4A.13 Further information about the DRP

DRP methodology is as follows:

- (a) When the Company's share price is greater than or equal to its NTA, dividends are paid as newly issued shares in the Company. Participating shareholders will be issued new shares at the volume weighted average share price over the three trading days from the record date;
- (b) If the share price of FPC is less than its NTA on the ex-date, cash available for distribution as dividends on shares subject to the DRP will be used to acquire the Company's shares on market and transferred to the participants in the DRP.
