

## Extension of Exclusivity Period

iCar Asia Limited ("iCar" or the "Company") refers to its announcements on 29 July 2021 regarding the Process Deed entered into with Carsome Group Pte Ltd ("Carsome") and on 9 September 2021 regarding Carsome's request to extend the Exclusivity Period under the Process Deed.

Subsequent to this request, Carsome has also confirmed to iCar that it has secured the necessary funding for the acquisition of iCar under the terms of its proposal provided to iCar and announced on 13 July 2021.

The Independent Board Committee of iCar ("IBC") has considered the request and this additional information and concluded that it is in the best interests of iCar shareholders to engage further with Carsome on an exclusive basis, with a view to seeking to agree a transaction capable of being put to iCar shareholders.

Accordingly, iCar has agreed to extend the Exclusivity Period under the Process Deed in two stages as follows:

- an initial extension of the Exclusivity Period until 30 September 2021 to enable Carsome to complete its due diligence; and
- an automatic extension of the Exclusivity Period to 30 October 2021 to give the parties sufficient time to negotiate, agree and approve definitive transaction documents, subject to Carsome confirming by 30 September 2021 that:
  - it has completed its due diligence procedures;
  - it remains interested in pursuing and completing, and that, subject to agreeing binding transaction documentation, it is able to pursue and complete, the transaction on the terms set out in its non-binding indicative proposal provided to iCar and announced on 13 July 2021;
  - the consideration payable under the transaction will include at least \$0.55 per iCar Share in cash;
  - it continues to have secured committed funding for the transaction; and
  - it agrees that the binding transaction documentation will not contain any conditions or termination rights contingent on its ability to obtain funding.

The Amendment Deed which extends the Exclusivity Period under the Process Deed is attached.

iCar shareholders do not need to take any action in relation to the proposal at this time. The IBC reiterates that the Proposal remains subject to a number of conditions, including completion of confirmatory due diligence by Carsome. As such, there is no certainty that the Proposal will result in a transaction being agreed and put forward to iCar shareholders for their consideration.

This announcement has been approved by the IBC.
