Agenda

Interim Result 2021

Strong first half recovery interrupted by recent COVID-19 restrictions

- » Strong momentum in six months to 30 June 2021
 - Operating environment strengthened from economic recovery
 - Minimal disruptions from COVID-19
 - Robust recovery in retail sales
 - 104% of 1H 2021 Retail net billings collected
 - Continued to execute on strategy
 - Solid capital position maintained
- » From late June 2021, trading conditions impacted by COVID-19 lockdowns
- » 2021 Funds From Operations and distribution guidance withdrawn in July 2021
- » Recovery in retail sales expected following the lifting of restrictions

Delivering on strategic priorities

- » Logistics portfolio more than doubled since 2017 to \$3.4b, with extensive \$1.4b development pipeline¹
- » GPT QuadReal Logistics Trust targeted investment increased to \$1b, with 53% of initial \$800m committed
- » \$780m of Office development completions at 32 Smith and Queen & Collins, and >\$3.5b development pipeline¹
- » GWO's 51 Flinders Lane development to commence 4Q 2021
- » Rouse Hill Town Centre \$140m retail and \$130m residential development planned to commence 2022
- » Using customer insights to inform decisions – delivering leading Retail offers and customer experiences, flexible Office design solutions including healthy building initiatives
- » Gearing at 24.5% providing investment capacity
- » ESG leadership – progress toward 2024 carbon neutral target

STRATEGIC PRIORITIES

Expand and optimise the portfolio

Funds Management growth

Exceed customer expectations

Listening to customers; investing to drive high occupancy and rental growth

Agility

- » Speed to transact with inhouse leasing and asset management teams
- » Fast-tracking return of space to market, with 108 furnished turn-key suites leased to tenants and a further 70 under construction / planned
- » Short form leases to reduce complexity and support quicker documentation turnaround

Flexibility

- » Leveraging Space&Co. to facilitate leasing transactions, for project requirements and to incubate SMEs and start-ups
- » Space&Co. Sydney CBD venue 99% occupied, demonstrating strong customer take-up of flexible space when economies are open
- » Introduction of more collaboration spaces and business lounge facilities, with a new space-on-demand service at Queen & Collins

Asset Investments

- » Healthy building upgrades including touch-free lift / building access and up-specification of air filtration
- » Reducing environmental impact with 97% reduction in CO₂ emissions and 76% reduction in water use since 2005
- » Upgrades of customer amenities including lobbies and end of trip facilities

Office portfolio outlook

High quality assets in deepest office markets

- » Delivered a 12 month total return of 7.6%
- » \$5.8b on balance sheet and \$13.3b of assets under management
- » All prime grade assets and eastern seaboard focus
- » Sustainability leadership with NABERS Energy rating averaging 5.8 stars¹

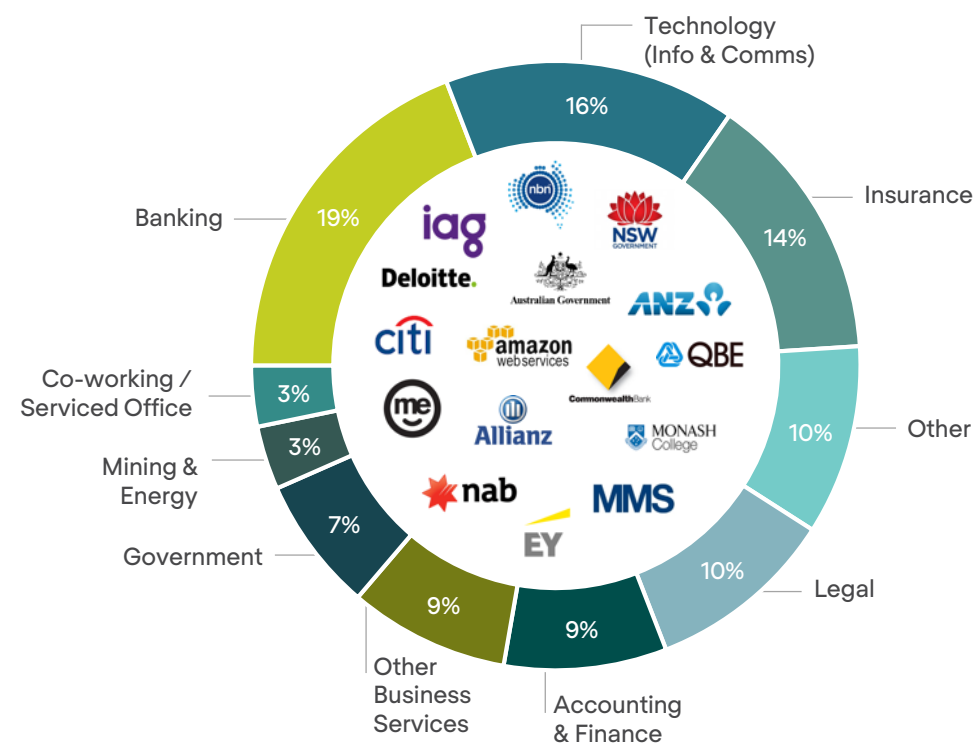

Diverse customer base, with strong covenants

- » 100% of 2021 net billings collected in the first half
- » Majority financial and insurance institutions, technology and professional services

1H 2021 demonstrated return of business confidence that emerged as restrictions eased

- » Job advertisements in June 2021 sitting 23.7% above June 2019 levels²
- » Unemployment below pre-COVID levels³
- » Prime net absorption in Sydney CBD of +27,300sqm in 2Q 2021⁴

Enhancing our retail and mixed-use assets

Rouse Hill Town Centre, NSW

- » Total return 11.3% (12 months to June 2021)
- » 100% occupancy, June 2021 specialty sales \$10,881psm (+18% yoy)
- » High population growth, household income 25% higher than Sydney metro average
- » Government investment with metro train and proposed hospital
- » Mixed-use development: \$140m retail (15,000sqm GLA) and \$130m residential (220 units) planned to commence 2022

Highpoint Shopping Centre, VIC

- » One of Australia's leading retail assets, located in a strong growth market with over 1 million people
- » Repositioning investment (2019-2022) including proactive resizing of major stores and upgrades to centre ambience
- » Plans lodged for longer term mixed-use development, leverages significant land holdings (28 hectares) and proximity to Melbourne CBD

Sunshine Plaza, QLD

- » Dominant asset in SE QLD, trade area population 10 year forecast growth of ~20%¹
- » \$3b government investment - new hospital, road and airport upgrades, expanded university
- » Major re-development completed March 2019
- » Attracting first to market retail brands
- » Strong specialty sales (+20% yoy) and customer visitations (+9% yoy)
- » Mixed-use development planning underway leveraging sizeable land holdings (20 hectares)

Retail portfolio outlook

Quality assets in growth markets

- » \$5.6b on balance sheet with \$8.4b assets under management
- » Largest exposure to strong population growth markets of NSW and VIC relative to peers

Assets well positioned to meet shifting customer demands

- » Leasing activity underpinned by on-trend retailer groups expanding store networks and opening new concepts
- » Recent asset investment ensures compelling and attractive destinations for retailers and shoppers
- » Mixed-use development opportunities across the portfolio provide a pathway to enhance growth

Economic conditions support retail spending

- » Impacts on trading environment due to COVID-19 are expected to be followed by a recovery in retail sales as previously experienced once restrictions are eased
- » Robust jobs growth, house price appreciation, record low interest rates and high levels of household savings will provide ongoing support for discretionary spending

Summary and outlook

Interim Result **2021**

Summary and outlook

- » Strong first half momentum interrupted by recent COVID-19 restrictions. Impacts expected to be transitory with a recovery anticipated when restrictions are lifted
- » Further growth in Logistics through developments and acquisitions
- » Growth of Funds Management including delivery of increased QuadReal capital partnership and execution of GWOFF development pipeline
- » Maintain leading sustainability credentials and progress on milestones to achieve 2024 carbon neutral target
- » Balance sheet strength provides capacity to fund developments and growth opportunities
- » Security buy-back is not active as the Group continues to invest in the development pipeline and other potential growth opportunities
- » FFO and distribution guidance not provided given uncertainty in terms of the duration and nature of government measures being implemented to manage COVID-19

All values are expressed in Australian currency unless otherwise indicated.

Funds from Operations (FFO) is reported in the Segment Note disclosures which are included in the financial report of The GPT Group for the 6 months ended 30 June 2021. FFO is a financial measure that represents The GPT Group's underlying and recurring earnings from its operations. This is determined by adjusting statutory net profit after tax under Australian Accounting Standards for certain items which are non-cash, unrealised or capital in nature. FFO has been determined based on guidelines established by the Property Council of Australia. A reconciliation of FFO to Statutory Profit is included in this presentation.

Key statistics for the Retail and Office divisions include GPT Group's weighted interest in the GPT Wholesale Shopping Centre Fund (GWSCF) and the GPT Wholesale Office Fund (GWOFF) respectively.
