## 5. Audit qualification or review

*Details of audit/review dispute or qualification (if any):*

The financial statements are in the process of being audited. The Board has prepared the accounts on the standard going concern basis, however, given our most recent Appendix 4C and the ongoing impact of COVID-19 uncertainty and delays, it is likely that the auditors will consider including an emphasis of matter regarding the going concern basis of preparation in the final audit report.

In light of the ongoing impacts of COVID-19 (including alternative work arrangements), 1ST Group Limited may require additional time to complete its formal reporting process. In that case, the Company will rely on the *ASX Class Waiver* dated 3 May 2021 and *ASIC Corporations (Extended Reporting and Lodgment Deadlines—Listed Entities) Instrument 2020/451 (Amended ASIC Relief)* to extend the lodgment date for its audited annual accounts to no later than 30 October 2021. The Company will, of course, lodge the audited annual accounts as soon as they are ready to be given to the ASX. The Company will also immediately make a further announcement to the market if it becomes aware of any material difference between its unaudited annual accounts and its audited annual accounts.

The unaudited annual accounts are set out following this Appendix 4E.
