

ASX ANNOUNCEMENT

4 OCTOBER 2021

CATALYST CEO APPOINTMENT

Catalyst Metals Limited (**Catalyst** or the **Company**) (ASX: **CYL**) is pleased to announce that Mr John McKinstry, who commenced with the Company as General Manager Technical Services and Development in early September 2021, will assume the role of Chief Executive Officer effective immediately.

Mr McKinstry holds a Bachelor of Engineering from University of Queensland and a Graduate Certificate in Business Administration from the Mt Eliza Graduate School in Victoria.

Mr McKinstry has extensive experience in open pit mining and underground mining and development and has held senior management positions in gold and base metal mines in Australia and overseas. His previous positions included CEO of North Queensland Metals where he oversaw the acquisition and revamping of the Pajingo mine and as Managing Director of KalNorth Gold Mines. As General Manager he ran the Mt Leyshon and Pajingo gold mines in Queensland, the Midas gold mine in Nevada, USA, the Martha gold mine in New Zealand and the True North gold mine in Canada. His involvement in mining and development projects extends to Mt Isa, Kalgoorlie, Papua New Guinea, and West Africa. His most recent position was as the General Manager – Operations for Washington Soul Pattinson subsidiary Round Oak Minerals.

John McKinstry commented “Having been brought in to accelerate the development plans for the Bendigo projects these will remain a key focus area for me. The Henty Mine team continues to deliver to plan and justify the reinvestment in exploration to bolster its future. I look forward to Catalyst continuing to work with its Joint Venture partners to unlock the potential of its assets, and the Company increasing its already significant presence in the Victorian and Tasmanian gold sector.”
