Request for trading halt: Sky Network Television Limited (ASX Code: SKT, NZX Code: SKT)

We request a trading halt to be applied to our securities under ASX Listing Rule 17.1 and NZX Listing Rule 9.9.1(a) and set out below details of the request as per the rules of each of ASX and NZX.

We would like the trading halt to commence from the commencement of trading on 15 September 2021.

Reasons for trading halt: To align with the NZX trading halt to facilitate the consolidation of SKT shares.

How long we want the trading halt to last: Until the earlier of the time SKT makes an announcement to the market about the share consolidation and the commencement of trading on the ASX on 17 September 2021.

The event we expect to happen that will end the trading halt: The implementation of the consolidation of shares.

Other information necessary to inform the market about the trading halt or that ASX or NZX have requested: Please refer to the share consolidation announced on ASX and NZX on 25 August 2021.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely
