### ASX and ASIC relief

ASX issued a class waiver 'Extended Reporting and Lodgement Deadlines' under listing Rule 18.1 to give effect under the listing rules to the relief granted by ASIC in ASIC Corporations (Extended Reporting and Lodgement Deadlines – Listed Entities) Instrument 2021/315 dated 26 April 2021 ("ASIC Relief").

ASX's class waiver imposes two conditions that listed entities must satisfy to get the benefit of the extension to the lodgement date for their audited or reviewed accounts under listing rules 4.2B and 4.5.1:

- The first is a requirement that the entity provide to the market unaudited/unreviewed accounts and the information required by Appendix 4D or 4E (as applicable) by the usual lodgment deadlines.
  - *Dubber Corporation Limited is complying with this requirement with this release.*
- The second is a requirement that, at the same time that it lodges its unaudited/unreviewed accounts with ASX, it announces to the market not only that it is relying on the ASIC Relief to extend the lodgment date for its audited/reviewed accounts, but also to state that it will immediately make a further announcement to the market if there is a material difference between its unaudited/unreviewed accounts and its audited/reviewed accounts.
  - *Dubber Corporation Limited hereby states that it is relying on the ASIC Relief to extend the lodgement date for its audited accounts and will immediately make a further announcement to the market if there is a material difference between its unaudited accounts and its audited accounts.*
