9. Resolution 8 - Approval of issue of Shares Rights to a Director under the Harris Technology Long Term Incentive Plan

Explanation	<p>On 23 July 2021, the Company proposed to issue, subject to shareholder approval, 500,000 Performance Share Rights (Rights) to the Company's Managing Director, Garrison Huang, pursuant to the Harris Technology Group Limited Long Term Incentive Plan (Plan).</p> <p>The Company seeks shareholder approval pursuant to ASX Listing Rule 10.11 to issue the Rights.</p>
ASX Listing Rules	<p>ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval prior to the issue of securities to a related party of the company. The Managing Director is a related party of the Company by virtue of section 228(2) of the Corporations Act.</p> <p>Accordingly, Resolution 8 seeks shareholder approval under ASX Listing Rule 10.11 to allow the issue of the Rights to a related party.</p> <p>If Resolution 8 is passed, the Rights will be issued and will not reduce the Company's capacity to issue shares under Listing Rule 7.1. If Resolution 8 is not passed, the Rights will not be issued.</p> <p>If shareholder approval is given for the purposes of ASX Listing Rule 10.11, approval will not be required under ASX Listing Rule 7.1, and the Rights issued pursuant to Resolution 8 will not deplete the Company's 15% Placement Capacity under ASX Listing Rule 7.1.</p>
Approval not sought under Chapter 2E of the Corporations Act	<p>For the purposes of Chapter 2E, the Managing Director is a related party of the Company for the reasons described above.</p> <p>A "financial benefit" is defined in the Corporations Act in broad terms and expressly includes a public company issuing securities. The giving of a financial benefit to a related party of a public company is ordinarily prohibited by Chapter 2E of the Corporations Act. The exceptions to the general prohibition are where the benefit is given with the approval of shareholders, or the benefit is given in one or more of the limited circumstances in which the giving of a financial benefit to a related party of a public company is permitted.</p> <p>One exception to the general rule is where the benefit constitutes "reasonable remuneration" in respect of the duties and responsibilities of the related party in the management of the public company.</p> <p>The issue of Rights proposed under Resolution 8 relates to the amount of remuneration to be paid to the Managing Director.</p> <p>In the view of the Board (excluding Mr Huang who did not participate), the issue of the Rights to the Managing Director constitutes "reasonable remuneration" and, as the provision of such benefits is expressly permitted by section 211(1) of the Corporations Act, the Board does not consider that the Company is required to seek shareholder approval under Chapter 2E of the Corporations Act in order to give the financial benefit that is inherent in the issue of Rights pursuant to Resolution 8.</p>

Specific information required by ASX Listing Rule 10.13	<p>In accordance with ASX Listing Rule 10.13, which contains requirements as to the contents of a notice sent to shareholders for the purposes of ASX Listing Rule 10.11, the following information is provided to shareholders:</p> <p>Identification of recipient of Rights Mr Garrison Huang or his nominee.</p> <p>Number of Rights to be issued 500,000</p>
	<p>Date for issue of Rights If shareholder approval is obtained for Resolution 8, the Company will issue the Rights as soon as is practicable after the Meeting, and in any event no later than 1 month after the date of the Meeting.</p> <p>Issue price per Rights The Rights will be issued at nil cash consideration. The shares issued on conversion of the Rights will have a deemed issue price of 20c per share.</p> <p>Terms of Rights The Rights issued under Resolution 8 will automatically convert to 500,000 fully paid ordinary shares in the Company on the condition that the Managing Director continues to be employed by the Company on the date that is 18 months after the date of issue of the Rights. No consideration is payable by the Managing Director on conversion. Other terms of the Rights are contained in the Harris Technology Long Term Incentive Plan-see Resolution 10.</p> <p>Purpose of the issue The purpose of the issue of the Rights is to provide an incentive to the Managing Director of the Company. The Managing Director's total remuneration consists of salary of \$180,000 per annum plus superannuation.</p> <p>Use of funds raised There will be no funds raised either from the issue of the Rights or the conversion of the Rights to shares.</p>
Voting Exclusion	<p>A voting exclusion statement applies to Resolution 8.</p>
Chairman's available proxies	<p>The Chairman intends to vote all available proxies in favour of Resolution 8.</p>

10. Resolution 9 - Approval of issue of Options to a Director under the Harris Technology Long Term Incentive Plan

--------------------	---

ASX Listing Rules	<p>ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval prior to the issue of securities to a related party of the company. The Managing Director is a related party of the Company by virtue of section 228(2) of the Corporations Act.</p> <p>Accordingly, Resolution 9 seeks shareholder approval under ASX Listing Rule 10.11 to allow the issue of the Options to a related party.</p> <p>If Resolution 9 is passed, the Options will be issued and will not reduce the Company's capacity to issue shares under Listing Rule 7.1. If Resolution 9 is not passed, the Options will not be issued.</p> <p>If shareholder approval is given for the purposes of ASX Listing Rule 10.11, approval will not be required under ASX Listing Rule 7.1, and the Options issued pursuant to Resolution 9 will not deplete the Company's 15% Placement Capacity under ASX Listing Rule 7.1</p>
Approval not sought under Chapter 2E of the Corporations Act	<p>For the purposes of Chapter 2E, the Managing Director is a related party of the Company for the reasons described above.</p> <p>A "financial benefit" is defined in the Corporations Act in broad terms and expressly includes a public company issuing securities. The giving of a financial benefit to a related party of a public company is ordinarily prohibited by Chapter 2E of the Corporations Act. The exceptions to the general prohibition are where the benefit is given with the approval of shareholders, or the benefit is given in one or more of the limited circumstances in which the giving of a financial benefit to a related party of a public company is permitted.</p> <p>One exception to the general rule is where the benefit constitutes "reasonable remuneration" in respect of the duties and responsibilities of the related party in the management of the public company.</p> <p>The issue of Options proposed under Resolution 9 relates to the amount of remuneration to be paid to the Managing Director.</p> <p>In the view of the Board, the issue of the Options to the Managing Director constitutes "reasonable remuneration" and, as the provision of such benefits is expressly permitted by section 211(1) of the Corporations Act, the Board does not consider that the Company is required to seek shareholder approval under Chapter 2E of the Corporations Act in order to give the financial benefit that is inherent in the issue of Options pursuant to Resolution 9.</p>

11. RESOLUTION 10 - APPROVAL OF LONG TERM INCENTIVE PLAN

Explanation	<i>Resolution 10 seeks shareholder approval for the Company's Long Term Incentive Plan (LTIP) for the purposes of the Listing Rules and the Corporations Act.</i>
--------------------	---

ASX Listing Rules	<p>ASX Listing Rule 7.1 provides that a company may not issue Equity Securities, or agree to issue Equity Securities, without the approval of shareholders, if the number of Equity Securities to be issued in any 12-month period (including shares issued on the exercise of any options) exceeds 15% of the issued capital of the company preceding the issue (15% Placement Capacity).</p> <p>ASX Listing Rule 7.2 contains a number of exceptions to the 15% Placement Capacity rule in ASX Listing Rule 7.1. In particular, under Exception 13 in ASX Listing Rule 7.2, any Equity Securities issued under an employee incentive scheme within three years of the date on which shareholders approve the issue of those Equity Securities are not deducted from the Company's 15% Placement Capacity for the purposes of ASX Listing Rule 7.1. Resolution 10 is designed to satisfy the requirements of Exception 9 in ASX Listing Rule 7.2.</p> <p>If Resolution 10 is passed, any Equity Securities issued under the LTIP within the three years after the date of the Meeting will not be deducted from the Company's 15% Placement Capacity for the purposes of ASX Listing Rule 7.1. If Resolution 10 is not passed, any Equity Securities issued under the LTIP within the three years after the date of the Meeting will be deducted from the Company's 15% Placement Capacity for the purposes of ASX Listing Rule 7.1.</p>
Purpose of LTIP	<p>The purpose of the LTIP is to provide incentives to Directors and employees of the Company who are integral to the operations and ongoing success of the Company. These incentives are designed to encourage greater productivity from Directors and management and to better enable the Company to retain its management personnel in a highly competitive industry.</p> <p>Should Resolution 10 be passed, the Company will have the necessary flexibility to issue securities as an incentive to management personnel, and the issue of securities under the LTIP will not be deducted from the Company's 15% Placement Capacity pursuant to ASX Listing Rule 7.1.</p> <p>A copy of the LTIP rules can be found at the following link: https://ht8.com.au/investor-relations/corporate-governance A summary of the LTIP is provided below.</p>

Terms of the LTIP

General

The LTIP is intended to retain and motivate the Company's management team. Under the LTIP, the Board has the discretion to offer shares or grant options or performance rights to eligible employees (which includes Directors) of the Company or a related body corporate. An offer of shares may be accompanied by an offer of a loan (acquisition loan) from the Company or a related body corporate to acquire the shares.

Both options and performance rights give a participant in the LTIP a right to acquire shares in the Company subject to the achievement of time based and/or performance-based vesting conditions, with options requiring the payment of an exercise price to acquire the shares and a performance right not requiring the payment of an exercise price.

The Board has the discretion to amend the rules of the LTIP (including respectively in respect of previous awards of shares, options or performance rights) but not so as to reduce the rights of participants, except where necessary to correct obvious errors or mistakes or to comply with legal requirements or where agreed by the participant.

Awards under the LTIP are made at the Board's discretion.

Eligibility

The rules allow for offers under the LTIP to be made to any employee of the Company or a related body corporate, including Directors, or such other person as the Board determines. However, it has been the case and it is currently intended to continue to be the case that participation in the LTIP will only be offered to the Company's senior executive leadership team including Directors.

Issue of shares and grant of options and performance rights

Shares, options and performance rights may be issued under the LTIP subject to vesting conditions, including time and performance-based hurdles.

The Board determines the details of the vesting conditions attaching to shares, options and performance rights under the LTIP prior to offers of participation being made. Shares, options or performance rights will only vest (under normal circumstances) upon satisfaction of the time and performance-based vesting conditions. If those conditions are not met, shares will be bought-back or the options or performance rights will generally expire and not be capable of exercise.

No amount is payable on the grant of options or performance rights offered under the LTIP.

Delivery of shares

Shares in the Company will be delivered to participants upon exercise of vested options or performance rights. On exercise, the Company may deliver shares by new issue or by purchasing shares for transfer to participants. No exercise price is payable on the exercise of performance rights unless otherwise determined by the Board at the date of grant.

Buy-back of shares

The LTIP provides for the buy-back of shares offered under the LTIP in certain circumstances, including on the forfeiture of the shares. Buy-back proceeds must be applied towards the repayment of any acquisition loan used to acquire the shares.

Change of control

On a change of control of the Company, the Board has discretion to waive the vesting conditions applicable to unvested options and performance rights, subject to such terms and conditions as it determines.

Plan limits

Issues of shares including on exercise of options or performance rights granted under the LTIP will be subject to a cap of 5% of the issued share capital of the Company, inclusive of shares that may be issued under other employee incentive schemes of the Company for employees and Non-Executive Directors, but disregarding offers made outside of Australia, made under a prospectus or other disclosure document or which do not require a disclosure document.

Expiry of options and performance rights

Unless otherwise determined by the Board in its discretion, options and performance rights which have not been exercised will expire and cease to exist on the expiry date specified at the date of grant or upon the Board making a determination that the options or performance rights are to be forfeited.

Restrictions on shares and forfeiture conditions

Shares, options and performance rights, and shares delivered on exercise, may be subject to forfeiture (subject to lifting at the discretion of the Board) if a participant commits any act of fraud, defalcation or gross misconduct in relation to the Company or a related body corporate. In addition, the Board can decide, on the offer of shares or the grant of options or performance rights under the LTIP the circumstances under which the shares, options or performance rights are to be forfeited in additional circumstances, such as the termination or cessation of employment.

Shares delivered on exercise of options or performance rights may be subject to disposal restrictions (subject to removal at the discretion of the Board).

Hedging economic exposure prohibited

Without limiting the prohibitions in Part 2D.7 of the Corporations Act (ban on hedging remuneration of key management personnel), the terms of the LTIP prohibit entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under the LTIP.

Securities issued under LTIP

Since the date of the last approval by shareholders of the LTIP, being the Company's 2016 Annual General Meeting, the following securities have been issued:

Date of issue	Securities issued	Expired/converted/issued
5 June 2017	1,020,000 performance rights issued	100,000 performance rights converted to shares on 25 June 2020. 920,000 performance rights lapsed.

12. RESOLUTION 11 – APPROVAL OF PLACEMENT CAPACITY

General	<p><i>Under ASX Listing Rule 7.1, every listed entity has the ability to issue 15% of its issued capital without shareholder approval in a 12-month period. ASX Listing Rule 7.1A permits eligible small and mid-cap ASX-listed entities, subject to shareholder approval, to issue Equity Securities of up to an additional 10% of its issued capital by way of placements over a 12-month period, in addition to its ability to issue securities under Listing Rule 7.1 (10% Placement Capacity).</i></p> <p><i>The Company seeks shareholder approval under ASX Listing Rule 7.1A for the 10% Placement Capacity. The effect of passing this resolution will be to allow the Company, subject to the conditions set out below, to issue Equity Securities under the 10% Placement Capacity without using the Company's 15% placement capacity under ASX Listing Rule 7.1.</i></p> <p><i>The effect of not passing this resolution will be that the Company can only issue Equity Securities using the Company's 15% placement capacity under ASX Listing Rule 7.1. It cannot issue Equity Securities using the additional placement capacity under ASX Listing Rule 7.1 A.</i></p> <p><i>Resolution 11 is a special resolution. Accordingly, at least 75% of votes cast by shareholders present and eligible to vote (in person or by proxy) at the meeting must be in favour of this resolution for it to be passed.</i></p>
Eligibility	<p>ASX-listed entities which have a market capitalisation of \$300 million or less, and which are not included in the S&P/ASX 300 Index will be considered eligible to seek shareholder approval under ASX Listing Rule 7.1A.</p> <p>As at the date of this Notice, the Company, which has a market capitalisation of less than \$300 million, is not included in the S&P/ASX 300 Index. Accordingly, the Company is considered eligible to seek shareholder approval under ASX Listing Rule 7.1A.</p>
Formula	<p>The exact number of additional Equity Securities that the Company may issue under the 10% Placement Capacity will be determined by a formula set out ASX Listing Rule 7.1A.2 as follows:</p> <p style="text-align: center;">$(A \times D) - E$</p> <p>Where:</p> <p>A is the number of shares on issue 12 months before the date of issue or agreement:</p> <ul style="list-style-type: none"> ▪ plus the number of fully paid shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;

	<ul style="list-style-type: none"> plus the number of partly paid shares that became fully paid in the previous 12 months (there are presently no partly paid shares on issue in the Company); plus the number of shares issued in the previous 12 months with approval of shareholders under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the Company's 15% placement capacity without shareholder approval; and less the number of shares cancelled in the previous 12 months. <p><i>'A' has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity</i></p> <p>D is 10%.</p> <p>E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the "relevant period" where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4.</p> <p>"Relevant period" means the 12-month period immediately preceding the date of the issue for the agreement.</p>
Conditions of issue under the 10% Placement Capacity	<p>There are a number of conditions applicable to the issue of Equity Securities under ASX Listing Rule 7.1A, including a limitation on the discount to prevailing market price at which they may be issued, and additional disclosure requirements. A summary of these conditions is as follows:</p> <ul style="list-style-type: none"> (a) Equity Securities issued under the 10% Placement Capacity can only be in a class of securities already quoted. At the date of this Notice, the Company only has one class of securities which are quoted, being ordinary shares. (b) The issue price of each Equity Security issued under the 10% Placement Capacity must be no less than 75% of the volume weighted average market price (VWAP) for Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before either: <ul style="list-style-type: none"> i. the date on which the price at which the Equity Securities are to be issued is agreed; or ii. if the Equity Securities are not issued within 5 trading days of the date in paragraph (i), the date on which the securities are issued.
Period of validity of shareholder approval	<p>In the event that the Company obtains shareholder approval for Resolution 11, such approval will cease to be valid upon the earlier of:</p> <ul style="list-style-type: none"> (a) 12 months after the date of this Annual General Meeting; (b) the time and date of the Company's next Annual General Meeting; and (c) if applicable, the date on which the Company's shareholders approve a change to the nature or scale of the Company's activities under ASX Listing Rule 11.1.2, or the disposal of the Company's main undertaking under ASX Listing Rule 11.2. <p>(7.1A Placement Period)</p>

Risk of dilution to shareholders	<p>If Resolution 11 is approved by shareholders, any issue of Equity Securities under the 10% Placement Capacity may present a risk of economic and voting dilution of existing shareholders, including the risk that:</p> <ul style="list-style-type: none">the market price of the Company's Equity Securities may be significantly lower on the relevant issue date than on the date of this Meeting; andthe Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date. <p>The table below shows the potential dilution of existing shareholders under various scenarios on the basis of:</p> <ul style="list-style-type: none">an issue price of \$0.11 per share which was the closing price of the Company's shares on the ASX on 26 August 2021; andthe variable 'A' being calculated as the number of fully paid ordinary shares on issue on the date of this Notice, being 297,795,481. <p>The table also shows:</p> <p>(a) two examples where variable 'A' has increased by 50% and 100%. 	<p>The table has been prepared on the following assumptions:</p> <ul style="list-style-type: none"> (a) the Company issues the maximum number of shares available under the 10% Placement Capacity; (b) no options to acquire shares on issue in the Company are exercised; (c) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue; (d) the table does not show an example of dilution that may be caused to a particular shareholder as a result of placements under the 10% Placement Capacity based on that shareholder's holding at the date of the Meeting; (e) the table shows only the effect of issues of Equity Securities under the 10% Placement Capacity in accordance with ASX Listing Rule 7.1A and not under the 15% placement capacity under ASX Listing Rule 7.1. (f) the issue of Equity Securities under the 10% Placement Capacity consists only of shares and (g) the issue price is \$0.11, being the closing price of the Company's shares on the ASX on 26 August 2021.
Period of validity	<p>The Company will only issue and allot the Equity Securities during the 7.1A Placement Period. The approval under Resolution 11 for the issue of the Equity Securities will cease to be valid on the first to occur of:</p> <ul style="list-style-type: none"> (a) 12 months after the date of this Annual General Meeting; (b) the time and date of the Company's next Annual General Meeting; and (c) if applicable, the date on which the Company's shareholders approve a change to the nature or scale of the Company's activities under ASX Listing Rule 11.1.2, or the disposal of the Company's main undertaking under ASX Listing Rule 11.2.
Reason for issue of shares under 10% Placement Capacity	<p>The Company may seek to issue the Equity Securities for cash consideration, the proceeds of which will be applied to fund the Company's existing and future activities, including the acquisition of trading stock and repayment of debt.</p> <p>The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 upon issue of any Equity Securities.</p>

Allocation policy

The Company may not issue any or all the Equity Securities for which approval is given and may issue the Equity Securities progressively as the Company places the Equity Securities with investors. The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors such as:

1. fund raising options (and their viability) available to the Company at the relevant time;
2. the effect of the issue of the Equity Securities on the control of the Company;
3. the financial situation of the Company and the urgency of the requirement for funds; and
4. advice from the Company's corporate, financial, legal and broking advisers.

The allottees under the 10% Placement Capacity have not been determined as at the date of this Notice. It is intended that the allottees will be suitable professional and sophisticated investors, and other investors not requiring a disclosure document under section 708 of the Corporations Act, that are known to the Company and/or introduced by third parties.

The allottees may include existing substantial shareholders and/or new shareholders, but the allottees will not be related parties of the Company. In the event that the shares under the 10% Placement Capacity are issued as consideration for the acquisition of businesses, assets or investments, it is likely that the allottees will be the vendors of such businesses, assets or investments.

13. Resolution 12 - Approval of Acquisition of Property from a Related Party

Agreement for Lease	<p>Background</p> <p>Harris Technology Group Limited (Harris) proposes to enter into a lease agreement (Lease Agreement) with Australian PC Accessories Pty Ltd as trustee for the GWH Trust (Lessor) in relation to the lease of the property known as 124 Abbott Road Hallam, VIC (Property).</p> <p>The Lessor is an entity in which the Managing Director of Harris is the sole shareholder and director.</p> <p>Harris is the current lessee of four warehouses in Hallam. Three of those warehouses are leased from unrelated parties, the fourth is leased from the Lessor. All four warehouses are used in the ordinary day-to-day business of Harris. No other properties are used by Harris in its business.</p> <p>The Property is sufficiently large at 2035m² that all Harris operations can be consolidated into the Property providing significant operational efficiencies. The new warehouse will be able to accommodate Harris's medium to long-term warehousing and office space.</p> <p>The four warehouses currently leased by Harris will no longer be required and the leases are anticipated to expire between 5 November 2021 and 31 March 2022.</p> <p>Lease Agreement</p> <p>The material terms of the Lease Agreement are as follows:</p> <ol style="list-style-type: none"> 1. The annual rent payable at commencement is \$170,000 plus GST per annum, payable monthly. 2. The lease will commence on 5 November 2021. 3. The period from 5 November 2021 to 5 February 2022 will be rent-free. 4. The initial term of the Lease Agreement is five years followed by two further three-year extension periods at the option of HT8. 5. Harris to pay 100% of building outgoings.
----------------------------	---

6. Rent will increase by 2% on each anniversary of the commencement of the Lease Agreement.
7. The lease is subject to HT8 obtaining the approval of the shareholders on or before 1 October 2021 or such later date as is otherwise agreed by the parties

Rationale for the Transaction

The Directors consider that the most efficient way to manage the Harris business which includes significant warehousing and logistics is for the business to be housed in one large warehouse. As a result of the significant growth in the Harris business from early 2020, it was necessary to quickly find additional warehouse space which resulted in a number of warehouses being leased. During that time, it had not been possible to secure one large warehouse in which to house the whole of the business.

The opportunity has now arisen to relocate the whole of the Harris business into one warehouse with the result that there will be significant efficiencies and cost reductions.

Prior to agreeing to the proposed lease of the Property, the directors of Harris (excluding Garrison Huang) reviewed written market appraisals by two independent licensed real estate agents and valuers with experience in the Hallam/Dandenong area. The appraisals determined that the "fair rental price" for the new warehouse, being the rental which the owner of the new warehouse could expect to receive on the open market, was equivalent to or greater than the annual rent to be paid by Harris under the Lease Agreement.

It is therefore considered by the directors that it is in the best interests of Harris and its shareholders to secure the Property under a long-term lease.

Details of the Property

The Property is in the industrial area in Hallam, 34 km south-west of Melbourne. Hallam is well serviced with trains and road transport, with the Monash Freeway and South Gippsland Freeway nearby.

The building on the Property consists of an office and warehouse, with a total floor area of approximately 2035 sqm. Suitable parking for service vehicles and employee vehicles are available.

Details of the Lessor

The sole director and shareholder of the Lessor is Garrison Huang.

Advantages of the Harris acquisition

The Directors are of the view that the following non-exhaustive list of advantages may be relevant to a Shareholder's decision on how to vote on the Resolution:

- a) Harris will achieve security of tenure for a minimum of five years of a property which is highly suitable to the current and future business of Harris; and
- b) Harris will be able to further invest in improvements to the Property to improve the logistics of its business knowing that those improvements will be available for a minimum of five years and up to 11 years if both options to extend are exercised.

Disadvantages of the Harris acquisition

The Directors are of the view that the following non-exhaustive list of disadvantages may be relevant to a Shareholder's decision on how to vote on the Resolution:

- a) in the event that the business of Harris changes in the future, the Property may either become no longer suitable or less suitable. This may require Harris to either terminate the lease agreement or sublet the Property on less desirable terms.

Recommendations of the Directors

Each of the directors (excluding Mr Huang) determined that entering into the Lease Agreement is in the best interests of the Company and its Shareholders and each recommend that Shareholders vote in favour of the Resolution.

None of the directors of Harris (other than Mr Huang) has an interest in the outcome of the Resolution, other than as shareholders of Harris.

In arriving at the recommendation, each of the Directors considered and made an assessment of the advantages and disadvantages referred to above and determined that the advantages outweigh the disadvantages. Each of the Directors concluded that entering into the Lease Agreement is far more beneficial to the Shareholders than if the current leasing arrangements continued.

Each of the directors (excluding Mr Huang) agreed with the analysis of the Independent Expert that entering into the Lease Agreement is fair and reasonable to the non-associated Shareholders. In particular the Directors recommend Shareholders vote in favour of the Resolution on the basis that the entering into the Lease Agreement is, based on the analysis of the Independent Expert, fair and reasonable.

Each of the directors (excluding Mr Huang) are not aware of any other information other than as set out in this Notice of Meeting that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass the Resolution.

Mr Huang abstained from the directors' resolution to enter into the Lease Agreement as he has an interest in the outcome of the Resolution as a director and shareholder of the Lessor.

Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Statement carefully before deciding how to vote on the Resolutions.

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a "proxy") to vote in their place. All Shareholders are invited and encouraged to attend the General Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the General Meeting in person.

Independent Expert's Report

All of the Directors resolved to appoint Hall Chadwick as an Independent Expert and commissioned it to prepare a report to provide an opinion as to whether or not the Transaction is fair and reasonable to the Shareholders not associated with the Lessor.

What is fair and reasonable must be judged by the Independent Expert in all the circumstances of the transaction. This requires taking into account the likely advantages to Shareholders if the transaction is approved and comparing them with the disadvantages to them if the transaction is not approved.

Hall Chadwick has concluded that the proposed transaction is fair and reasonable to the non-associated Shareholders.

The Board strongly recommends that you read the Independent Expert's Report in full, a copy of which is in Annexure A to this Explanatory Statement.

ASX and Corporations Act Requirements

Information required by Listing Rule 14.1A

Harris is proposing to enter into the Lease Agreement with an entity in which the Managing Director of Harris has a shareholding interest.

ASX Listing Rule 10.1 provides that a listed company must not acquire or agree to acquire a "substantial asset" from:

1. a related party;
2. a child entity;
3. a substantial holder of the entity; or
4. an associate of a substantial holder of the entity,

unless it obtains the approval of its shareholders.

An asset is a "substantial asset" for the purposes of Listing Rule 10.1 if its value, or the value of the consideration for it, is, or in ASX's opinion is, 5% or more of the value of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules. Harris's audited financial statements for the year ended 30 June 2021 indicates that its equity interests were approximately \$7,661,113. The consideration for the Property is a minimum of \$850,000, being \$170,000 per annum for five years plus rent increases and outgoings. This amount exceeds 5% of the equity interests in Harris and therefore entering into the lease is the acquisition of a "substantial asset" that requires the approval of Harris's shareholders under ASX Listing Rule 10.1.

The Resolution seeks the required shareholder approval to the entering into of the Lease Agreement for the purposes of ASX Listing Rule 10.1.

If the Resolution is passed, Harris will be able to enter into the Lease Agreement.

If the Resolution is not passed, Harris will not be able to enter into the Lease Agreement and will be required to continue with the current leases or secure additional leases for its business.

Information required by Listing Rule 10.5

The following information is provided in relation to Listing Rule 10.5:

- (a) Harris is entering into the Lease Agreement with Australian PC Accessories Pty Ltd (**Lessor**).
- (b) The Lessor is in the category described in Listing Rule 10.1.1. The Lessor is controlled by Garrison Huang who is a related party of Harris.

- (c) The asset being acquired is the lease over the property at 124 Abbott Road, Hallam.
- (d) The Property is being leased for a period of five years for rent of \$170,000 per annum. The rent will increase by 2% per annum over the term of the lease.
- (e) Harris will fund the rent from its ordinary business operations.
- (f) The lease is to commence on 5 November 2021.
- (g) See above for material conditions of the Lease Agreement.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a Related Party of the public company unless providing the benefit falls within a prescribed exception to the general prohibition. Relevantly, there is an exception if the company first obtains the approval of its shareholders in a general meeting in circumstances where certain requirements specified in Chapter 2E in relation to the convening of that meeting have been met.

A Related Party is defined widely in section 228 of the Corporations Act and includes, relevantly, a proposed director of a public company, any entity that controls (or is reasonably likely to control) a public company, and any entity that is controlled by a person or entity which is otherwise a Related Party, or there are reasonable grounds to believe that a person/entity is likely to become a Related Party of the public company. As Mr Huang is a director of Harris, he falls within the definition of Related Party of Harris for the purposes of section 228.

A financial benefit for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the Related Party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate. The Company is seeking Shareholder approval under Chapter 2E of the Corporations Act for the Transaction.

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to related parties of the Company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the relevant provisions of the Corporations Act; or
- (b) prior shareholder approval has been obtained for the giving of the financial benefit.

The Transaction will constitute a financial benefit for the purposes of Chapter 2E of the Corporations Act.

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Transaction constitutes the giving of a financial benefit to Mr Huang who is a related party of Harris. It is the view of Harris that the exceptions set out in section 210 to 216 of the Corporations Act may not apply in the current circumstances. The Resolution therefore requires the approval of the Company's Shareholders under section 208 of the Corporations Act.

Consideration payable for the Property

The Property is being leased for a period of five years for rent of \$170,000 per annum plus outgoings. The rent will increase by 2% per annum over the term of the lease.

Technical information required by Chapter 2E, section 219 of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the Transaction:

- (a) Mr Huang is a related party to whom the Resolution would permit financial benefits to be given.
- (b) The financial benefit is the receipt by the Lessor of the consideration from the Transaction.
- (c) See above for recommendations by and interests of Directors in the Transaction.

Where a pro-rata issue is made (except a bonus issue) to the holders of underlying securities, the exercise price of an Option may be reduced according to the following formula: $O' = O - \frac{E[P - (S + D)]}{N + 1}$

where: O' = the new exercise price of the Option.

O = the old exercise price of the Option.

E = the number of underlying securities into which one Option is Exercisable. P = the average market price per security (weighted by reference to volume) of the underlying securities during the 5 trading days ending on the day before the ex rights date or ex entitlements date.

S = the subscription price for a security under the pro-rata issue.

D = the dividend due but not yet paid on the existing underlying securities (except those to be issued under the pro-rata issue).

N = the number of securities with rights or entitlements that must be held to receive a right to one new security.

Dear Sirs,

Independent Expert's Report on related party transaction

1. INTRODUCTION

Background

- 1.1 Harris Technology Group Limited ("Harris" or "the Company") is an Australian public company listed on the Australian Securities Exchange ("ASX"). The Company engages in online retailing and technology distribution businesses in Australia.
- 1.2 Harris has proposed to enter into an agreement to lease warehouse premises owned by a related entity of the Company's managing director and main shareholder, Garrison Huang ("Mr Huang") ("Lease Agreement").
- 1.3 The Lease Agreement and underlying terms detailed at section 2 are referred to in this report as the "Transaction".

Opinion

- 1.4 In our opinion, the Transaction is *fair and reasonable* to the Non-Associated Shareholders of Harris.
- 1.5 The ultimate decision however on whether to accept the Transaction should be based on shareholders own assessment of their circumstances.

Purpose of Report

- 1.6 You have requested Hall Chadwick Corporate (NSW) Limited ("HCC") to prepare an Independent Expert's Report to advise the shareholders of Harris not associated with the Transaction ("Non-Associated Shareholders"), in considering a resolution to approve the Transaction under ASX listing rule 10.1, whether the Transaction is fair and reasonable when considered in the context of the interests of Non-Associated Shareholders and to set out the reasons for our conclusions.
- 1.7 HCC understands and has agreed that this report is required by ASX listing rule 10.5 to accompany the notice to convene a meeting of Harris shareholders, to assist the Non-Associated Shareholders in their consideration of the Transaction.

2. OUTLINE OF THE PROPOSED TRANSACTION

- 2.1 Harris proposes to enter into the Lease Agreement with Australian PC Accessories Pty Ltd as trustee for the GWH Trust ("Lessor") in relation to the lease of the property known as 124 Abbott Road, Hallam, Victoria (the "Property").
- 2.2 The Lessor is an entity in which the Managing Director of Harris, Mr Huang, is a shareholder and director.
- 2.3 Harris is the current lessee of four warehouses in Hallam. Three of those warehouses are leased from unrelated parties, the fourth is leased from the Lessor. All four warehouses are used in the ordinary day-to-day business of Harris. No other properties are used by Harris in its business.
- 2.4 The Property is sufficiently large at 2035m² that all Harris operations can be consolidated into the Property providing significant operational efficiencies. The new warehouse will be able to accommodate Harris's medium to long-term warehousing and office space needs. The four warehouses currently leased by Harris will no longer be required and the leases expire between 5 November 2021 and 31 March 2022. Management will however attempt to terminate or sub lease the property with the 31 March 2022 before the expiry date.
- 2.5 The terms of the Lease Agreement have been based on independent rental market appraisals obtained from Collins Commercial and Industrial Pty Ltd ("Collins") and Cameron Real Estate ("Cameron"), as detailed at section 6.

STRUCTURE OF REPORT

Our report is set out under the following headings:

- 3 PURPOSE OF REPORT
- 4 BASIS OF EVALUATION
- 5 OVERVIEW OF HARRIS
- 6 ASSESSMENT OF TRANSACTION TERMS
- 7 ADVANTAGES AND DISADVANTAGES OF THE TRANSACTION
- 8 CONCLUSION AS TO FAIRNESS AND REASONABLENESS

APPENDICES

- I SOURCES OF INFORMATION
- II STATEMENT OF DECLARATION & QUALIFICATIONS
- III FINANCIAL SERVICES GUIDE

3. PURPOSE OF REPORT

- 3.1 The purpose of this report is to advise the Non-Associated Shareholders of Harris of the fairness and reasonableness of the Transaction. This report provides an opinion on whether or not the terms and conditions in relation to the transaction are fair and reasonable to the Harris shareholders whose votes are not to be disregarded in respect of the transaction (that is, the Non-Associated Shareholders).
- 3.2 The ultimate decision whether to accept the terms of the Transaction should be based on each shareholders' assessment of their own circumstances, including their risk profile, liquidity preference, tax position and expectations as to value and future market conditions. If in doubt about the Transaction or matters dealt with in this report, shareholders should seek independent professional advice.
- 3.3 For the Transaction to be fair, the terms of the Lease Agreement need to be at market based arms-length terms. To be reasonable the Non-Associated Shareholders must obtain an overall benefit if the Transaction proceeds.
- 3.4 This report has been prepared to satisfy the requirements of the Corporations Act 2001 (Cth) ("Corporations Act") and the ASX Listing Rules.
- 3.5 ASX Listing Rule 10.1 requires that a listed company must obtain shareholder approval before it acquires or disposes of a substantial asset. This applies where the vendor of the relevant asset is a related party of the listed company and when the assets value or the value of the consideration for it, constitutes more than 5% of the equity interest of that company at the date of the last audited accounts. The Property constitutes a substantial asset and is being leased from a related party. ASX Listing Rule 10.5 therefore requires a report on the transaction from an independent expert stating whether the transaction is fair and reasonable to non-associated shareholders. This report provides such an opinion.

4. BASIS OF EVALUATION

- 4.1 In our assessment of whether the Transaction is fair and reasonable to Harris Non-Associated Shareholders, we have given due consideration to the Regulatory Guides issued by ASIC, in particular, Regulatory Guide 74 “Transactions Agreed to by Shareholders”, Regulatory Guide 111 “Content of Experts Reports” and Regulatory Guide 112 “Independence of Experts Reports”.
- 4.2 ASIC Regulatory Guide 74 requires, amongst other things, that shareholders are provided with sufficient information to make an effective, informed decision on whether the proposed Transaction is fair and reasonable. In this case, the Transaction is “fair” if the Lease Agreement is based on arms-length market rates. Additionally, under Regulatory Guide 111 a transaction is “reasonable” if it is fair or, if despite being unfair, based on non-financial factors, the shareholders should still approve the Transaction.
- 4.3 Our report has compared the likely advantages and disadvantages to Non-Associated shareholders if the Transaction is agreed to, with the advantages and disadvantages to those shareholders if it is not.
- 4.4 In our assessment of the Transaction we have considered, in particular the following:
- The operational and financial position of Harris;
 - The locations Harris is currently operating from and compared them to the Property;
 - The advantages and disadvantages associated with approving the Transaction;
 - Other qualitative and strategic issues associated with the Transaction.
- 4.5 The documents and information relied on for the purpose of this valuation are set out in Appendix I. We have considered and relied upon this information and believe that the information provided is reliable, complete and not misleading and we have no reason to believe that material facts have been withheld. The information provided was evaluated through analysis, enquiry and review for the purpose of forming an opinion as to whether the Transaction is fair and reasonable. However, in assignments such as this, time is limited and we do not warrant that our enquiries have identified or verified all of the matters which an audit or more extensive examination might disclose. None of these additional tasks have been undertaken.
- 4.6 An important part of the information used in forming an opinion of the kind expressed in this report is the opinions and judgement of management. This type of information has also been evaluated through analysis, enquiry and review to the extent practical. However, it must be recognised that such information is not always capable of external verification or validation.
- 4.7 HCC are not the auditors of Harris. We have analysed and reviewed information provided by the Directors and management of Harris and made further enquiries where appropriate.
- 4.8 This report has been prepared after taking into consideration the current economic and market climate. We take no responsibility for events occurring after the date of this report which may impact upon this report or which may impact upon the assumptions referred to in this report.

5 OVERVIEW OF Harris

5.1 Corporate Overview

- 5.1.1 Harris was officially listed on the ASX on 24 June 1999 and engages in online retailing and technology distribution in Australia.
- 5.1.2 Harris engages in the online retail of IT products for small and medium businesses. It sells its products through www.ht.com.au, www.apca.net.au and other online platforms, such as Amazon, Kogan, Catch, eBay, etc.
- 5.1.3 Harris continues to use its expertise and knowledge to further develop its online IT and consumer electronics operations as well as reviewing new opportunities. Harris established the “Pro-Hygiene” division in April 2020, which has achieved significant revenue and is profitable in a very short period of time.
- 5.1.4 The rationalisation of staff, warehousing and other overheads has allowed management to focus on developing the B2C sales channels for IT and consumer electronic products. Strong sales were experienced across the entire range of products in 2020, together with product diversification to include mobile phone accessories and consumables such as inks and toners plus gaming products. Sales of antivirus software also increased.
- 5.1.5 In August 2020, Harris undertook a private placement and share purchase plan which together raised \$4.9 million. A further capital raising was undertaken in April 2021 for \$5 million before costs. With the additional capital now available, coupled with the structural shift in consumer behaviour towards increasingly shopping online, Harris is well positioned to take advantage of the retail “revolution” in the coming months and years.
- 5.1.6 The company has a proven strategy as well as experienced professional management team to drive further growth. The Company’s growth strategy includes:
- Focus on sales and building the brands it sells in the market;
 - Emphasis on systemisation to reduce costs; and
 - Ensure all sites are mobile and tablet enabled to increase visibility.

5.2 Rationale for the Transaction

- 5.2.1 As a result of the significant growth in the Harris business from early 2020, it was necessary to quickly locate additional warehouse space. This resulted in a number of warehouses being leased. During that time, it had not been possible to secure one large warehouse in which to house the whole of the business.
- 5.2.2 The Directors consider that the most efficient way to manage the Harris business, which includes significant warehousing and logistics, is for the business to be housed in one large warehouse.
- 5.2.3 The opportunity has now arisen to relocate the whole of the Harris business into one warehouse with the result that there will be significant efficiencies and cost reductions.
- 5.2.4 Prior to agreeing to the proposed lease of the Property, the directors of Harris (excluding Mr Huang) reviewed written market appraisals by two independent licensed real estate agents

and valuers with experience in the Hallam/Dandenong area. The appraisals determined that the “fair rental price” for the new warehouse, being the rental which the owner of the new warehouse could expect to receive on the open market, was equivalent to or greater than the annual rent to be paid by Harris under the Lease Agreement.

- 5.2.5 It is therefore considered by the directors that it is in the best interests of Harris and its shareholders to secure the Property under a long-term lease. The terms of the Lease Agreement are detailed at section 6.

5.3 Details of the Property

- 5.3.1 The Property is in an industrial area in Hallam, 34 km south-west of Melbourne. Hallam is well serviced with trains and road transport, with the Monash Freeway and South Gippsland Freeway nearby.
- 5.3.2 The building on the Property consists of an office and warehouse, with a total floor area of approximately 2035 sqm. Suitable parking for service vehicles and employee vehicles is available.

6 ASSESSMENT OF THE TRANSACTION

6.1 Terms of the Lease Agreement

- 6.1.1 The Lease Agreement will be entered into between Harris (“Lessor”) and Australian PC Accessories Pty Ltd as trustee for the GWH Trust (“Lessor”) for the property located at 124 Abbott Road, Hallam, Victoria (the “Property”).
- 6.1.2 The material terms of the Lease Agreement are as follows:
1. The annual rent payable at commencement is \$170,000 plus GST per annum, payable monthly.
 2. The lease will commence on 5 November 2021.
 3. The period from 5 November 2021 to 5 February 2022 will be rent-free.
 4. The initial term of the Lease Agreement is five years followed by two further three-year extension periods at the option of Harris.
 5. Harris to pay 100% of building outgoings.
 6. Rent will increase by 2% on each anniversary of the commencement of the Lease Agreement.
 7. The lease is subject to Harris obtaining the approval of the shareholders on or before 1 October 2021 or such later date as is otherwise agreed by the parties .

6.2 Independent Market Appraisals

- 6.2.1 Prior to agreeing to the proposed lease of the Property, the directors of Harris (excluding Mr Huang) reviewed written market appraisals by two independent licensed real estate agents and valuers with experience in the Hallam/Dandenong area. The appraisals determined that the “fair rental price” for the new warehouse, being the rental which the owner of the new warehouse could expect to receive on the open market, was equivalent to or greater than the annual rent to be paid by Harris under the Lease Agreement. Extracts from the two appraisals are shown below.
- 6.2.2 Rental Market Appraisal for the Property issued by Collins;
- “We have based our opinion on the following considerations:
1. Zoning
 2. Size of building
 3. Quality of construction
 4. Improvements
 5. Internal & External presentation
 6. On-site car park
 7. Location and exposure to main roads and CBD.
- Our Rental Market Appraisal, considering the above criteria and potential, with all considered suggests a fair Rental price in the vicinity of \$190,000.00 to \$200,000.00.”
- 6.2.3 Rental Market Appraisal for the Property issued by Cameron;
- “Value Appraised
- After careful consideration and an analysis of recent leasing evidence, we believe the property would lease in the vicinity of \$172,975 (or \$85 per square meter) per annum plus GST plus all outgoings.”

7 ADVANTAGES & DISADVANTAGES OF THE TRANSACTION

7.1 Approach to assessing Fairness and Reasonableness

HCC has followed the guidelines of ASIC Regulatory Guide 111 in assessing the fairness and reasonableness of the Transaction. In forming our conclusions in this report, HCC compared the advantages and disadvantages for Non-Associated Shareholders if the Transaction proceeds.

7.2 Advantages of the Transaction

- 7.2.1 Harris will achieve security of tenure for a minimum of five years of a property which is highly suitable to the current and future business of Harris
- 7.2.2 The Transaction provides an opportunity for Harris to move from its existing four separate warehouse locations to a single warehouse sufficient in size that all Harris operations can be consolidated, providing significant operational efficiencies and cost reductions.
- 7.2.3 The Transaction is being structured on arms-length commercial terms under a standard commercial property lease.
- 7.2.4 Harris will be able to further invest in improvements to the Property to improve the logistics of its business knowing that those improvements will be available for a minimum of five years and up to eleven years if both options to extend are exercised.

7.3 Disadvantages of the Transaction

- 7.3.1 In the event that the business of Harris changes in the future, the Property may either become no longer suitable or less suitable. This may require Harris to either terminate the lease agreement or sublet the Property on less desirable terms.

8 CONCLUSION AS TO FAIRNESS AND REASONABLENESS

8.1 Fairness

- 8.1.1 For the Transaction to be fair, the terms of the Lease Agreement need to be at market based arms-length terms.
- 8.1.2 We have considered, amongst other things, the information available on the Company, its current operations, the terms of the Lease Agreement and the independent written market appraisals received.
- 8.1.3 In our opinion the Transaction is **fair** as:
- a) The Lease Agreement has been independently prepared on arms-length commercial terms; and
 - b) The agreed starting rent to be paid by Harris to the Lessor of \$170,000 plus GST per annum is equivalent to the independent written market appraisal received from Cameron, and less than the appraisal received from Collins such that the Company will not be paying above fair market price for the leasing of the Property.

8.2 Reasonableness

ASIC Regulatory Guide 111 states that a transaction is reasonable if:

- The Transaction is fair; or
- Despite not being fair the expert believes that there are sufficient reasons for security holders to accept the offer in the absence of any higher bid before the close of the offer.

We have concluded that the Transaction is reasonable. In forming our opinion we have also considered the following relevant factors.

- Harris will achieve security of tenure for a minimum of five years of a property which is highly suitable to the current and future business of Harris
- The Transaction provides an opportunity for Harris to move from its existing four separate warehouse locations to a single warehouse sufficient in size that all Harris operations can be consolidated, providing significant operational efficiencies.
- The Transaction is being structured on arms-length commercial terms under a standard commercial property lease.
- Harris will be able to further invest in improvements to the Property to improve the logistics of its business knowing that those improvements will be available for a minimum of five years and up to eleven years if both options to extend are exercised.
- The annual rent currently being paid for the four existing properties used by the business totals approximately \$136,000 before utilities and outgoings. Although the proposed arrangement will result in an increase in annual rent to \$170,000, the additional cost will return value to shareholders given the efficiencies associated with operating from a single property that allows space to continue to expand the business.

Having considered that the Transaction is fair, the potential advantages and disadvantages of the Transaction, in our opinion the Non-Associated Shareholders of Harris should benefit if the Transaction proceeds and therefore, in our opinion the Transaction is reasonable.

Yours faithfully
Hall Chadwick Corporate (NSW) Limited
