be continuing, then, beginning on that day (a “Covenant Suspension Date”) and subject to the provisions of the following paragraph, Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.11 (but only with respect to any Person that is required to become a Note Guarantor after the applicable Covenant Suspension Date), 4.13 and 5.01(a)(iii) and (b)(iii) shall be suspended (the “Suspended Covenants”):

During any period that the foregoing covenants are suspended, the Parent Guarantor’s Board of Directors may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to the definition of “Unrestricted Subsidiary.”

In the event that the Parent Guarantor and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) any Rating Agency no longer rates the Notes as Investment Grade, then the Parent Guarantor and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants with respect to future events. Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default shall be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or upon termination of the Suspension Period or after that time based solely on events that occurred during the Suspension Period with respect to any Suspended Covenant). The Issuer shall provide the Trustee with written notice of each Covenant Suspension Date or Reversion Date within five Business Days of the occurrence thereof. The Trustee shall have no duty to monitor or provide notice to the holders of the Notes or any other Person of any such Covenant Suspension Date or Reversion Date. On the Reversion Date, all Indebtedness incurred and Disqualified Stock issued during the Suspension Period shall be classified to have been incurred or issued pursuant to Section 4.03(b)(iv) and the amount of Excess Proceeds shall be reset to zero. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.04 shall be made as though Section 4.04 had been in effect since the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period shall not reduce the amount available to be made as Restricted Payments under Section 4.04(a).

In addition, for purposes of Section 4.07, all agreements and arrangements entered into by the Parent Guarantor or any Restricted Subsidiary with an Affiliate of the Parent Guarantor during the Suspension Period prior to such Reversion Date shall be deemed to have been entered into on or prior to the date of this Indenture and for purposes of Section 4.05, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such covenant shall be deemed to have been existing as of the date of this Indenture.

**SECTION 4.17 Creation and Perfection of Certain Security Interests After the Issue Date.**

The Issuer, the Parent Guarantor and the Subsidiary Guarantors shall use their respective commercially reasonable efforts or Commercially Reasonable Efforts for Real Property, as applicable, to create and perfect, to the extent required by the Priority Lien Security Documents, on the Issue Date the security interests in the Collateral for the benefit of the Holders, but to the extent any such security interest is not created or perfected, the Issuer, the Parent Guarantor and the Subsidiary Guarantors agree to use their respective commercially reasonable efforts or Commercially Reasonable Efforts for Real Property, as applicable, to do or cause to be done all acts and things that may be required pursuant to the Priority Lien Security Documents, including obtaining any required consents from third parties (subject to the standard set forth in Commercially Reasonable Efforts for Real Property), to have all security interests in the Collateral duly created and enforceable and perfected, to the extent required by the Priority Lien Security Documents within 120 days (which will be automatically extended by the same period of time as the ABL Collateral Agent under the Credit Agreement may agree to extend the corresponding post-closing perfection period with respect to the Credit Agreement, pursuant to the terms thereof). Except to the extent set forth above in this Section 4.17 and as otherwise provided under Article XIII, failure to obtain such consents and create and perfect a security interest in such Collateral to the extent required shall constitute an Event of Default. For the avoidance of doubt, references in this Section 4.17 to Collateral do not include Excluded Assets.

#### SECTION 4.18 Financial Calculations for Specified Transactions.

When calculating the availability under any basket, ratio or financial metric under this Indenture (including the absence of Defaults or Events of Default), in each case in connection with (a) a Limited Condition Acquisition, (b) the Incurrence of or repayment, redemption, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, (c) the creation of Liens, (d) the making of any Asset Disposition or any disposition excluded from the definition of "Asset Disposition," (e) the making of any Investment (including any acquisition) or Restricted Payment, (f) the designation of a Subsidiary as restricted or unrestricted, (g) any other transaction or plan undertaken or proposed to be undertaken in connection with such Limited Condition Acquisition or any transaction set forth in clauses (b) through (f) or (h) any other purpose under this Indenture (the transactions referred to in clauses (a) through (h), collectively, the "Specified Transactions," and each, a "Specified Transaction") and any actions or transactions related thereto, the date of determination of such basket, ratio or financial metric or whether any such Specified Transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any Default or Event of Default)) may, at the option of the Issuer, the Parent Guarantor any of the Parent Guarantor's Restricted Subsidiaries or any successor entity of any of the foregoing (the "Testing Party") (which election may be made on or prior to the date of consummation of such Specified Transaction), be the date the definitive agreements for such Specified Transaction are entered into (or, if applicable, the date of delivery of a binding offer or launch of a "certain funds" tender offer), the date of declaration of a Restricted Payment or similar event, the date of the announcement of such Specified Transaction, or the date that a notice, which may be conditional, of repayment or redemption in connection with a repayment, redemption, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock is given to the holders of such Indebtedness, Disqualified Stock or Preferred Stock or the date that an Officer's Certificate is given with respect to the designation of a Subsidiary as restricted or unrestricted (any such date, the "Transaction Test Date") and such baskets, ratios or financial metrics shall be calculated with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definitions of Fixed Charge Coverage Ratio, Net Leverage Ratio, Net Secured Leverage Ratio and Net Priority Lien Leverage Ratio, after giving effect to such Specified Transactions and any actions or transactions related thereto (including acquisitions, Investments, the Incurrence of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence of Liens, repayments, Restricted Payments and Asset Dispositions) as if they occurred at the beginning of the applicable measurement period for purposes of determining the ability to consummate any such Specified Transaction, and, for the avoidance of doubt, (x) if any of such baskets, ratios or financial metrics are exceeded or are not complied with as a result of fluctuations in such basket, ratio or related financial metrics (including due to fluctuations in Fixed Charges, Consolidated Net Income or Consolidated EBITDA of the Parent Guarantor, the target company or the Person that is otherwise the subject of the Specified Transaction after the applicable Transaction Test Date) at or prior to the consummation of the relevant Specified Transaction and any actions or transactions related thereto, such baskets, ratios or financial metrics will not be deemed to have been exceeded as a result of such fluctuations and (y) such baskets, ratios or financial metrics shall not be tested at the time of consummation of such Specified Transaction and any actions or transactions related thereto except as contemplated in clause (a) of the immediately succeeding proviso; provided, however, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Testing Party may elect, in its sole discretion, to redetermine all such ratios, tests, baskets or financial metrics on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the applicable Transaction Test Date for purposes of such ratios, tests, baskets or financial metrics, (b) if any ratios or financial metrics improve or baskets increase as a result of such fluctuations, such improved ratios, financial metrics or baskets may be utilized, (c) if the Testing Party elects to have such determinations occur on the Transaction Test Date, any such transactions (including the Specified Transaction and any actions or transactions related thereto) shall be deemed to have occurred on the Transaction Test Date and to be outstanding thereafter for purposes of calculating any baskets, ratios or financial metrics under the indenture after the Transaction Test Date and before the consummation of such Specified Transaction unless and until such Specified Transaction has been abandoned, as determined by the Testing Party, prior to the consummation thereof and (d) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin, as reasonably determined by the Testing Party in good faith. For the avoidance of doubt, if the Testing Party has exercised its option pursuant to the foregoing and any Default or Event of Default occurs in connection with the applicable Specified Transaction following the Transaction Test Date (including any new Transaction Test Date) for the applicable Specified Transaction and prior to or on the date of the consummation of such Specified Transaction, any such Default or Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action that has been taken or that is being taken in connection with such Specified Transaction was or is permitted under this Indenture.

The Trustee shall not be responsible, or have any liability, for the calculation of any basket, ratio or financial metric under this Indenture or compliance with any provision of this Indenture in connection with any Specified Transaction or any actions or transactions related thereto.

### SUCCESSORS

#### SECTION 5.01 Merger and Consolidation.

- (a) The Parent Guarantor shall not consolidate with or merge with or into, or convey, transfer, lease or otherwise dispose of, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:
- (i) either (x) the Parent Guarantor is the surviving or continuing Person or (y) the resulting, surviving or transferee Person, if not the Parent Guarantor (the "Successor Parent Guarantor"), shall be organized or existing under the laws of Australia or any State thereof, the United States, any State thereof or the District of Columbia, and the Successor Parent Guarantor (if not the Parent Guarantor) shall own, directly or indirectly, all of the outstanding Capital Stock of the Issuer and shall expressly assume, by an indenture supplemental thereto or other applicable documents or instruments, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Parent Guarantor under the Notes, this Indenture and the Priority Lien Security Documents;
- (ii) immediately after giving *pro forma* effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Parent Guarantor or any Subsidiary as a result of such transaction as having been Incurred by such Successor Parent Guarantor or such Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;
- (iii) immediately after giving *pro forma* effect to such transaction, the Successor Parent Guarantor would either:
- (1) be able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.03(a); or
- (2) have a Fixed Charge Coverage Ratio not less than the Fixed Charge Coverage Ratio immediately prior to such transaction;

- (v) the Collateral owned by or sold, assigned, conveyed, leased, transferred or otherwise disposed of to the Successor Parent Guarantor shall (a) continue to constitute Collateral under this Indenture and the Priority Lien Security Documents, (b) be subject to the Lien in favor of the Priority Lien Collateral Trustee for the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens or other Liens as permitted under Section 4.12; and

(vi) the Successor Parent Guarantor shall become a party to the Intercreditor Agreements and the Collateral Trust Agreement by joinder or supplement.

*provided, however*, that Section 5.01(b)(iii) shall not be applicable to (A) a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Parent Guarantor or (B) the Parent Guarantor merging with an Affiliate of the Parent Guarantor solely for the purpose and with the sole effect of reincorporating the Parent Guarantor in another jurisdiction.

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Parent Guarantor, which properties and assets, if held by the Parent Guarantor instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Parent Guarantor on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Parent Guarantor.

The Successor Parent Guarantor (if not the Parent Guarantor) shall be the successor to the Parent Guarantor and shall succeed to, and be substituted for, and may exercise every right and power of, the Parent Guarantor under this Indenture, and the predecessor Parent Guarantor, except in the case of a lease, shall be released from all obligations under this Indenture and the Parent Guarantee.

(b) The Issuer shall not consolidate with or merge with or into, or convey, transfer, lease or otherwise dispose of, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:

(i) either (x) the Issuer is the surviving or continuing Person or (y) the resulting, surviving or transferee Person, if not the Issuer (the “Successor Issuer”), shall be organized or existing under the laws of Australia or any State thereof, the United States, any State thereof or the District of Columbia, and the Successor Issuer (if not the Issuer) shall expressly assume, by an indenture supplemental thereto or other applicable documents or instruments, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Issuer under the Notes, this Indenture and the Priority Lien Security Documents;

(ii) immediately after giving *pro forma* effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Issuer as a result of such transaction as having been Incurred by such Successor Issuer at the time of such transaction), no Default shall have occurred and be continuing;

(iii) immediately after giving *pro forma* effect to such transaction, the Successor Issuer would either:

(1) be able to Incur an additional \$1.00 of Indebtedness pursuant to Section 4.03(a); or

(2) have a Fixed Charge Coverage Ratio not less than the Fixed Charge Coverage Ratio immediately prior to such transaction;

(iv) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

(v) each Note Guarantor, unless it is a party to the transaction, shall have confirmed that its Note Guarantee shall apply to such Person’s obligations under this Indenture and the Notes;

(vi) the Collateral owned by or sold, assigned, conveyed, leased, transferred or otherwise disposed of to the Successor Issuer shall (a) continue to constitute Collateral under this Indenture and the Priority Lien Security Documents, (b) be subject to the Lien in favor of the Priority Lien Collateral Trustee for the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens or other Liens as permitted under Section 4.12; and

(vii) the Successor Issuer shall become a party to the Intercreditor Agreements and the Collateral Trust Agreement by joinder or supplement,

*provided, however*, that Section 5.01(b)(iii) shall not be applicable to (A) a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Issuer or (B) the Issuer merging with an Affiliate of the Issuer solely for the purpose and with the sole effect of reincorporating the Issuer in another jurisdiction; *further provided* that Section 5.01(b)(ii) and (iii) shall not be applicable to the Issuer consolidating with or merging with or into, or conveying, transferring or leasing all or substantially all its assets to the Parent Guarantor.

The Successor Issuer (if not the Issuer) shall be the successor to the Issuer and shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture, and the Issuer, except in the case of a lease, shall be released from all obligations under this Indenture and the Notes.

(c) No Subsidiary Guarantor shall consolidate with or merge with or into, or convey, transfer, lease or otherwise dispose of, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:

(i) either (x) such Subsidiary Guarantor is the surviving or continuing Person or (y) the resulting, surviving or transferee Person (if not such Note Guarantor) (the “Successor Guarantor”) shall be organized or existing under the laws of the jurisdiction under which such Subsidiary Guarantor was organized or under the laws of Australia or any State thereof, the United States, any State thereof or the District of Columbia, and the Successor Guarantor shall expressly assume, by a Guarantee Agreement or other applicable documents or instruments, in a form reasonably satisfactory to the Trustee, all the obligations of such Subsidiary Guarantor, if any, under its Subsidiary Guarantee and the Priority Lien Security Documents;

(ii) immediately after giving effect to such transaction or transactions on a *pro forma* basis (and treating any Indebtedness which becomes an obligation of the Successor Guarantor as a result of such transaction as having been Incurred by such Successor Guarantor at the time of such transaction), no Default shall have occurred and be continuing;

(iii) the Parent Guarantor delivers to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such Guarantee Agreement, if any, complies with this Indenture;

(iv) the Collateral owned by or sold, assigned, conveyed, leased, transferred or otherwise disposed of to the Successor Guarantor shall (a) continue to constitute Collateral under this Indenture and the Priority Lien Security Documents, (b) be subject to the Lien in favor of the Priority Lien Collateral Trustee for the benefit of the Trustee and the Holders and (c) not be subject to any Lien other than Permitted Liens or other Liens as permitted under Section 4.12; and

(v) the Successor Guarantor shall become a party to the Intercreditor Agreements or the Collateral Trust Agreement by joinder or supplement;

*provided* that this Section 5.01(c) shall not apply to (a) any sale or other disposition that complies with Section 4.06 or any Subsidiary Guarantor whose Subsidiary Guarantee is unconditionally released in accordance with the provisions of this Indenture and (b) a consolidation or merger of any Subsidiary Guarantor with and into the Issuer or any Note Guarantor, so long as the Issuer or such Note Guarantor survives such consolidation or merger.

The Successor Guarantor (if not the Issuer) shall be the successor to such Subsidiary Guarantor and shall succeed to, and be substituted for, and may exercise every right and power of, such Subsidiary Guarantor and its Subsidiary Guarantee, and the predecessor Note Guarantor, except in the case of a lease, shall be released from its obligations under its Subsidiary Guarantee and this Indenture. Notwithstanding the foregoing, (1) a Subsidiary Guarantor may merge or consolidate with an Affiliate solely for the purpose and with the sole effect of reincorporating such Subsidiary Guarantor in another jurisdiction without regard to compliance with Section 5.01(c)(ii), and (2) a Subsidiary Guarantor may merge or consolidate with, or transfer all or part of its properties and assets to, another Note Guarantor or the Issuer.

## ARTICLE VI

### DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default. An “Event of Default” occurs with respect to Notes if:

- (a) there is a default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise;
- (b) there is a default in the payment of interest or Additional Amounts on any Note when the same becomes due and payable, and such default continues for a period of 30 consecutive days;

**SECTION 6.02 Acceleration.** If an Event of Default (other than an Event of Default specified in Section 6.01(g) or (h)) occurs and is continuing and of which a Responsible Officer of the Trustee has received written notice, the Trustee, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer (with a copy to the Trustee), may declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an Event of Default specified in Section 6.01(g) or (h) above occurs, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

**SECTION 6.03 Other Remedies.** If an Event of Default occurs and is continuing, that a Responsible Officer of the Trustee has received written notice of, the Trustee may (but shall not be obligated to) pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture (subject to each of the Intercreditor Agreements). The Trustee may (but shall not be obligated to) maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. To the extent required by law, all available remedies are cumulative.

SECTION 6.04 Waiver of Past Defaults; Rescission of Acceleration. The Holders of at least a majority in principal amount of the outstanding Notes by written notice to the Issuer and to a Responsible Officer of the Trustee may on behalf of all the Holders waive all past defaults and rescind and annul a declaration of acceleration and its consequences if: (a) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes and all amount due to the Trustee and Notes Priority Collateral Trustee that have become due solely by such declaration of acceleration, have been cured or waived; and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon such waiver, the Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05 Control by Majority. The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, if the Trustee, being advised by counsel, determines that the action or proceeding so directed may not lawfully be taken or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or expense for which it is not adequately indemnified, or subject to Section 7.01, or that the Trustee determines is unduly prejudicial to the rights of any other Holders not joining in the giving of such direction (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such holders), or may be inconsistent with any such direction received from Holders. In addition, the Trustee shall not be required to expend its own funds in following such direction if it does not believe that reimbursement or indemnification satisfactory to it is assured to it.

SECTION 6.06 Limitation on Suits.

(a) A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes, unless:

- (i) the Holder has previously given a Responsible Officer of the Trustee written notice of a continuing Event of Default;
- (ii) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer the Trustee security or indemnity satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such request;
- (iv) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to Section 6.06(a)(ii) above or (y) 60 days after the receipt of the offer of security or indemnity pursuant to Section 6.06(a)(iii) above, whichever occurs later; and
- (v) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

*provided*, such limitations do not apply to the right of any Holder to receive payment of the principal of, premium, if any, or interest or Additional Amounts, if any, on such Note or any payment under any Note Guarantee, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder.

SECTION 6.07 Contractual Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the contractual right of any Holder to receive payment of principal of and interest on the Note held by such Holder, on or after the respective due dates thereof, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10 Priorities. Subject in any event to the Collateral Trust Agreement, the Stanwell Intercreditor Deed and the ABL Intercreditor Agreement, if the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

- (a) FIRST, to the Trustee and Notes Priority Collateral Trustee, their respective agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and Notes Priority Collateral Trustee and the costs and expenses of collection;
- (b) SECOND, to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section 6.10. At least 15 days before such record date, the Trustee shall mail to each Holder and the Issuer a notice that states the record date, the payment date and the amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Priority Lien Collateral Trustee for any action taken or omitted by it as Trustee or as the Priority Lien Collateral Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Article VI does not apply to a suit by the Trustee or the Priority Lien Collateral Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes.

SECTION 6.12 Waiver of Stay or Extension Laws. Neither the Issuer, the Parent Guarantor nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer, the Parent Guarantor and the Subsidiary Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

The Issuer and the Note Guarantors, jointly and severally, shall reimburse the Trustee and the Priority Lien Collateral Trustee upon request for all reasonable expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's and the Priority Lien Collateral Trustee's agents, counsel, accountants and experts. The Issuer and the Note Guarantors, jointly and severally, shall indemnify and hold harmless the Trustee and the Priority Lien Collateral Trustee or any predecessor Trustee or predecessor Priority Lien Collateral Trustee and their respective directors, officers, employees and agents against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses, court costs and taxes (other than taxes based upon, measured by or determined by the income of the Trustee and the Priority Lien Collateral Trustee, as the case may be)) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder or under the Priority Lien Security Documents, including the costs and expenses of enforcing this Indenture, Subsidiary Guarantee or any Priority Lien Security Document against the Issuer or any Note Guarantor (including this Section 7.07) and defending itself against or investigating any claim (whether asserted by the Issuer, any Note Guarantor, any Holder or any other Person). The Trustee or Priority Lien Collateral Trustee, as applicable, shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; *provided, however*, that any failure so to notify the Issuer shall not relieve the Issuer, or any Note Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer and such Subsidiary Guarantor, as applicable, shall pay the fees and expenses of such counsel; *provided, however*, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no actual or potential conflict of interest between the Issuer and the Note Guarantors, as applicable, and such parties in connection with such defense. In such case, the Issuer shall not enter into any settlement with respect to a claim without such indemnified parties' prior written consent (which such consent shall not be unreasonably withheld or delayed); *provided, however*, that such written consent shall not be required if such settlement: (i) includes an unconditional release of each indemnified party from all liability arising out of such claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense Incurred by an indemnified party through such party's own willful misconduct and gross negligence (or in the case of the Trustee, negligence) (as determined by a court of competent jurisdiction in a final, non-appealable order).

To secure the Issuer's and the Subsidiary Guarantors' payment obligations in this Section 7.07, the Trustee and the Priority Lien Collateral Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and the Subsidiary Guarantors' obligations pursuant to this Section 7.07 shall survive the satisfaction or discharge of this Indenture, payment in full or defeasance of the Notes, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee and the Priority Lien Collateral Trustee. Without prejudice to any other rights available to the Trustee or the Priority Lien Collateral Trustee under applicable law, when the Trustee or the Priority Lien Collateral Trustee, as applicable, incurs expenses after the occurrence of a Default specified in Section 6.01(g) or (h) with respect to the Issuer, the expenses (including the fees, expenses and disbursements of the Trustee's agents and counsel) are intended to constitute expenses of administration under the Bankruptcy Law.

No provision of this Indenture or any Priority Lien Security Document shall require the Trustee or the Priority Lien Collateral Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if repayment of such funds or adequate indemnity against such risk or liability is not assured to its satisfaction.

"Trustee" for purposes of this Section 7.07 shall include any predecessor Trustee; *provided, however*, that in the case of the Trustee, negligence (or in the case of the Priority Lien Collateral Trustee, the gross negligence) or willful misconduct of any Trustee hereunder shall not affect the rights of any other Trustee or Priority Lien Collateral Trustee hereunder.

#### SECTION 7.08 Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer with thirty days advanced written notice. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Trustee upon 30 days advance written notice and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.10;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its respective property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee, as applicable), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee appointed hereunder shall deliver a written acceptance of its appointment to the retiring Trustee, as applicable, and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture and the Priority Lien Security Documents to which such retiring Trustee was a party. The successor Trustee shall mail (or otherwise deliver in accordance with the procedures of the Depositary) a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.07.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition at the sole cost and expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed as provided in Section 310(b) of the TIA, any holder who has been a bona fide holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

**SECTION 7.09 Successor Trustee by Merger.** If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation or banking association without any further act shall be the successor Trustee or successor Priority Lien Collateral Trustee, anything herein to the contrary notwithstanding.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

**SECTION 7.10 Eligibility; Disqualification.** The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition. The Trustee shall comply with Section 310(b) of the TIA, subject to its right to apply for a stay of its duty to resign under the penultimate paragraph of Section 310(b) of the TIA; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the TIA any series of securities issued under this Indenture and any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the TIA are met.

**SECTION 7.11 Preferential Collection of Claims Against the Issuer.** The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship listed in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent indicated

## **ARTICLE VIII**

### **DISCHARGE OF INDENTURE; DEFEASANCE**

**SECTION 8.01 Discharge of Liability on Notes; Defeasance.**

(a) This Indenture and the Notes shall be discharged and shall cease to be of further effect (except as to surviving rights, indemnities and immunities of the Trustee and rights of registration or transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes when:

(i) the Issuer has paid or caused to be paid all sums payable by it under this Indenture;

(ii) either (A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or (B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing, or electronic delivery if the Notes are held by DTC, of a notice of redemption or otherwise or will become due and payable within one year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination of cash in U.S. dollars and non-callable U.S. Government Obligations, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided* that the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Issuer or any Note Guarantor is a party or by which the Issuer or any Note Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(iii) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be; and

(iv) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under the Notes and this Indenture with respect to the Holders ("Legal Defeasance option"), and (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.11, 4.12, 4.15 and 4.16, Section 5.01(a)(iii) and (b)(iii), Section 6.01(c) with respect to Section 5.01(a) and 5.01(b) and with respect to the other events set forth in such clause, Section 6.01(d) with respect to such other covenants, and Sections 6.01(e), (f), (g) and (h) ("Covenant Defeasance option") shall be deemed not to be Events of Default upon, among other things, the irrevocable deposit with the Trustee, in trust, of cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of this Indenture and the Notes, the satisfaction of the provisions described in Section 8.01(a)(ii) and the delivery by the Issuer to the Trustee of an Opinion of Counsel of recognized standing with respect to U.S. federal income tax matters to the effect that, subject to customary assumptions and exclusions, beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance of certain covenants and Events of Default and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same time as would have been the case if such deposit and defeasance had not occurred.

In the event the Issuer exercises its option to omit compliance with certain covenants and provisions of this Indenture with respect to the Notes as described in this Section 8.01(b) and the Notes are declared due and payable because of the occurrence of an Event of Default that remains applicable, the amount of cash in U.S. dollars and/or U.S. Government Obligations on deposit with the Trustee will be sufficient to pay amounts due on the Notes at the time of their Stated Maturity but may not be sufficient to pay amounts due on the Notes at the time of the acceleration resulting from such Event of Default. However, the Issuer and the Note Guarantors shall remain liable for such payments.

(c) Notwithstanding Section 8.01(a) and (b), the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08 and 2.09 and Article VII, including, without limitation, Sections 7.07 and 7.08 and in this Article VIII and the rights and indemnities of the Trustee under this Indenture shall survive until the Notes have been paid in full. Thereafter, the Issuer's obligations in Sections 7.07, 7.08, 8.05 and 8.06 and the rights, protections, privileges, indemnities and immunities of the Trustee under this Indenture shall survive such satisfaction and discharge.

**SECTION 8.02 Conditions to Defeasance.** The Issuer shall be deemed to have paid and shall be discharged from any and all obligations in respect of the Notes on the 183rd day after the deposit referred to below, and the provisions of this Indenture will no longer be in effect with respect to the Notes (except for, among other matters, certain obligations to register the transfer or exchange of the Notes, to replace stolen, lost or mutilated Notes, to maintain paying agencies, to indemnify the Trustee and to hold monies for payment in trust) if, among other things:

(a) the Issuer (i) has irrevocably deposited with the Trustee, in trust, cash in U.S. dollars, U.S. Government Obligations or a combination thereof that through the payment of interest and principal in respect thereof in accordance with their terms will provide money in an amount sufficient to pay the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payments in accordance with the terms of this Indenture and the Notes and (ii) delivers to the Trustee an Opinion of Counsel or a certificate of an internationally recognized firm of independent accountants to the effect that the amount deposited by the Issuer is sufficient to provide payment for the principal of, premium, if any, and accrued interest on the Notes on the Stated Maturity of such payment in accordance with the terms of this Indenture and an Opinion of Counsel to the effect that the Holders have a valid, perfected, exclusive Lien over such trust;

(b) the Issuer has delivered to the Trustee an Opinion of Counsel of recognized standing with respect to U.S. federal income tax matters stating that, subject to customary assumptions and exclusions, (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling, or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case, to the effect that the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the Issuer's exercise of its option under this Section 8.02 and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same time as would have been the case if such deposit, defeasance and discharge had not occurred;

(c) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by it with the intent of preferring the Holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others;

(d) immediately after giving effect to such deposit on a *pro forma* basis, no Event of Default, or event that after the giving of notice or lapse of time or both would become an Event of Default, shall have occurred and be continuing on the date of such deposit or during the period ending on the 183rd day after the date of such deposit, and such defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Parent Guarantor or any of the Restricted Subsidiaries is a party or by which the Parent Guarantor or any of the Restricted Subsidiaries is bound; and

(e) the Issuer shall have delivered to the Trustee an Officer's Certificate and Opinion of Counsel stating that all conditions precedent to such defeasance and discharge have been satisfied.

In the case of either discharge or defeasance of the Notes, each of the Subsidiary Guarantees, and any Liens pertaining to such Subsidiary Guarantees, will terminate and be released.

SECTION 8.03 Application of Trust Money. The Trustee shall hold in trust U.S. dollars or U.S. Government Obligations (including proceeds thereof) deposited with it pursuant to this Article VIII. The Trustee shall apply the deposited money and the money from U.S. Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes so discharged or defeased.

SECTION 8.04 Repayment to Issuer. Each of the Trustee and each Paying Agent shall promptly turn over to the Issuer upon request any money or U.S. Government Obligations held by it as provided in this Article VIII that, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article VIII.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Issuer for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05 Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06 Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or any Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII; *provided, however*, that, if the Issuer has made any payment of principal of, or interest on, any such Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

## ARTICLE IX

(b) After an amendment under this Section 9.01 becomes effective, the Issuer shall mail, or otherwise deliver in accordance with the procedures of the Depository, to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02 With Consent of the Holders. Amendments, supplements or other modifications of this Indenture, the Notes or the Note Guarantees may be made by the Issuer, the Note Guarantors, the Trustee and the Priority Lien Collateral Trustee with the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and the Holders of a majority in principal amount of the outstanding Notes may waive future compliance by the Issuer and the Note Guarantors with any provision of this Indenture, the Notes or the Note Guarantees; *provided, however*, that no such amendment, supplement, modification or waiver may, without the consent of each Holder affected thereby:

- (k) change the redemption date or the redemption price of the Notes from that under Article III; or
- (l) amend, change or modify the obligation of the Issuer or any Note Guarantor to pay Additional Amounts.

In addition, subject to each Intercreditor Agreement and the Collateral Trust Agreement, the Trustee and the Priority Lien Collateral Trustee are hereby authorized to amend the Priority Lien Security Documents as provided therein, in this Indenture or in the Collateral Trust Agreement.

In addition, without the consent of the Holders of at least 66⅔% in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), no amendment, supplement or waiver may (1) have the effect of releasing all or substantially all of the Collateral from the Liens of the Priority Lien Security Documents (except as permitted by the terms of this Indenture, the Priority Lien Security Documents or the Intercreditor Agreements) or changing or altering the priority of the security interests of the Holders of the Notes in the Collateral under the Intercreditor Agreements, (2) make any change in the Priority Lien Security Documents, the Intercreditor Agreements or the provisions in this Indenture dealing with the application of proceeds of the Collateral that would adversely affect the Holders of the Notes or (3) modify the Priority Lien Security Documents or the provisions of this Indenture dealing with Collateral in any manner adverse to the Holders of the Notes in any material respect other than in accordance with the terms of this Indenture, the Priority Lien Security Documents or the Intercreditor Agreements.

After an amendment under this Section 9.02 becomes effective, the Issuer shall mail, or otherwise deliver in accordance with the procedures of the Depository, to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

#### SECTION 9.03 Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officer's Certificate from the Issuer certifying that the requisite principal amount of Notes have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture, the Priority Lien Security Documents, as applicable, and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer, the Trustee and the Priority Lien Collateral Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the provisions of Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04 Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Issuer may require the Holder of the Note to deliver it to the Trustee. The Issuer may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determine, the Issuer in exchange for the Note shall issue and, upon written order of the Issuer signed by an Officer, the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.05 Trustee to Sign Amendments. The Trustee and the Priority Lien Collateral Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee or the Priority Lien Collateral Trustee. If it does, the Trustee or the Priority Lien Collateral Trustee may but need not sign it. In signing such amendment, the Trustee or the Priority Lien Collateral Trustee shall be entitled to receive indemnity satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, (i) an Officer's Certificate and an Opinion of Counsel, each stating that such amendment, supplement or waiver is authorized or permitted by this Indenture and the Security Documents and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer, enforceable against it in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof, (ii) a copy of the resolution of the Board of Directors, certified by the Secretary or Assistant Secretary of the Issuer, authorizing the execution of such amendment, supplement or waiver and (iii) if such amendment, supplement or waiver is executed pursuant to Section 9.02, evidence of the consent of the Holders required to consent thereto.

SECTION 9.06 Additional Voting Terms; Calculation of Principal Amount. All Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class and no Notes will have the right to vote or consent as a separate class on any matter. Determinations as to whether Holders of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article IX and Section 2.13.

##### SECTION 12.01 Note Guarantees.

(b) Each Note Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Note Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Note Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Priority Lien Collateral Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes, the Priority Lien Security Documents or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes, the Priority Lien Security Documents or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes, the Priority Lien Security Documents or any other agreement; (iv) the release of any security held by any Holder, the Trustee or the Priority Lien Collateral Trustee for the Guaranteed Obligations or each Subsidiary Guarantor; (v) the failure of any Holder, the Trustee or the Priority Lien Collateral Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of each Subsidiary Guarantor, except as provided in Section 12.02(b). Each Note Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Note Guarantors such that such Note Guarantor’s obligations would be less than the full amount claimed.

(c) Each Note Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Note Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Note Guarantor hereunder. Each Note Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Note Guarantor.

(d) Each Note Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Priority Lien Collateral Trustee to any security held for payment of the Guaranteed Obligations.

(e) The Note Guarantee of each Note Guarantor is, to the extent and in the manner set forth in Article XII, equal in right of payment to all existing and future Priority Lien Obligations and all other senior Indebtedness of such Note Guarantor (including the ABL Lien Obligations), senior in right of payment to all existing and future subordinated Indebtedness of such Note Guarantor.

(f) Except as expressly set forth in Sections 8.01(b), 12.02 and 12.06, the obligations of each Note Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Note Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Priority Lien Collateral Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes, the Priority Lien Security Documents or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Note Guarantor or would otherwise operate as a discharge of any Note Guarantor as a matter of law or equity.

(g) Each Note Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Note Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated (together with any security interest securing such Subsidiary Guarantee), as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Priority Lien Collateral Trustee upon the bankruptcy or reorganization of the Issuer or such Note Guarantor or otherwise.

(h) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Priority Lien Collateral Trustee has at law or in equity against any Note Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Note Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders, the Trustee or the Priority Lien Collateral Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer to the Holders, the Trustee and the Priority Lien Collateral Trustee.

(i) Each Note Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Note Guarantor further agrees that, as between it, on the one hand, and the Holders, the Trustee and the Priority Lien Collateral Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of the Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article VI, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Note Guarantor for the purposes of this Section 12.01.

(j) Each Note Guarantor also agree to pay any and all costs and expenses (including reasonable out-of-pocket attorneys' fees and expenses) incurred by the Trustee, the Priority Lien Collateral Trustee or any Holder in enforcing any rights under this Section 12.01.

(k) Upon request of the Trustee or the Priority Lien Collateral Trustee, each Note Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 12.02 Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by each Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Subsidiary Guarantor without rendering the Subsidiary Guarantee or this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally or capital maintenance or corporate benefit rules applicable to guarantees for obligations of affiliates.

(b) A Subsidiary Guarantee as to any Restricted Subsidiary that is (or becomes) a party hereto on the date hereof or that executes a supplemental indenture in accordance with Section 4.11 hereof and provides a guarantee shall terminate and be of no further force or effect and such Subsidiary Guarantee shall be deemed to be automatically released from all obligations under this Article XII upon any of the following:

(i) upon repayment in full of the Notes;

(ii) in connection with any sale, disposition, exchange or other transfer (including by merger or otherwise) of the Capital Stock of the Subsidiary Guarantor after which such Subsidiary Guarantor is no longer a Restricted Subsidiary if the sale of such Capital Stock complies with the applicable provisions of this Indenture and the Priority Lien Security Documents;

(iii) upon the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary to the extent permitted by this Indenture;

(iv) if the Issuer exercises its Legal Defeasance option or its Covenant Defeasance option as described under Section 8.01 or if its obligations under this Indenture are discharged in accordance with the terms of this Indenture;

(v) a liquidation or dissolution of the Subsidiary Guarantor so long as no Default occurs as a result thereof, if its assets are distributed to the Issuer, the Parent Guarantor or another Subsidiary Guarantor; or

(vi) in the event that the continued obligations of such Subsidiary Guarantor could reasonably be expected to rise or result in (now or in the future): (a) any violation of applicable law or (b) any personal liability for the officers, directors or indirect shareholders of such Subsidiary Guarantors, which in each case of (a) or (b) cannot be avoided or otherwise prevented through measures reasonably available to the Parent Guarantor and the Subsidiary Guarantor.

(c) Upon any occurrence giving rise to a release of a Subsidiary Guarantee as specified in Section 12.02(b), if the Issuer shall have delivered to the Trustee and the Priority Lien Collateral Trustee in accordance with Section 14.04 an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to such transactions have been complied with and that such release is authorized and permitted hereunder, then the Trustee and the Priority Lien Collateral Trustee will execute any documents reasonably requested and prepared by the Issuer in order to evidence or effect such release, discharge and termination in respect of such Subsidiary Guarantee and the applicable Subsidiary Guarantor's obligations under this Indenture. Neither the Issuer, the Parent Guarantor nor any Subsidiary Guarantor will be required to make a notation on the Notes to reflect any Subsidiary Guarantee or any such release, termination or discharge.

SECTION 12.03 Reserved.

SECTION 12.04 Successors and Assigns. This Article XII shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Priority Lien Collateral Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Trustee or the Priority Lien Collateral Trustee the rights and privileges conferred upon that party in this Indenture, the Notes and the Priority Lien Security Documents shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 12.05 No Waiver. Neither a failure nor a delay on the part of any of the Trustee, the Priority Lien Collateral Trustee or the Holders in exercising any right, power or privilege under this Article XII shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Priority Lien Collateral Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article XII at law, in equity, by statute or otherwise.

SECTION 12.06 Modification. No modification, amendment or waiver of any provision of this Article XII, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle any Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 12.07 Execution of Supplemental Indenture for Future Subsidiary Guarantors. Each Subsidiary which is required to become a Subsidiary Guarantor of the Notes pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit B hereto pursuant to which such Subsidiary shall become a Subsidiary Guarantor under this Article XII and shall guarantee the Notes. (b) Neither the Trustee nor any of its officers, directors, employees, attorneys or agents shall be responsible or liable (i) for the legality, enforceability, effectiveness or sufficiency of the Priority Lien Security Documents, for the creation, perfection, priority, sufficiency, maintenance, renewal or protection of any Lien, or for any defect or deficiency as to any such matters, or (ii) for any failure to demand, collect, foreclose or realize upon or otherwise enforce any of the Liens or Priority Lien Security Documents or any delay in doing so, or (iii) for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral.

2. The Notes.

2.1 Form and Dating; Global Notes.

(a) The Initial Notes issued on the date hereof will be (i) privately placed by the Issuer pursuant to the Offering Memorandum and (ii) sold, initially only to (1) QIBs in reliance on Rule 144A and (2) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Initial Notes may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S. Additional Notes offered after the date hereof may be offered and sold by the Issuer from time to time pursuant to one or more agreements in accordance with applicable law.

(b) Global Notes. (i) Except as provided in clause (d) of Section 2.2 below, Rule 144A Notes initially shall be represented by one or more Notes in definitive, fully registered, global form without interest coupons (collectively, the “Rule 144A Global Notes”).

Regulation S Notes initially shall be represented by one or more Notes in fully registered, global form without interest coupons (collectively, the “Regulation S Global Notes”), which shall be registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear system (“Euroclear”) or Clearstream Banking, Société Anonyme (“Clearstream”).

The Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository, or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(i) Transfers of Global Notes shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Definitive Notes only in accordance with the applicable rules and procedures of the Depository and the provisions of Section 2.2. In addition, a Global Note shall be exchangeable for Definitive Notes if (x) the Depository (1) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Note and the Issuer thereupon fails to appoint a successor depository or (2) has ceased to be a clearing agency registered under the Exchange Act or (y) there shall have occurred and be continuing an Event of Default with respect to such Global Note and a request has been made for such exchange. (iv) Notwithstanding the foregoing, through the Restricted Period, a beneficial interest in a Regulation S Global Note may be held only through Euroclear or Clearstream unless delivery is made in accordance with the applicable provisions of Section 2.2.

(v) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under the Indenture or the Notes.

The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of the Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Transfer Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Notes shall be transferred or exchanged only for beneficial interests in Global Notes. Transfers and exchanges of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Transfer Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Transfer Restricted Global Note in accordance with the transfer restrictions set forth in the Restricted Notes Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in a Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person. A beneficial interest in an Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.2(b)(i).

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in the Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note pursuant to Section 2.2(g).

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Transfer Restricted Global Note if the transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(iv) Transfer and Exchange of Beneficial Interests in a Transfer Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in a Transfer Restricted Global Note may be exchanged by any Holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.2(b)(ii) above and the Registrar receives the following:

(A) if the Holder of such beneficial interest in a Transfer Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form attached to the applicable Note; or

(B) if the Holder of such beneficial interest in a Transfer Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form attached to the applicable Note,

and, in each such case, if the Issuer or the Registrar so request or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of a written order of the Issuer in the form of an Officer's Certificate in accordance with Section 2.01 of the Indenture, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Transfer Restricted Global Note. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Transfer Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests in Global Notes for Definitive Notes. A beneficial interest in a Global Note may not be exchanged for a Definitive Note except under the circumstances described in Section 2.1(b)(ii). A beneficial interest in a Global Note may not be transferred to a Person who takes delivery thereof in the form of a Definitive Note except under the circumstances described in Section 2.1(b)(ii). In any case, beneficial interests in Global Notes shall be transferred or exchanged only for Definitive Notes.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests in Global Notes. Transfers and exchanges of Definitive Notes for beneficial interests in the Global Notes also shall require compliance with either subparagraph (i), (ii) or (iii) below, as applicable:

(i) Transfer Restricted Definitive Notes to Beneficial Interests in Transfer Restricted Global Notes. If any Holder of a Transfer Restricted Definitive Note proposes to exchange such Transfer Restricted Definitive Note for a beneficial interest in a Transfer Restricted Global Note or to transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Transfer Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

the Trustee shall cancel the Transfer Restricted Definitive Note, and increase or cause to be increased the aggregate principal amount of the appropriate Transfer Restricted Global Note.

(ii) Transfer Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of a Transfer Restricted Definitive Note may exchange such Transfer Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Transfer Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(B) if the Holder of such Transfer Restricted Definitive Note proposes to transfer such Transfer Restricted Definitive Note to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form attached to the applicable Note,

and, in each such case, if the Issuer or the Registrar so request or if the applicable rules and procedures of the Depository so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the conditions of this subparagraph (ii), the Trustee shall cancel the Transfer Restricted Definitive Note and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of a written order of the Issuer in the form of an Officer's Certificate, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of the Transfer Restricted Note transferred or exchanged pursuant to this subparagraph (ii).

A Holder of an Unrestricted Definitive Note may exchange such Unrestricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes. All notices and communications to be given to the Holders and all payments to be made to the Holders under the Notes shall be given or made only to the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the applicable rules and procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law (including the Securities Act) with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to accept delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

[FORM OF REVERSE SIDE OF INITIAL NOTE]

10.750% Senior Secured Note Due 2026

1. Interest

Coronado Finance Pty Ltd, a proprietary limited company incorporated under the laws of the Commonwealth of Australia (such entity, and its successors and assigns under the Indenture, hereinafter referred to, being herein called, the “Issuer”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Issuer shall pay interest semiannually on May 15 and November 15 of each year (each an “Interest Payment Date”), commencing November 15, 2021. Interest on the Notes shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from May 12, 2021, until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal at the rate borne by the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Issuer shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on May 1 or November 1 (each a “Record Date”) immediately preceding the Interest Payment Date even if Notes are canceled after the Record Date and on or before the Interest Payment Date (whether or not a Business Day). Holders must surrender Notes to the Paying Agent to collect principal payments. The Issuer shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Issuer shall make all payments in respect of a certificated Note (including principal, premium, if any, and interest) at the office of the Paying Agent, except that, at the option of the Issuer, payment of interest may be made by mailing a check to the registered address of each Holder thereof; *provided, however*, that payments on the Notes may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Notes, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States of America if such Holder elects payment by wire transfer by giving written notice to the Trustee or Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, Wilmington Trust, National Association, as trustee under the Indenture (the “Trustee”), will act as Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent or Registrar upon written notice to such Paying Agent or registrar and to the Trustee. The Issuer or any of its domestically incorporated Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Issuer issued the Notes under an Indenture dated as of May 12, 2021 (the “Indenture”), among the Issuer, Coronado Global Resources Inc. (the “Parent Guarantor”), the Subsidiary Guarantors party thereto from time to time, the Trustee and the Priority Lien Collateral Trustee. Capitalized terms used herein are used as defined in the Indenture, unless otherwise indicated. The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and the Holders (as defined in the Indenture) are referred to the Indenture for a statement of such terms and provisions. If and to the extent that any provision of the Notes limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

The Notes are senior secured obligations of the Issuer. This Note is one of the Initial Notes referred to in the Indenture. The Notes include the Initial Notes and any Additional Notes. The Initial Notes and any Additional Notes are treated as a single class of securities under the Indenture. The Indenture imposes certain limitations on the ability of the Issuer, the Parent Guarantor and its Restricted Subsidiaries to, among other things, make certain Investments and other Restricted Payments, Incur Indebtedness, enter into consensual restrictions upon the payment of certain dividends and distributions by such Restricted Subsidiaries, issue or sell shares of certain capital stock of the Issuer, the Parent Guarantor and such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, create or Incur Liens and make Asset Disposition. The Indenture also imposes limitations on the ability of the Issuer, the Parent Guarantor and each Subsidiary Guarantor to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all of its property.

To guarantee the due and punctual payment of the principal and interest on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Parent Guarantor and the Subsidiary Guarantors have unconditionally guaranteed the Guaranteed Obligations pursuant to the terms of the Indenture, the Parent Guarantor's Parent Guarantee and any Subsidiary Guarantor that executes a Subsidiary Guarantee will unconditionally guarantee the Guaranteed Obligations on a senior secured basis, pursuant to the terms of the Indenture.

##### 5. Optional Redemption

On and after May 15, 2023, the Issuer will be entitled at its option on one or more occasions to redeem all or a portion of the Notes upon not less than 10 nor more than 60 days' notice to the Holders, at the redemption prices (expressed in percentages of principal amount on the redemption date) set forth below, plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period commencing on May 15 of the years set forth below:

Period	Redemption Price
2023	108.063%
2024	104.031%
2025 and thereafter	100.000%

In addition, during any twelve-month period ending prior to May 15, 2023, the Issuer will be entitled at its option to redeem up to 10% of the original aggregate principal amount of the Notes (which includes Additional Notes, if any) at a redemption price (expressed as a percentage of principal amount) of 103%, plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

In addition, any time prior to May 15, 2023, the Issuer will be entitled at its option on one or more occasions to redeem the Notes (which includes Additional Notes, if any) in an aggregate principal amount not to exceed 40% of the original aggregate principal amount of the Notes (which includes Additional Notes, if any) originally issued at a redemption price (expressed as a percentage of principal amount) of 110.750%, plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), with the Net Cash Proceeds from one or more Equity Offerings by the Parent Guarantor; *provided, however*, that:

- (a) at least 60% of such original aggregate principal amount of Notes (which includes Additional Notes, if any) originally issued remains outstanding immediately after the occurrence of each such redemption (other than the Notes held by the Parent Guarantor and its Subsidiaries); and
- (b) each such redemption occurs within 120 days after the date of the closing of such Equity Offering.

Prior to May 15, 2023, the Issuer will be entitled at its option to redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, but not including, the applicable redemption date (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date). Notice of such redemption must be delivered to each Holder, with a copy to the Trustee, not less than 10 nor more than 60 days prior to the redemption date.

The Issuer will have the right to redeem the Notes at 101% of the principal amount thereof, plus accrued and unpaid interest to, but not including, the redemption date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date), following the occurrence of a Change of Control if at least 90% of the Notes outstanding prior to such Change of Control are purchased pursuant to a Change of Control Offer with respect to such Change of Control.

#### 6. Special Mandatory Redemption

If the event that (a) the Escrow Release Conditions (including the consummation of the 2021 Equity Offering) are not satisfied on or prior to the Redemption Deadline or (b) at any time prior to the Redemption Deadline, the Escrow Release Conditions are deemed, in the good faith judgment of the Issuer or the Parent Guarantor, to be incapable of being satisfied on or prior to the Redemption Deadline (any such event being a “Special Mandatory Redemption Event”), the Issuer will redeem the Notes (the “Special Mandatory Redemption”) no later than three Business Days following the Special Mandatory Redemption Event (or otherwise in accordance with the applicable procedures of DTC) (the “Special Mandatory Redemption Date”) at a price equal to 100% of the initial issue price of the Notes, plus accrued and unpaid interest on the Notes, if any, from the Issue Date to, but excluding, the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”).

Upon notice by the Issuer that a Special Mandatory Redemption Event has occurred, the Escrow Agent shall promptly liquidate the Escrowed Property and, on or prior to the Special Mandatory Redemption Date, release the Escrowed Property to the Trustee and the Issuer shall pay the difference between the aggregate Special Mandatory Redemption Price and the Escrowed Property to the Trustee on or prior to the Special Mandatory Redemption Date.

In connection with the Special Mandatory Redemption, the Issuer shall provide the Trustee with an Officer’s Certificate and Opinion of Counsel each stating that: (a) the Escrow Release is authorized or permitted by the terms of the Indenture, Notes and Escrow Agreement, and (b) all conditions precedent for such Escrow Release and Special Mandatory Redemption in the Indenture, Notes and Escrow Agreement have been satisfied.

Upon the occurrence of a Special Mandatory Redemption Event, the Issuer shall promptly (but in no event later than two Business Days following such Special Mandatory Redemption Event) notify the Holders, the Escrow Agent, and the Trustee in writing (such date of notification to the Holders, the “Redemption Notice Date”) that the Notes shall be redeemed on the Special Mandatory Redemption Date, in each case in accordance with the applicable provisions of this Indenture and the applicable procedures of DTC. The Issuer shall notify each Holder in accordance with the applicable provisions of this Indenture that all of the outstanding Notes will be redeemed at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders. The Issuer may request that the Trustee provide such notice of Special Mandatory Redemption on the Issuer’s behalf and (no later than one Business Day prior to when notice is sent to Holders) shall notify the Trustee in an Officer’s Certificate of (i) the Section of this Indenture pursuant to which the Special Mandatory Redemption shall occur, (ii) the Special Mandatory Redemption Date, (iii) the principal amount of Notes to be redeemed, (iv) the redemption price and (v) attach a form of notice to holders of such Special Mandatory Redemption.

No provisions of the Escrow Agreement may be waived or modified in any manner materially adverse to the Holders of the Notes without the written consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. By its acceptance of a Note, each Holder shall be deemed to have authorized and directed the Trustee and the Escrow Agent to enter into and perform its obligations, if any, under the Escrow Agreement.

## 7. Tax Redemption

The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior notice (which notice will be irrevocable and given in accordance with the procedures described in this Article III), at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest, if any, to, but not including, the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuer or any Note Guarantor is or would be required to pay Additional Amounts, and the Issuer or any Note Guarantor cannot avoid any such payment obligation by taking commercially reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent but not including the substitution of the obligor of the Notes or the incurrence of material out-of-pocket expenses by the Issuer or any Note Guarantor), and the requirement arises as a result of:

(a) any change in, or amendment to, the laws (or any regulations, or rulings promulgated thereunder) of the applicable Tax Jurisdiction affecting taxation which change or amendment becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction or pronouncement of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation becomes effective on or after the Issue Date (or, if the applicable Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture).

The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to make such payment or withholding if a payment in respect of the Notes were then due, and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the publication or, where relevant, mailing, or delivering electronically if the Notes are held by DTC, of any notice of redemption of the Notes pursuant to the foregoing, the Issuer will deliver the Trustee an opinion of an independent tax expert, such tax expert being a law or accounting firm of recognized standing, to the effect that it has determined that there has been such change or amendment which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer publishes or mails, or delivers electronically if the Notes are held by DTC, notice of redemption of the Notes as described above, it will deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer taking commercially reasonable measures available to it.

The Trustee shall accept such Officer's Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent as described above, in which event it will be conclusive and binding on the Holders.

## 8. Mandatory Redemption

Other than as described in Paragraph 6 hereof, the Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

## 9. Notice of Redemption

Notices of redemption will be mailed by first-class mail at least 10 but not more than 60 days before the redemption date, to each Holder of Notes to be redeemed at its registered address (with a copy to the Trustee) or otherwise delivered in accordance with the procedures of The Depository Trust Company ("DTC"), except that redemption notices may be mailed or otherwise delivered more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Article VIII thereof.

If money sufficient to pay the redemption price of, *plus* accrued and unpaid interest, if any, on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with a Paying Agent on or before the redemption date and certain other conditions are satisfied, then on and after such redemption date, interest shall cease to accrue on such Notes (or such portions thereof) called for redemption.

10. Repurchase of Notes at the Option of the Holders upon Change of Control and Other Events

Upon the occurrence of a Change of Control, each Holder shall have the right, subject to certain conditions specified in the Indenture, to require the Issuer to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, *plus* accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), as provided in, and subject to the terms of, the Indenture.

In accordance with Section 4.06 of the Indenture, the Issuer will be required to offer to purchase Notes upon the occurrence of certain events.

11. [Reserved]

12. Denominations; Transfer; Exchange

The Notes are in registered form, without interest coupons, in minimum denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof, *provided* that Notes may be issued in denominations of less than \$2,000 solely to accommodate book-entry positions that have been created by participants of the DTC in denominations of less than \$2,000. A Holder shall register the transfer of or exchange of the Notes in accordance with the Indenture. Upon any registration of transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or to transfer or exchange any Notes for a period of 15 days prior to a selection of Notes to be redeemed or between a Record Date and the relevant Payment Date.

13. Persons Deemed Owners

The registered Holder of this Note shall be treated as the owner of it for all purposes.

14. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee and each Paying Agent shall pay the money back to the Issuer at its written request unless an applicable abandoned property law designates another Person. After any such payment, the Holders entitled to the money must look to the Issuer for payment as general creditors and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

15. Discharge and Defeasance

Subject to certain conditions, the Issuer at any time may terminate some of or all its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

16. Amendment; Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture, the Notes, the Subsidiary Guarantees and the Priority Lien Security Documents may be amended with the written consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding and (ii) any past default or compliance with any provisions may be waived with the written consent of the Holders of at least a majority in principal amount of the Notes then outstanding.

Subject to certain exceptions set forth in the Indenture, the Intercreditor Agreements and the Collateral Trust Agreement, without the consent of any Holder, the Issuer, the Trustee and the Priority Lien Collateral Trustee may amend the Indenture (including the Subsidiary Guarantees), the Notes, the ABL Intercreditor Agreement, the Collateral Trust Agreement and/or the other Priority Lien Security Documents without notice to or the consent of any Holder: (i) to cure any ambiguity, defect, omission or inconsistency; (ii) to comply with the provisions described under Section 5.01; (iii) to evidence and provide for the acceptance of appointment by a successor Trustee or Priority Lien Collateral Trustee, as applicable; (iv) to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture; (v) in any other case where a supplemental indenture to the Indenture is required or permitted to be entered into pursuant to the provisions of the Indenture without the consent of any Holder; (vi) to effect any changes to the Indenture in a manner necessary to comply with the procedures of the relevant clearing system; (vii) to add any Subsidiary Guarantor or any Subsidiary Guarantee or release any Subsidiary Guarantor from any Subsidiary Guarantee as provided or permitted by the terms of the Indenture; (viii) make, complete or confirm any grant of or pledge of or security interest in any Collateral permitted or required by the Indenture, any of the Priority Lien Security Documents, the Collateral Trust Agreement or any Intercreditor Agreement, or any release of Collateral permitted or required to be released pursuant to the terms of the Indenture, any of the Priority Lien Security Documents or any Intercreditor Agreement; (ix) to add to the covenants of the Issuer or any Note Guarantor for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuer or any Note Guarantor; (x) to make any change that would provide any additional rights or benefits to the Holders of the Notes; (xi) to conform the text of the Indenture, the Notes, the Note Guarantees, the Priority Lien Security Documents, the Collateral Trust Agreement or the Intercreditor Agreements to the corresponding provision of the "Description of the Notes" of the Offering Memorandum to the extent that such provision in the Description of the Notes was intended to be a verbatim recitation of a provision of the Indenture, the Notes, the Note Guarantees, the Priority Lien Security Documents or the Intercreditor Agreements; (xii) to make any other change that does not materially and adversely affect the rights of any Holder; (xiii) to secure additional extensions of credit and add additional secured creditors holding other Priority Lien Debt or Junior Lien Debt so long as such Priority Lien Debt or Junior Lien Debt is permitted by the provisions of the Indenture and any other then-existing Priority Lien Debt; or (xiv) to add or designate additional assets as Collateral, or to grant any pledge or security interest therein.

In addition, without the consent of the holders of at least 66⅔% in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), no amendment, supplement or waiver may (1) have the effect of releasing all or substantially all of the Collateral from the Liens of the Priority Lien Security Documents (except as permitted by the terms of the Indenture, the Priority Lien Security Documents or the Intercreditor Agreements) or changing or altering the priority of the security interests of the Holders of the Notes in the Collateral under the Intercreditor Agreements, (2) make any change in the Priority Lien Security Documents, the Intercreditor Agreements or the provisions in the Indenture dealing with the application of proceeds of the Collateral that would adversely affect the Holders of the Notes or (3) modify the Priority Lien Security Documents or the provisions of the Indenture dealing with Collateral in any manner adverse to the Holders of the Notes in any material respect other than in accordance with the terms of the Indenture, the Priority Lien Security Documents or the Intercreditor Agreements.

## **17. Defaults and Remedies**

If an Event of Default (other than an Event of Default specified in Section 6.01(g) or (h)) occurs and is continuing and of which a Responsible Officer of the Trustee has received written notice, the Trustee, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Issuer (and to the Trustee if such notice is given by the Holders), may, and the Trustee at the written direction of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an Event of Default specified in Section 6.01(g) or (h) above occurs, the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

If an Event of Default occurs and is continuing, neither the Trustee nor the Priority Lien Collateral Trustee shall be under any obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee and the Priority Lien Collateral Trustee indemnity or security satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction. A Holder may not institute any proceeding, judicial or otherwise, with respect to the Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under the Indenture or the Notes, unless: (i) the Holder has previously given a Responsible Officer of the Trustee written notice of a continuing Event of Default; (ii) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy; (iii) such Holder or Holders offer (and if so request, provide) the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense to be incurred in compliance with such request; (iv) the Trustee does not comply with the request within (x) 60 days after receipt of the written request pursuant to clause (ii) above or (y) 60 days after the receipt of the offer of indemnity pursuant to clause (iii) above, whichever occurs later; and (v) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request; *provided*, such limitations do not apply to the right of any Holder of a Note to receive payment of the principal of, premium, if any, or interest or Additional Amounts, if any, on such Note or any payment under any Note Guarantee, or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes, which right shall not be impaired or affected without the consent of the Holder. Subject to certain restrictions, the Holders of a majority in principal amount of outstanding Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Indenture or, if the Trustee, being advised by counsel, determines that the action or proceeding so directed may not lawfully be taken or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or expense for which it is not adequately indemnified, or subject to Section 7.01 of the Indenture, that the Trustee determines is unduly prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders) or that would involve the Trustee in personal liability. Prior to taking any action under the Indenture, the Trustee shall be entitled to indemnification satisfactory to it against all losses, expenses, and liabilities caused by taking or not taking such action.

18. Trustee Dealings with the Issuer

Subject to certain limitations imposed by the TIA, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee.

19. No Recourse Against Others

No director, officer, employee, manager, incorporator or Holder of any Equity Interests in the Issuer, the Parent Guarantor or any Subsidiary Guarantor or any direct or indirect parent companies, as such, will have any liability for any obligations of the Issuer, the Parent Guarantor or any Subsidiary Guarantor under the Notes, the Indenture or the Subsidiary Guarantees, as applicable, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability.

20. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

21. Abbreviations

22. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

23. CUSIP Numbers; ISINs

No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

(a) **Generally.** All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP applied on a consistent basis, as in effect from time to time, *except* as otherwise specifically prescribed herein.

(b) **Changes in GAAP.** If at any time any Accounting Change or any other change as permitted by Section 7.13 would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Borrowers or the Required Lenders shall so request, the Administrative Agent and the Borrowers shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such Accounting Change as if such Accounting Change has not been made; *provided*, that until so amended, all financial covenants, standards, and terms in this Agreement shall continue to be calculated or construed as if such Accounting Change had not occurred.

**Section 1.04. Times of Day.** Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

**Section 1.05. Timing of Payment or Performance.** In the event that any payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day that is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

**Section 1.06. Letter of Credit Amounts.** Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; *provided, however*, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

**Section 1.07. Reserves.** When any Reserve is to be established or a change in any amount, reserve, eligibility criteria or other item in the definitions of the terms "Borrowing Base", "Eligible Accounts", "Eligible Inventory" or "Qualified Cash" is to be determined in each case in the Administrative Agent's (or, during a Co-Collateral Agent Period, the Administrative Agent's and the Co-Collateral Agent's) Reasonable Credit Judgment, such Reserve shall be implemented or such change shall become effective three (3) Business Days following delivery of a written notice thereof to the Borrowers (such notice to include a reasonably detailed description of the Reserve being established), or immediately, without prior written notice, if such change is a result of a mathematical calculation and any Default or Event of Default has occurred and is continuing; *provided*, that, pending the expiration of such three Business Day period, no Credit Extensions may be made if such Credit Extension would result in the Total Outstandings to exceed the Maximum Revolving Credit, calculated as if such proposed Reserve had been implemented. During such three (3) Business Day period, if applicable, the Administrative Agent (or, in the case of the Co-Collateral Agent, the Co-Collateral Agent) will, if requested, discuss any such reserve or change with the Borrowers, and the Borrowers may take such action as may be required so that the event, condition or matter that is the basis for such Reserve or change no longer exists or exists in a manner that would result in the establishment of a lower Reserve or result in a lesser change, in each case, in a manner and to the extent reasonably satisfactory to the Administrative Agent (or in the case of the Co-Collateral Agent, the Co-Collateral Agent). Notwithstanding the foregoing, the specified percentages set forth in the definition of "Borrowing Base" will not be reduced without the consent of the Borrowers.

**Section 1.08. Pro Forma Calculations.**

(a) Notwithstanding anything to the contrary herein, the Priority Lien Leverage Ratio, Secured Leverage Ratio, the Debt Fixed Charge Coverage Ratio, the Fixed Charge Coverage Ratio, the Payment Conditions and the Distribution Conditions (and, in each case, any component thereof) shall be calculated in the manner prescribed by this Section. Whenever pro forma effect is to be given to any applicable transaction, the pro forma calculations shall be made in good faith by a Responsible Officer of Holdings.

(b) In the event that any of the Borrowers or any of its respective Subsidiaries incurs, assumes, guarantees, redeems, refinances, repays, retires or extinguishes any Indebtedness subsequent to the end of the Test Period for which the Priority Lien Leverage Ratio, Secured Leverage Ratio or the Debt Fixed Charge Coverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Priority Lien Leverage Ratio, Secured Leverage Ratio or the Debt Fixed Charge Coverage Ratio, as applicable, shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, refinancing, repayment, retirement or extinguishment of Indebtedness, as if the same had occurred on the last day of the applicable Test Period; *provided*, any such calculations shall be made without giving effect to the netting of the proceeds of any such Indebtedness (or Indebtedness incurred substantially concurrently therewith) and any commitments in respect of such Indebtedness shall be deemed fully drawn.

(c) For purposes of calculating the Priority Lien Leverage Ratio, Secured Leverage Ratio, the Debt Fixed Charge Coverage Ratio and the Fixed Charge Coverage Ratio, any Investment or other acquisition, Disposition, Restricted Payment or Restricted Debt Payment (each, a “*Specified Transaction*”) that has been made by any of the Borrowers or any of its respective Subsidiaries during the applicable Test Period or subsequent to such Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the applicable Test Period. If since the beginning of any such Test Period any Person that subsequently became a Subsidiary or was merged, amalgamated or consolidated with or into any Borrower or any of its Subsidiaries since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section, then the Secured Leverage Ratio, the Debt Fixed Charge Coverage Ratio and the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Specified Transaction occurred at the beginning of the applicable Test Period.

(d) In the event that any of the Borrowers or any of its respective Subsidiaries incurs, assumes, guarantees, redeems, refinances, repays, retires or extinguishes any Indebtedness included in the definition of Fixed Charges or Debt Fixed Charges subsequent to the commencement of the Test Period but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio and/or the Debt Fixed Charge Coverage Ratio is made, then the Fixed Charge Coverage Ratio and the Debt Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, refinancing, repayment, retirement or extinguishment of Indebtedness as if the same had occurred on the first day of the applicable Test Period.

(e) Any Indebtedness incurred or assumed by any of the Borrowers or any of their respective Subsidiaries in connection therewith shall be deemed to have occurred as of the first day of the applicable Test Period with respect to any test or covenant for which the relevant determination is being made; **provided** that, if any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Fixed Charge Coverage Ratio and/or Debt Fixed Charge Coverage Ratio is made had been the applicable rate for the entire period (taking into account any hedging obligations applicable to such Indebtedness). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer of Holdings to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the applicable Borrower may designate.

(f) Any Availability test or condition set forth in the definitions of "Payment Conditions" or "Distribution Conditions" shall be calculated taking into account any Credit Extensions made to finance the applicable Permitted Transaction or Restricted Payment, as applicable.

#### **Section 1.09. Australian Terms**

In this Agreement, where it relates to a person or entity incorporated or established under the laws of Australia and including, for the avoidance of doubt, the Australian Loan Parties, a reference to:

(a) a person being "unable to pay its debts" includes such person being insolvent within the meaning of section 95A of the Australian Corporations Act; and

(b) a lien or security interest includes any "security interest" as defined in sections 12(1) or (2) of the Australian PPS Act.

#### **Section 1.10. Australian PPS Act Provisions**

(a) Where the Administrative Agent or the Australian Security Trustee has a "security interest" (as defined in section 12(1) and 12(2) the Australian PPS Act) under any Loan Document, to the extent the law permits:

(i) for the purposes of sections 115(1) and 115(7) of the Australian PPS Act:

(A) the Administrative Agent or the Australian Security Trustee with the benefit of the security interest need not comply with sections 95, 118, 121(4), 125, 130, 132(3)(d) or 132(4) of the Australian PPS Act; and

(B) sections 142 and 143 of the Australian PPS Act are excluded;

(ii) for the purposes of section 115(7) of the Australian PPS Act, the Administrative Agent or the Australian Security Trustee with the benefit of the security interest need not comply with sections 132 and 137(3);

(iii) each party to this Agreement waives its right to receive from the Administrative Agent or the Australian Security Trustee any notice required under the Australian PPS Act (including a notice of a verification statement); and

(iv) if the Administrative Agent or the Australian Security Trustee with the benefit of a security interest exercises a right, power or remedy in connection with it, that exercise is taken not to be an exercise of a right, power or remedy under the Australian PPS Act unless the Administrative Agent or the Australian Security Trustee states otherwise at the time of exercise. However, this clause does not apply to a right, power or remedy which can only be exercised under the Australian PPS Act.

(b) This does not affect any rights a person has or would have other than by reason of the Australian PPS Act and applies despite any other clause in any Loan Document.

**Section 1.11. Exchange Rates; Currency Equivalents.**

(a) The Administrative Agent or the applicable L/C Issuer, as applicable, shall determine the Spot Rate as of each Revaluation Date to be used for calculating Dollar Equivalent amounts of Alternate Currency Letters of Credit, Alternate Currency Loans and Eurocurrency Rate Loans. Such Spot Rate shall become effective as of such Revaluation Date and shall be the Spot Rate employed in converting any amounts between the Dollars and each Alternate Currency until the next Revaluation Date to occur. For purposes of **Article II** hereof, the outstanding amount of any Borrowing or Letter of Credit in an Alternate Currency shall be such Dollar Equivalent amount as determined by the Administrative Agent in accordance with this Agreement. Except for purposes of financial statements delivered by Loan Parties hereunder or calculating financial ratios hereunder or except as otherwise provided herein (including for purposes of Article VII and the Threshold Amount), the applicable amount of any currency (other than Dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as determined by the Administrative Agent in accordance with this Agreement. No Default or Event of Default shall arise as a result of any limitation or threshold set forth in Dollars in Article VI or the Threshold Amount being exceeded solely as a result of changes in currency exchange rates.

(b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of a Eurocurrency Rate Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Eurocurrency Rate Loan or Letter of Credit is denominated in an Alternate Currency, such amount shall be the Alternate Currency Equivalent of such Dollar amount (rounded to the nearest unit of such Alternate Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent.

(c) (i) The Administrative Agent shall determine the Dollar Equivalent of any Letter of Credit denominated in any Alternate Currency as of each date (with such date to be reasonably determined by the Administrative Agent) that is on or about the date of each request for the issuance, amendment, renewal or extension of such Alternate Currency Letter of Credit, using the exchange rate for the applicable currency in relation to Dollars in effect on the date of determination, and each such amount shall be the Dollar Equivalent of such Letter of Credit until the next required calculation thereof pursuant to this **Section 1.11(c)(i)**.

(ii) The Administrative Agent shall determine the Dollar Equivalent of any Borrowing denominated in any Alternate Currency as of each date (with such date to be reasonably determined by the Administrative Agent) that is on or about the date of a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in such Alternate Currency, using the exchange rate for the applicable currency in relation to Dollars in effect on the date of determination, and each such amount shall be the Dollar Equivalent of such Borrowing until the next required calculation thereof pursuant to this **Section 1.11(c)(ii)**.

(iii) The Dollar Equivalent of any L/C Obligation made by any L/C Issuer in any Alternate Currency and not reimbursed by the applicable Borrower shall be determined as set forth in **paragraphs (d) or (e) of Section 2.04**, as applicable. In addition, the Dollar Equivalent of the amount available to be drawn under the Letters of Credit shall be determined as set forth in **paragraph (j) of Section 2.04**, at the time and in the circumstances specified therein.

**Section 1.12. Additional Alternate Currencies for Loans.**

(a) The Borrowers may from time to time request that Loans be made in a currency other than Dollars or an Alternate Currency; *provided* that such requested currency is a lawful currency that is readily available and freely transferable and convertible into Dollars. Such request shall be subject to the approval of the Administrative Agent.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., 10 Business Days prior to the date of the desired Borrowing (or such other time or date as may be agreed by the Administrative Agent, in its sole discretion). The Administrative Agent shall promptly notify each Lender thereof. Each Lender shall notify the Administrative Agent, not later than 11:00 a.m., 5 Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Loans in such requested currency.

(c) Any failure by a Lender to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Lender to permit Loans to be made in such requested currency. If the Administrative Agent and all the Lenders consent to making Loans in such requested currency, the Administrative Agent shall so notify the applicable Borrower and such currency shall thereupon be deemed for all purposes to be an Alternate Currency hereunder for purposes of any Borrowings of Loans. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this **Section 1.12**, the Administrative Agent shall promptly so notify the applicable Borrower.

**ARTICLE 2.**

**THE COMMITMENTS AND CREDIT EXTENSIONS**

**Section 2.01. Loans.** Subject to **Section 11.18** and the other terms and conditions set forth herein, each Lender severally agrees to make loans in Dollars, Australian Dollars and Alternate Currencies (each such loan, a "*Loan*") to a Borrower from time to time, on any Business Day during the Availability Period, in an aggregate principal amount not to exceed at any time outstanding the amount of such Lender's Commitment; *provided, however*, that after giving effect to any Borrowing,

(i) the Total Outstandings shall not exceed the Maximum Revolving Credit, and

(ii) the aggregate Outstanding Amount of the Loans of any Lender, *plus* such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations shall not exceed such Lender's Commitment.

Within the limits of each Lender's Commitment, and subject to the other terms and conditions hereof, any Borrower may borrow under this **Section 2.01**, prepay under **Section 2.05(f)**, and reborrow under this **Section 2.01**. The Loans denominated in Dollars may be Base Rate Loans or Eurocurrency Rate Loans, as further provided herein. The Loans denominated in Australian Dollars shall be BBSY Loans. The Loans denominated in an Alternate Currency (other than Australian Dollars) shall be Eurocurrency Rate Loans.

**Section 2.02. Borrowings, Conversions and Continuations of Loans.**

(a) (i) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of BBSY Loans or Eurocurrency Rate Loans (as applicable) shall be made upon the applicable Borrower's irrevocable written notice to the Administrative Agent, which may be given by, for the avoidance of doubt but subject to **Section 11.02(b)**, e-mail. Each such notice must be received by the Administrative Agent not later than 11:00 a.m. (New York City time):

(A) three (3) Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in Dollars or of any conversion of Eurocurrency Rate Loans in Dollars,

(B) four (4) Business Days prior to the requested date of any Borrowing of or continuation of BBSY Loans,

(C) such period as the Administrative Agent may agree prior to the requested date of any Borrowing of, conversion to or continuation of Eurocurrency Rate Loans in an Alternate Currency (other than Australian Dollars), and

(D) one (1) Business Day prior to the requested date of any Borrowing of Base Rate Loans in Dollars.

(ii) Each e-mail notice by the Borrowers pursuant to this **Section 2.02(a)** must be confirmed promptly by delivery to the Administrative Agent of a written Borrowing Notice or Notice of Conversion or Continuation, as applicable, appropriately completed and signed by a Responsible Officer of the applicable Borrower.

(iii) Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or BBSY Loans shall be in a principal amount of \$1,000,000 (or like amount in the relevant currency) or a whole multiple of \$500,000 (or like amount in the relevant currency) in excess in the case of any other Alternate Currency, such minimum amounts as may be agreed by Holdings and the Administrative Agent. Except as provided in **Section 2.04(d)**, each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof.

(iv) Each Borrowing Notice shall specify

(A) the applicable Borrower requesting the Borrowing,

(B) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day),

(C) the principal amount of Loans to be borrowed,

(D) the Type of Loans to be borrowed and the currency thereof (which shall be Dollars, Australian Dollars or an Alternate Currency), and

(E) the duration of the Interest Period with respect thereto, if applicable.

(v) Each Notice of Conversion or Continuation shall specify

(A) whether the applicable Borrower is requesting a conversion of Loans from one Type to the other or a continuation of Loans that are Eurocurrency Rate Loans or BBSY Loans, and

(B) specifying

(1) the amount and Type of Loan being converted or continued,

(2) in the case of a conversion to or a continuation of Eurocurrency Rate Loans or BBSY Loans, the applicable Interest Period, and

(3) in the case of a conversion, the date of such conversion.

(vi) (A) In respect of Loans denominated in Dollars, if a Borrower fails to specify a Type of Loan in a Borrowing Notice or if such Borrower fails to give a timely Notice of Conversion or Continuation with respect to Eurocurrency Rate Loans, then the applicable Loans shall be made as, or converted to, Base Rate Loans. If a Borrower fails to specify a currency of a Loan in a Borrowing Notice, such Loan shall be denominated in Dollars. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the applicable Borrower request a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Borrowing Notice or Notice of Conversion or Continuation, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(B) In respect of Loans denominated in Australian Dollars, if a Borrower fails to specify an Interest Period in a Borrowing Notice or a Notice of Conversion or Continuation or if such Borrower fails to give a timely Notice of Conversion or Continuation, then the applicable Loans shall be made or continued, as applicable, as BBSY Loans with an Interest Period of one month.

(b) (i) Following receipt of a Borrowing Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage under the applicable Loan, and if no timely Notice of Conversion or Continuation is provided by the Borrowers, the Administrative Agent shall notify each such Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. In the case of any Borrowing, each Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m. (New York City time) on the Business Day specified in the applicable Borrowing Notice. Upon satisfaction or waiver of the applicable conditions set forth in **Section 4.02** (and, if such Borrowing is on the Closing Date, **Section 4.01**), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (A) crediting the account of the applicable Borrower on the books of the Administrative Agent with the amount of such funds or (B) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the applicable Borrower; *provided, however*, that if, on the date a Borrowing Notice with respect to a Borrowing is given by a Borrower, there are L/C Advances outstanding, then the proceeds of such Borrowing, *first*, shall be applied to the payment in full of any Unreimbursed Amounts in respect thereof, and *second*, shall be made available to the applicable Borrower as provided above.

(ii) Each Lender at its option may make (x) any Base Rate Loan to any Borrower and (y) Eurocurrency Rate Loan to any Borrower and (z) any BBSY Loan to any Borrower, in each case, by causing any domestic or foreign branch, office or Affiliate of such Lender to make such Loan; *provided* that:

(x) any exercise of such option shall not affect the obligation of the relevant Borrower to repay such Loan in accordance with the terms of this Agreement,

(y) other than for the purposes of **Section 3.01**, such Base Rate Loan, BBSY Loan or Eurocurrency Rate Loan shall be deemed to have been made and held by such Lender, and the obligation of the relevant Borrower to repay such Base Rate Loan, BBSY Loan or Eurocurrency Rate Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch, office or Affiliate of such Lender and

(z) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the relevant Borrower resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of **Section 3.04** shall apply).

(c) Unless the Lenders are compensated for any losses under **Section 3.05**, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan and a BBSY Loan may be continued or converted only on the last day of an Interest Period for such BBSY Loan. During the existence of a Default,

(i) no Loans may be requested as, converted to or continued as Eurocurrency Rate Loans or BBSY Loans and

(ii) any BBSY Loans (or any other Loans not denominated in Dollars) shall automatically be converted to Base Rate Loans denominated in Dollars, calculated using the applicable Spot Rate on the date of such conversion,

in each case, if the Required Lenders or the Administrative Agent so notify the applicable Borrower (or, in the case of an Default or Event of Default arising pursuant to **Section 8.01(f)**, automatically without further act of the Administrative Agent or any Lender).

(d) The Administrative Agent shall promptly notify the Borrowers and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans and BBSY Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the applicable Borrower and the Lenders of any change in the Administrative Agent's "prime rate" used in determining the Base Rate promptly following the public announcement of such change.

(c) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than five (5) Interest Periods in effect under the Facility.

**Section 2.03. Protective Advances.**

(a) The Administrative Agent shall be authorized, in its sole discretion (but with no obligation), (i) after the occurrence and during the continuation of an Event of Default or (ii) at any time that any conditions in **Section 4.02** are not satisfied, to make Loans in Dollars ("**Protective Advances**") in an aggregate principal amount outstanding not to exceed 5.0% of the Borrowing Base at any time, if the Administrative Agent deems, in its Reasonable Credit Judgment, that such Loans are necessary or desirable to preserve or protect the Collateral, to enhance the collectability or repayment of the Obligations or to pay any other amounts chargeable to the Loan Parties under any Loan Documents, including costs, fees and expenses. Subject to the following paragraph, each Lender shall participate in Protective Advances on a pro rata basis. Required Lenders may prospectively revoke Administrative Agent's ability to make such Protective Advances by written notice to Administrative Agent. All Protective Advances shall constitute Base Rate Loans and shall bear interest at the Base Rate *plus* the Applicable Rate and the Default Rate under **Section 2.09(b)**. Each Protective Advance shall be payable on demand.

(b) Notwithstanding anything contained in this Agreement or any other Loan Document, no Protective Advance may be made by Administrative Agent if such advance would cause the aggregate principal amount of all Protective Advances outstanding to exceed the lesser of (i) 5.0% of the Borrowing Base and (ii) unused Commitments.

(c) Each Protective Advance shall be secured by the Liens in favor of the Administrative Agent on the Collateral and shall constitute Obligations hereunder. The making of a Protective Advance on any one occasion shall not obligate the Administrative Agent to make any Protective Advance on any other occasion. At any time that the conditions precedent set forth in **Section 4.02** have been satisfied or waived, the Administrative Agent may request that the Lenders to make a Loan to repay any Protective Advances.

(d) Upon the making of a Protective Advance by the Administrative Agent (whether before or after the occurrence of a Default or Event of Default), each Lender shall be deemed, without further action by any party hereto, unconditionally and irrevocably to have purchased from the Administrative Agent without recourse or warranty, an undivided interest and participation in such Protective Advance, in proportion to its Applicable Percentage, and upon demand by the Administrative Agent, shall fund such participation to the Administrative Agent.

**Section 2.04. Letters of Credit.**

(a) **The Letter of Credit Commitment.** Subject to the terms and conditions set forth herein,

(i) each L/C Issuer agrees, in reliance upon the agreements of the Lenders set forth in this **Section 2.04**,

(A) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or any Alternate Currency for the account of the Borrowers or any other Loan Party, and to amend or extend Letters of Credit previously issued by it, in accordance with **Section 2.04(c)**, and

(B) to honor drawings under the Letters of Credit; and

(ii) the Lenders severally agree to participate in Letters of Credit issued for the account of the Borrowers or any other Loan Party and any drawings thereunder; **provided**, that after giving effect to any L/C Credit Extension with respect to any Letter of Credit,

(w) the L/C Obligations outstanding with respect to such L/C Issuer shall not exceed the L/C Sublimit of such L/C Issuer,

(x) the aggregate amount of L/C Obligations shall not exceed the L/C Sublimit of all L/C Issuers taken as a whole,

(y) the Total Outstandings shall not exceed the Maximum Revolving Credit, and

(z) the Outstanding Amount of the Loans of any Lender, *plus* such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations shall not exceed such Lender's Commitment.

Each Borrower hereby agrees to use commercially reasonable efforts to allocate the aggregate face amount of each Letter of Credit issued hereunder ratably among the L/C Issuers in accordance with their respective individual L/C Sublimit. Each request by the Borrowers or any other Loan Party for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the applicable Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, each Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrowers may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(b) (i) No L/C Issuer shall issue any Letter of Credit if the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless the applicable L/C Issuer in its sole discretion and all the Lenders, have approved such expiry date.

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit or bank guarantees generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer applicable to letters of credit or bank guarantees generally;

(C) except as otherwise agreed by the Administrative Agent and such L/C Issuer, such Letter of Credit is in an initial stated amount less than \$100,000;

- (D) such Letter of Credit is to be denominated in a currency other than Dollars or an Alternate Currency;
- (E) subject to Section 2.04(c)(iv), such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; or
- (F) a default of any Lender's obligations to fund under Section 2.04(d) exists or any Lender is at such time a Defaulting Lender hereunder, unless the applicable L/C Issuer has entered into satisfactory arrangements with the Borrowers or such Lender to eliminate such L/C Issuer's risk with respect to such Lender.
- (iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if
- (A) such L/C Issuer would not have any obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or
- (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.
- (iv) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities
- (A) provided to the Administrative Agent in Article 9 with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article 9 included such L/C Issuer with respect to such acts or omissions, and
- (B) as additionally provided herein with respect to such L/C Issuer.
- (v) No L/C Issuer shall be required to issue documentary or "trade" Letters of Credit (as opposed to "standby" Letters of Credit).

(c) **Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.**

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the applicable Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the applicable Borrower. Such Letter of Credit Application must be received by such L/C Issuer and the Administrative Agent not later than 11:00 a.m. (New York City time) at least four (4) Business Days (or if denominated in an Alternate Currency, five Business Days) (or, in each case, such later date and time as the Administrative Agent and such L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and substance reasonably satisfactory to the applicable L/C Issuer:

- (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);
- (B) the amount thereof and the currency thereof (which shall be Dollars or an Alternate Currency);
- (C) the expiry date thereof;
- (D) the name and address of the beneficiary thereof;
- (E) the documents to be presented by such beneficiary in case of any drawing thereunder;
- (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and
- (G) such other matters as the applicable L/C Issuer may reasonably require.

In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and substance reasonably satisfactory to the applicable L/C Issuer

- (1) the Letter of Credit to be amended;
- (2) the proposed date of amendment thereof (which shall be a Business Day);
- (3) the nature of the proposed amendment; and
- (4) such other matters as the applicable L/C Issuer may reasonably require.

Additionally, the applicable Borrower shall furnish to the applicable L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may reasonably require.

(ii) Promptly after receipt of any Letter of Credit Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the applicable Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless such L/C Issuer has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article 4 shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower or enter into the applicable amendment, as the case may be, in each case in accordance with the applicable L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Applicable Percentage *times* the amount of such Letter of Credit.

(iii) If a Borrower so requests in any applicable Letter of Credit Application, an L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “**Auto-Extension Letter of Credit**”); **provided**, that any such Auto-Extension Letter of Credit must permit the applicable L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “**Non-Extension Notice Date**”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Borrowers shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; **provided, however**, that the applicable L/C Issuer shall not permit any such extension if

(A) the L/C Issuer has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of **clause (ii)** or **(iii)** of **Section 2.04(b)**), or

(B) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent or the Borrowers that one or more of the applicable conditions specified in **Section 4.02** is not then satisfied, and in each such case directing the applicable L/C Issuer not to permit such extension.

(iv) If a Borrower so requests in any applicable Letter of Credit Application, an L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an “**Auto-Reinstatement Letter of Credit**”). Unless otherwise directed by the applicable L/C Issuer, such Borrower shall not be required to make a specific request to the applicable L/C Issuer to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued, except as provided in the following sentence, the Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to reinstate all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits the applicable L/C Issuer to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the “**Non-Reinstatement Deadline**”), the applicable L/C Issuer shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Reinstatement Deadline from the Administrative Agent or the applicable Borrower that one or more of the applicable conditions specified in **Section 4.02** is not then satisfied (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing the applicable L/C Issuer not to permit such reinstatement.

(v) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the applicable Borrower a true and complete copy of such Letter of Credit or amendment.

(d) **Drawings and Reimbursements; Funding of Participations.**

(i) (A) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable L/C Issuer shall, within the period stipulated by terms and conditions of Letter of Credit, examine drawing documents. After such examination and provided drawing document(s) are compliant, L/C issuer shall notify the applicable Borrower and the Administrative Agent thereof. The applicable Borrower shall reimburse such L/C Issuer through the Administrative Agent, either with its own funds or with the proceeds of Loans under the Facility, in an amount equal to the amount of and in the same currency as (or, to the extent funded with the proceeds of Loans, in Dollars and to the extent such Letter of Credit is denominated in an Alternate Currency, in an amount equal to the Dollar Equivalent, calculated using the applicable Spot Rate on the date such drawing of the applicable Letter of Credit is made) such drawing within one (1) Business Day following the date on which such Borrower receives notice of any payment by such L/C Issuer under a Letter of Credit, **provided** that the Borrowers receive notice by 1:00 p.m., New York City time on such date, or on the second Business Day if notice is not received by such time (each such date, an “**Honor Date**”). If the applicable Borrower’s reimbursement of, or obligation to reimburse, any amounts in any Alternate Currency would subject the Administrative Agent, the applicable L/C Issuer or any Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, such Borrower shall, at its option, either (x) pay the amount of any such tax requested by the Administrative Agent, the relevant L/C Issuer or Lender or (y) reimburse each unreimbursed Letter of Credit drawing made in such Alternate Currency in Dollars, in an amount equal to the Dollar Equivalent, calculated using the applicable Spot Rate on the date such drawing is made, of such unreimbursed Letter of Credit drawing.

(B) If such Borrower fails to so reimburse such L/C Issuer by the time set forth in the preceding sentence,

(1) if such payment relates to an Alternate Currency Letter of Credit, automatically and with no further action required, such Borrower’s obligation to reimburse the applicable drawing shall be permanently converted into an obligation to reimburse the Dollar Equivalent, calculated using the Spot Rates on the date when such payment was due, of such Letter of Credit drawing and

(2) the applicable L/C Issuer shall promptly notify the Administrative Agent of the Honor Date and the amount of the unreimbursed drawing (the “**Unreimbursed Amount**”).

(C) The Administrative Agent shall, in the case of a payment under a Letter of Credit, promptly notify each Lender thereof and of the amount of such Lender’s Applicable Percentage thereof. Any notice given by such L/C Issuer or the Administrative Agent pursuant to this **Section 2.04(d)(i)** may be given by telephone if immediately confirmed in writing; **provided**, that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender shall upon any notice pursuant to **Section 2.04(d)(i)** make funds in Dollars available to the Administrative Agent as the applicable Letter of Credit for the account of the applicable L/C Issuer at the Administrative Agent’s Office in an amount equal to its Applicable Percentage of the Unreimbursed Amount not later than 1:00 p.m. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of **Section 2.04(d)(iii)**, each Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the relevant Borrower in such amount. The Administrative Agent shall remit the funds so received to the applicable L/C Issuer.

(iii) With respect to any Unreimbursed Amount for a payment under a Letter of Credit that is not fully refinanced by a Borrowing of Base Rate Loans because the conditions set forth in **Section 4.02** cannot be satisfied or for any other reason, the applicable Borrower shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at

(A) the rate applicable to Loans that are Base Rate Loans (or in the case of Letters of Credit denominated in an Alternate Currency, prior to conversion to Dollars, at the rate applicable to Loans that are Eurocurrency Rate Loans) from the Honor Date to the date reimbursement is required pursuant to **Section 2.04(d)(i)** and

(B) thereafter, the Default Rate.

Each Lender's payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to **Section 2.04(d)(ii)** shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this **Section 2.03**.

(iv) Until each Lender funds its Loan or L/C Advance pursuant to this **Section 2.04(d)** to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Percentage of such amount shall be solely for the account of the applicable L/C Issuer.

(v) Each Lender's obligation to make Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this **Section 2.04(d)**, shall be absolute and unconditional and shall not be affected by any circumstance, including

(A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, the Borrowers or any other Person for any reason whatsoever;

(B) the occurrence or continuance of a Default or Event of Default, or

(C) any other occurrence, event or condition, whether or not similar to any of the foregoing (it being understood and agreed that each Lender's obligation to make Loans pursuant to this **Section 2.04(d)** shall not be subject to the conditions set forth in **Section 4.02**).

No such making of an L/C Advance shall relieve or otherwise impair the obligation of the applicable Borrower to reimburse the applicable L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this **Section 2.04(d)** by the time specified in **Section 2.04(d)(ii)**, the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the Overnight Rate, *plus* any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Loan included in the relevant L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the L/C Issuer submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this **Section 2.04(d)(vi)** shall be conclusive absent manifest error.

(c) **Repayment of Participations.**

(i) At any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Lender such Lender's L/C Advance in respect of such payment in accordance with **Section 2.04(d)**, if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the applicable Borrower or otherwise, including proceeds of cash collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent (or if such reimbursement payment was refunded in an Alternate Currency, the Dollar Equivalent thereof using the Spot Rate in effect on the date of such refund).

(ii) If any payment received by the Administrative Agent for the account of the applicable L/C Issuer pursuant to **Section 2.04(d)** is required to be returned under any of the circumstances described in **Section 11.05** (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(f) **Obligations Absolute.** The obligation of the Borrowers to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each Unreimbursed Amount shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

- (i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;
- (ii) the existence of any claim, counterclaim, setoff, defense or other right that such Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any Lender, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
- (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit, except to the extent caused by the applicable L/C Issuer's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment;

(iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit, so long as the L/C Issuer shall have determined in the absence of gross negligence or willful misconduct, in good faith and in accordance with the standard of care specified in the Uniform Commercial Code of the State of New York, that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment appear on their face to be in conformity with such Letter of Credit;

(v) any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver, Controller or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(vi) any other action taken or omitted to be taken by the applicable L/C Issuer under or in connection with any Letter of Credit or the related drafts or documents, whether or not similar to any of the foregoing, that might, but for this **Section 2.04(f)(vi)**, constitute a legal or equitable discharge of the Borrowers' obligations hereunder.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the applicable Borrower's instructions or other irregularity, such Borrower will promptly notify the applicable L/C Issuer. Such Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(g) **Role of L/C Issuer.** Each Lender and the Borrowers agree that, in paying any drawing under a Letter of Credit, the applicable L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuers shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrowers hereby assume all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; **provided, however**, that this assumption is not intended to, and shall not, preclude the Borrowers pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. Notwithstanding anything to the contrary herein the Borrowers may have a claim against the applicable L/C Issuer, and the applicable L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrowers which the applicable Borrower proves were caused by the applicable L/C Issuer's willful misconduct or gross negligence as determined by a court of competent jurisdiction in a final, non-appealable judgment. In furtherance and not in limitation of the foregoing, the applicable L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the applicable L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(h) **Cash Collateral.**

(i) Upon the request of the Administrative Agent, (A) if, as of the Letter of Credit Expiration Date or the Termination Date, any L/C Obligation for any reason remains outstanding or (B) if an Event of Default has occurred and is continuing, the Borrowers shall, in each case, immediately Cash Collateralize the then Outstanding Amount of such L/C Obligation.

(ii) **Sections 2.04** and **8.02(a)(iii)** set forth certain additional requirements to deliver cash collateral hereunder.

(iii) **“Cash Collateralize”** means

(A) to pledge to the Administrative Agent and deposit in a L/C Cash Collateral Account, for the benefit of the applicable L/C Issuer and the Lenders, as collateral for the L/C Obligations, cash or deposit account balances in an amount equal to 103% (or to the extent not denominated in dollars, 110%) of the L/C Obligations pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the applicable L/C Issuer (which documents are hereby consented to by the Lenders), or

(B) to deliver to the applicable L/C Issuer a backstop letter of credit or bank guarantee (in form and substance reasonably satisfactory to the L/C Issuer and the Administrative Agent, and issued by a U.S. commercial bank acceptable to each of such L/C Issuer and the Administrative Agent, in their commercially reasonable discretion).

Derivatives of such term have corresponding meanings.

(iv) The Borrowers hereby grant to the Administrative Agent, for the benefit of the L/C Issuers and the Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing.

(v) Cash collateral shall be maintained in the L/C Cash Collateral Account. If at any time the Administrative Agent determines that any funds held in the L/C Cash Collateral Account are subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited in the L/C Cash Collateral Account, an amount equal to the excess of (x) such aggregate Outstanding Amount over (y) the total amount of funds, if any, then held in the L/C Cash Collateral Account that the Administrative Agent determines to be free and clear of any such right and claim.

(vi) Upon the drawing of any Letter of Credit for which funds are on deposit in the L/C Cash Collateral Account, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the L/C Issuer for the amount of such drawing.

(i) **Applicability of ISP.** Unless otherwise expressly agreed by the applicable L/C Issuer and the applicable Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each Letter of Credit.

(j) **Letter of Credit Fees.** The Borrowers shall pay to the Administrative Agent for the account of each Lender in accordance with its Applicable Percentage a Letter of Credit fee (the “**Letter of Credit Fee**”) for each Letter of Credit equal to the Applicable Rate for Loans that are Eurocurrency Rate Loans *times* the daily amount available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with **Section 1.06**. Letter of Credit Fees for Letters of Credit shall be (i) computed on a quarterly basis in arrears and (ii) due and payable five (5) Business Days after the last Business Day of each calendar quarter, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. Notwithstanding anything to the contrary contained herein, upon the request of the Required Lenders, while any Event of Default under **Sections 8.01(a), (f)** or **(g)** exists, all Letter of Credit Fees shall accrue at the Default Rate.

(k) **Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer.** The Borrowers shall pay to the Administrative Agent, for the account of the applicable L/C Issuer, a fronting fee with respect to each Letter of Credit, at the rate of 0.25% per annum on the face amount under each Letter of Credit, computed on the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the last Business Day of each calendar quarter, in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with **Section 1.06**. In addition, the Borrowers shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, negotiation, acceptance, transfer, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit and bank guarantees as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(l) **Conflict with Issuer Documents.** In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(m) **Letters of Credit Issued for Subsidiaries.** Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrowers shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrowers hereby acknowledge that the issuance of Letters of Credit for the account of any Subsidiary of any of the Borrowers inures to the benefit of the Borrowers, and that each Borrower’s business derives substantial benefits from the businesses of each such Subsidiary.

(n) **Conversion.** In the event that the Loans become immediately due and payable on any date pursuant to **Section 8.02** or otherwise, all amounts

(i) that a Borrower is at the time or thereafter becomes required to reimburse or otherwise pay to the Administrative Agent in respect of any drawing under a Letter of Credit made under any Alternate Currency Letter of Credit (other than amounts in respect of which such Borrower has deposited Cash Collateral pursuant to **paragraph (h)** above, if such Cash Collateral was deposited in the applicable Alternate Currency to the extent so deposited or applied),

(ii) that the Lenders are at the time or thereafter become required to pay to the Administrative Agent and the Administrative Agent is at the time or thereafter becomes required to distribute to the applicable L/C Issuer pursuant to **paragraph (d)** of this Section in respect of unreimbursed Letter of Credit drawing made under any Alternate Currency Letter of Credit and

(iii) of each Lender's participation in any Alternate Currency Letter of Credit under which a Letter of Credit drawing has been made

shall, automatically and with no further action required, be converted into the Dollar Equivalent, calculated using the Spot Rates on such date (or in the case of any Letter of Credit drawing made after such date, on the date such Letter of Credit drawing is made), of such amounts. On and after such conversion, all amounts accruing and owed to the Administrative Agent, the applicable L/C Issuer or any Lender in respect of the obligations described in this paragraph shall accrue and be payable in Dollars at the rates otherwise applicable hereunder.

**Section 2.05. Swingline Loans.**

(a) Subject to the terms and conditions set forth herein, the Swingline Lender agrees, in reliance upon the agreements of the other Lenders set forth in this **Section 2.05**, to make loans (each such loan, a "**Swingline Loan**") to the Borrowers from time to time on any Business Day during the Availability Period in an aggregate principal amount not to exceed at any time outstanding the amount of the Swingline Sublimit, notwithstanding the fact that such Swingline Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Loans and L/C Obligations of the Lender acting as Swingline Lender, may exceed the amount of such Lender's Commitment; **provided, however**, that after giving effect to any Swingline Loan, (i) the Total Outstandings shall not exceed the Maximum Revolving Credit and (ii) the aggregate Outstanding Amount of the Loans of any Lender at such time, *plus* such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations at such time, *plus* such Lender's Applicable Percentage of the Outstanding Amount of all Swingline Loans at such time shall not exceed such Lender's Commitment, and **provided, further** that the Borrowers shall not use the proceeds of any Swingline Loan to refinance any outstanding Swingline Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrowers may borrow under this **Section 2.05**, prepay under **Section 2.06**, and reborrow under this **Section 2.05**. Each Swingline Loan shall be a Base Rate Loan denominated in Dollars. Immediately upon the making of a Swingline Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swingline Lender a risk participation in such Swingline Loan in an amount equal to the product of such Lender's Applicable Percentage times the amount of such Swingline Loan.

(b) **Borrowing Procedures.** Each Swingline Borrowing shall be made upon the applicable Borrower's irrevocable notice to the Swingline Lender and the Administrative Agent, which notice shall be in writing. Each such notice must be received by the Swingline Lender and the Administrative Agent not later than 1:00 p.m. (New York City time) on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such notice must be confirmed promptly by delivery to the Swingline Lender and the Administrative Agent of a written Swingline Loan Notice, appropriately completed and signed by a Responsible Officer of the applicable Borrower. Promptly after receipt by the Swingline Lender of any Swingline Loan Notice, the Swingline Lender will confirm with the Administrative Agent (in writing) that the Administrative Agent has also received such Swingline Loan Notice and, if not, the Swingline Lender will notify the Administrative Agent (in writing) of the contents thereof. Unless the Swingline Lender has received notice (in writing) from the Administrative Agent (including at the request of any Lender) prior to 2:00 p.m. (New York City time) on the date of the proposed Swingline Borrowing (A) directing the Swingline Lender not to make such Swingline Loan as a result of the limitations set forth in the first proviso to the first sentence of **Section 2.05(a)**, or (B) that one or more of the applicable conditions specified in **Article 4** is not then satisfied, then, subject to the terms and conditions hereof, the Swingline Lender will, not later than 3:00 p.m. (New York City time) on the borrowing date specified in such Swingline Loan Notice, make the amount of its Swingline Loan available to the applicable Borrower at its office by crediting the account of the applicable Borrower on the books of the Swingline Lender in immediately available funds.

(c) **Refinancing of Swingline Loans.**

(i) The Swingline Lender at any time in its sole and absolute discretion may, and in any event on the 10<sup>th</sup> Business Day after such Swingline Loan is made, shall request, on behalf of the applicable Borrower (which hereby irrevocably authorizes the Swingline Lender to so request on its behalf), that each Lender make a Base Rate Loan in an amount equal to such Lender's Applicable Percentage of the amount of Swingline Loans then outstanding or, in the case of any request given with respect to Swingline Loans which have been outstanding for 10 Business Days, the amount of such outstanding Swingline Loans; *provided*, that such Loans may, and upon the applicable Borrower's request shall, be made as Eurocurrency Rate Loans if a Eurocurrency Rate Loan could otherwise be made pursuant to Section 2.02. Such request shall be made in writing (which written request shall be deemed to be a Borrowing Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans or Eurocurrency Rate Loans, but subject to the unutilized portion of the aggregate Commitments and the conditions set forth in Section 4.02. The Swingline Lender shall furnish the applicable Borrower with a copy of the applicable Borrowing Notice promptly after delivering such notice to the Administrative Agent. Each Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Borrowing Notice available to the Administrative Agent in immediately available funds for the account of the Swingline Lender at the Administrative Agent's Office not later than 1:00 p.m. (New York City time) on the day specified in such Borrowing Notice, whereupon, subject to Section 2.05(c)(ii), each Swingline Lender that so makes funds available shall be deemed to have made a Base Rate Loan (or Eurocurrency Rate Loan, if applicable) to the applicable Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swingline Lender.

(ii) If for any reason any Swingline Loan cannot be refinanced by such a Borrowing in accordance with Section 2.05(c)(i), the request for Base Rate Loans submitted by the Swingline Lender as set forth herein shall be deemed to be a request by the Swingline Lender that each of the Lenders fund its risk participation in the relevant Swingline Loan and each Lender's payment to the Administrative Agent for the account of the Swingline Lender pursuant to Section 2.05(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Administrative Agent for the account of the Swingline Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.05(c) by the time specified in Section 2.05(c)(i), the Swingline Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the Overnight Rate from time to time in effect, *plus* any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Loan included in the relevant Borrowing or funded participation in the relevant Swingline Loan, as the case may be. A certificate of the Swingline Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Loans or to purchase and fund risk participations in Swingline Loans pursuant to this **Section 2.05(c)** shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swingline Lender, the Borrowers or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing (it being understood and agreed that each Lender's obligation to make Loans pursuant to this **Section 2.05(c)** shall not be subject to the conditions set forth in **Section 4.02**). No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrowers to repay Swingline Loans, together with interest as provided herein.

(d) **Repayment of Participations.**

(i) At any time after any Lender has purchased and funded a risk participation in a Swingline Loan, if the Swingline Lender receives any payment on account of such Swingline Loan, the Swingline Lender will distribute to such Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swingline Lender.

(ii) If any payment received by the Swingline Lender in respect of principal or interest on any Swingline Loan is required to be returned by the Swingline Lender under any of the circumstances described in **Section 11.05** (including pursuant to any settlement entered into by the Swingline Lender in its discretion), each Lender shall pay to the Swingline Lender its Applicable Percentage thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the Swingline Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) **Interest for Account of Swingline Lender.** The Swingline Lender shall be responsible for invoicing the Borrowers for interest on the Swingline Loans. Until each Lender funds its Base Rate Loan or risk participation pursuant to this **Section 2.05** to refinance such Lender's Applicable Percentage of any Swingline Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swingline Lender.

(f) **Payments of Swingline Loans.** The Borrowers shall make all payments of principal and interest in respect of the Swingline Loans to the Administrative Agent, for the account of the Swingline Lender.

**Section 2.06. Prepayments.**

(a) **Optional.** The Borrowers may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty; *provided*, that

(i) such notice must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans and (B) on the date of prepayment of Base Rate Loans;

(ii) any prepayment of BBSY Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof;

(iii) any prepayment of Eurocurrency Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof; and

(iv) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if Eurocurrency Rate Loans or BBSY Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment. If such notice is given by the Borrowers, the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan or BBSY Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to **Section 3.05**.

(b) **Mandatory.**

(i) If, at any time, the Total Outstandings at such time exceed the Maximum Revolving Credit, then, within one (1) Business Day, the Borrowers shall prepay the outstanding Loans and/or the Cash Collateralize the outstanding L/C Obligations (including by depositing funds in the L/C Cash Collateral Account pursuant to **Section 2.04(h)(i)**) in an aggregate amount sufficient to reduce the amount of Total Outstandings as of such date of payment to an amount less than or equal to the Maximum Revolving Credit; *provided, however*, that, subject to the provisions of **Section 2.04(h)(ii)**, the Borrowers shall not be required to Cash Collateralize the L/C Obligations pursuant to this **Section 2.06(b)(i)** unless after the prepayment in full of the Loans the Total Outstandings exceed the Maximum Revolving Credit above at such time.

(ii) [reserved].

(iii) Prepayments of the Facilities made pursuant to this **Section 2.06(b)**, shall be applied, *first*, to the L/C Borrowings, Swingline Loans or Protective Advances, *second*, ratably to the outstanding Loans and *third*, to Cash Collateralize the remaining L/C Obligations.

(iv) In the case of prepayments of the Facilities required pursuant to **clause (i)** of this **Section 2.06(b)**, the amount remaining, if any, after the prepayment in full of all L/C Borrowings and Loans, outstanding at such time and the Cash Collateralization of the remaining L/C Obligations in full may be retained by the Borrowers for use in the ordinary course of their business. Upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held in the L/C Cash Collateral Account shall be applied (without any further action by or notice to or from the Borrowers or any other Loan Party) to reimburse the L/C Issuer or the Lenders, as applicable.

(c) At the option of the Administrative Agent, principal on the Swingline Loans and interest, fees, expenses and other sums due and payable in respect of the Loans and Protective Advances may be paid from the proceeds of Swingline Loans or Loans. Each Borrower hereby authorizes the Swingline Lender to make such Swingline Loans pursuant to **Section 2.05(a)** and the Lenders to make such Loans pursuant to **Section 2.05(b)** from time to time in the amounts of any and all principal payable with respect to the Swingline Loans and interest, fees, expenses and other sums payable in respect of the Loans and Protective Advances, and further authorizes the Administrative Agent to give the Lenders notice of any Borrowing with respect to such Swingline Loans and Loans and to distribute the proceeds of such Swingline Loans and Loans to pay such amounts. The Borrower agrees that all such Swingline Loans and Loans so made shall be deemed to have been requested by it and directs that all proceeds thereof shall be used to pay such amounts.

**Section 2.07. Termination or Reduction of Commitments.**

(a) The Borrowers may, upon notice to the Administrative Agent, terminate, or from time to time permanently reduce, the Commitments; *provided*, that

(i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. (New York City time) three (3) Business Days prior to the date of termination or reduction,

(ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof, and

(iii) the Borrowers shall not terminate or reduce the aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Outstandings would exceed the Maximum Revolving Credit.

The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the aggregate Commitments. Any reduction of the aggregate Commitments shall be applied to the Commitment of each Lender according to its Applicable Percentage.

(b) **Payment of Fees.** All fees in respect of the Facility accrued until the effective date of any termination of the Facility shall be paid on the effective date of such termination.

**Section 2.08. Repayment of Loans.**

(a) **Loans.** The Borrowers shall, on a joint and several basis in accordance with **Section 11.18**, repay to the Lenders on the Termination Date the aggregate principal amount of all Loans outstanding on such date.

(b) **Swingline Loans.** The Borrowers shall, on a joint and several basis in accordance with **Section 11.18**, repay each Swingline Loan on the earlier to occur of (i) the date 10 Business Days after such Loan is made and (ii) the Maturity Date.

**Section 2.09. Interest.**

(a) Subject to the provisions of **Section 2.09(b)**,

(i) Each Loan that is denominated in Dollars and is

(A) a Eurocurrency Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period *plus* the Applicable Rate, and

(B) a Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate *plus* the Applicable Rate.

(ii) Each Loan that is denominated in Australian Dollars shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the sum of BBSY plus the Applicable Rate.

(iii) Each Swingline Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate *plus* the Applicable Rate.

(iv) Each Loan that is denominated in an Alternate Currency (other than Australian Dollars), shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period *plus* the Applicable Rate.

(b) While any Event of Default under **Section 8.01(a)**, **Section 8.01(f)** and **Section 8.01(g)** exists, if any principal of or interest on any Loan or any fee payable by the Borrowers hereunder is not, in each case, paid or reimbursed when due, whether at stated maturity, by acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by law, after as well as before judgment, at a rate per annum equal to the Default Rate; *provided* that no amount shall accrue pursuant to this **Section 2.09(b)** on any overdue amount or other amount payable to a Defaulting Lender so long as such Lender is a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein.

#### **Section 2.10. Fees.**

In addition to certain fees described in **Sections 2.04(j)** and **(k)**:

(a) **Commitment Fee.** The Borrowers shall pay to the Administrative Agent for the account of each Lender in accordance with its Applicable Percentage, a commitment fee (the “**Commitment Fee**”) equal to 0.50% *times* the actual daily amount by which the aggregate Commitments of all Lenders exceed the sum of (A) the Outstanding Amount of Loans (excluding any Outstanding Amount of Swingline Loans) and (B) the Outstanding Amount of L/C Obligations, determined as of the last day of the immediately preceding fiscal quarter. The Commitment Fee shall accrue at all times, including at any time during which one or more of the conditions in **Article 4** is not met, and shall be due and payable quarterly in arrears five (5) Business Days after the last Business Day of each calendar quarter, commencing with the first such date to occur after the Closing Date, and on the Termination Date.

(b) **Fees.** The Borrowers shall pay to the Administrative Agent, for the account of each Lender, fees in the amounts and at the times specified in the Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(c) **Other Fees.** The Borrowers shall pay to the Arrangers and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in the applicable Fee Letter. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(d) **Defaulting Lender Fees.** Notwithstanding anything herein to the contrary, during such period as a Lender is a Defaulting Lender, such Defaulting Lender will not be entitled to any fees accruing during such period pursuant to **clause (a)** above (without prejudice to the rights of the Non-Defaulting Lenders in respect of such fees); *provided*, that

(i) to the extent that a Ratable Portion of the L/C Obligations of such Defaulting Lender is reallocated to the Non-Defaulting Lenders pursuant to **Section 2.16(a)**, such fees that would have accrued for the benefit of such Defaulting Lender will instead accrue for the benefit of and be payable to such Non-Defaulting Lenders, *pro rata* in accordance with their respective Commitments, and

(ii) to the extent that all or any portion of such L/C Obligations cannot be so reallocated, such fees will instead accrue for the benefit of and be payable to the applicable L/C Issuer.

**Section 2.11. Computation of Interest and Fees.**

(a) All computations of interest for Base Rate Loans (other than Loans bearing interest at the Base Rate based on clause (c) of the definition thereof) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, *provided*, that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.13(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) For purposes of computing the Outstanding Amount of Loans and Outstanding Amount of L/C Obligations for a period under Section 2.10(a) and the face amount of Letters of Credit under Section 2.04(j) and (k), such amounts shall be calculated for such period by multiplying (i) the average daily balance of each Alternate Currency Letter of Credit and Loan (expressed in the currency in which such Alternate Currency Letter of Credit or Loan is denominated) by (ii) the Spot Rate for the Alternate Currency in which such Letter of Credit or Loan is denominated in effect on the last Business Day of such period or by such other reasonable method that the Administrative Agent deems appropriate.

**Section 2.12. Evidence of Debt.**

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and, as part of the Register, by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender to the Borrowers made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note (payable to such Lender or its registered assigns), which shall evidence such Lender's Loans to the Borrowers in addition to such accounts or records. Each Lender may attach schedules to a Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.12(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

**Section 2.13. Payments Generally; Administrative Agent's Clawback.**

(a) **General.** All payments to be made by the Borrowers or the other Loan Parties shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers or the other Loan Parties hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars (or in the case of Alternate Currency Loans or Alternate Currency Letters of Credit, in the applicable Alternate Currency) and in immediately available funds not later than 2:00 p.m. (New York City time) on the date specified herein. The Administrative Agent will promptly distribute to each Lender its ratable share of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be. Notwithstanding anything to the contrary, to the extent the Administrative Agent receives a payment or other amount after the date such payment or other amount is due, the Administrative Agent, in its sole discretion, may distribute such payment or other amount to the relevant Lender of record (or other Person of record entitled to such payment) as of the date such payment or other amount is received by the Administrative Agent.

(b) (i) **Funding by Lenders; Presumption by Administrative Agent.** Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans or BBSY Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with **Section 2.02** (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by **Section 2.02**) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate, *plus* any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) **Payments by Borrowers; Presumptions by Administrative Agent.** Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the applicable L/C Issuer hereunder that such Borrowers will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to such Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Overnight Rate.

A notice of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this **Section 2.13(b)**, shall be conclusive, absent manifest error.

(c) **Failure to Satisfy Conditions Precedent.** If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender to the Borrowers as provided in the foregoing provisions of this **Article 2**, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in **Article 4** are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) **Obligations of Lenders Several.** The obligations of

- (i) the Lenders hereunder to make Loans and to fund participations in Letters of Credit and
- (ii) all Lenders hereunder to make payments pursuant to **Section 2.04(c)** are several and not joint.

The failure of (x) any Lender to make any Loan or to fund any such participation or (y) any Lender to make payment under **Section 2.04(c)** on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to do so.

(e) **Funding Source.** Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Notwithstanding anything to the contrary, to the extent the Administrative Agent receives a payment or other amount after the date such payment or other amount is due, the Administrative Agent, in its sole discretion, may distribute such payment or other amount to the relevant Lender of record (or other Person of record entitled to such payment) as of the date such payment or other amount is received by the Administrative Agent.

**Section 2.14. Sharing of Payments by Lenders.** If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of

(a) Obligations due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all Lenders at such time, or

(b) Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (x) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (y) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payment on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and/or, if applicable, subparticipations in L/C Obligations and Swingline Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations then due and payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be, **provided**, that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this **Section 2.14** shall not be construed to apply to

(A) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement,

(B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, subparticipations in L/C Obligations, or Swingline Loans to any assignee or participant, other than to the Borrowers or any Subsidiary thereof (as to which the provisions of this **Section 2.14** shall apply), or

(C) any payments pursuant to the Fee Letter.

The Borrowers consent to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

#### **Section 2.15. Increase in Facility.**

(a) Provided that no Default or Event of Default has occurred and is continuing or would exist after giving effect thereto, upon at least seven (7) Business Days' prior written notice to the Administrative Agent (which shall promptly notify the Lenders thereof), the Borrowers may from time to time request an increase in the amount of the Commitments under the Facility (each, a "**Facility Increase**") in an aggregate stated amount (for all such requests) not to exceed the greater of (x) \$25,000,000 and (y) the Borrowing Base (without including Qualified Cash) minus the aggregate amount of Commitments in effect at such time (the "**Facility Increase Amount**"); **provided**, that

(i) any such request for a Facility Increase shall be in a minimum stated amount of \$10,000,000 (or, if less, the entire remaining amount of the Facility Increase Amount), or such lower amount as determined by the Administrative Agent in its sole discretion,

(ii) such increase shall be on the same terms (including with respect to margin, pricing, maturity and fees, other than any underwriting fees and arrangement fees applicable thereto) and pursuant to the exact same Loan Documents and any other documentation applicable to the Facility (**provided**, that the Applicable Rate and the Commitment Fee applicable to the Facility may be increased to be identical to that for any Facility Increase to effectuate such Facility Increase),

(iii) such Facility Increase shall be Guaranteed by the exact same Guarantors and shall be secured by a Lien on the exact same Collateral ranking pari passu with the Lien securing the Facility (and no Facility Increase may be (x) Guaranteed by any Person that is not a Loan Party or (y) secured by any assets other than the Collateral),

(iv) [reserved], and

(v) the Borrowers, the Incremental Lenders and the Administrative Agent shall execute and deliver any amendment to this Agreement or other documentation necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to evidence and effectuate such Facility Increase.

(b) **Lender Elections to Increase.** The Borrowers may seek commitments in respect of any Facility Increase from then-existing Lenders (each of which shall be entitled to agree or decline to participate in such Facility Increase in its sole discretion) or additional banks, financial institutions and other institutional lenders or investors who will become Lenders in connection with such Facility Increase (each, an “**Additional Lender**” and together with any existing lender providing such Facility Increase, as applicable, collectively the “**Incremental Lenders**”); **provided** that each Additional Lender shall be approved by each of the Administrative Agent, the Swingline Lender and each L/C Issuer (such approval not to be unreasonably withheld, delayed or conditioned), to the extent approval thereof would be required pursuant to the definition of “Eligible Assignee” with respect to any assignment of Loans or Commitments.

(c) **Effective Date and Allocations.** If the Facility is increased in accordance with this **Section 2.15**, the Administrative Agent and the Borrowers shall determine the effective date (the “**Increase Effective Date**”) and the final allocation of such Facility Increase. The Administrative Agent shall promptly notify the Borrowers and the Lenders of the final allocation of such Facility Increase and the Increase Effective Date.

(d) **Conditions to Effectiveness of Increase.** As a condition precedent to such Facility Increase, the Borrowers shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the Increase Effective Date signed by a Responsible Officer of such Loan Party

(i) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such Facility Increase, and

(ii) in the case of the Borrowers, certifying that, before and after giving effect to such Facility Increase,

(A) the representations and warranties contained in **Article 5** and the other Loan Documents are true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this **Section 2.15**, the representations and warranties contained in **Section 5.05(a)** shall be deemed to refer to the most recent financial statements furnished pursuant to **Section 6.01**, and

(B) no Default or Event of Default has occurred and is continuing.

The Borrowers shall prepay any Loans outstanding on the Increase Effective Date (and pay any additional amounts required pursuant to **Section 3.05**) to the extent necessary to keep the outstanding Loans ratable with any revised Applicable Percentages arising from any non-ratable increase in the Commitments under this **Section 2.15**.

(e) **Conflicting Provisions.** This Section shall supersede any conflicting provisions in Section 2.14 or Section 11.01.

**Section 2.16. Defaulting Lender.**

(a) **Defaulting Lender Adjustments.** Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) **Waivers and Amendments.** Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders; and

(ii) **Defaulting Lender Waterfall.** Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 8 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows:

*first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder;

*second*, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to any L/C Issuer or Swingline Lender hereunder;

*third*, if so determined by the L/C Issuer or Swingline Lender hereunder, to be held as cash collateral for future funding obligations of such Defaulting Lender in respect of any participation in any Swingline Loan or L/C Obligation;

*fourth*, as the Borrowers may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent;

*fifth*, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released *pro rata* in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement;

*sixth*, to the payment of any amounts owing to the Lenders, the L/C Issuers or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the L/C Issuers or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement;

*seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and

*eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; **provided** that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in **Section 4.02** were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations are held by the Lenders *pro rata* in accordance with the Commitments under the applicable Facility without giving effect to **clause (iii)** below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this **Section 2.16(a)(ii)** shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) **Reallocation of Participations to Reduce Fronting Exposure.** All or any part of such Defaulting Lender's participation in L/C Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Outstanding Amount of any Non-Defaulting Lender's Loans and L/C Obligations to exceed such Non-Defaulting Lender's Commitment. Subject to **Section 11.23**, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(iv) **Cash Collateral.** If the reallocation described in **clause (iii)** above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, cash collateralize the L/C Issuers' Fronting Exposure in accordance with the procedures set forth in **Section 2.16(a)(ii)**.

(b) **Defaulting Lender Cure.** If the Borrowers, the Administrative Agent, each L/C Issuer and each Swingline Lender agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held *pro rata* by the Lenders in accordance with the Commitments under the applicable Facility (without giving effect to **Section 2.16(a)(iii)**), whereupon such Lender will cease to be a Defaulting Lender; **provided** that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and **provided, further**, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) **New Swingline Loans / Letters of Credit.** So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have not Fronting Exposure after giving effect to such Swingline Loans and (ii) no L/C Issuer shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

## ARTICLE 3.

### TAXES, YIELD PROTECTION AND ILLEGALITY

#### **Section 3.01. Taxes.**

(a) **Payments Free of Taxes.** Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax then the applicable Loan Party shall pay an additional amount as is necessary so that after such deductions or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this **Section 3.01(a)**) the applicable Recipient receives an amount equal to the sum it would have received had no such deductions or withholding been made.

(b) **Payment of Other Taxes by the Borrowers.** The Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c) **Indemnification by the Borrowers.** The Loan Parties shall jointly and severally indemnify the Administrative Agent, each Lender and each L/C Issuer, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Administrative Agent, such Lender or such L/C Issuer, or required to be withheld or deducted from a payment to the Administrative Agent, such Lender or such L/C Issuer, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrowers by a Lender or an L/C Issuer (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or an L/C Issuer, shall be conclusive absent manifest error.

(d) **Indemnification by the Lenders.** Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of **Section 11.06(d)** relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this **Section 3.01(d)**.

(e) **Evidence of Payments.** As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this **Section 3.01**, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) **Status of Lenders.**

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in **Sections 3.01(f)(ii)(A), (f)(ii)(B), and (f)(ii)(D)** below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Borrower,

(A) any Lender that is a U.S. Person shall deliver to the Borrowers and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter as prescribed by applicable law or upon the reasonable request of the Borrowers or Administrative Agent), executed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, Internal Revenue Service Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of Internal Revenue Service Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x)(i) a certificate in the form of the applicable **Exhibit M** to the effect that such Foreign Lender is not a “bank” within the meaning of section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrowers within the meaning of section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (ii)(y) duly completed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E, a U.S. Tax Compliance Certificate to the reasonable satisfaction of the Borrowers and Administrative Agent, Form W-9, and/or other certification document from each beneficial owner, as applicable; **provided** that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate to the reasonable satisfaction of the Borrower and Administrative Agent on behalf of each such direct and indirect partner, or

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this **clause (D)**, “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) **Treatment of Certain Refunds.** If any party determines, in its sole discretion and good faith judgment, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this **Section 3.01** (including by the payment of additional amounts pursuant to this **Section 3.01**), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnified payments made under this Section with respect to the Taxes giving rise to such refund) net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) **Public offer.**

(i) **Arrangers' representations, warranties and undertakings.** The Lead Arranger undertakes, represents and warrants to the Australian Borrower that:

(A) on behalf of the Australian Borrower, it has made invitations to become a Lender under this Agreement in the form agreed with the Australian Borrower to at least 10 persons, each of whom, as at the date the relevant invitation is made, the Lead Arranger's relevant officers involved in the transaction on a day to day basis believed carried on the business of providing finance or investing or dealing in securities in the course of operating in financial markets, for the purposes of Section 128F(3A)(a)(i) of the ITAA 1936, and each of whom has been disclosed to the Australian Borrower;

(B) the persons to whom the Lead Arranger has made invitations referred to in paragraph (h)(i)(A) were not, as at the date the invitations were made, known or suspected by the relevant officers of the Lead Arranger involved in the transaction, to be Associates of any of the others of those 10 invitees;

(C) they have not made offers or invitations referred to in paragraph (h)(i)(A) to persons whom their relevant officers involved in the transaction on a day to day basis knew or had reasonable grounds to suspect were Offshore Associates of the Australian Borrower; and

(D) at the cost of the Australian Borrower, it will provide to the Australian Borrower so far as it is reasonably able to do so, within 30 days of receipt of a request from the Australian Borrower, such information as is reasonably required for the purposes of assisting the Australian Borrower to demonstrate (to the extent necessary based upon tax advice received by the Australian Borrower) that the requirements of Section 128F of the ITAA 1936 have been satisfied, where to do so will not breach or be contrary to or prohibited by any relevant law, regulation or directive or any duty of confidence or confidentiality agreement binding upon the Lead Arranger.

(ii) **Australian Borrower's confirmation**

(A) The Australian Borrower confirms that:

(1) none of the potential invitees whose names were disclosed to it by the Lead Arranger were known or suspected by its relevant officers to be an Offshore Associate of the Australian Borrower;

(2) at least 10 of the persons whose names were disclosed to it by the Lead Arranger before the date of this Agreement are not known or suspected by its relevant officers to be Associates of any of the others of those 10 invitees; and

(3) it will immediately advise the Lead Arranger if the potential invitee disclosed to it by the Lead Arranger are known or suspected by its relevant officer to be an Offshore Associate of that Borrower or an Associate of any other invitee.

(iii) **Lenders' representations, warranties and undertakings.** Each Lender represents, warrants and undertakes to the Australian Borrower that:

(A) if it received an invitation under paragraph (h)(i)(A), at the time it received the invitation it was carrying on the business of providing finance, or investing or dealing in securities, in the course of operating in financial markets; and

(B) it was not, as at the date the invitation was made, known or suspected by the relevant officers of the Lender to be an Offshore Associate of the Australian Borrower or an Associate of any other Lender.

(iv) **Parties' undertakings.** If, for any reason, the requirements of Section 128F of the ITAA 1936 have not been satisfied in relation to interest payable on the Loans (except to an Offshore Associate of the Australian Borrower), then on request by the Arrangers or the Australian Borrower, each party shall cooperate and take steps reasonably requested with a view to satisfying those requirements and:

(A) where a Lender breached paragraph (h)(iii), it shall bear its own costs; or

(B) in all other cases, such steps will be at the cost of the Australian Borrower.

(v) **Parties' confirmation.** The parties agree that this Agreement is a 'syndicated facility agreement' for the purposes of Section 128F(11) of the ITAA 1936.

(i) **Survival.** Each party's obligations under this **Section 3.01** shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligation under any Loan Document.

(j) **Defined Terms.** For purpose of this **Section 3.01**, any term "Lender" includes any L/C Issuer and the term "applicable law" includes FATCA.

**Section 3.02. Illegality.** If any Lender determines that as a result of any Change in Law it becomes unlawful, or that any Governmental Authority asserts that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund BBSY Loans, Eurocurrency Rate Loans, or to determine or charge interest rates based upon the BBSY or Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligation of such Lender to make or continue BBSY Loans, Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans, shall be suspended until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all such BBSY Loans or Eurocurrency Rate Loans of such Lender to Base Rate Loans denominated in Dollars (and to the extent not previously denominated in Dollars, calculated using the applicable Spot Rate on the date of such conversion), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such BBSY Loans or Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such BBSY Loans or Eurocurrency Rate Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

**Section 3.03. Benchmark Replacement Setting.**

On March 5, 2021 the Financial Conduct Authority (“*FCA*”), the regulatory supervisor of Dollar LIBOR’s administrator (“*IBA*”), announced in a public statement the future cessation or loss of representativeness of overnight/Spot Next, 1-month, 3-month, 6-month and 12-month Dollar LIBOR tenor settings. Notwithstanding anything to the contrary herein or in any other Loan Document:

(a) **Replacing Dollar LIBOR.** On the earlier of (i) the date that all Available Tenors of Dollar LIBOR have either permanently or indefinitely ceased to be provided by IBA or have been announced by the FCA pursuant to public statement or publication of information to be no longer representative and (ii) the Early Opt-in Effective Date, if the then-current Benchmark is Dollar LIBOR, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(b) **Replacing Other and Future Benchmarks.**

Upon

(i) the occurrence of a Benchmark Transition Event, the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any such Benchmark setting at or after 5:00 p.m. on the fifth (5<sup>th</sup>) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders or

(ii) an Early Opt-in Effective Date with respect to an Other Rate Early Opt-in Election,

the Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any setting of such Benchmark on such day and all subsequent settings without any amendment to, or further action or consent of any other party to this Agreement or any other Loan Document.

At any time that the administrator of any then-current Benchmark has permanently or indefinitely ceased to provide such Benchmark or such Benchmark has been announced by the regulatory supervisor for the administrator or the administrator of such Benchmark pursuant to public statement or publication of information to be no longer representative and will not be restored,

(i) with respect to amounts denominated in Dollars, the Borrower may revoke any request for a borrowing of, conversion to or continuation of Loans to be made, converted or continued that would bear interest by reference to such Benchmark until the Borrower's receipt of notice from the Administrative Agent that a Benchmark Replacement has replaced such Benchmark, and, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans and

(ii) with respect to amounts denominated in any currency other than Dollars, the obligation of the Lenders to make or maintain Loans referencing such Benchmark in the affected currency shall be suspended (to the extent of the affected amounts or Interest Periods (as applicable)).

During the period referenced in the foregoing sentence, if a component of the Base Rate is based upon the Benchmark, such component will not be used in any determination of the Base Rate.

(c) **Benchmark Replacement Conforming Changes.** In connection with the implementation and administration of any Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) **Notices; Standards for Decisions and Determinations.** The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Benchmark Replacement Conforming Changes. For the avoidance of doubt, any notice required to be delivered by the Administrative Agent as set forth in this **Section 3.03** may be provided, at the option of the Administrative Agent (in its sole discretion), in one or more notices and may be delivered together with, or as part of any amendment which implements any Benchmark Replacement or Benchmark Replacement Conforming Changes. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this **Section 3.03(d)**.

(e) **Unavailability of Tenor of Benchmark.** At any time (including in connection with the implementation of any Benchmark Replacement), (i) if any then-current Benchmark is a term rate (including Term SOFR or any Screen Rate), then the Administrative Agent may remove any tenor of such Benchmark that is unavailable or non-representative for Benchmark (including Benchmark Replacement) settings and (ii) the Administrative Agent may reinstate any such previously removed tenor for Benchmark (including Benchmark Replacement) settings.

(f) **Disclaimer.** The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to

(i) the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “Eurocurrency Rate” or “BBSY” or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation any Benchmark Replacement implemented hereunder),

(ii) the composition or characteristics of any such Benchmark Replacement, including whether it is similar to, or produces the same value or economic equivalence to any Screen Rate or any other Benchmark or have the same volume or liquidity as did such Screen Rate or any other Benchmark,

(iii) any actions or use of its discretion or other decisions or determinations made with respect to any matters covered by this **Section 3.03** including, without limitation, whether or not a Benchmark Transition Event has occurred, the removal or lack thereof of unavailable or non-representative tenors, the implementation or lack thereof of any Benchmark Replacement Conforming Changes, the delivery or non-delivery of any notices required by **clause (d)** above or otherwise in accordance herewith, and

(iv) the effect of any of the foregoing provisions of this **Section 3.03**.

**Section 3.04. Increased Costs; Reserves on Eurocurrency Rate Loans.**

(a) **Increased Costs Generally.** If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurocurrency Rate or BBSY, in each case, as contemplated by **Section 3.04(e)**) or any L/C Issuer;

(ii) subject any Administrative Agent, Lender or L/C Issuer (other than Indemnified Taxes and Excluded Taxes) on its loans, loan principal, letters of credit, bank guarantees, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or L/C Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement, Eurocurrency Rate Loans or BBSY Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Administrative Agent, Lender or L/C Issuer of making, continuing, converting to or maintaining any Eurocurrency Rate Loan and/or BBSY Loans, as applicable (or of maintaining its obligation to make any such Loan), or to increase the cost to such Administrative Agent, Lender or L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or such L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon written request of such Lender or such L/C Issuer, the Borrowers will pay to such Administrative Agent, Lender or L/C Issuer as the case may be, such additional amount or amounts as will compensate such Administrative Agent, Lender or L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered; **provided**, that before making any such demand, each Lender agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions and so long as such efforts would not be disadvantageous to it, in its reasonable discretion, in any legal, economic or regulatory manner) to designate a different Eurocurrency Rate and/or BBSY lending office, as applicable, if the making of such designation would allow the Lender or its Eurocurrency Rate and/or BBSY lending office to continue to perform its obligation to make Eurocurrency Rate Loans and/or BBSY Loans or to continue to fund or maintain Eurocurrency Rate Loans and/or BBSY Loans and avoid the need for, or reduce the amount of, such increased cost.

(b) **Capital Requirements.** If any Lender or L/C Issuer determines that any Change in Law affecting such Lender or such L/C Issuer or any Lending Office of such Lender or such Lender's or such L/C Issuer's holding company, if any, regarding capital or liquidity requirements has the effect of reducing the rate of return on such Lender's or such L/C Issuer's capital or on the capital of such Lender's or such L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such L/C Issuer's policies and the policies of such Lender's or such L/C Issuer's holding company with respect to capital adequacy), then from time to time, after submission to the Borrowers (with a copy to the Administrative Agent) of a written request therefor, the Borrowers will pay to such Lender or such L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or such L/C Issuer or such Lender's or such L/C Issuer's holding company for any such reduction suffered.

(c) **Certificates for Reimbursement.** A certificate of a Lender or an L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or such L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this **Section 3.04**, describing the basis therefore and showing the calculation thereof in reasonable detail, and delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay such Lender or such L/C Issuer, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) **Delay in Requests.** Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to the foregoing provisions of this **Section 3.04** shall not constitute a waiver of such Lender's or such L/C Issuer's right to demand such compensation, *provided*, that the Borrowers shall not be required to compensate a Lender or an L/C Issuer pursuant to the foregoing provisions of this **Section 3.04** for any increased costs incurred or reductions suffered more than 90 days prior to the date that such Lender or such L/C Issuer, as the case may be, notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 90-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) **Additional Reserve Requirements.** The Borrowers shall pay to each Lender,

(i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency or BBSY funds or deposits (currently known as "***Eurocurrency Liabilities***"), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan and/or BBSY Loan, as applicable, equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error), and

(ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans and/or BBSY Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error), which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* the Borrowers shall have received at least 10 Business Days' prior notice (with a copy to the Administrative Agent) of such additional interest or costs from such Lender describing the basis therefor and showing the calculation thereof in reasonable detail.

If a Lender fails to give notice 10 Business Days prior to the relevant Interest Payment Date, such additional interest or costs shall be due and payable within 30 days from receipt of such notice.

**Section 3.05. Compensation for Losses.** Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) **Replacement of Lenders.** If any Lender requests compensation under Section 3.04, if the Borrowers are required to pay any Indemnified Taxes or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), or if any Lender gives a notice pursuant to Section 3.02 or if any Lender is at such time a Defaulting Lender, then the Borrowers may replace such Lender in accordance with Section 11.13.

## **ARTICLE 9.**

### **ADMINISTRATIVE AGENT**

#### **Section 9.01. Appointment.**

(a) Each of the Lenders and the L/C Issuers hereby irrevocably appoints, designates and authorizes each of the Administrative Agent and the Co-Collateral Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are delegated to the Administrative Agent and/or the Co-Collateral Agent by the terms and provisions hereof and of the other Loan Documents, together with such power as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, each of the Administrative Agent and the Co-Collateral Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent or the Co-Collateral Agent have or be deemed to have any fiduciary relationship with any Lender, L/C Issuer or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Co-Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” herein and in the other Loan Documents with reference to the Administrative Agent or the Co-Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. The provisions of this **Article 9** (other than **Sections 9.10** and **9.12**) are solely for the benefit of the Administrative Agent, the Co-Collateral Agent, the Lenders and the L/C Issuer, and neither the Borrowers nor any other Loan Party shall have rights as a third party beneficiary of any such provisions.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Administrative Agent in this **Article 9** with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit or bank guarantees pertaining to such Letters of Credit as fully as if the term “Administrative Agent” as used in this **Article 9** and in the definition of “Agent Affiliate” included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer. The Co-Collateral Agent shall have all of the benefits and immunities provided to the Administrative Agent in this Article 9 with respect to any acts taken or omissions suffered by the Co-Collateral Agent hereunder.

(c) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (in its capacities as a Lender or Swingline Lender (if applicable)) and L/C Issuer hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents (including the Australian Collateral Documents) for and on behalf of) such Lender, L/C Issuer and its Affiliates for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to **Section 9.02** for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents (including the Australian Collateral Documents), or for exercising any rights and remedies thereunder at the direction of the Administrative Agent (or Required Lenders)), shall be entitled to the benefits of all provisions of this **Article 9** (including **Section 9.07**, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders and L/C Issuers hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents (including the Australian Collateral Documents) and acknowledge and agree that any such action by the Administrative Agent shall bind the Lenders and L/C Issuers.

#### **Section 9.02. Delegation of Duties.**

The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents (including the Australian Collateral Documents) or of exercising any rights and remedies thereunder) by or through agents, sub-agents, employees or attorneys-in-fact (including for the purpose of any Borrowing or payment in Alternate Currencies) as shall be deemed necessary by the Administrative Agent and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. Each such sub-agent and the Affiliates of the Administrative Agent and each such sub-agent shall be entitled to the benefits of all provisions of this **Article 9**, **Section 11.04(a)** and **Section 11.04(b)** (as though such sub-agents were the “Administrative Agent” under the Loan Documents) as if set forth in full herein with respect thereto. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

**Section 9.03. Liability of Agents.**

(a) No Agent Affiliate shall

(i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), or

(ii) be responsible in any manner to any Lender, L/C Issuer or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the execution, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents (including, the Australian Collateral Documents), or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder.

(b) No Agent Affiliate shall be under any obligation to any Lender, any L/C Issuer or participant to ascertain or to inquire into

(i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document,

(ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith,

(iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default,

(iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or the perfection or priority of any Lien or security interest created or purported to be created by the Collateral Documents (including the Australian Collateral Documents),

(v) the satisfaction of any condition set forth in **Article 4** or elsewhere herein, other than to confirm receipt of documentary items expressly required to be delivered to the Administrative Agent, or

(vi) to inspect the properties, books or records of any Loan Party or any Affiliate thereof.

(c) No Agent Affiliate shall have any duties or obligations to any Lender, any L/C Issuer or participant except those expressly set forth herein and in the other Loan Documents, and without limiting the generality of the foregoing, the Agent Affiliates:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Person is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), **provided** that such Person shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose it to liability or that is contrary to any Loan Document or applicable law; and

(iii) shall not be required to carry out any "know your customer" or other checks in relation to any person on behalf of any Lender or any L/C Issuer and each Lender and each L/C Issuer confirms to the Administrative Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Administrative Agent or any of its Affiliates.

(d) No Agent Affiliate be liable

(i) to any participant or Secured Party or their Affiliates for any failure, delay in performance, breach by, or as a result of information provided by, any other party to any Loan Document or action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or such Person shall believe in good faith shall be necessary under the circumstances) or

(ii) in the absence of its own gross negligence or willful misconduct, as determined by a final judgment of a court of competent jurisdiction.

(e) For the avoidance of doubt, no Agent Affiliate shall be obligated to calculate or confirm the calculations of any financial covenants set forth herein or the other Loan Documents or in any of the financial statements of the Loan Parties. No Agent Affiliate shall be liable to the Lenders for any apportionment or distribution of payments made by it to such Lenders in good faith and if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover pro rata from the other Lenders any payment equal to the amount to which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them).

(f) In no event shall any Agent Affiliate be liable for any failure or delay in the performance of their respective obligations under this Agreement or any related documents because of circumstances beyond such Agent Affiliate's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depository, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Agreement or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond such Agent Affiliate's control whether or not of the same class or kind as specified above.

(g) Nothing in this Agreement or any other Loan Document shall require any Agent Affiliate to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder.

(h) Without limiting anything contained herein, each Agent Affiliate shall have no obligation for (i) perfecting, maintaining, monitoring, preserving or protecting the security interest or Lien granted under this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby; (ii) the filing, re-filing, recording, re-recording, or continuing of any document, financing statement, mortgage, assignment, notice, instrument of further assurance, or other instrument in any public office at any time or times; or (iii) providing, maintaining, monitoring, or preserving insurance on or the payment of taxes with respect to any Collateral.

**Section 9.04. Reliance by the Administrative Agent.**

(a) The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, instrument, document, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and/or upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by the Administrative Agent.

(b) The Administrative Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders and L/C Issuers against any and all liability and expense which may be incurred by it by reason of taking or continuing to take (or declining to take or continuing to decline to take) any such action, which indemnification may be joint and several.

(c) The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request, consent of or ratification by the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and L/C Issuers; **provided** that the Administrative Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law.

(d) Any notice, consent, request, direction, instruction or ratification by the Required Lenders shall be executed by the Lenders of record providing such consent, request, direction, instruction or ratification.

**Section 9.05. Notice of Default.** The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Administrative Agent shall have received written notice from Required Lender or a Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default” or “notice of an event of default” as applicable. The Administrative Agent will notify the Lenders and the L/C Issuers of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with **Article 8**; **provided** that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders and the L/C Issuers.

**Section 9.06. Credit Decision; Disclosure of Information by Agents.** Each Lender and each L/C Issuer acknowledges that no Agent Affiliate has made any representation or warranty to it, and that no act by the Administrative Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent Affiliate to any Lender or L/C Issuer as to any matter, including whether Agent Affiliates have disclosed material information in their possession. Each Lender and each L/C Issuer represents to the Administrative Agent that it has, independently and without reliance upon any Agent Affiliate and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender and each L/C Issuer also represents that it will, independently and without reliance upon any Agent Affiliate and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders or the L/C Issuers by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender or any L/C Issuer with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent Affiliate.

**Section 9.07. Indemnification of the Administrative Agent.**

Whether or not the transactions contemplated hereby are consummated, the Lenders and L/C Issuers shall indemnify upon demand the Administrative Agent and each other Agent Affiliate, pro rata, and hold harmless the Administrative Agent and each other Agent Affiliate from and against any and all Indemnified Liabilities incurred by it (whether based on contract, tort or any other theory, whether brought by or against a third party or by or against the Lenders or the L/C Issuers, and regardless of whether any Indemnitee is a party thereto); **provided** that no Lender or L/C Issuer shall be liable for the payment to any Agent Affiliate of any portion of such Indemnified Liabilities resulting from such Agent Affiliate's own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction; **provided** that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this **Section 9.07**. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this **Section 9.07** applies whether any such investigation, litigation or proceeding is brought by or against any Lender, any L/C Issuer or any other Person (or whether the Administrative Agent or an Agent Affiliate is a party to any such Proceeding).

Without limitation of the foregoing, each Lender and each L/C Issuer shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including all reasonable fees, expenses and disbursements of any law firm or other external legal counsel and compensation of agents and employees paid for services rendered on behalf of the Lenders or the L/C Issuer) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrowers, **provided** that such reimbursement by the Lenders or by the L/C Issuers shall not affect the Borrowers' continuing reimbursement obligations with respect thereto.

Each Lender hereby authorizes the Administrative Agent and Collateral Agent (including in its capacity as Australian Security Trustee) to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable or distributable by the Administrative Agent or the Collateral Agent (including in its capacity as Australian Security Trustee) to such Lender from any source against any amount due to the Administrative Agent or the Collateral Agent under Section 2.13 and this Section 9.07.

The undertaking in this Section 9.07 shall survive termination of the Commitments of all Lenders and all L/C Issuers, the payment of all other Obligations and the resignation of the Administrative Agent.

**Section 9.08. Withholding Tax.** If any Governmental Authority of the United States, Australia or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Taxes from amounts paid to or for the account of any Lender or any L/C Issuer for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender or such L/C Issuer failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender or such L/C Issuer shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any Loan Party and without limiting or expanding the obligation of the applicable Loan Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, including any interest, additions to tax or penalties thereto, together with all reasonable expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender or any L/C Issuer by the Administrative Agent shall be conclusive absent manifest error.

**Section 9.09. Administrative Agent in Its Individual Capacity.**

(a) Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as Administrative Agent hereunder in its individual capacity. The Administrative Agent and its Affiliates may make loans to, issue letters of credit and bank guarantees for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though the Administrative Agent were not the Administrative Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders and L/C Issuer acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them. With respect to its Loans, the Administrative Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent, an L/C Issuer, and the terms “Lender” and “Lenders” include the Administrative Agent in its individual capacity.

(b) Each Lender and each L/C Issuer understands that the Person serving as Administrative Agent, acting in its individual capacity, and its Affiliates (collectively, the “**Agent’s Group**”) are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 9.09 as “**Activities**”) and may engage in the Activities with or on behalf of one or more of the Loan Parties or their respective Affiliates. Furthermore, the Agent’s Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Loan Parties and their Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in Holdings, another Loan Party or their respective Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of the Loan Parties or their Affiliates. Each Lender and each L/C Issuer understands and agrees that in engaging in the Activities, the Agent’s Group may receive or otherwise obtain information concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to perform their respective Obligations hereunder and under the other Loan Documents) which information may not be available to any of the Lenders or any of the L/C Issuers that are not members of the Agent’s Group. Neither the Administrative Agent nor any member of the Agent’s Group shall have any duty to disclose to any Lender or any L/C Issuer or use on behalf of the Lenders or on behalf of the L/C Issuers, and shall not be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any Loan Party or any Affiliate of any Loan Party) or to account for any revenue or profits obtained in connection with the Activities, except that the Administrative Agent shall deliver or otherwise make available to each Lender and each L/C Issuer such documents as are expressly required by any Loan Document to be transmitted by the Administrative Agent to the Lenders or the L/C Issuers.

(c) Each Lender and each L/C Issuer further understands that there may be situations where members of the Agent's Group or their respective customers (including the Loan Parties and their Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Lenders or L/C Issuers (including the interests of the Lenders or L/C Issuers hereunder and under the other Loan Documents). Each Lender and each L/C Issuer agrees that no member of the Agent's Group is or shall be required to restrict its activities as a result of the Person serving as Administrative Agent being a member of the Agent's Group, and that each member of the Agent's Group may undertake any Activities without further consultation with or notification to any Lender or any L/C Issuer. None of (i) this Agreement nor any other Loan Document, (ii) the receipt by the Agent's Group of information (including Information) concerning the Loan Parties or their Affiliates (including information concerning the ability of the Loan Parties to perform their respective Obligations hereunder and under the other Loan Documents) nor (iii) any other matter shall give rise to any fiduciary, equitable or contractual duties (including without limitation any duty of trust or confidence) owing by the Administrative Agent or any member of the Agent's Group to any Lender or any L/C Issuer including any such duty that would prevent or restrict the Agent's Group from acting on behalf of customers (including the Loan Parties or their Affiliates) or for its own account.

**Section 9.10. Resignation by the Administrative Agent.**

(a) The Administrative Agent may resign as the Administrative Agent upon 30 days' prior notice to the Lenders, the L/C Issuers and the Borrowers. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders (or such other Person reasonably acceptable to Holdings), which successor agent shall be consented to by Holdings at all times other than during the existence of an Event of Default under **Section 8.01(f)** (which consent of Holdings shall not be unreasonably withheld or delayed).

(b) If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and Holdings, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent, and the term "Administrative Agent" shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be, and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this **Article 9**, **Section 11.04(a)** and **Section 11.04(b)** shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement.

(c) If no successor agent has accepted appointment as the Administrative Agent by the date which is 30 days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders and L/C Issuers shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

(d) Upon the acceptance of any appointment as the Administrative Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the requirements of **Section 6.12** are (or continue to be) satisfied, the successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under the Loan Documents (if not already discharged therefrom as provided above in this **Section 9.10**).

(e) After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this **Article 9, Section 11.04(a)** and **Section 11.04(b)** shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent.

(f) Any resignation by the Administrative Agent as Administrative Agent pursuant to this **Section 9.10** shall also constitute its resignation as a Swingline Lender and its resignation as an L/C Issuer. Upon the acceptance of a successor's appointment as Administrative Agent hereunder,

(i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Swingline Lender and L/C Issuer,

(ii) the retiring Swingline Lender and L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and

(iii) the successor L/C Issuer shall issue letters of credit or bank guarantees in substitution for the Letters of Credit issued by Citibank, N.A., if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer effectively to assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(g) Anything herein to the contrary notwithstanding, if at any time the Required Lenders determine that the Person serving as Administrative Agent is (without taking into account any provision in the definition of "Defaulting Lender" requiring notice from the Administrative Agent or any other party) a Defaulting Lender, the Required Lenders (determined after giving effect to **Section 11.01**) may by notice to the Borrower Representative and such Person remove such Person as Administrative Agent and, with the consent of Holdings (not to be unreasonably withheld), appoint a replacement Administrative Agent hereunder. Such removal will, to the fullest extent permitted by applicable law, be effective on the date a replacement Administrative Agent is appointed.

**Section 9.11. Administrative Agent May File Proofs of Claim.** In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Administrative Agent and its agents and counsel and all other amounts due the Lenders and the Administrative Agent under **Section 2.04(j)**, **Section 2.04(k)**, **Section 2.10** and **Section 11.04(b)**) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

(c) and any custodian, receiver, interim receiver, receiver and manager, assignee, trustee, liquidator, sequestrator, Controller or other similar official in any such judicial proceeding is hereby authorized by each Lender and each L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders or L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and their respective agents and counsel, and any other amounts due the Administrative Agent under **Section 2.10** and **Section 11.04(b)**.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any L/C Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any L/C Issuer in any such proceeding.

**Section 9.12. Collateral and Guaranty Matters.**

The Lenders and the L/C Issuer irrevocably agree:

(a) that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (including, in its capacity as Australian Security Trustee) under any Loan Document shall be automatically released

(i) upon termination of the Commitments of all the Lenders and the L/C Issuer and payment in full of all Obligations (other than contingent indemnification obligations not yet accrued and payable) and the expiration or termination of all Letters of Credit (other than Letters of Credit in which the Outstanding Amount of the L/C Obligations related thereto have been Cash Collateralized or, if satisfactory to the L/C Issuer in its sole discretion, for which a backstop letter of credit or bank guarantee is in place),

(ii) at the time the property subject to such Lien is transferred or to be transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to a Loan Party; and

(iii) subject to **Section 11.01**, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders;

(b) to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by **Section 7.01(f)**;

(c) that any Guarantor (other than the Borrowers) shall be automatically released from its obligations under the Guarantee in **Article 10** if in the case of any Guarantor, such Person ceases to be a Subsidiary as a result of a transaction or designation permitted hereunder; and

(d) if any Guarantor shall cease to be a Material Subsidiary (as certified in writing by a Responsible Officer) and Holdings notifies the Administrative Agent in writing that it wishes such Guarantor to be released from its Obligations hereunder or its obligations under the Guarantee in **Article 10** hereto such Subsidiary shall be automatically released from its Obligations hereunder or its obligations under its Guarantee.

Notwithstanding the foregoing, a release of Collateral that is ABL Priority Collateral outside of the ordinary course of business, a subordination of the Lien securing the Obligations and a release of any Guarantor, in each case, shall be subject to Holdings delivering updated Borrowing Base Certificate demonstrating, after giving pro forma effect to such release (including any prepayment or repayment of the Loans), the Total Outstandings does not exceed the Maximum Revolving Credit.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this **Section 9.12**. In each case as specified in this **Section 9.12**, the Administrative Agent will promptly (and each Lender and each L/C Issuer irrevocably authorizes the Administrative Agent to), at Holding's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents (including the Australian Collateral Documents), or to evidence the release of such Loan Party from its obligations under any of the Loan Documents, in each case in accordance with the terms of the Loan Documents and this **Section 9.12**.

**Section 9.13. Arrangers and Bookrunners.** Except as expressly provided herein, none of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "Joint Lead Arranger" or "Joint Bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender and each L/C Issuer acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

**Section 9.14. Appointment of Supplemental Collateral Agents.**

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, collateral sub-agent, collateral co-agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Administrative Agent**" and collectively as "**Supplemental Administrative Agents**").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral,

(i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and

(ii) the provisions of this **Article 9** and of **Section 11.04(a)** and **Section 11.04(b)** that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to it such rights, powers, privileges and duties, such Loan Party shall execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

**Section 9.15. Reports and Financial Statements.** By signing this Agreement, each Lender and each L/C Issuer:

(a) is deemed to have requested that the Administrative Agent furnish such Lender or such L/C Issuer, as applicable, promptly after they become available, copies of all financial statements required to be delivered by Holdings hereunder and all field examinations, audits and appraisals of the Collateral received by the Administrative Agent (collectively, the “**Reports**”);

(b) expressly agrees and acknowledges that the Administrative Agent (i) makes no representation or warranty as to the accuracy of the Reports, and (ii) shall not be liable for any information contained in any Report;

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Administrative Agent or any other party performing any audit or examination will inspect only specific information regarding the Loan Parties and will rely significantly upon the Loan Parties' books and records, as well as on representations of the Loan Parties' personnel;

(d) agrees to keep all Reports confidential in accordance with the provisions of **Section 11.07** (other than **clause (g)** thereof); and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees:

(i) to hold the Administrative Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any Loans or Letters of Credit that the indemnifying Lender has made or may make to the Borrowers, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a Loan or Loans of the Borrowers; and

(ii) to pay and protect, and indemnify, defend, and hold the Administrative Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including reasonable attorney costs) incurred by the Administrative Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender

in each case, including, in connection with, or as a result of any actual or prospective claim, actions, suits, inquiries, litigation, investigation or proceeding relating to any of the foregoing or the preparation of any defense in connection therewith, whether based on contract, tort or any other theory, whether brought by or against such Lender or L/C Issuer, a third party or by the Borrowers or any other Loan Party, and regardless of whether the Administrative Agent (or such preparing Lender) is a party thereto.

**Section 9.16. Posting of Approved Electronic Communications.**

(a) Each of the Lenders and L/C Issuers and each Loan Party agree that the Administrative Agent may, but shall not be obligated to, make the Approved Electronic Communications available to the Lenders and the L/C Issuers by posting such Approved Electronic Communications on Debt Domain, IntraLinks™ or a substantially similar electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "**Approved Electronic Platform**").

(b) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a dual firewall and a User ID/Password Authorization System) and the Approved Electronic Platform is secured through a single-user-per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Lenders, the L/C Issuer and each Loan Party acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution. In consideration for the convenience and other benefits afforded by such distribution and for the other consideration provided hereunder, the receipt and sufficiency of which is hereby acknowledged, each of the Lenders, the L/C Issuer and each Loan Party hereby approves distribution of the Approved Electronic Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(c) The Approved Electronic Platform and the Approved Electronic Communications are provided “as is” and “as available”. None of the Administrative Agent, the Collateral Agent (including in its capacity as the Australian Security Trustee) nor any of their respective Affiliates or any of their respective officers, directors, employees, agents, advisors, attorneys or representatives (the Administrative Agent, the Collateral Agent (including in its capacity as the Australian Security Trustee) and each of the foregoing, each, an “**Agent Affiliate**”) warrant the accuracy, adequacy or completeness of the Approved Electronic Communications or the Approved Electronic Platform and each expressly disclaims liability for errors or omissions in the Approved Electronic Platform and the Approved Electronic Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Agent Affiliates in connection with the Approved Electronic Platform or the Approved Electronic Communications.

(d) Each of the Lenders, the L/C Issuers and each Loan Party agree that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Approved Electronic Communications on the Approved Electronic Platform in accordance with the Administrative Agent’s generally-applicable document retention procedures and policies.

(e) Each Borrower hereby acknowledges that certain of the Lenders may be “public-side” Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Borrower or its securities) (each, a “**Public Lender**”). Each Borrower hereby agrees that so long as a Borrower is the issuer of any outstanding debt or equity securities that are registered or issued pursuant to a private offering or is actively contemplating issuing any such securities

(w) all materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, “**Borrower Materials**”) that are to be made available to Public Lenders shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof;

(x) by marking Borrower Materials “PUBLIC,” the Borrowers shall be deemed to have authorized the Administrative Agent, any Arranger, the L/C Issuers and the Lenders to treat the Borrower Materials as not containing any material non-public information with respect to the Borrowers or its securities for purposes of United States Federal and state securities laws (*provided, however*, that to the extent the Borrower Materials constitute Information, they shall be treated as set forth in **Section 11.07**);

(y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Investor;” and

(z) the Administrative Agent and any Arranger shall be entitled to treat the Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not designated “Public Investor.” Notwithstanding the foregoing, the Borrower shall not be under any obligation to mark the Borrower Materials “PUBLIC.”

In connection with the foregoing, each party hereto acknowledges and agrees that the foregoing provisions are not in derogation of their confidentiality obligations under **Section 11.07**.

#### **Section 9.17. Erroneous Payments.**

(a) If the Administrative Agent notifies a Lender, L/C Issuer or Secured Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Party such Lender or L/C Issuer (any such Lender, L/C Issuer, Secured Party or other recipient, a “**Payment Recipient**”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, L/C Issuer, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, L/C Issuer or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, L/C Issuer or Secured Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Party such Lender or L/C Issuer, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, L/C Issuer or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, L/C Issuer or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this **Section 9.17(b)**.

(c) Each Lender, L/C Issuer or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, L/C Issuer or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, L/C Issuer or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender or L/C Issuer that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “**Erroneous Payment Return Deficiency**”), upon the Administrative Agent’s notice to such Lender or L/C Issuer at any time,

(i) such Lender or L/C Issuer shall be deemed to have assigned its Loans (but not its Commitments) of the relevant class with respect to which such Erroneous Payment was made (the “**Erroneous Payment Impacted Class**”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the “**Erroneous Payment Deficiency Assignment**”) at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrowers) deemed to execute and deliver an Assignment and Acceptance (or, to the extent applicable, an agreement incorporating an Assignment and Acceptance by reference pursuant to an Approved Electronic Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or L/C Issuer shall deliver any Notes evidencing such Loans to the Borrowers or the Administrative Agent,

(ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment,

(iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or L/C Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning L/C Issuer shall cease to be a Lender or L/C Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning L/C Issuer and

(iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment.

The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or L/C Issuer shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or L/C Issuer (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, L/C Issuer or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (any such Obligations to which the Administrative Agent has become a subrogee, the “**Erroneous Payment Subrogation Obligations**”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrowers or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine

(g) Each party’s obligations, agreements and waivers under this **Section 9.17** shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

## **ARTICLE 10.**

### **GUARANTEE**

#### **Section 10.01. Guarantee.**

(a) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, endorsees, transferees and assigns, the prompt and complete payment and performance by the Borrowers and each other Loan Party when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under any applicable Law relating to fraudulent conveyances, fraudulent transfers, or the insolvency of debtors (after giving effect to the right of contribution established in **Section 10.02**).

(c) Each Guarantor agrees that the Obligations may at any time and from time to time exceed the maximum amount of the liability of such Guarantor under **Section 10.01(b)**, without impairing the guarantee contained in this **Article 10** or affecting the rights and remedies of the Secured Parties hereunder.

(d) The guarantee contained in this **Article 10** shall remain in full force and effect until all the Obligations (other than any contingent indemnification obligations not then due) shall have been satisfied by payment in full, no Letter of Credit shall be outstanding (except to the extent that the Letters of Credit have been Cash Collateralized or otherwise supported, in each case, on terms satisfactory to the Administrative Agent), and the Commitments shall be terminated, notwithstanding that from time to time during the term of the Agreement the Borrowers may be free from any Borrower Obligations.

(e) No payment made by the Borrowers, any of the Guarantors, any other Guarantor or any other Person or received or collected by any Secured Party from the Borrowers, any of the Guarantors, any other Guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to reduce, release, modify or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Obligations or any payment received or collected from such Guarantor in respect of the Obligations), remain liable for the Obligations up to the maximum liability of such Guarantor hereunder until the Obligations (other than any contingent indemnification obligations not then due) are paid in full, no Letter of Credit shall be outstanding (except to the extent that the Letters of Credit have been Cash Collateralized or otherwise supported, in each case, on terms satisfactory to the Administrative Agent), and the Commitments are terminated.

**Section 10.02. Right of Contribution.** Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder (including by way of set-off rights being exercised against it), such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of **Section 10.03**. The provisions of this **Section 10.02** shall in no respect limit the obligations and liabilities of any Guarantor to the Secured Parties, and each Guarantor shall remain jointly and severally liable to the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

**Section 10.03. No Subrogation.** Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by any Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of any Secured Party against the Borrowers or any Guarantor or any collateral security or guarantee or right of offset held by any Secured Party for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrowers or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Secured Parties by the Borrowers on account of the Obligations (other than any contingent indemnification obligations not then due) are paid in full, no Letter of Credit shall be outstanding (except to the extent that the Letters of Credit have been Cash Collateralized or otherwise supported, in each case, on terms satisfactory to the Administrative Agent), and the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations (other than any contingent indemnification obligations not then due) shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Administrative Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Administrative Agent, if required), to be applied against the Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

**Section 10.04. Amendments, etc. with Respect to the Borrower Obligations.** Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Borrower Obligations continued, and the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, increased, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and this Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders or all Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for the guarantee contained herein or any property subject thereto.

**Section 10.05. Guarantee Absolute and Unconditional.** Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance that constitutes a legal or equitable discharge of a guarantor or a surety other than payment in full of the Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

- (a) The guarantee under this **Article 10** is a guaranty of payment when due and not of collectability, and is a primary obligation of each Guarantor and not merely a contract of surety.
- (b) The Administrative Agent may enforce the guarantee under this **Article 10** upon the occurrence of an Event of Default notwithstanding the existence of any dispute between the Borrowers and any Beneficiary with respect to the existence of such Event of Default.
- (c) Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this **Article 10** or acceptance of the guarantee contained in this **Article 10**.
- (d) The Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this **Article 10** and all dealings between the Borrowers and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this **Article 10**.
- (e) To the fullest extent permitted by applicable law, each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrowers or any of the Guarantors with respect to the Obligations.
- (f) Each Guarantor understands and agrees that the guarantee contained in this **Article 10** shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to
  - (i) the validity or enforceability of the Agreement or any other Loan Document, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party,
  - (ii) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrowers or any other Person against any Secured Party,
  - (iii) any acts of any legislative body or Governmental Authority affecting the Borrowers, including but not limited to, any restrictions on the conversion of currency or repatriation or control of funds or any total or partial expropriation of the Borrowers' property, or by economic, political, regulatory or other events in the countries where the Borrowers are located, or
  - (iv) any other circumstance whatsoever (with or without notice to or knowledge of the Borrowers or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrowers for the Obligations, or of such Guarantor under the guarantee contained in this, in bankruptcy or in any other instance.
- (g) When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrowers, any other Guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Administrative Agent or any other Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrowers, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrowers, any other Guarantor or any other Person or any such collateral security or guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Secured Parties against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

**Section 10.06. Waiver by Guarantors.** Each Guarantor hereby waives, for the benefit of the Secured Parties:

- (a) any right to require any Secured Party, as a condition of payment or performance by such Guarantor, to
  - (i) proceed against Borrowers, any other Guarantor of the Obligations or any other Person,
  - (ii) proceed against or exhaust any security held from Borrowers, any such other Guarantor or any other Person,
  - (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Secured Party in favor of Borrowers or any other Person, or
  - (iv) pursue any other remedy in the power of any Secured Party whatsoever;
- (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrowers or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrowers or any other Guarantor from any cause other than payment in full of the Obligations;
- (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal;
- (d) any defense based upon any Secured Party's errors or omissions in the administration of the Obligations, except behavior which amounts to bad faith;
- (e)
  - (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder,
  - (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof,
  - (iii) any rights of set offs, recoupments and counterclaims, and
  - (iv) promptness, diligence and any requirement that any Secured Party protect, secure, perfect or insure any security interest or lien or any property subject thereto;

(f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including the acceptance hereof, notices of default hereunder, the Secured Hedge Agreements or any agreement or instrument related thereto, the Secured Cash Management Agreements or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Obligations or any agreement related thereto, notices of extension of credit to Borrowers;

(g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate Guarantors or sureties, or which may conflict with the terms hereof;

(h) any defenses arising from the amendment or waiver of any term of the Loan Documents;

(i) any defenses arising from failure to perfect any security granted over the Collateral or any release of security over the Collateral;

(j) any law or regulation of any jurisdiction or any other event affecting any term of the Loan Documents or the Obligations; and

(k) any other circumstances that might constitute a defense to the Guarantor.

#### **Section 10.07. Releases.**

(a) At such time as the Obligations shall have been paid in full (other than any contingent indemnification obligations not then due), the Commitments have been terminated and no Letters of Credit shall be outstanding (except to the extent that the Letters of Credit that have been Cash Collateralized or otherwise supported, in each case, on terms satisfactory to the Administrative Agent), all obligations (other than those expressly stated to survive such termination) of each Guarantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party. At the request and sole expense of any Guarantor following any such termination, the Administrative Agent shall execute and deliver to such Guarantor such documents as such Guarantor shall reasonably request to evidence such termination.

(b) A Guarantor shall automatically be released from its obligations hereunder and the Guarantee of such Guarantor shall automatically be released

(i) upon the consummation of any transaction or related series of transaction permitted hereunder if as a result thereof such Guarantor shall cease to be a Subsidiary (or becomes an Excluded Subsidiary); ***provided***, that a Guarantor shall not be released until Holdings delivers an updated Borrowing Base Certificate demonstrating, after giving pro forma effect to such release (including any prepayment or repayment of the Loans), the Total Outstandings does not exceed the Maximum Revolving Credit or

(ii) upon the repayment in full in cash of all of the Obligations.

In connection with any such release, the Administrative Agent shall promptly execute and deliver to any Guarantor, at such Guarantor's expense, all documents that such Guarantor shall reasonably request to evidence termination or release. Any execution and delivery of documents pursuant to the preceding sentence of this **Section 10.07(b)** shall be without recourse to or warranty by the Administrative Agent (other than as to the Administrative Agent's authority to execute and deliver such documents).

**Section 10.08. Subordination of Other Obligations.** Any Indebtedness of the Borrowers or any Guarantor held as of the Closing Date or thereafter by any Guarantor (the "***Obligee Guarantor***") is hereby subordinated in right of payment to the Obligations, and any such indebtedness collected or received by the Obligee Guarantor after an Event of Default has occurred and is continuing shall be held in trust for the Administrative Agent on behalf the Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of the Beneficiaries to be credited and applied against the Obligations but without affecting, impairing or limiting in any manner the liability of the Obligee Guarantor under any other provision hereof.

**Section 10.09. Authority of Guarantors or Borrowers.** It shall not be necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Borrowers or the officers, directors or agents acting or purporting to act on behalf of any of them.

**Section 10.10. Financial Condition of Borrowers.** Any Credit Extension may be made to the Borrowers or continued from time to time, without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrowers at the time of such grant or continuation. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of the Borrowers. Each Guarantor has adequate means to obtain information from the Borrowers on a continuing basis concerning the financial condition of the Borrowers and its ability to perform its obligations under the Loan Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrowers and all circumstances bearing upon the risk of nonpayment of the Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of the Borrowers known as of the Closing Date or thereafter known by any Beneficiary.

**Section 10.11. Taxes and Payments.** The provisions of **Section 3.01(a)-(e)** shall apply *mutatis mutandis* to the Guarantors and payments thereby.

**Section 10.12. Assignments.** Each Guarantor acknowledges that the Administrative Agent or any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, the Loans owing to it and any Note or Notes held by it) and such assignee, transferee or participant shall thereupon become vested with all the benefits in respect thereof granted to such party herein or otherwise, in each case as and to the extent provided in **Section 11.06**. No Guarantor shall have the right to assign its rights hereunder or any interest herein except in accordance with **Section 11.06**.

**Section 10.13. Reinstatement.** Each Guarantor agrees that if (a) any payment made by the Borrowers or any other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or (b) the proceeds of Collateral are required to be returned by any Beneficiary to the Borrowers or its estate, trustee, receiver or any other Party including any Guarantor or its estate, trustee, or receiver under any requirement of Law, then, to the extent of such payment or repayment, any such Guarantors liability hereunder shall be and remain in full force and effect, as fully as if such payment had never been made. If, prior to any of the foregoing, the guarantee under this **Article 10** shall have been cancelled or surrendered (and, if any Lien or other Collateral securing such Guarantor's liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), the guarantee under this **Article 10** (and such Lien or other Collateral) shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any such Guarantor in respect of the amount of such payment (or any lien or other Collateral securing such obligation).

**Section 10.14. Keepwell.** Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guarantee in respect of Swap Contracts (*provided, however*, that each Qualified ECP Guarantor shall only be liable under this **Section 10.14** for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this **Section 10.14**, or otherwise under this Guarantee, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this **Section 10.14** shall remain in full force and effect until the Obligations have been paid in full and the Commitments and all Letters of Credit have been terminated. Each Qualified ECP Guarantor intends that this **Section 10.14** constitute, and this **Section 10.14** shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

**MISCELLANEOUS**

**Section 11.01. Amendments, Etc.** No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrowers or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrowers or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided, however*, that no such amendment, waiver or consent shall:

- (a) extend or increase the Commitment of any Lender without the written consent of each Lender directly affected thereby;
- (b)
  - (i) extend the scheduled maturity of any Loan, or
  - (ii) postpone any date fixed by this Agreement or any other Loan Document for any payment or mandatory prepayment of principal, interest, fees or other amounts due to the Lenders (or any of them) or any mandatory reduction of the aggregate Commitments hereunder without the written consent of each Lender directly adversely affected thereby;
- (c) reduce the principal of, or the stated rate of interest specified herein on, any Loan or Unreimbursed Amount, or (subject to **clause (iv)** of the proviso to this **Section 11.01**) any fees or other amounts payable hereunder without the written consent of each Lender entitled to such amount; *provided, however*, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest or Letter of Credit Fees at the Default Rate;
- (d) change **Section 2.07** or **Section 8.03** in a manner that would alter the pro rata sharing of payments or payment priorities required thereby without the written consent of each Lender adversely affected thereby;
- (e) change any provision of this **Section 11.01** or the definitions of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender adversely affected thereby;
- (f) release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; *provided* that the Collateral Agent (including in its capacity as the Australian Security Trustee) may, without consent from any other Lender or Secured Party, release any Collateral that is sold or otherwise Disposed of by a Loan Party in compliance with **Section 7.05** or as otherwise expressly provided in the Loan Documents;

(g) release all or substantially all of the Guarantors, without the written consent of each Lender, except to the extent the release of any Guarantor is permitted pursuant to **Section 10.07** or as otherwise expressly permitted under the Loan Documents (in which case such release may be made by the Administrative Agent acting alone); or

(h) directly or indirectly, whether by amendment, waiver or otherwise, increase the advance rates set forth in the definition of the term "Borrowing Base," add new asset categories to the Borrowing Base or otherwise cause the Borrowing Base or availability under the Facility provided for herein to be increased (other than changes in Reserves implemented by the Administrative Agent (and, during a Co-Collateral Agent Period, the Administrative Agent and the Co-Collateral Agent) in its Reasonable Credit Judgment) without the written consent of each Lender adversely affected thereby;

*provided*, that

(i) no amendment, waiver or consent shall, unless in writing and signed by the applicable L/C Issuer in addition to the Lenders required above, affect the rights or duties of such L/C Issuer under this Agreement or any document relating to any Letter of Credit issued or to be issued by it; and

(ii) no amendment, waiver or consent shall, unless in writing and signed by the Swingline Lender in addition to the Lenders required above, affect the rights and duties of the Swingline Lender under this Agreement; and

(iii) (A) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document or

(B) no amendment, waiver or consent shall, unless in writing and signed by the Co-Collateral Agent in addition to the Lenders required above, affect the rights or duties of the Co-Collateral Agent under this Agreement or any other Loan Document; and

(iv) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender and that has been approved by the Required Lenders, the Borrowers may replace each non-consenting Lender in accordance with **Section 11.13**; *provided*, that such amendment, waiver, consent or release can be effected as a result of all such assignments.

Any such waiver and any such amendment or modification pursuant to this **Section 11.01** shall apply equally to each of the Lenders and shall be binding upon the Borrowers, the Lenders, the L/C Issuers, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Borrowers, the Lenders, the L/C Issuers and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Loan Documents, and any Default or Event of Default that is waived pursuant to this **Section 11.01** shall be deemed to be cured and not continuing during the period of such waiver.

Notwithstanding the foregoing, without the consent of any other party hereto, this Agreement may be amended by the Administrative Agent, Holdings and each Borrower to the extent necessary to integrate any Alternate Currency.

Notwithstanding anything to the contrary contained in this **Section 11.01**, guarantees, collateral security documents and related documents executed by Loan Parties or any Subsidiaries of Holdings in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be amended, supplemented and waived with the consent of the Administrative Agent at the request of Holdings without the need to obtain the consent of any other Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure any typographical ambiguity, error, defect or inconsistency or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Document but, for the avoidance of doubt, this provision shall not authorize any amendment, supplement or waiver which releases Collateral or Guarantors unless amended in accordance with this **Section 11.01**. The Administrative Agent shall be entitled to extend any deadline or requirement in connection with compliance with guarantee and security provisions in the Loan Documents without the consent of any other Lender.

If the Administrative Agent and Holdings shall have jointly identified an obvious error, mistake or ambiguity or any error or omission of a technical or administrative nature in any Loan Document, then the Administrative Agent and Holdings shall be permitted to amend such provision without further action or consent of any other party if the same is not objected to in writing by the Required Lenders to the Administrative Agent within five (5) business days following receipt of notice thereof.

Notwithstanding the foregoing, no Lender consent is required to effect any amendment or supplement to the ABL Intercreditor Agreement, the Stanwell Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any other Indebtedness and Liens permitted hereunder to be secured by a Lien on Collateral, as expressly contemplated by the terms of such ABL Intercreditor Agreement, the Stanwell Intercreditor Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing).

**Section 11.02. Notices; Effectiveness; Electronic Communications.**

(a) **Notices Generally.** Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in **subsection (b)** below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrowers, the Administrative Agent or L/C Issuer, to the address, telecopier number, electronic mail address or telephone number specified for such Person on **Schedule 11.02** (or such other address or number as the Borrowers, the Administrative Agent or any L/C Issuer may from time to time notify to each other party); and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in **subsection (b)** below shall be effective as provided in such **subsection (b)**.

(b) **Electronic Communications.** Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, **provided**, that the foregoing shall not apply to notices to any Lender or L/C Issuer pursuant to **Article 2** if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, **provided**, that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes,

(i) notices and other communications sent to the Lenders and the L/C Issuers to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), **provided**, that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and

(ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing **clause (i)** of notification that such notice or communication is available and identifying the website address therefor.

Each Lender agrees that notice to it specifying that any Borrower Materials or other notices or communications have been posted to the Platform shall constitute effective delivery of such information, documents or other materials to such Lender for purposes of this Agreement; **provided** that if requested by any Lender, the Administrative Agent shall deliver a copy of the Borrower Materials, notices or other communications to such Lender by email or fax.

(c) **The Platform.** THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Borrowers, any Lender, L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrowers' or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses have resulted from the gross negligence or willful misconduct of such Agent Party as determined by a court of competent jurisdiction in a final, non-appealable judgment; **provided, however**, that in no event shall the Agent Party have any liability to the Borrowers, any Lender, L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) **Change of Address, Etc.** Each of the Borrowers, the Administrative Agent and each L/C Issuer may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers, the Administrative Agent and each L/C Issuer. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) **Reliance by Administrative Agent, L/C Issuers and Lenders.** The Administrative Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

**Section 11.03. No Waiver; Cumulative Remedies.** None of the Secured Parties shall by any act (except by a written instrument pursuant to **Section 11.01**), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure by any Lender, L/C Issuer or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

**Section 11.04. Expenses; Indemnity; Damage Waiver.**

(a) **Costs and Expenses.** The Borrowers shall pay

(i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Lenders as of the Closing Date, and their Affiliates (including the reasonable and documented fees, charges and disbursements of counsel, financial advisor and industry advisors for the Administrative Agent), in connection with the Facility, including, without limitation, internal per diem field examination costs, syndication of the Facility, closing and due diligence costs and costs in connection with the preparation, negotiation, execution, delivery, administration and enforcement of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated),

Each Guarantor agrees to pay or reimburse each Secured Party for all its reasonable and documented out-of-pocket expenses incurred in collecting against such Guarantor under the guarantee contained in **Article 10** or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Guarantor is a party, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Administrative Agent.

(b) **Indemnification by the Loan Parties.** The Borrowers and each Guarantor shall indemnify the Administrative Agent (and any sub-agent thereof), each Arranger, each Lender and each L/C Issuer, and each of their Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, costs and expenses (including, without limitation, the reasonable and documented out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted by or against any Indemnitee by any third party or by or against the Borrowers or any other Loan Party arising out of, in connection with, or as a result of

*provided*, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses

(x) have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee as determined by a court of competent jurisdiction in a final, non-appealable judgment,

Notwithstanding any other provision in this Agreement or any other Loan Document, no Indemnitee shall be liable for any indirect, special, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) in connection with its activities related to this Agreement, the other Loan Documents or the transactions contemplated hereby or thereby; **provided** that such waiver of special, indirect, consequential or punitive damages shall not limit the indemnification obligations of the Borrower under this **Section 11.04(b)**.

No Loan Party shall, without the prior written consent of any affected Indemnitee (which consent shall not be unreasonably withheld, delayed or conditioned), effect any settlement of any pending or threatened proceedings in respect of which indemnity could have been sought hereunder by such Indemnitee unless such settlement (i) includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceedings and (ii) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any Indemnitee.

Each Borrower acknowledges that information and other materials relative to the Facility and the transactions contemplated hereby may be transmitted through the Platform. No Indemnitee will be liable to any Borrower or any of its affiliates or any of their respective security holders or creditors for any damages arising from the use by unauthorized persons of information or other materials sent through the Platform that are intercepted by such persons.

(c) **Reimbursement by Lenders.**

Each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such L/C Issuer or such Related Party, as the case may be, such Lender's pro rata share (based on the Loans and unused Commitments held by such Lender relative to the total Loans and unused Commitments then outstanding) of such unpaid amount, **provided**, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or such L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or L/C Issuer in connection with such capacity. The obligations of the Lenders under this **subsection (c)** are subject to the provisions of **Section 2.13(d)**.

(d) **Waiver of Consequential Damages, Etc.** To the fullest extent permitted by applicable law, the Borrowers shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in **subsection (b)** above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent such damages result from the gross negligence or willful misconduct of such Indemnitee, in each case, as determined by the final nonappealable judgment of a court of competent jurisdiction.

(e) **Payments.** All amounts due under this Section 11.04 shall be payable not later than 10 Business Days after demand therefor.

(f) **Survival.** The agreements in this Section 11.04 shall survive the resignation of the Administrative Agent or any L/C Issuer, the replacement of any Lender, the termination of the aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

**Section 11.05. Payments Set Aside.** To the extent that any payment by or on behalf of the Borrowers is made to the Administrative Agent, any L/C Issuer or any Lender, or the Administrative Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, any L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then

(a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and

(b) each Lender and L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Overnight Rate from time to time in effect.

The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

**Section 11.06. Successors and Assigns.**

(a) **Successors and Assigns Generally.** The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except

(i) to an Eligible Assignee in accordance with the provisions of Section 11.06(b),

(ii) by way of participation in accordance with the provisions of Section 11.06(d), or

(iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 11.06(f).

Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuers and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) **Assignments by Lenders.**

(i) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans (including for purposes of this **Section 11.06(b)**), participations in L/C Obligations and Swingline Loans) at the time owing to it), *provided*, that:

(A) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of such "Trade Date", shall not be less than \$5,000,000 (or the Alternate Currency Equivalent);

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee in the amount of \$3,500; *provided, however*, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment;

(D) each party to an assignment appoints the Administrative Agent to act as its agent to execute an Australian Recognition Certificate on its behalf, ratifies that execution, and agrees it is therefore bound as set out the Australian Recognition Certificate by the terms set out in the Australian Security Trust Deed; and

(E) an assignment will only be effective on receipt by the Administrative Agent of confirmation from the Australian Security Trustee that the Australian Security Trustee has performed all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such assignment (the receipt of which the Administrative Agent shall promptly notify to the parties to the assignment) and the new Lender has become bound by an Australian Recognition Certificate.

(ii) The Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(iii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each L/C Issuer, the Swingline Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this **clause (iii)**, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Acceptance, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the Borrowers (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 11.06(d).

(c) **Register.** The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and the L/C Issuer, at any reasonable time and from time to time upon reasonable prior notice.

(d) **Participations.**

(i) Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrowers or any of the Borrowers' Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swingline Loans) owing to it); **provided**, that

(A) such Lender's obligations under this Agreement shall remain unchanged,

(B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and

(C) the Borrowers, the Administrative Agent, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided*, that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in **clauses (a), (b), (c), (f) and (g)** of the first proviso to **Section 11.01** that affects such Participant. Subject to **subsection (e)** of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of **Sections 3.01, 3.04 and 3.05** to the same extent as if it were a Lender and had acquired its interest by assignment; *provided, further*, that in the case of **Section 3.01**, such Participant shall have complied with the requirements of such section (it being understood that the documentation required under **Section 3.01** shall be delivered to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of **Section 10.07** as though it were a Lender, *provided* such Participant agrees to be subject to **Section 2.14** as though it were a Lender. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of **Section 11.13** with respect to any Participant.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit, bank guarantees or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit, bank guarantee or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the U.S. Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) **Limitations upon Participant Rights.** A Participant shall not be entitled to receive any greater payment under **Section 3.01, Section 3.04** or **Section 3.05** than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with Holding's prior written consent or such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(f) **Certain Pledges.** Any Lender may at any time pledge or assign to any Person a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; *provided*, that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) **Electronic Execution of Assignments.** The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act.

(h) **Resignation as L/C Issuer or Swingline Lender after Assignment.**

(i) Notwithstanding anything to the contrary contained herein, an L/C Issuer or Swingline Lender, as applicable, may,

(A) upon 30 days' notice to the Borrowers, the other Lenders and other L/C Issuers, resign as L/C Issuer or Swingline Lender, as applicable, or

(B) upon 10 days' notice to the Borrowers, the other Lenders and other L/C Issuers, appoint an Affiliate of such L/C Issuer or Swingline Lender, as applicable, as a successor L/C Issuer or Swingline Lender hereunder.

(ii) In the event of any such resignation as L/C Issuer or Swingline Lender pursuant to **clause (i)(A)** of the preceding sentence, the Borrowers shall be entitled to appoint from among the Lenders and their Affiliates a successor L/C Issuer or Swingline Lender hereunder; **provided, however,** that no failure by the Borrowers to appoint any such successor shall affect the resignation of such L/C Issuer or Swingline Lender, as the case may be.

(iii) If Citibank, N.A. resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to **Section 2.04(d)**).

(iv) If Citibank, N.A. resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swingline Loans pursuant to **Section 2.05(c)**.

(v) Upon the appointment of a successor L/C Issuer and/or Swingline Lender,

(A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swingline Lender, as the case may be, and

(B) the successor L/C Issuer shall issue letters of credit or bank guarantees, as applicable, in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to such L/C Issuer to effectively assume the obligations of such L/C Issuer with respect to such Letters of Credit.

**Section 11.07. Treatment of Certain Information; Confidentiality.** Each of the Administrative Agent, the Lenders and the L/C Issuers agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed

(a) on a need-to-know basis to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, counsel, independent auditors, professionals and other experts, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential),

(b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners),

(c) to the extent required by applicable Laws or regulations or by any subpoena, compulsory legal process or similar legal process,

(d) to any other party hereto,

(e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder,

(f) subject to an agreement containing provisions substantially the same as those of this **Section 11.07** to

(i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be a Lender pursuant to **Section 11.06** or

(ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers and their obligations,

(g) with the consent of Holdings,

(h) to the extent such Information becomes publicly available other than as a result of a breach of this **Section 11.07**,

(i) to any rating agencies, or

(j) any proxy relating to transactions contemplated hereby.

In addition, each of the Administrative Agent, the Lenders and the L/C Issuers may disclose the existence of this Agreement and the information about the Facility to market data collectors, similar services providers to the lending industry, and service providers to the Administrative Agent, the Lenders and the L/C Issuers in connection with the administration and management of the Facility.

For purposes of this **Section 11.07**, “**Information**” means all information received from the Borrowers or any of their Subsidiary relating to the Borrowers or any of their Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any L/C Issuer on a nonconfidential basis prior to disclosure by the Borrowers or any Subsidiary, **provided**, that in the case of information received from the Borrowers or any such Subsidiary after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this **Section 11.07** shall be considered to have complied with its obligation to do so if such Person has exercised reasonable care to protect such Information, and in no event less than the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent, the Lenders and the L/C Issuers acknowledges that (a) the Information may include material non-public information concerning the Borrowers or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including Federal and state securities laws.

**Section 11.08. Right of Setoff.** Upon any amount becoming due and payable hereunder (whether at stated maturity, by acceleration or otherwise), each Lender, each L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, such L/C Issuer or any such Affiliate to or for the credit or the account of the Borrowers or any other Loan Party against any and all of the obligations of the Borrowers or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or such L/C Issuer, irrespective of whether or not such Lender or such L/C Issuer shall have made any demand under this Agreement or any other Loan Document or are owed to a branch or office of such Lender or such L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, such L/C Issuer and their respective Affiliates under this **Section 11.08** are in addition to other rights and remedies (including other rights of setoff) that such Lender, such L/C Issuer or their respective Affiliates may have. Each Lender and L/C Issuer agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application, **provided**, that the failure to give such notice shall not affect the validity of such setoff and application.

**Section 11.09. Interest Rate Limitation.** Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

**Section 11.10. Counterparts; Integration.** This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. The words “delivery,” “execution,” “execute,” “signed,” “signature,” and words of like import in or related to this Agreement or any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures which shall be of the same legal effect, validity or enforceability as a manually executed signature, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**Section 11.11. Survival of Representations and Warranties.** All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

**Section 11.12. Severability.**

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable,

(a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and

(b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions.

The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**Section 11.13. Replacement of Lenders.**

If

(a) any Lender requests compensation under **Section 3.04**,

(b) the Borrowers are required to pay any Indemnified Taxes or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to **Section 3.01**,

(c) any Lender is at such time a Defaulting Lender or has given notice pursuant to **Section 3.02**, or

(d) any Lender becomes a Nonconsenting Lender (as hereinafter defined),

then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to (and such Lender shall) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, **Section 11.06**), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee selected by the Borrowers that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), ***provided***, that

(i) the Administrative Agent shall have received the assignment fee specified in **Section 11.06(b)**;

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under **Section 3.05**) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under **Section 3.04** or payments required to be made pursuant to **Section 3.01**, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws; and

(v) neither the Administrative Agent nor any Lender shall be obligated to be or to find the assignee.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. In the event that

(x) the Borrowers or the Administrative Agent has requested the Lenders to consent to a departure or waiver of any provisions of the Loan Documents or to agree to any amendment thereto and

(y) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “**Nonconsenting Lender**”.

Any such replacement shall not be deemed a waiver of any rights that the Borrowers shall have against the replaced Lender.

**Section 11.14. Governing Law; Jurisdiction; Etc.**

(a) **GOVERNING LAW.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) **SUBMISSION TO JURISDICTION.** EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWERS OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) **WAIVER OF VENUE.** EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN **PARAGRAPH (B)** OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) **SERVICE OF PROCESS.**

(i) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN **SECTION 11.02**. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(ii) Each Loan Party that is organized under the laws of a jurisdiction outside the United States of America hereby appoints Holdings, as its agent for service of process in any matter related to this Agreement or the other Loan Documents and shall provide written evidence of acceptance of such appointment by such agent on or before the Closing Date.

**Section 11.15. Waiver of Jury Trial.** EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

**Section 11.16. Designation of Secured Hedge Agreements.**

(a) The Borrowers and any Hedge Bank may from time to time designate a Swap Contract permitted hereunder as a Secured Hedge Agreement upon written notice (a “**Designation Notice**”) to the Administrative Agent from the Borrowers and such Hedge Bank, in form reasonably acceptable to the Administrative Agent, which Designation Notice shall include a description of such Secured Hedge Agreement and the maximum amount of obligations thereunder which are to constitute Obligations (each, a “**Designated Amount**”); *provided that*

(x) no such Designated Amount with respect to any Secured Hedge Agreement shall constitute Obligations to the extent that, at the time of delivery of the applicable Designation Notice and after giving effect to such Designated Amount (including any Hedging Reserves to be established by the Administrative Agent (or, during a Co-Collateral Agent Period, the Administrative Agent and the Co-Collateral Agent) in connection therewith), Availability would be less than zero, and

(y) any such Designated Amount shall constitute Obligations only to the extent that such Designated Amount, together with all other Designated Amounts under Secured Hedge Agreements theretofore designated hereunder and constituting Obligations, does not exceed \$25,000,000 at the time of delivery of the applicable Designation Notice.

(b) The Borrowers and any Hedge Bank may increase, decrease or terminate any Designated Amount in respect of such Secured Hedge Agreement upon written notice to the Administrative Agent; ***provided*** that any increase in a Designated Amount shall be deemed to be a new designation of a Designated Amount pursuant to a new Designation Notice and shall be subject to the limitations set forth in **Section 11.16(a)**. No obligations under any Secured Hedge Agreement in excess of the applicable Designated Amount shall constitute Obligations hereunder or the other Loan Documents.

(c) No Hedge Bank that obtains the benefits of **Section 8.03, Article 10**, or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document (including any Australian Collateral Document) shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Hedge Bank.

**Section 11.17. No Advisory or Fiduciary Responsibility.**

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrowers and the other Loan Parties acknowledge and agree that:

(a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent and any Arranger are arm's-length commercial transactions between the Borrowers, the other Loan Parties and their respective Affiliates, on the one hand, and the Administrative Agent and any Arranger, on the other hand,

(ii) the Borrowers and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent deemed appropriate by such Loan Parties, and

(iii) the Borrowers and the other Loan Parties are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents;

(b) (i) the Administrative Agent and any Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrowers, the other Loan Parties, their respective Affiliates or any other Person, and

(ii) neither the Administrative Agent nor any Arranger has any obligation to the Borrowers, the other Loan Parties or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and

(c) the Administrative Agent and any Arranger and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers and their Affiliates, and neither the Administrative Agent nor any Arranger has any obligation to disclose any of such interests to the Borrowers or their Affiliates.

To the fullest extent permitted by law, the Borrowers and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent and any Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

**Section 11.18. Joint and Several Liability.**

All Loans, upon funding, shall be deemed to be jointly funded to and received by the Borrowers. Each Borrower is jointly and severally liable under this Agreement for all Obligations, regardless of the manner or amount in which proceeds of Loans are used, allocated, shared or disbursed by or among the Borrowers themselves, or the manner in which the Administrative Agent, any Lender and/or any L/C Issuer accounts for such Loans or other Credit Extensions on its books and records. Each Borrower shall be liable for all amounts due to the Administrative Agent, any Lender and/or any L/C Issuer from the Borrowers under this Agreement, regardless of which Borrower actually receives Loans or other Credit Extensions hereunder or the amount of such Loans and Credit Extensions received or the manner in which the Administrative Agent, such Lender and/or such L/C Issuer accounts for such Loans or other Credit Extensions on its books and records. Each Borrower's Obligations with respect to Loans and other Credit Extensions made to it, and such Borrower's Obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to the other Borrowers hereunder shall be separate and distinct obligations, but all such Obligations shall be primary obligations of such Borrower. The Borrowers acknowledge and expressly agree with the Administrative Agent, each Lender and each L/C Issuer that the joint and several liability of each Borrower is required solely as a condition to, and is given solely as inducement for and in consideration of, credit or accommodations extended or to be extended under the Loan Documents to any or all of the other Borrowers and is not required or given as a condition of Credit Extensions to such Borrower. Each Borrower's Obligations under this Agreement shall, to the fullest extent permitted by law, be unconditional irrespective of

- (a) the release of any other Borrower pursuant to **Section 9.12** or the validity or enforceability, avoidance, or subordination of the Obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the Obligations of any other Borrower,
- (b) the absence of any attempt to collect the Obligations from any other Borrower, or any other security therefor, or the absence of any other action to enforce the same,
- (c) the waiver, consent, extension, forbearance, release, or granting of any indulgence by the Administrative Agent, any Lender and/or any L/C Issuer with respect to any provision of any instrument evidencing the Obligations of any other Borrower, or any part thereof, or any other agreement now or hereafter executed by any other Borrower and delivered to the Administrative Agent, any Lender and/or any L/C Issuer,
- (d) the failure by the Administrative Agent, any Lender and/or any L/C Issuer to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the Obligations of any other Borrower,
- (e) the Administrative Agent's, any Lender's and/or any L/C Issuer's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code,

- (f) any borrowing or grant of a security interest by any other Borrower, as debtor-in-possession under Section 364 of the Bankruptcy Code,
- (g) the disallowance of all or any portion of the Administrative Agent's, any Lender's and/or any L/C Issuer's claim(s) for the repayment of the Obligations of any other Borrower under Section 502 of the Bankruptcy Code, or
- (h) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower.

With respect to any Borrower's Obligations arising as a result of the joint and several liability of the Borrowers hereunder with respect to Loans or other Credit Extensions made to any of the other Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement shall have been terminated, any right to enforce any right of subrogation or any remedy which the Administrative Agent, any Lender and/or any L/C Issuer now has or may hereafter have against any other Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent, any Lender and/or any L/C Issuer to secure payment of the Obligations or any other liability of any Borrower to the Administrative Agent, any Lender and/or any L/C Issuer. Upon any Event of Default, the Administrative Agent may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations. Notwithstanding anything to the contrary in the foregoing, any Person released from its Obligations in accordance with Section 9.12 shall be simultaneously released from the foregoing provisions of this Section 11.18.

#### **Section 11.19. Contribution and Indemnification Among the Borrowers.**

Each Borrower is obligated to repay the Obligations as a joint and several obligor under this Agreement. To the extent that any Borrower shall, under this Agreement as a joint and several obligor, sell any of its assets to satisfy or otherwise repay any of the Obligations constituting Loans made to another Borrower hereunder or other Obligations incurred directly and primarily by any other Borrower (an "**Accommodation Payment**"), then the Borrower making such Accommodation Payment shall be entitled to contribution and indemnification from, and be reimbursed by, each of the other Borrowers, in an amount, for each of such other Borrowers, if any, equal to a fraction of such Accommodation Payment, the numerator of which fraction is such other Borrower's Allocable Amount (as defined below) and the denominator of which is the sum of the Allocable Amounts of all of the Borrowers. As of any date of determination, the "**Allocable Amount**" of each Borrower shall be equal to the maximum amount of liability for Accommodation Payments which could be asserted against such Borrower hereunder without

- (a) rendering such Borrower "insolvent" within the meaning of Section 101(31) of the Bankruptcy Code, Section 2 of the Uniform Fraudulent Transfer Act ("**UFTA**") or Section 2 of the Uniform Fraudulent Conveyance Act ("**UFCA**"),
- (b) leaving such Borrower with unreasonably small capital or assets, within the meaning of Section 548 of the Bankruptcy Code, Section 4 of the UFTA, or Section 5 of the UFCA, or
- (c) leaving such Borrower unable to pay its debts as they become due within the meaning of Section 548 of the Bankruptcy Code or Section 4 of the UFTA, or Section 5 of the UFCA.

All rights and claims of contribution, indemnification, and reimbursement under this Section shall be subordinate in right of payment to the prior payment in full of the Obligations. The provisions of this **Section 11.19** shall, to the extent expressly inconsistent with any provision in any Loan Document, supersede such inconsistent provision. If any Borrower discharges the Obligation (or any part of it) pursuant to **Section 11.18**, the corresponding claim against the relevant Loan Party shall not pass over and no rights and claims of the Secured Parties under any Loan Document shall pass to any Loan Party by subrogation or otherwise.

**Section 11.20. Agency of the Administrative Borrower for Each Other Borrower.** Each of the other Borrowers irrevocably appoints Holdings as its agent for all purposes relevant to this Agreement (in such capacity, the “**Borrower Representative**”), including the giving and receipt of notices and execution and delivery of all documents, instruments, and certificates contemplated herein (including, without limitation, execution and delivery to the Administrative Agent of Borrowing Base Certificates and Borrowing Notices) and all modifications hereto. Any acknowledgment, consent, direction, certification, or other action which might otherwise be valid or effective only if given or taken by all or any of the Borrowers or acting singly, shall be valid and effective if given or taken only by the Borrower Representative, whether or not any of the other Borrowers join therein, and the Administrative Agent, the Lenders and the L/C Issuers shall have no duty or obligation to make further inquiry with respect to the authority of the Borrower Representative under this **Section 11.20**; *provided* that nothing in this **Section 11.20** shall limit the effectiveness of, or the right of the Administrative Agent, the Lenders and the L/C Issuers to rely upon, any notice (including, without limitation, a Borrowing Notice), document, instrument, certificate, acknowledgment, consent, direction, certification or other action delivered by any Borrower pursuant to this Agreement.

**Section 11.21. USA Patriot Act Notice.** Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**Patriot Act**”), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Act.

**Section 11.22. Time of the Essence.** Time is of the essence of the Loan Documents.

**Section 11.23. Acknowledgement and Consent to Bail-In of Affected Financial Institutions.** Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

**Section 11.24. Terms of Intercreditor Agreements.** Each Lender understands, acknowledges and agrees that Liens shall be created on the Collateral pursuant to the Loan Documents, which Liens shall be subject to terms, conditions and priorities set forth in the Intercreditor Agreements. Pursuant to the terms of the ABL Intercreditor Agreement, in the event of any conflict between the terms of the ABL Intercreditor Agreement and any of the Loan Documents, the provisions of the ABL Intercreditor Agreement shall govern and control. Pursuant to the terms of the Stanwell Intercreditor Agreement, in the event of any conflict between the terms of the Stanwell Intercreditor Agreement and any of the Loan Documents, the provisions of the Stanwell Intercreditor Agreement shall govern and control. Each Lender authorizes and instructs the Administrative Agent and the Collateral Agent (including in its capacity as the Australian Security Trustee) to enter into the ABL Intercreditor Agreement and the Stanwell Intercreditor Agreement on behalf of the Lenders, and to take all actions (and execute all documents) required (or deemed advisable) by it in accordance with the terms of the ABL Intercreditor Agreement or the Stanwell Intercreditor Agreement.

**Section 11.25. Australian Code of Banking Practice.** The parties acknowledge and agree that the Code of Banking Practice of the Australian Bankers' Association (as updated from time to time) does not apply to the Loan Documents or the Transactions

**Section 11.26. Certain ERISA Matters.** Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations, as modified by Section 3(42) of ERISA) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(b) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(c) (i) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14),

(ii) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and

(iv) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(d) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

#### **Section 11.27. Acknowledgement Regarding Any Supported QFCs.**

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this **Section 11.27**, the following terms have the following meanings:

"**BHC Act Affiliate**" of a party means an "**affiliate**" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"**Covered Entity**" means any of the following:

(i) a "**covered entity**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(ii) a “**covered bank**” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(iii) a “**covered FSI**” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**QFC**” has the meaning assigned to the term “**qualified financial contract**” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

**Section 11.28. Judgment Currency.**

In respect of any judgment or order given or made for any amount due under this Agreement or any other Loan Document that is expressed and paid in a currency (the “**judgment currency**”) other than Dollars, the Loan Parties will indemnify Administrative Agent, any L/C Issuer and any Lender against any loss incurred by them as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the judgment currency for the purpose of such judgment or order and (ii) the rate of exchange, as quoted by the Administrative Agent or by a known dealer in the judgment currency that is designated by the Administrative Agent, at which the Administrative Agent, such L/C Issuer or such Lender is able to purchase Dollars with the amount of the judgment currency actually received by the Administrative Agent, such L/C Issuer or such Lender. The foregoing indemnity shall constitute a separate and independent obligation of the Loan Parties and shall survive any termination of this Agreement and the other Loan Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into Dollars.

**Section 11.29. Waiver of Sovereign Immunity.**

Each of Holdings and each other Loan Party, in respect of itself, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Person or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States of America or elsewhere, to enforce or collect upon the Loans or any Loan Document or any other liability or obligation of such Person related to or arising from the transactions contemplated by any of the Loan Documents, including, without limitation, immunity from suit, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Person hereby expressly waives, to the fullest extent permissible under applicable requirements of law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States of America or elsewhere. Without limiting the generality of the foregoing, each of Holdings and each other Loan Party further agrees that the waivers set forth in this **Section 11.29** shall be effective to the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the U.S. and are intended to be irrevocable for purposes of such Act.
