The Manager **ASX Markets Announcements** Australian Securities Exchange Limited 20 Bridge Street, Sydney NSW 2000

Dear Sir/Madam,

FY2021 results, progressive dividend policy with increased final dividend, DRP and options

Strong investment performance	26.8% portfolio return for FY2021
Progressive dividend policy	Increased final dividend of 2.5 cps fully franked

Full year results

WCM Global Growth Limited (the Company) (ASX:WQG) today announced an outstanding result with net operating profit after tax for the year ended 30 June 2021 (FY2021) of \$48.41 million.

The strong profit result reflects the continued investment outperformance of the Company's Portfolio Manager, WCM Investment Management LLC (WCM). The portfolio has delivered a return of 26.8% for FY2021.

For FY2021, the pre-tax net tangible asset (NTA) value per share of the Company has increased from \$1.45 as at 30 June 2020 to \$1.79 as at 30 June 2021. The increased NTA was after the payment of a 2.0 cents per share dividend (50% franked) on 30 September 2020 and a 2.0 cents per share dividend (100% franked) paid on 31 March 2021.

Shareholders have also benefitted from the one (1) for three (3) bonus issue of loyalty options in February 2021.

Progressive dividend policy with increased fully franked final dividend of 2.5 cps

The Board is delighted with the progress made in relation to the Company's dividend policy. Dividends commenced in August 2019 and in September 2020 the Company commenced partial franking of dividends, together with the implementation of a Dividend Reinvestment Plan (DRP). Dividends became fully franked in March 2021.

The Company has further enhanced its dividend policy and is pleased to announce progressive dividend payments, commencing with the declaration of an increased final dividend of 2.5 cents per share fully franked at a corporate tax rate of 30%. The final dividend will be paid on 30 September 2021, with a record date of 17 September 2021.

The Board's present intention is to increase further the Company' dividends over the next 12 months, with the interim dividend for the year ending 30 June 2022 (FY2022) expected to increase to 2.75 cents per share and the final dividend for FY2022 expected to increase to 3.0 cents per share. It is also anticipated that the FY2022 interim and final dividends will be fully franked¹.

WCM Global Growth Limited

¹ Future dividends are subject to having sufficient profit reserves and franking credits and corporate, legal and regulatory considerations.

Attractive 3% DRP issue price discount

The Company's DRP will be in operation for the FY2021 final dividend. Shares issued under the DRP for the final dividend will be issued at a **3% discount** to the volume weighted average price in accordance with the Rules of the DRP.

Shareholders who wish to make or change an election to participate in the DRP for the final dividend of 2.5 cents per share must elect to do so before 5pm on the DRP election date of **22 September 2021** by:

- making an election online via the share registry, Link Market Services, at www.linkmarketservices.com.au; or
- completing the personalised election form attached to this letter and returning it to the share registry.

All of the Directors intend to participate in the DRP for the final dividend with respect to their own shareholdings and recommend that shareholders consider the opportunity to participate in the DRP.²

Options

Please note that option holders who exercise their options by 5pm on **17 September 2021** (being the record date for the FY2021 final dividend), and continue to hold the new shares at the relevant record dates, will be eligible for the three dividends outlined previously, being: the FY2021 final dividend of 2.5 cents per share; the expected FY2022 interim dividend of 2.75 cents per share; and the expected FY2022 final dividend of 3.0 cents per share.

Based on the option exercise price of \$1.50 per share, the total amount of these three dividends of 8.25 cents per share fully franked equates to an attractive net dividend yield of **5.5%**, and a gross dividend yield of **7.86%** (including expected franking credits), over the period to September 2022.

If you are an option holder and wish to exercise your options in time for the new shares to be eligible to receive the FY2021 final dividend of 2.5 cents per share, you should complete the personalised option exercise election form attached to this letter and return it to the share registry by 5pm on the Record Date of 17 September 2021.

The options are currently trading at 15.0³ cents per option and may be exercised at any time until 31 August 2022.
