ASX / MEDIA ANNOUNCEMENT
1 September 2021

DECMIL AWARDED $28.2M CIVIL INFRASTRUCTURE PROJECT

- **'Construct Only' road and bridge work for the Roy Hill-Munjina Road alignment in the East Pilbara region.**
- **Contract awarded by Main Roads WA, a client we continue to successfully deliver for.**
- **Decmil continues to extend its proven track record in successfully delivering civil infrastructure contracts.**

Decmil Group Limited (ASX: DCG) ("Decmil" or "the Company") is pleased to announce that it has been awarded a "construct only" contract worth up to $28.2 million, to deliver the Roy Hill-Munjina Road alignment works.

The works will comprise the construction of a single span road bridge over BHP's Yandi rail line, as well as the realignment of the Roy Hill-Munjina Road, located in the East Pilbara region of Western Australia. The Roy Hill-Munjina Road realignment encompasses 2.82 kilometres of road construction.

Works on site will commence around October 2021, with completion of the contract anticipated by mid 2022.

The contract win follows Decmil successfully achieving practical completion of the $47 million Reid Highway Widening project for Main Roads WA during the first half of the 2021 financial year. In March, Decmil was awarded a contract worth approximately $120 million to upgrade Victoria's Gippsland railway and secured a circa $25 million contract for road works on the Bruce Highway in Queensland.

"Decmil has built a strong track record with the various infrastructure delivery authorities across our geographical regions and in particular Main Roads WA, which was a key driver behind the Company securing this contract," Decmil CEO Dickie Dique said.

"As we continue to enhance our operational efficiency and successfully deliver on contracts for key blue-chip government clients, we continue to capitalise on the thriving infrastructure sector in Australia."

This ASX release was authorised by the Decmil Group Limited Board.

About Decmil

Decmil Group Limited (DGL) offers a diversified range of services to the Australian resources and infrastructure industries. Companies within the group specialise in engineering and construction; accommodation services; and maintenance. Listed on the Australian Securities Exchange (ASX Code: DCG), Decmil's goal is to maximise returns from our operations to deliver value to our shareholders, clients and other stakeholders.
