SYDNEY (Monday, 11 October 2021) – Centuria Capital Group subsidiary, Primewest, has secured a \$71.2 million shopping centre in Geraldton, a major regional gateway town in Western Australia, for a new single-asset, unlisted closed-ended wholesale fund.

The Northgate Geraldton Shopping Centre, located at 110 Chapman Rd, Geraldton WA, is the dominant shopping centre in the area. The retail asset is secured by anchor tenants, Coles and Kmart, which contribute 49% of gross rental income from the asset. Kmart recently commenced a new 10-year lease.

Including the anchor tenants, discount store Red Dot, 28 specialty shops, four kiosks, a Hungry Jacks and Concierge Car Wash pad sites, the centre provides a 4.7-year Weighted Average Lease Expiry (WALE)¹ and is 96.3% occupied¹.

Jason Huljich, Centuria Joint CEO said, "This is a rare opportunity to secure a retail asset that's strategically located within WA's fourth most populated area. It benefits from strong tenant covenants with 80% of the property's gross income derived from ASX-listed, national and multinational tenants.

"The acquisition illustrates how Centuria's larger balance sheet can support the team's expansion across large format and neighbourhood retail markets by securing quality, well performing assets. It adds to the Group's strong retail real estate portfolio, totalling more than \$2.6billion³."

The Northgate Geraldton Trust (NGT) will have an initial five-year term and be open to wholesale investors from 13 October 2021, providing a forecast 7.25%pa² distribution within the first two years. NGT has a target equity raise of \$41.8million.

The City of Geraldton is approximately 400km north of Perth's CBD, strategically located in the heart of WA's Mid-West region. The town benefits from a diverse regional economy supported by mining, broad-acre agriculture, wild and aquaculture fishing, tourism, and transport and logistics industries.
