ASX Announcement

MONEYME BUSINESS UPDATE

MoneyMe announces partnership with Australia's largest asset finance aggregator, Platform Finance

MoneyMe Limited (ASX: MME) ("MoneyMe" or "Group") is pleased to announce today that it has signed a deal with Australia's largest asset finance aggregator, Platform Finance to bring its Autopay car finance solution to brokers.

Highlights

- **Platform Finance partnership will reach hundreds of brokers, and their clients**
 - MoneyMe has signed a deal with Australia's largest asset finance aggregator, Platform Finance to bring its Autopay car finance solution to brokers.
 - Platform Finance is part of the ASX-listed COG Financial Services Ltd (ASX: COG). In the last financial year, COG Financial Services reported \$5.1bn in asset finance originations.
 - Autopay will deliver brokers a competitive advantage in the form of real-time automated approval and settlement of auto finance within 60 minutes, 7 days a week.
 - Access for brokers to start using Autopay commences this month.

MoneyMe (ASX: MME) has partnered with Australia's largest asset finance aggregator, Platform Finance to allow brokers to access its innovative new Autopay vehicle financing solution. Platform Finance is part of the ASX-listed COG Financial Services Ltd (ASX: COG). In the last financial year, COG Financial Services reported \$5.1bn in asset finance originations.

Clayton Howes, MoneyMe's Managing Director and CEO said:

"This latest innovation leverages our Horizon technology platform, with high automation, dynamic pricing and best-in-class speed to give brokers and their clients an unparalleled experience."

"As a market leader in asset finance, Platform Finance is a great partner for us. They have a very good reputation and strong relationships with brokers as well as a track record of billions in loan originations. We know brokers will love the Autopay product and the benefits it brings their clients."

About MoneyMe

MoneyMe is a leader in innovation with its own technology (Horizon Technology Platform) and AI to deliver highly automated innovative credit products and customer experiences.

MoneyMe originates through a diversified mix of credit products and distribution channels to create significant scale and long-term customer advantages. Our automotive finance, personal loans, revolving line of credit and at point-of-sale instalment products are for credit approved customers who are seeking simplicity, fair pricing and flexibility.

Our technology platform enables applications to be completed and checked within minutes, security to be established, funds to be disbursed, or credit limits to be available, to the customer shortly after approval.

MoneyMe is an ASX-listed, licensed and regulated credit provider operating in Australia.
